the country—is a truly remarkable addition to any fisherman’s functional art collection.

**Trusting Sydney** Helen Hardt 2016-02-18 Editorial Reviews "This series is a MUST READ. " -United Indie Book Blog Synopsis Sam O'Donovan is bored with his stale life in Montana. When his brother-in-law offers him a great job and a cut of the McCray business in Colorado, he's ecstatic. This is the change he needs. As for beautiful Sydney Buchanan resurfacing? That's icing on the cake. Sydney's back for one reason and one reason only. She needs to win as many purses as she can to help her parents run their struggling ranch in Nevada. She doesn't bank on running into Sam O'Donovan. All the sparks they shared five years earlier are still there, but so much else has changed. If only Sam could understand the decisions she made during their time apart...and trust her.

*These Colours Are Bananas* Tamara Shopsin 2018-05-16 What colour is an apple? A dog? Grass? Young readers will be blown away by the range of possibilities What colour is a banana? It can be at least 25 different shades, according to this artful swatchbook of versatile subjects. An inversion of the way we typically look at colour, this book challenges readers' predispositions towards using a particular crayon for a particular object. 11 items are each presented alongside a grid of color ranges: the "apple" page features yellows, greens, and reds; the "egg" page a range of greens to grays; even "grass" is surprising, with suggestions of pink. The read-along text is playful and philosophical, poetic and factual... all towards expanding readers' assumptions. Inspired by the Whitney Museum's approach to looking at art, these books provide a new way to look at the world.

Twentieth-century Roots of Rhetorical Studies Jim A. Kuypers 2001 Kuypers, King, and their contributors explore the conception of rhetoric of eleven key American rhetoricians through analyses of their life's work. Each chapter uncovers the innate mode of perception that guided the rhetorical understanding of a particular critic. In so doing, this work dispels the myth that the discipline of Speech Communication was spawned from a monolithic and rigid center that came to be called neo-Aristotelianism.

**Tycoon Cowboy's Baby Surprise** Katherine Garbera 2017-05-01 It only takes one night in Vegas... From USA TODAY bestselling author Katherine Garbera. Wedding planner Kinley Quinten's luck runs out when her job brings her back to Texas—and face-to-face with her child's father, rancher Nate Caruthers. The passion that got them in trouble during a one-night stand three years ago is still there, too strong to deny. Nate can't help it: Kinley gets under his skin. But what happened in Vegas really needs to stay there. Too bad that cliché only gets him so far as he falls for the woman whose baby secret will change everything! Tycoon Cowboy's Baby Surprise is part of The Wild Caruthers Bachelors duet.

**Twisted Bond (Holly Woods Files, #1)** Emma Hart 2015-06-14 "I'm an Italian-Texan woman in a family full of cops. I'm passionate and shoot before I think. You only f\*ck with me if you're stupid." Photograph cheating spouses. Hand over the evidence. Cash my check. That was my plan when I returned home to Holly Woods, Texas, and became a private investigator. Finding the dead body in my dumpster? Yeah... Given the choice, I think I would have opted out of that little discovery, especially since all three of my brothers are cops. And my Italian grandmother is sure the reason I'm single is because of my job. Of course, my connection to the

victim is entirely coincidental. Until I'm hired by her husband to investigate her murder and shoved bang-smack into the path of Detective Drake Nash. My nemesis, a persistent pain in my ass, and one hell of a sexy son of a bitch. Shame he still holds a grudge from that time I shot him in the foot twelve years ago, or we could have something. In another life. So now all I have to do is avoid my nonna's blind dates, try not to blackmail my brothers into giving me confidential police files, and absolutely do not point my gun at Drake Nash. Or kiss him. Or jump his bones. All while I hunt down the killer. Sounds totally simple-until a second body proves that sometimes things that start as coincidences don't always end up that way...

*Find Colours* Tamara Shopsin 2018-06-11 A colours book with no colours - instead, die-cuts to peek through and find them yourself This introduction to colours integrates the reader's surroundings into carefully considered die-cut silhouettes, providing children the space to visually experiment. Readers will gaze around the room through a cockerel-shaped hole in search of something red, through a sun-shaped hole for something yellow, through squiggly worms for something pink. Designed for the youngest readers, this sturdy board book features 12 die-cuts made to flip and carry on a colour-seeking mission. Inspired by the Whitney Museum's approach to looking at art, these books provide a new way to look at the world.

**True Meditation** Adyashanti 2012-08-09 What would happen if you were to allow everything to be exactly as it is? If you gave up the need for control, and instead embraced the whole of your experience in each moment that arose? In the 14 years that he studied Zen, Adyashanti found that most seasoned meditators had used the practice as "an end instead of a means to an end." What he ultimately realized was that only when you let go of all techniques—even the concept of yourself as a meditator—will you open to the art of True Meditation, dwelling in the natural state. True Meditation invites you to join the growing number of seekers who have been touched by the wisdom of Adyashanti to learn: How to make the "effortless effort" that will vivify the present moment Meditative self-inquiry and "The Way of Subtraction": how to ask a spiritually powerful question—and determine the real answer "We've been taught that awakening is difficult," explains Adyashanti, "that to wake up from the illusion of separation takes years. But all it really takes is a willingness to look into the depths of your experience here and now." True Meditation gives you the opportunity to reclaim the original purpose of meditation—as a gateway to "the objectless freedom of being."

**Tyler Florence's Real Kitchen** Tyler Florence 2010-07-14 In his first cookbook, Food Network star, Tyler Florence prepares you to cook for any occasion with recipes that range from dinner with friends to table for two and from one pot wonders to cocktail parties all featuring his signature bold, irresistible, real flavors. With a culinary sensibility refined in some of New York's most high-profile restaurants, and a down-home practicality gained as the cooking guru of Food 911, Tyler cooks food that's fresh, flavorful, and totally doable. In Tyler Florence's Real Kitchen, he'll show you how to cook simple meals that taste amazing, from comfort-food to classics to vibrantly new dishes. Tyler's first cookbook stays true to his cooking philosophy—use great,

simple ingredients and let the natural flavors speak for themselves. He offers can't-miss recipes for all the crowd-pleasing dishes that you crave—cold fried chicken, a perfect meatloaf, or drop-dead lasagna. Tyler's bold, uncomplicated style even makes sophisticated food easy, with recipes like Pan-Roasted Sirloin with Arugula, Sweet Peppers, and Olive Salad or Steamed Mussels with Saffron and Tomato. He'll show you how to get a great meal from the grocery bag to the table with the least fuss and the most flavor, or how to throw a barbecue with the best burgers (spiced up with horseradish and Havarti cheese) that your friends have ever had. From weekend brunch (including Soft Scrambled Eggs with Salmon and Avocado and an assortment of dim sum) to quick weeknight dinners for two (like Hong Kong Crab Cakes with Baby Bok Choy), and a selection of great party food and cocktails, this is a cookbook you'll use again and again for every occasion. With helpful notes on essential pantry staples and a list of the kitchen equipment you really need, Tyler Florence's *Real Kitchen* is a fresh, creative exploration of just how fun (and delicious) your cooking can be.

**My First Book of Patterns** Bobby George 2017-09-18 Have you learned your colors and shapes? Now it's time to learn patterns! Stripes, polka dots, plaid, chevron, and more are featured in this first-ever patterns concept book that provides readers with the vocabulary to name what they see in the world around them. The ten most prevalent patterns are presented first as a single element (This is a circle ...), then as a pattern (... a lot of circles make polka dots!). Conceived by educators and illustrated in vivid candy-colored hues, this pitch-perfect introduction to patterns will engage the artistic, mathematical, and linguistic parts of every young child's mind.

**Turning Parliament Inside Out** Michael Chong 2017-05-13 For years, the prospect of parliamentary reform has been a hot-button issue in Canada. More and more Canadians find themselves frustrated with how Parliament works (or doesn't) and end up increasingly checked out from politics as a whole, feeling like their voices don't matter to those in power. When he introduced the "Reform Act" bill in 2013, Conservative MP Michael Chong brought the issue of parliamentary reform to the forefront, proposing changes that would empower MPs and hold party leadership accountable to their caucus--and therefore, to all Canadians. Although the changes required for such reforms are modest, the effects they would have on the Canadian democratic process would be revolutionary. In *Turning Parliament Inside Out*, Chong joins Kennedy Stewart (NDP) and Scott Simms (Liberal) in organizing a collaboration between MPs from all of Canada's major political parties, representing ridings from across the country. They join together in an across-the-aisle effort to make these changes a reality, explaining why reform is so urgently needed and proposing practical, achievable suggestions for making it happen. The contributors of this cross-partisan, cooperative project aimed at increasing citizen control of Canada's political institutions, include: FOREWORDS BY: Ed Broadbent, Preston Manning and Bob Rae NIKI ASHTON is the Member of Parliament for the riding of Churchill–Keewatinook Aski. First elected in 2008, she is a member of the NDP, the party's Critic for Jobs, Employment and Workforce Development and was a candidate in the 2012 NDP leadership race. MICHAEL CHONG (Editor) has represented the riding of Wellington–Halton Hills since 2004. He served in the cabinet of Prime Minister Stephen Harper as Minister of Intergovernmental Affairs and Minister of Sport and was a contestant in the 2017 Conservative leadership race. MICHAEL COOPER, Conservative Party, was elected to represent the riding of St. Albert–Edmonton in 2015. He is the Official Opposition Deputy Critic for Justice. NATHAN CULLEN is the NDP MP representing

Skeena–Bulkley Valley since 2004. He has held various senior portfolios for the NDP including House Leader and Finance Critic and stood as a candidate in the 2012 NDP leadership race. ELIZABETH MAY is the leader of the Green Party of Canada. She became the first Green Party candidate to be elected to the House of Commons in 2011 and represents the riding of Saanich–Gulf Islands. SCOTT SIMMS (Editor) is the Member of Parliament for the Newfoundland and Labrador riding of Coast of Bays–Central–Notre Dame. First elected in 2004, he is a member of the Liberal Party and the current chair of the Standing Committee of Fisheries and Oceans. KENNEDY STEWART (editor) was elected in 2011 and is the NDP MP for Burnaby South. He is currently the NDP Critic for Science and chair of the NDP's British Columbia caucus. ANITA VANDENBELD is a member of the Liberal Party and was elected to represent the riding of Ottawa West–Nepean in 2015. She is a member of the Standing Committee of the Status of Women and chaired the Special Committee on Pay Equity in 2016.

**Tropical Bartender Bear** Zoe Chant 2019-09-08 A male beauty contest, a murder attempt, and a mate... When you're in trouble with the mob, there's only one thing to do: Assume your twin sister's identity, escape to a tropical island resort, and lay low while enjoying a generous slice of beefcake courtesy of the World Mr. Shifter pageant. But wolf shifter Laura Smith didn't expect to find the most gorgeous man at the resort behind the bar... or guess that he would be her one true mate! And as long as everyone thinks she's her sister, giving in to her heart means blowing her cover. Bear shifter Tex Williams considers himself unlucky in love, but this is ridiculous. A woman he met years ago turns up again, and suddenly she's his fated mate? Why didn't he recognize her at first sight? And why does she deny their bond now? Things heat up, in and out of the sheets, when someone tries to poison Laura and Tex has to risk everything to protect her. Can Laura learn to trust Tex as the attempts on her life escalate? Is there a hitman among the hunks? Between the hot guys and the hidden agendas, this is one wild week at Shifting Sands Resort! TROPICAL BARTENDER BEAR is a scorching hot, action-packed, standalone interracial shifter romance with lots of humor and heart. No cliffhangers! Fans are raving about this unique series: ★★★★★ 'This whole series is full of humor, suspense and a wide variety of people/animals to keep you coming back for the next book.' ★★★★★ 'If only there was a resort like this I would book my one way ticket today!' ★★★★★ 'I really love this series. the next one.' ★★★★★ 'Can't wait to see what Zoe brings to the Shifting Sands Resort next!' ★★★★★ 'This is a Shifting Sands book, I knew it would be good.' ★★★★★ 'Man! This series has been SO fun!' ★★★★★ 'This series is a gem and I'm delighted to recommend it to others.'

*Trump the Press* Don Surber 2016-07-01 From Steven Hayward of Power Line: "The independent internet journalist Don Surber has produced a terrific short catalogue and analysis of how everyone-but especially the conservative commentariat-missed or misunderstood the rise of Donald Trump. "The book is a wonderful catalog of all the pundits who completely dismissed Trump from the beginning (including yours truly, though Don was kind enough not to quote my faulty Los Angeles Times prediction last August that Trump would be gone by Thanksgiving)."

*Turning Payne* Chantel Seabrook 2018-10-15 Turner Payne has dedicated his career to bringing down the man responsible for the deaths of hundreds of shifters. His world is turned upside-down when he crosses paths with his mortal enemy's daughter, Riley, and she becomes the victim of her own father's latest experiment. Riley has to decide whom she can trust-if anyone, and Turner must go against Therian law to protect her. But at what cost?

*Drone Operator's Logbook* Drone Pilots 2019-06-07 Do you own a drone? Then you need a log book. Log each flight confidently and increase your safety, as well as the value of your drone. This log book is the official standard and includes details that are specific to drone operations. You have space for 360 drone flights and dedicated spots for each flight date location drone number (registration number) drone type aircraft performance characteristics aircraft's lost link procedures ...and more! Why do you need a drone log book? Marketing. Showing a completed logbook to a potential customer is a great marketing point. Like the old adage, "A picture is worth a thousand words," a good logbook is worth a thousand flights. You can quickly demonstrate your flight experience by flipping through the pages. Furthermore, a well-kept and orderly logbook gives the impression that you are a professional. The FAA or Law Enforcement Can Request Your Logbook. If you are a commercial operator flying under Part 91 & Part 61 (like with a Section 333 exemption), 14 C.F.R. § 61.51(i) says, "Persons must present their pilot certificate, medical certificate, logbook, or any other record required by this part for inspection upon a reasonable request by" the FAA, an authorized representative from the National Transportation Safety Board, or any Federal, State, or local law enforcement officer. If your electronic logbook is on your device, do you really want to give law enforcement or the FAA your device? Furthermore, how are you to get the data off that device? Insurance. When you apply for insurance, they will ask you to fill out a form that is going to ask for all sorts of information. A logbook will assist you in filling out the form so you can receive the most accurate quote. Required in Other Countries. Other countries such as South Africa require the drone logbook to be in paper. Paper is the current industry standard. Less Cumbersome. If you are marketing to a potential client, you can scan pages of your logbook and send it to them. It is more cumbersome to get the data off a phone or website. Very Little Problems. What happens if your phone is stolen, water damaged, battery dies, or there is poor cell phone signal? Paper does not need a cell signal or batteries. No Data Theft. You don't have to worry about data theft like you would with a website or an app. Fidelity. Electronic logbooks can be changed while pen and paper are permanent. Buy now

for yourself or a friend and be confident in your drone's flight log.

**Trusting Cade** Luna David 2016-02-13 At 38, Xavier "Cade" McCade has it all: a military career he can be proud of, a successful business, and a close knit group of family and friends. A former Army Special Forces Captain, Cade leaves the military to create Custos Securities, a burgeoning protection agency that provides unparalleled security for both civilians and corporations across the U.S. After a string of disastrous relationships-and a narrow escape from an abusive partner-Braden Cross is finally putting his past to rest. Combining both his passion for baking and his knack for business, Braden owns the Sugar n' Spice Café with his best friend who concocts exotic coffees and teas that pair perfectly with his decadent confections. When a stalker sets his sights on Braden, the young pastry chef's world is turned upside down. More frightened than he cares to admit, and not knowing where to turn, Braden is relieved when Cade steps in to offer his protection. Caught up in a maelstrom of threats, break-ins, and vandalism, the two draw closer together. Braden eventually realizes that he can trust Cade with his life, but he finds himself wondering... can he trust him with his heart?
