*Pavarotti* Luciano Pavarotti 1996 Every generation or so an opera singer attains the kind of public adulation and affection usually reserved for film stars or pop singers. Luciano Pavarotti reached this level of fame: he was the most celebrated tenor of all time, his concerts attended by thousands, his records selling millions of copies. In *Pavarotti: My World*, he talks candidly about his successes and trials, from his forays into popular music and his performances in China, to the boos he endured at La Scala, from the near-fatal illness of his youngest daughter, to his worldwide efforts to convert people to the joys of classical music and opera. Pavarotti's acclaimed autobiography shows us how this great artist felt about his extraordinary voice, how he saw his work and how he regarded his extraordinary position in the world of music and entertainment. Generously illustrated with photographs taken from Pavarotti's private collection, this is an intimate, absorbing and wonderfully honest account of an astonishing talent.

The Anarchist Banker Fernando Pessoa 2018 The story of *The Anarchist Banker* takes place in a Lisbon café where the narrator meets an old friend, now a wealthy banker. He questions his friend about his anarchist origins and discovers to his amazement that the banker still considers himself to be an anarchist. The story revolves around the banker's vigorous defense of his position and his assertion that he is the only genuine anarchist among the banker's so-called anarchist friends. This is a bilingual English/Portuguese edition.

*Lost Downtown* Peter Hujar 2016-02 It's a vanished world, and Peter Hujar was right there in it. The Lower East Side between 1972 and 1985 -- filled with artists, wannabe artists and hangers-on -- was a community of the misbegotten gathered from every town in America and relocated in the mean streets between Broadway and the Bowery. Nothing but their talent, their flamboyance, their rank gender-bending mockery and their arch irony supported them. Some made their names. Many came to grief. A few made art. In those days, the gutted streets of the Lower East Side looked like a war zone. Everyone lived and worked on the extreme outer margins of money and art, penniless and unknown. As a community, Downtown was a counterstatement to the rich New York of the banks, museums, media, corporations ... and the art world itself. That Downtown is forever gone. Time, gentrification, disease and death have taken their toll and turned this vibrant epoch into a chapter of art history. But before it vanished, its extravagant cast sat for Peter Hujar's camera -- and is now alive again in front of our eyes. Featured among others: Joe Brainard, William Burroughs, Remy Charlip, Edwin Denby, Divine, Ray Johnson, Fran Lebowitz, Charles Ludlum, Susan Sontag, Paul Thek, John Waters, Robert Wilson, David Wojnarowicz.

The Book of Happiness Nina Berberova 2002-05 An outstanding novel about a young Russian woman's life in exile after the Russian Revolution. The Book of Happiness is one of the outstanding novels the great Russian writer Nina Berberova wrote during the years she lived in Paris, and the most autobiographical. "All Berberova's characters live raw, unfurnished lives, in poverty, on the edge of cities, with little sense of belonging except in moments of epiphany to their time and in life itself" (The Observer). Such a character is Vera, the protagonist of *The Book of Happiness*. At the novel's opening, Vera is summoned to the scene of a suicide, that of her childhood companion, Sam Adler, whose family left Russia in the early days of the revolution and whom Vera has not seen in many years. His death reduces Vera to a flood of tears and memories of the times before Sam's departure, and thoughts about how her life has gone since her move to Paris where she lives tied to a brilliant but demanding invalid husband. Berberova spins the story with a wonderful unsentimental poignancy, making it a beautiful testament to the indestructibility of happiness.

When Mr. McGregor and his wife leave home in their gig, Benjamin Bunny and his cousin Peter Rabbit venture into Mr. McGregor's garden to retrieve the clothes Peter lost there in *The Tale of Peter Rabbit*. They find the blue jacket and brown shoes on a scarecrow, but Peter is apprehensive about lingering in the garden because of his previous experience. Benjamin delays their departure by gathering onions, which he wraps in Peter's handkerchief, hoping to give them to his aunt, Peter's mother. He then takes a casual stroll around the garden, followed by an increasingly nervous Peter. Rounding a corner, they see a cat and hide under a basket, but the cat then sits on top of the basket for five hours, trapping the pair. Old Mr. Bunny (Benjamin's father, Peter's maternal uncle, and Old Mrs. Bunny's brother) enters the garden. He smokes a pipe and holds a little switch. He knocks the cat off of the basket and locks her in the greenhouse, then he rescues Benjamin and Peter. However, he although is happy that both Peter and Benjamin are safe and unharmed, he is very cross and punishes them for going to Mr. McGregor's garden. Then he whips them with the switch.
