Maigret and the Madwoman Georges Simenon 1979 "Simenon created one of the great moral detectives . . . a master of the slow unfolding of the criminal mind."-JOHN MORTIMER Someone is moving a kind old woman's furniture while she is away, but by the time Maigret investigates, she is dead. A kind, elderly lady-meticulously groomed and showing no signs of derangement-appeals to Inspector Maigret, frightened because someone has been moving furniture in her apartment. Nothing, however, has been stolen, and Maigret's subordinates at Police Headquarters shrug her off as "Maigret's madwoman." Touched by the imploring look in her eyes, Maigret promises to investigate-but someone gets there ahead of him. "Simenon is . . . in a class by himself."-THE NEW YORKER Georges Simenon (1903-1989) was born in Liege, Belgium. He published his first novel at seventeen and went on to write more than two hundred novels, becoming one of the world's most prolific and bestselling authors. His books have sold more than 500 million copies and have been translated into fifty languages. Maigret is a registered trademark of the Estate of Georges Simenon

Submission Michel Houellebecq 2016-09-08 As the 2022 French Presidential election looms, two candidates emerge as favourites: Marine Le Pen of the Front National, and the charismatic Muhammed Ben Abbes of the growing Muslim Fraternity. Forming a controversial alliance with the political left to block

the Front National's alarming ascendancy, Ben Abbas sweeps to power, and overnight the country is transformed. This proves to be the death knell of French secularism, as Islamic law comes into force: women are veiled, polygamy is encouraged and, for our narrator François – misanthropic, middle-aged and alienated – life is set on a new course. *Submission* is a devastating satire, comic and melancholy by turns, and a profound meditation on faith and meaning in Western society.

Casa Rodeo 2021-03-26 It's business as usual at the residence of Titus and his motley crew. Champagne baths, reckless scientific experimentations, casual littering. It's all fun and games, until their house decides it has had enough and goes looking for a better life... leaving the gang without a place to call their own! Will Titus and his friends find a new home, or convince their old one to come back? Thom shows an ever-

growing mastery of visual storytelling in this brilliant follow-up to his 2017 debut VII. Once again eschewing words altogether, the Montréal-based author channels the chaotic yet precise slapstick of Chuck Jones' Looney Tunes while infusing it with a subtle sense of existential dread. Casa Rodeo is about finding one's place in the world, both literally and figuratively.

On Being a Pagan Alain De Benoist 2018-04-23 What is paganism? In this penetrating and tightly argued manifesto, French philosopher Alain de Benoist seeks to answer this question with passionate intellectual vigor and a tremendous erudition. Arising out of the "monotheism vs. polytheism" debate that reverberated through Parisian intellectual circles in the late 1970s, this is neither a survey of ancient, pre-Christian religions, nor is it an argument on behalf of any modern neo-pagan sect. On Being a Pagan draws on Nietzsche, Heidegger, ancient philosophy and mythology, and biblical hermeneutics to articulate a pagan theology based on a common Indo-European foundation. In keeping with the critical tradition which harkens back to the Greek philosopher Celsus, Benoist contrasts the heroic pagan worldview with Christianity's attempts to hobble everything that is beautiful and strong. He compares the cyclical pagan conception of time to the de-mythologizing, linear understanding of history favored by the prophets. Most disturbingly, he traces the roots of modern totalitarianism and intolerance--of both the left and the right--to

the leveling ideology of ancient Judeo-Christian monotheism, with its underlying rejection of diversity and différence. Originally published to wide critical acclaim in 1981, Benoist's text is as relevant today as it was when it first appeared--and perhaps even more so for the English-speaking world. This newly revised translation now features an extensive interview with the author, and includes his reflections (both positive and negative) on the various groups and individuals that have attempted to resurrect the pagan spirit. Rather than simply dissecting the 2,000-year Christian interregnum, Benoist's greater purpose is to point the way forward to a world that could have been, and which may only now be in the first stages of being reborn.

Cold as Hell Lilja Sigurdardottir 2021-08-28 Áróra returns to Iceland when her estranged sister goes missing, and her search leads to places she could never have imagined. A chilling, tense standalone thriller from one of Iceland's bestselling authors... _____ Icelandic sisters Áróra and Ísafold live in different countries and aren't on speaking terms, but when their mother loses contact with Ísafold, Áróra reluctantly returns to Iceland to find her sister. But she soon realizes that her sister isn't avoiding her ... she has disappeared, without trace. As she confronts Ísafold's abusive, drug-dealing boyfriend Björn, and begins to probe her sister's reclusive neighbors – who have their own reasons for staying out of sight – leads Áróra into an ever darker web of intrigue and manipulation. Baffled by the conflicting details of her sister's life, and blinded by the shiveringly bright midnight sun of the Icelandic summer, Áróra enlists the help of police officer Daniel, as she tries to track her sister's movements, and begins to tail Björn– but she isn't the only one watching... Slick, tense, atmospheric and superbly plotted, *Cold as Hell* marks the start of a riveting, addictive new series from one of Iceland's bestselling crime writers.

Sunken City Marta Barone 2022-05-12 'A very powerful and moving book' Margaret Drabble 'What an extraordinary voice! I was captivated from the first page and I know Marta's unique voice will stay with me for a long time. Bravissima!' Tomasz Jedrowski, author of *Swimming in the Dark* Newly-bereaved, bookish and lonely in Turin, a young woman sets out to chronicle her father's secret lives - and her struggle to accept his loss. She is startled to discover that the gentle, mercurial doctor was sentenced to jail in 1986 for membership of an armed band. Her father, L.B., lived through the Years of Lead, a time of unrest when extreme factions of left and right took hostages, set bombs and murdered their countrymen. Unable to move on before she can understand her family's past, she goes in search of him - and ultimately of herself too - the only way she knows how, by reading everything she can ... Through her search for the truth, a very different picture starts to emerge.

The Rejection of Consequentialism Samuel Scheffler 1994-08-11 In contemporary philosophy, substantive moral theories are typically classified as either consequentialist or deontological. Standard consequentialist theories insist, roughly, that agents must always act so as to produce the best available outcomes overall. Standard deontological theories, by contrast, maintain that there are some circumstances where one is permitted but not required to produce the best overall results, and still other circumstances in which one is positively forbidden to do so. Classical utilitarianism is the most familiar consequentialist view, but it is widely regarded as an inadequate account of morality. Although Professor Scheffler agrees with this assessment, he also believes that consequentialism seems initially plausible, and that there is a persistent air of paradox surrounding typical deontological views. In this book, therefore, he undertakes to reconsider the rejection of consequentialism. He argues that it is possible to provide a rationale for the view that agents need not always produce the best possible overall outcomes, and this motivates one departure from consequentialism; but he shows that it is surprisingly difficult to provide a satisfactory rationale for the view that there are times when agents must not produce the best possible overall outcomes. He goes on to argue for a hitherto neglected type of moral conception, according to which agents are always permitted, but not always required, to produce the best outcomes.

[A Nearly Normal Family](#) M.T. Edvardsson 2019-06-25 "...A compulsively readable tour de force." —The Wall Street Journal New York Times Book Review recommends M.T. Edvardsson's *A Nearly Normal Family* and lauds it as a "page-turner" that forces the reader to confront "the compromises we make with ourselves to be the people we believe our beloveds expect." (NYTimes Book Review Summer Reading Issue) M.T. Edvardsson's *A Nearly Normal Family* is a gripping legal thriller that forces the reader to consider: How far would you go to protect the ones you love? In this twisted narrative of love and murder, a horrific crime makes a seemingly normal family question everything they thought they knew about their life—and one another. Eighteen-year-old Stella Sandell stands accused of the brutal murder of a man almost fifteen years her senior. She is an ordinary teenager from an upstanding local family. What reason could she have to know a shady businessman, let alone to kill him? Stella's father, a pastor, and mother,

a criminal defense attorney, find their moral compasses tested as they defend their daughter, while struggling to understand why she is a suspect. Told in an unusual three-part structure, *A Nearly Normal Family* asks the questions: How well do you know your own children? How far would you go to protect them?

Tomorrow I'll Be Twenty Alain Mabanckou 2013-05-09 Finalist for the Man Booker International Prize 2015

Michel is ten years old, living in Pointe Noire, Congo, in the 1970s. His mother sells peanuts at the market, his father works at the Victory Palace Hotel, and brings home books left behind by the white guests. Planes cross the sky overhead, and Michel and his friend Louns dream about the countries where they'll land. While news comes over the radio of the American hostage crisis in Tehran, the death of the Shah, the scandal of the Boukassa diamonds, Michel struggles with the demands of his twelve year old girlfriend Caroline, who threatens to leave him for a bully in the football team. But most worrying for Michel, the witch doctor has told his mother that he has hidden the key to her womb, and must return it before she can have another child. Somehow he must find it. *Tomorrow I'll Be Twenty* is a humorous and poignant account of an African childhood, drawn from Alain Mabanckou's life.

Of Illustrious Men Jean Rouaud 2011-04-18 Hailed as a masterpiece, Jean Rouaud's first novel, *Fields of Glory*, was awarded France's most prestigious literary prize, the Prix Goncourt, and sold over a million copies worldwide. *Of Illustrious Men* establishes as fact what the first novel promised—that Rouaud is a writer of remarkable power, subtlety, and originality. Lovingly set in the same region as *Fields of Glory*, the novel is about the author's father, Joseph, and a traveling salesman who died at forty-one and left a family in shock behind him. In the mind of the grieving eleven-year-old son—too young to have really known him—his father was a hero, a warrior, a legend of the Resistance during World War II. But the narrator is no longer that eleven-year-old boy; he is a mature and gifted writer. And though he may still ache for the loss of his father, he also knows that Joseph's illustriousness can be found not only in the heady days of wartime glory but in moments of domestic tranquility. *Of Illustrious Men* evokes scenes of both war and peace with exquisite beauty and understated and poignant tenderness. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical

fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Marathon Nicolas Debon 2021-09-22T00:00:00+02:00 Amsterdam, August 1928. The crowd goes wild as the world's star athletes take off from the starting line for the crowning event of the Olympic Games: the marathon. Few so much as notice the short, slight Algerian runner—a factory worker by day—who wears the French jersey. But that was before a strong wind, cramps, and 42.195 kilometers of ruthless competition combined to produce an astonishing upset...

My Journey from Paris to Java Honoré de Balzac 2010 Honor de Balzac, the renowned French novelist and playwright, and one of the pioneers of literary realism, makes a short fantasy diversion to the mystical island of Java, where he, or rather the narrateur, encounters a deadly poison-breathing tree, civilised monkeys, love-sick sparrows and that epitome of Oriental desirability of his day ? the women of Java.

Just After the Wave Sandrine Collette 2020-01-14 Surviving the environmental apocalypse has its own consequences in this novel of “tense, tightly controlled, and genuinely devastating prose” (Kirkus Reviews, starred review). When a volcano collapses in the ocean and generates a tidal wave of biblical proportions, the world disappears around Louie, his parents and his eight siblings. Their house, perched on what was once the top of a hill, now stands on a tiny island. As far as the eye can see there is only silver water. Their survival is nothing short of miraculous. But with that miracle come devastating new dilemmas. The vast waters around them are routinely shaken by violent storms, like jolts of rage. As the waters continue to rise. Higher ground must be found, and calculations must be made: How much longer until their little island is gone? How far is the next refuge? And how many members of the family can fit in their tiny rowboat? From the acclaimed author of *Nothing But Dust* comes “a breathtaking novel that tells a tale of resilience, love, and all the invisible but powerful ties that bind a family together” (France Bleu).

Orfeo Richard Powers 2014-01-21 The author of the National Book Award winner and Pulitzer Prize finalist *The Echo Maker*, Richard Powers “may well be one of the smartest novelists now writing” (LOS ANGELES TIMES BOOK REVIEW) Seventy-year-old avant-garde composer Peter Els opens the door one evening to find the police on his doorstep. His home DIY microbiology lab--the latest experiment in his lifelong attempt to extract music from rich patterns beyond the ear’s ability to hear--has come to the attention of Homeland Security. Panicked by the raid on his house, Els turns fugitive, waiting for the evidence to clear him and for the alarm surrounding his activities to blow over. His days in hiding provoke memories of a turbulent century of musical turf wars and cause Els to reflect on a life spent chasing after transcendent sounds to the bewilderment of an indifferent public. As the national hysteria for safety erupts again in the face of this latest threat, Els--the “Bioterrorist Bach”--feeling the noose around him tighten, embarks on a cross-country trip to visit the people in his past who have most shaped his failed musical journey. Through the help of these people--his ex-wife, his daughter and his long-time artistic collaborator-- Els comes up with a plan to turn this disastrous collision with the security state into one last, resonant artwork that might reach an audience beyond his wildest dreams. Inspired by Steve Kurtz, the bio-artist wrongly arrested for terrorism by the FBI, Orfeo probes the boundary between stifling safety and reckless, releasing danger. It explores the varieties of human hunger, in particular the desire to hear more and to make meaning where there is none. Finally, the book is a meditation on that most endangered and priceless of human resources: attention.

Studies in Romanesque Sculpture PINDAR PRESS. 1979 Professor Zarnecki is the leading authority on English medieval sculpture. The present volume has assembled his major articles on Romanesque art published before 1979. These studies are primarily concerned with the changes that took place in English sculpture during the eleventh and twelfth centuries, and attempt to set developments in English art over this period within a European context. The volume also deals with Romanesque sculpture in France and Italy, together with metalwork and woodcarving in England, and includes a number of important iconographical studies. The author has up-dated his earlier studies to incorporate the results of

subsequent research, and has augmented several studies with added bibliographical notes or references to more recent discoveries. Additional illustrations have been added where necessary, including photographs of a number of monuments which were previously unpublished.
