Chasse au congre à Lannilis Jean-Jacques Gourvenec 2016-10-10 En vacances, le célèbre inspecteur Savignac reprend du service pour élucider un meurtre. Inspecteur principal de son état, fin limier de la Crim' parisienne, Olivier Savignac retrouve la Pointe de Bretagne pour une semaine de vacances bien méritée, ainsi qu'un couple d'amis et le commissaire brestois en exercice, Marc Simonet. Il est sur le point d'embarquer pour Ouessant lorsque ce dernier le rappelle en urgence. Motif ? La mer vient de rejeter le cadavre d'une jeune fille sur la plage de Tréompan. Le légiste est formel : il s'agit d'un meurtre. Pour Simonet, l'aubaine d'avoir le célèbre inspecteur sous la main est trop belle. La saison estivale approche, le coin est touristique et une telle publicité ferait très mauvais effet... Savignac va élucider cette affaire en deux coups de cuiller à pot. L'ennui, c'est qu'au fur et à mesure, l'enquête se révèle plus complexe qu'elle n'en a l'air. Tous les suspects possèdent un alibi en béton armé. Pourquoi ce meurtre d'une sauvagerie inouïe ? Et pour quel mobile ? Il faudra toute la perspicacité d'Olivier Savignac pour trouver la clé de l'énigme... C'est dans la région touristique de la Pointe de Bretagne que Jean-Jacques Gourvenec installe une intrigue bien ficelée ! EXTRAIT De plus en plus épaté, Massart resta silencieux

quelques secondes, puis tenta une boutade : — ...Et l'assassin s'appelle ? Savignac émit un rire enjoué, abandonna son rocher et lui tapa sur l'épaule. — Pour ça, fit-il, il faudra encore patienter, inspecteur Massart ! Je doute que le poisson se laisse ferrer aussi facilement ! Mais comme nous sommes de fins pêcheurs dans notre catégorie, il finira par mordre à l'hameçon, tu peux me croire !

Devant tant d'assurance et l'avalanche de renseignements obtenus, le brestois ne douta pas du dénouement rapide de cette sombre affaire. Seulement, c'était un peu plus compliqué que ça en avait l'air... CE QU'EN PENSE LA CRITIQUE Éditions Bargain, le succès du polar breton. - Ouest France À PROPOS DE L'AUTEUR Jean-Jacques Gourvenec est né à Brest en 1956. Graphiste-illustrateur professionnel, aquarelliste et photographe amateur, il fut longtemps éloigné de son Finistère natal, terre d'authenticité et de légendes à laquelle il voue une passion sans limite et où il puise son inspiration. De retour au pays, il a définitivement jeté l'ancre près de Brest, et publie ici son premier roman policier.

The Art of Struggle Michel Houellebecq 2010 Translated for the first time into English, a dual-text edition of a prize-winning poetry collection from the always controversial novelist Notorious as a novelist, Michel Houellebecq was first known in France as a poet, and in many ways it is through poetry that he found his novelist's voice. The recipient of the prestigious poetry prize Prix de Flore, this collection of prose and verse pieces investigate issues of alienation, individualism, and disillusionment—themes that will be familiar to Houellebecq readers—while subtly adopting a variety of tones and styles, revealing facets of the author unknown until now in the English-speaking world. Deeply melancholic and despairing at the inhumanity of the present-day world, yet brimming with vitality and invention, these timely, poignant poems clear away the dross of hollow optimism and call for an end to the nightmare of modern existence.

The Concept of Negritude in the Poetry of Leopold Sedar Senghor Sylvia Washington Ba 2015-03-08
Negritude has been defined by Léopold Sédar Senghor as "the sum of the cultural values of the black world as they are expressed in the life, the institutions, and the works of black men." Sylvia Washington

Bâ analyzes Senghor's poetry to show how the concept of negritude infuses it at every level. A biographical sketch describes his childhood in Senegal, his distinguished academic career in France, and his election as President of Senegal. Themes of alienation and exile pervade Senghor's poetry, but it was by the opposition of his sensitivity and values to those of Europe that he was able to formulate his credo. Its key theme, and the supreme value of black African civilization, is the concept of life forces, which are not attributes or accidents of being, but the very essence of being. Life is an essentially dynamic mode of being for the black African, and it has been Senghor's achievement to communicate African intensity and vitality through his use of the nuances, subtleties, and sonorities of the French language. In the final chapter Sylvia Washington Bâ discusses the future of Senghor's belief that the black man's culture should be recognized as valid not simply as a matter of human justice, but because the values of negritude could be instrumental in the reintegration of positive values into western civilization and the reorientation of contemporary man toward life and love. Balbuzar Geïrard Moncomble 2021-11-23 In the Sarboucane sea, Balbuzar the pirate reigns supreme. He attacks, plunders, sinks, and ransoms everything that comes within his reach. Savage, cruel, formidable, certainly, Balbuzar is; but also with a certain bonhomie, and a great sense of justice. He is in harmony

with the sea, the islands, the wind, the rocks. Around him, birds, always. Men, women, children...they all love him. For he is free as the air. But now the Empress Pépita XIII is worried about her state of affairs, and Balbuzar's constant plundering. She sends against him her best officer, the Commodore, at the head of an armada. He represents force, order, law. Arrogant, domineering, relentless. And sure to be the one who will clean the Sarboucane sea. Balbuzar and the Commodore clash. Two exceptional sailors, two sharp warriors. The fight begins, shattering, tumultuous. The struggle, however, is unequal, for the Commodore has immense resources, an army behind him and the power of the empire. He's built a gigantic ship that will surely sweep away the pirates and their black-flag flotilla. Balbuzar's fate seems certain. Will the outlaw will be crushed by the enormity of the adversary? Cooked in the imperial pot? Or will the cunning pirate will find the rift in the monster's breastplate? Will he will defeat his monstrous foe, like David blasting Goliath? Balbuzar is the story of a confrontation between two worlds, that of royalty and that of piracy, between conformity and diversity. Gérard Moncombe's text deftly balances action, humor and poetry, while artist Frédéric Pillot's stunning, gorgeously detailed illustrations help paint this rousing, unforgettable tale. One that you'll want to come back to again and again... A fable about freedom, about resistance, about power. And an ode to nature.

Appalled by the squalor of their living conditions, horrified by what she saw of a country where women are merely chattels and Westerners are despised, Betty soon became desperate to return to the States. But Moody, and his often vicious family, had other plans. Mother and daughter became prisoners of an alien culture, hostages of an increasingly tyrannical and violent man. Betty began to try to arrange an escape. Evading Moody's sinister spy network, she secretly met sympathisers opposed to Khomeini's savage regime. But every scheme that was suggested to her meant leaving Mahtob behind for ever... Eventually, Betty was given the name of a man who would plan their perilous route out of Iran, a journey that few women or children had ever made. Their nightmare attempt to return home began in a bewildering snowstorm...

Chaque énigme a sa clé - Volume 11 Daniel Tharaud 2015-09-11 "Il se rendit jusqu'à un parking et monta dans une voiture grise, mais comme le parvis de la gare n'était guère encombré, elle n'osa pas s'aventurer à découvert et se retrancha à l'intérieur pour attendre son amie. De loin, elle vit la voiture s'éloigner vers le centre de la ville. Pendant ce temps, Stéphanie instruisait l'inspecteur de la situation telle qu'elle se présentait. Celui-ci l'engagea à la plus extrême prudence. – Surtout, que personne ne puisse vous soupçonner d'espionnage. Le monde des trafiquants est perfide." Retour à Perros-Guirec, lieu de leur première affaire: Stéphanie et France retrouvent la dramatique atmosphère de petits truands sans moralité. L'argent leur est plus cher que la vie: trafic de drogue, overdose, meurtre... Face à de vieux loups de mer, nos deux détectives devront partir à la pêche aux indices. Pour notre plus grand plaisir, Daniel Tharaud transforme une fois de plus les vacances de nos héroïnes en une vaste enquête. L'auteur confirme, si besoin était, sa maîtrise des genres dans ce nouveau polar décomplexé qui ravira un large public.

Self and Emotional Life Adrian Johnston 2013-06-11 Adrian Johnston and Catherine Malabou defy theoretical humanities' deeply-entrenched resistance to engagements with the life sciences. Rather than treat biology and its branches as hopelessly reductive and politically suspect, they view recent advances in neurobiology and its adjacent scientific fields as providing crucial catalysts to a radical rethinking of subjectivity. Merging three distinct disciplines—European philosophy from Descartes to the present, Freudian-Lacanian psychoanalysis, and affective neuroscience—Johnston and Malabou triangulate the emotional life of affective subjects as conceptualized in philosophy and psychoanalysis with neuroscience. Their experiments yield different outcomes. Johnston finds psychoanalysis and neurobiology have the potential to enrich each other, though affective neuroscience demands a reconsideration of whether affects can be unconscious. Investigating this vexed issue has profound implications for theoretical and practical analysis, as well as philosophical understandings of the emotions. Malabou believes scientific explorations of the brain seriously problematize established notions of affective subjectivity in Continental philosophy and Freudian-Lacanian analysis. She confronts philosophy and psychoanalysis with something

neither field has seriously considered: the concept of wonder and the cold, disturbing visage of those who have been affected by disease or injury, such that they are no longer affected emotionally. At stake in this exchange are some of philosophy's most important claims concerning the relationship between the subjective mind and the objective body, the structures and dynamics of the unconscious dimensions of mental life, the role emotion plays in making us human, and the functional differences between philosophy and science.

Hawks on Hawks Joseph McBride 2013-12-03 A portrait of the renowned film director based on seven years of interviews: "I am very happy that this book exists." —François Truffaut Howard Hawks is often credited as the most versatile of the great American directors, having worked with equal ease in screwball comedies, westerns, gangster movies, musicals, and adventure films. He directed an impressive number of Hollywood's greatest stars—including Humphrey Bogart, Cary Grant, John Wayne, Lauren Bacall, Rosalind Russell, and Marilyn Monroe—and some of his most celebrated films include Scarface, Bringing

Up Baby, The Big Sleep, Red River, Gentlemen Prefer Blondes, and Rio Bravo. "There are going to be many biographies of Howard Hawks, but they will all lean heavily on this book; the pioneer so honestly reveals himself and the people with whom he worked." —Los Angeles Times

Why We Came to the City Kristopher Jansma 2016-02-16 "Stunning . . . A beautiful, sprawling, and generous book. Jansma is a brilliantly talented writer, but he also has a unique insight into what friends mean to one another, and what it means to be part of a city in which you never quite belong, but can't quite bring yourself to leave. It's a heartfelt novel, tender and painful and cathartic all at once, and even if the characters belong to New York, the story belongs to us all." —NPR December, 2008. A heavy snowstorm is blowing through Manhattan and the economy is on the brink of collapse, but none of that matters to a handful of guests at a posh holiday party. Five years after their college graduation, the fiercely devoted friends at the heart of this richly absorbing novel remain as inseparable as ever: editor and social butterfly Sara Sherman, her troubled astronomer boyfriend George Murphy, loudmouth poet Jacob Blaumann, classics major turned investment banker William Cho, and Irene Richmond, an enchanting artist with an inscrutable past. Amid cheerful revelry and free-flowing champagne, the friends toast themselves and the new year ahead—a year that holds many surprises in store. They must navigate ever-shifting relationships with the city and with one another, determined to push onward in pursuit of their precarious dreams. And when a devastating blow brings their momentum to a halt, the group is forced to reexamine their aspirations and chart new paths through unexpected losses. Kristopher Jansma's award-winning debut novel, *The Unchangeable Spots of Leopards*, was praised for its "wry humor" and "charmingly unreliable narrator" in *The New Yorker* and hailed as "F. Scott Fitzgerald meets Wes

Anderson” by The Village Voice. In *Why We Came to the City*, Jansma offers an unforgettable exploration of friendships forged in the fires of ambition, passion, hope, and love. This glittering story of a generation coming of age is a sweeping, poignant triumph.

Easy Riders Raging Bulls Peter Biskind 2011-12-13 In 1969, a low-budget biker movie, *Easy Rider*, shocked Hollywood with its stunning success. An unabashed celebration of sex, drugs, and rock 'n' roll (onscreen and off), *Easy Rider* heralded a heady decade in which a rebellious wave of talented young filmmakers invigorated the movie industry. In *Easy Riders, Raging Bulls*, Peter Biskind takes us on the wild ride that was Hollywood in the '70s, an era that produced such modern classics as *The Godfather*, *Chinatown*, *Shampoo*, *Nashville*, *Taxi Driver*, and *Jaws*. *Easy Riders, Raging Bulls* vividly chronicles the exuberance and excess of the times: the startling success of *Easy Rider* and the equally alarming circumstances under which it was made, with drugs, booze, and violent rivalry between costars Dennis Hopper and Peter Fonda dominating the set; how a small production company named BBS became the guiding spirit of the youth rebellion in Hollywood and how, along the way, some of its executives helped smuggle Huey Newton out of the country; how director Hal Ashby was busted for drugs and thrown in jail in Toronto; why Martin Scorsese attended the Academy Awards with an FBI escort when *Taxi Driver* was nominated; how George Lucas, gripped by anxiety, compulsively cut off his own hair while writing *Star Wars*, how a modest house on Nicholas Beach occupied by actresses Margot Kidder and Jennifer Salt became the unofficial headquarters for the New Hollywood; how Billy Friedkin tried to humiliate Paramount boss Barry Diller; and how screenwriter/director Paul Schrader played Russian roulette in his hot tub. It was a time when an "anything goes" experimentation prevailed both on the screen and off. After the success of *Easy Rider*, young film-school graduates suddenly found themselves in demand, and directors such as Francis Coppola, Peter Bogdanovich, George Lucas, and Martin Scorsese became powerful figures. Even the new generation of film stars -- Nicholson, De Niro, Hoffman, Pacino, and Dunaway -- seemed a breed apart from the traditional Hollywood actors. Ironically, the renaissance would come to an end with *Jaws* and *Star Wars*, hugely successful films that would create a blockbuster mentality and crush innovation. Based on hundreds of interviews with the directors themselves, producers, stars, agents, writers, studio executives, spouses, and ex-spouses, this is the full, candid story of Hollywood's last golden age. Never before have so many celebrities talked so frankly about one another and about the

drugs, sex, and money that made so many of them crash and burn. By turns hilarious and shocking, Easy Riders, Raging Bulls is the ultimate behind-the-scenes account of Hollywood at work and play.
