Proyecto Atenea Shamim Sarif 2020-09-15 Jessica Archer forma parte de Proyecto Atenea, una organización secreta de agentes femeninas de élite dedicadas a hacer justicia alrededor del mundo que mantiene una frágil relación con la ley. Las integrantes de Atenea no están autorizadas a matar bajo ningún concepto, así que el día que Jessie no puede contener su ira, es expulsada de la organización, justo antes de emprender una importante misión para detener a un traficante de personas en Belgrado. Jessica necesita purgar sus faltas y demostrar que es la agente mejor capacitada de Atenea, de manera que inicia su propia investigación paralela. Pero ir por libre significa que no tiene ninguna compañera cubriéndole las espaldas, y que nadie la pondrá sobre aviso de los terribles crímenes con los que tendrá que lidiar...

Our Kind of Cruelty Araminta Hall 2019-05-07 “A searing, chilling sliver of perfection . . . May well turn out to be the year’s best thriller.” —Charles Finch, The New York Times Book Review “This is simply one of

the nastiest and most disturbing thrillers I've read in years. I loved it, right down to the utterly chilling final line." —Gillian Flynn A spellbinding, darkly twisted novel about desire and obsession, and the complicated lines between truth and perception, *Our Kind of Cruelty* introduces Araminta Hall, a chilling new voice in psychological suspense. This is a love story. Mike's love story. Mike Hayes fought his way out of a brutal childhood and into a quiet, if lonely, life before he met Verity Metcalf. V taught him about love, and in return, Mike has dedicated his life to making her happy. He's found the perfect home, the perfect job; he's sculpted himself into the physical ideal V has always wanted. He knows they'll be blissfully happy together. It doesn't matter that she hasn't been returning his e-mails or phone calls. It doesn't matter that she says she's marrying Angus. It's all just part of the secret game they used to play. If Mike watches V closely, he'll see the signs. If he keeps track of her every move, he'll know just when to come to her rescue . . .

Sincerely, F.S. Yousaf 2020-02-01 "Sincerely is passionate. Honest. Charming. F. S. Yousaf has beautifully encapsulated in a book what it feels like to fall in love."—Madisen Kuhn, author of *Almost Home* Fans of top-selling *Sincerely* are saying "unexpected perfection", "not your basic poetry book", "breathtaking", "helped me appreciate my marriage". Searching for a profound way to propose to his love, F.S Yousaf reread the letters she had written him. In them he found his proposal, and inspiration to write his own prose and poetry. This is a compilation of letters and love poems that exemplifies the spirituality and the magnitude of how much one person can mean to another. It carries messages of positivity, hope, and most of all, true love.

El verano irrespirable Marion Brunet 2020-10-27 Johanna y Céline son dos hermanas de 15 y 16 años que se adoran y, sin embargo, todo las separa. Johanna sueña con escapar del ambiente cerrado de extrarradio en la que sus ambiciones nunca se cumplirán. Por su parte, Céline perturba a todos mostrando su embarazo sin revelar quién es el padre de la criatura, indiferente al escándalo que eso provoca en los demás. El padre de la adolescente no puede contener la rabia ante la imperturbable testarudez de su hija mayor, a la que querría arrancar el nombre de "quien le hizo eso". En medio del tumulto familiar, Johanna intenta sobrellevar la mediocridad que la rodea en los brazos de su amigo, el hijo de sus vecinos árabes. Ahogados por el calor del verano, la cerrazón y el odio, la tensión alcanza

límites peligrosos que desatarán un impactante drama.

Barbed Wire Heart Tess Sharpe 2018-03-06 This powerful debut thriller from "a major new talent" (Kirkus) set in a poor, rural community where loyalty is everything, "packs an emotional punch" (Lisa Gardner) as the daughter of a meth kingpin is forced to choose between family, or freedom. Never cut the drugs--leave them pure. Guns are meant to be shot--keep them loaded. Family is everything--betray them and die. Harley McKenna is the only child of North County's biggest criminal. Duke McKenna's run more guns, cooked more meth, and killed more men than anyone around. Harley's been working for him since she was sixteen, dreading the day he'd deem her ready to rule the rural drug empire he's built. Her time's run out. The Springfields, her family's biggest rivals, are moving in. And they're coming for Duke's only weak spot: his daughter. Duke's raised her to be deadly -- he never counted on her being disloyal. But if Harley wants to survive and protect the people she loves, she's got to take out both Duke's operation and the Springfields. Blowing up meth labs is dangerous business, and getting caught will be the end of her, but Harley has one advantage: She is her father's daughter. And McKennas always win. PRAISE FOR BARBED WIRE HEART "Harley is one of the most complex, fascinating, dangerous characters I've encountered in years." --Lisa Gardner "Terrific. " --David Baldacci"Pulls off something rare." --Chicago Tribune "Possibly the most powerful, original female character we've had in decades." --New York Journal of Books "A ballad of survival sung by a voice you'll never forget." --David Joy"Highly satisfying." -- Publishers Weekly (STARRED REVIEW) "Sharpe is definitely a name to watch." --Booklist (STARRED REVIEW)

PD. Todavía te quiero Jenny Han 2016-05-17 Lara Jean no esperaba enamorarse. Mucho menos enamorarse en serio de Peter. Al principio era una fantasía. Pero de pronto, ya no es sólo eso, y ahora Lara Jean está muy confundida. Otro chico del pasado vuelve a su vida y lo que sentía por él también resurge. ¿Puede una chica estar enamorada de dos chicos a la vez?

The Lost Natasha Preston 2019-03-26 The queen of YA thrillers is back with another page-turner, and this time, it's a fight to survive. In Piper's hometown, teenagers keep disappearing, and everyone assumes they're just a bunch of runaways. But when yet another person disappears, Piper and her best friend

Hazel suspect something more sinister is going on. So they decide to investigate, determined to learn the truth. Their search for answers leads them to the source of the missing people...and their captors. Piper and Hazel suddenly find themselves locked away in a secluded building in the middle of a privately owned forest. But the building isn't only meant to keep them imprisoned; every room is a test to see if they can make it out alive. And failure means being lost...forever.

ghostgirl Tonya Hurley 2008-08-01 Now I lay me down to sleep, I pray the Lord my soul to keep. And if I should die before I awake, I pray the popular attend my wake. Charlotte Usher feels practically invisible at school, and then one day she really is invisible. Even worse: she's dead. And all because she choked on a gummy bear. But being dead doesn't stop Charlotte from wanting to be popular; it just makes her more creative about achieving her goal. If you thought high school was a matter of life or death, wait till you see just how true that is. In this satirical, yet heartfelt novel, Hurley explores the invisibility we all feel at some times and the lengths we'll go to be seen. Praise for *ghostgirl*: * Polished dark-and-deadpan humor, it's a natural fit with Gen Y, too." --Publishers Weekly (starred review) * "[Tonya] beats out witty teen-speak like a punk-band drummer, keeping the narrative fast-paced and fun yet thought-provokingly heartwarming. Goofy, ghastly, intelligent, electrifying." --Kirkus (starred review) * "Tim Burton and Edgar Allan Poe devotees will die for this fantastic, phantasmal read." --School Library Journal (starred review) * "Readers with a taste for black humor and satire will feast on Hurley's crisp, wise dialogue. Anticipate a well deserved cult following." --VOYA (starred review) "Written with deadpan wit...this is a 'Wonderful Life'-like tale." -New York Post "A sincere (and humorous) exploration of how we all feel invisible at one time or another...perfect read." -CosmoGirl

One True Loves Taylor Jenkins Reid 2016-06-07 From the New York Times bestselling author of *The Seven Husbands of Evelyn Hugo* Named a Best Book of Summer by *Cosmopolitan* * *InStyle* * *Redbook* * *Us Weekly* * *PopSugar* * *Buzzfeed* * *Bustle* * *Brit+Co* * *Parade* "No one does life and love better." --*InStyle* "Earth-shaking...you will flip for this epic love story." --*Cosmopolitan* "Reid's heartwrenching tale asks if it's possible to have multiple soul mates." --*Us Weekly* From the author of *Maybe in Another Life*—named a *People Magazine* pick—comes a breathtaking new love story about a woman unexpectedly forced to choose between the husband she has long thought dead and the fiancé who has finally brought

her back to life. In her twenties, Emma Blair marries her high school sweetheart, Jesse. They build a life for themselves, far away from the expectations of their parents and the people of their hometown in Massachusetts. They travel the world together, living life to the fullest and seizing every opportunity for adventure. On their first wedding anniversary, Jesse is on a helicopter over the Pacific when it goes missing. Just like that, Jesse is gone forever. Emma quits her job and moves home in an effort to put her life back together. Years later, now in her thirties, Emma runs into an old friend, Sam, and finds herself falling in love again. When Emma and Sam get engaged, it feels like Emma's second chance at happiness. That is, until Jesse is found. He's alive, and he's been trying all these years to come home to her. With a husband and a fiancé, Emma has to now figure out who she is and what she wants, while trying to protect the ones she loves. Who is her one true love? What does it mean to love truly? Emma knows she has to listen to her heart. She's just not sure what it's saying.

Te espero en el fin del mundo Andrea Longarela 2021-09-29 Violet y Levi se conocen desde niños. Él sueña con crear un hogar. Ella, con escapar del suyo. Son mejores amigos, siempre están el uno para el otro y, cuando empiezan a crecer, se dan cuenta de que sus sentimientos también lo hacen. Intensos. Imparables. Únicos. Una cabaña abandonada, una colección de figuras de madera y un amor de los que marcan toda una vida. El de Levi, el chico que hacía muchas preguntas, y el de Vi, la chica que tenía todas las respuestas. ¿Con quién te gustaría estar si supieras que mañana se acaba el mundo?

The Hand That Feeds You A.J. Rich 2015-07-07 From celebrated authors Amy Hempel and Jill Ciment writing as A.J. Rich, a smart, thrilling, sexy, and emotionally riveting novel of psychological suspense about an accomplished woman involved with a man who proves to be an imposter. Morgan Prager, at age thirty, is completing her thesis on victim psychology at John Jay College of Criminal Justice in Manhattan. She is newly engaged to Bennett, a seductive but possessive and secretive man. She returns from class one day to find Bennett mauled to death, and her dogs—a Great Pyrenees and two pit bulls she has rescued—covered in blood. Bewildered and devastated that her dogs could have committed such violence, she worries that she might suffer from one of the syndromes she studies: pathological altruism, when

selfless acts do more damage than good. When Morgan tries to locate Bennett's parents to tell them about their son's hideous death, she discovers he was not the man he said he was. Everything he has told her—where he was born, where he lives and works—was a lie. In fact, he has several fiancées, and fits the clinical definition of a sociopath. And then, one by one, these other women are murdered. Suddenly Morgan's research into Bennett takes on the urgency of survival: to stay alive, she must find out who is killing the women Bennett was closest to. Unsettling and highly suspenseful, this is a brilliant collaboration between two outstanding writers.

Tell Me No Lies Annie Solomon 2008-12-14 Romantic suspense filled with edge-of-your seat advantage.

Dare to Fall Estelle Maskame 2018-12-04 A brand new book from the internationally bestselling author of *Did I Mention I Love You* The higher the stakes, the greater the fall. MacKenzie Rivers knows the kind of impact death can have on those it leaves behind. She's felt that grief firsthand. So when Jaden, her crush and almost-boyfriend, loses his parents in a car accident, MacKenzie steps back. It might not be the right thing to do, but with an alcoholic mother and a father who deals with their family problems by not dealing at all, self-preservation is her only option. Then the pair meet by chance one night, reunited for the first time in months. Before MacKenzie can throw up her walls again, old feelings resurface and new memories are made. MacKenzie has missed Jaden more than anything. But can she dare to fall for the one person she's so afraid of growing close to? Praise for *Did I Mention I Love You*: "A solid romance with a tantalizing helping of forbidden love." —Booklist on *Did I Mention I Love You*?

The Twin Natasha Preston 2020-03-03 The instant New York Times bestseller! In this twisty psychological thriller from the #1 New York Times bestselling author of *THE CELLAR*, Ivy wants to share everything with her twin sister . . . until her twin starts to push her out of her own life. Ivy and Iris haven't lived together for years—when their mother and father divorced, each parent got custody of one twin. But after a tragic accident takes their mom's life, the devastated sisters are reunited, and Iris moves in with Ivy and their dad. Iris takes their mom's death especially hard. She barely talks, spending hours alone in her room. Ivy can't stand to see Iris so sad. She promised Iris that she can share her life now. After all, they're sisters. Twins. It's a promise that Iris takes seriously. And before long, Ivy's friends, her teachers,

and even her boyfriend fall under Iris's spell. Soon Ivy begins to think there's something wrong with her twin. It's almost like Iris is out to get her. Ivy tells herself she's being paranoid. It's not like she's in any danger from her twin. . . . The Twin is an unputdownable read that will keep you on the edge of your seat until the very end.

Awake Natasha Preston 2015-08-04 Don't miss the latest gripping, high-stakes thriller from Wattpad sensation Natasha Preston, author of the New York Times Bestseller, *The Cellar*. Of course, the dress was white. This is what I'm supposed to die in, I thought. Not many people knew what their last outfit would be. I pulled it over my head. It fit me perfectly. It had long, loose fitting sleeves, a modest neckline, and waves of material on the skirt. I hated it. There were no shoes, and I was afraid I'd have to run through the forest barefoot but there weren't a lot of options. Besides, I'd run barefoot over a bed of nails to get away. "Scarlett, are you ready?" he called. I looked in the mirror and took a deep breath. Time to fight for my life. Scarlett Garner doesn't remember anything before the age of four-until a car accident changes everything. She starts to remember pieces of a past that frighten her. A past her parents hid from her...and a secret that could get her killed.

Shadow Magic Joshua Khan 2016-04-04 Thorn, an outlaw's son, wasn't supposed to be a slave. He's been sold to Tyburn, an executioner, and they're headed to Castle Gloom in Gehenna, the land of undead, where Thorn will probably be fed to a vampire. Lilith Shadow wasn't supposed to be ruler of Gehenna. But following the murder of her family, young Lily became the last surviving member of House Shadow, a long line of dark sorcerers. Her country is surrounded by enemies and the only way she can save it is by embracing her heritage and practicing the magic of the undead. But how can she when, as a girl, magic is forbidden to her? Just when it looks like Lily will have to leave her home forever, Thorn arrives at Castle Gloom. A sudden death brings them together, inspires them to break the rules, and leads them to soar to new heights in this fantasy with all the sparkle and luster of a starry night sky. Book 1 of a three book series. Advance Praise:"If you are pining for that thrill you felt when you first discovered Harry Potter, let me recommend Shadow Magic. Here is a fantasy world you will lose yourself in -- with Six Great Families of magic, the nicest princess of darkness you've ever met, a peasant boy with skills to rival Robin Hood, and a supporting cast of zombies, paladins, ghost puppies, executioners, minstrels,

murderers, and a giant hero bat. I defy you not to love this story." -- Rick Riordan "Zestful, dynamic and addictive, Shadow Magic is storytelling at its most exuberant. Joshua Khan sweeps you up on the very first page and never lets you go. Close shaves, high adventure, wild fantasy, and giant bats -- this book has it all. I haven't had this much fun in ages. Sit back and enjoy the ride!" --Jonathan Stroud "Great, in-depth, unusual world-building coupled with funny, down-to-earth writing. Just call me Joshua Khan's number one fan."-Sarah Rees Brennan "There's plenty of magic to be found in Shadow Magic -- necromancy, giant bats, ghosts! -- but the real enchantment is the spell it weaves around the reader. I'd battle a whole army of the dead just to get to spend more time in Castle Gloom and the world Joshua Khan has created." -- Rachel Hawkins "An executioner's apprentice, an embattled queen of shadows, and a royal hostage join forces toward a common goal-survival in a treacherous world of monsters and magic. Shadow Magic is like the best of haunted house adventures-a dark and twisty thrill ride with just the right amount of creepy humor." -- Cinda Williams Chima "Working together but never losing sight of their individual objectives, Thorn and Lily uncover surprising truths about their families. Despite the gloomy setting, this book vibrates with hope. Short chapters filled with action, appealing characters, and cliff-hanger endings make this fantasy the kind of book readers will find hard to put down. Recommended for all middle grade collections." -- School Library Journal (starred review)

La cabaña Natasha Preston 2018-05-10 Un fin de semana de juerga en una cabaña remota es justamente lo que Mackenzie necesita. Quiere divertirse a tope con sus amigos, lejos de los padres y las obligaciones. Pero tras una noche loca dos de ellos mueren... asesinados. Sin signos de que la puerta haya sido forzada y ningún rastro de forcejeo, las sospechas recaen sobre el grupo de amigos. Entre ellos solo hay un asesino. Pero ninguno es inocente.

Things You Think About When You Bite Your Nails Amalia Andrade 2020-10-06 A funny and wise guide and workbook for conquering fears, from the existential to the everyday, and defeating the monster those fears can become: anxiety This is a book about fear. About how it works, how it takes hold over us, and how it dogs us from childhood (the monsters under the bed) to adulthood (careers, relationships, accidentally sending that risky text to the wrong person--all the things that make us want to bite our nails). But this is also a book about that monster our fear can warp into when it grows too powerful, a

phenomenon we are all too familiar with and that more and more of us are struggling against: anxiety. Author and illustrator Amalia Andrade had her own battle with anxiety, and not only did she make it out the other side, she learned sometimes it's the very thing that almost sinks you that can save you. Through the lessons, exercises, and often hilarious personal stories Amalia shares in these pages, together you will learn how to make those feelings your friends and turn your fears into superpowers. A PENGUIN LIFE TITLE

The Feminist Agenda of Jemima Kincaid Kate Hattemer 2020-02-18 A novel about friendship, feminism, and the knotty complications of tradition and privilege, perfect for fans of Becky Albertalli and Stephanie Perkins. Jemima Kincaid is a feminist, and she thinks you should be one, too. Her private school is laden with problematic traditions, but the worst of all is prom. The guys have all the agency; the girls have to wait around for "promposals" (she's speaking heteronormatively because only the hetero kids even go). In Jemima's (very opinionated) opinion, it's positively medieval. Then Jemima is named to Senior Triumvirate, alongside superstar athlete Andy and popular, manicured Gennifer, and the three must organize prom. Inspired by her feminist ideals and her desire to make a mark on the school, Jemima proposes a new structure. They'll do a Last Chance Dance: every student privately submits a list of crushes to a website that pairs them with any mutual matches. Meanwhile, Jemima finds herself embroiled in a secret romance that she craves and hates all at once. Her best friend, Jiyoan, has found romance of her own, but Jemima starts to suspect something else has caused the sudden rift between them. And is the new prom system really enough to extinguish the school's raging dumpster fire of toxic masculinity? Filled with Kate Hattemer's signature banter, this is a fast-paced and thoughtful tale about the nostalgia of senior year, the muddle of modern relationships, and how to fight the patriarchy when you just might be part of the patriarchy yourself.

El premio de tu vida Arnfinn Kolerud 2019-10-29 Todo empieza un día normal y corriente en el que Frank y su madre ganan el gordo de la lotería. A partir de ese momento, ya no habrán más días normales y corrientes para ellos. Todos en el pueblo se movilizan para rascar algo del premio. Entonces su madre lo complica más al proponer un gran pellizco para quien realice la mejor acción para la comunidad. Una historia superdivertida sobre lo difícil que resulta ser increíblemente rico y –a la vez- una buena persona.

Mi primer beso 2. Amor a distancia Beth Reekles 2020-06-23 Elle Evans y Flynn se enfrentan a un nuevo reto: Noah se marcha a Harvard, lo que les convierte en una pareja a distancia. Y eso es duro, porque hablar por teléfono y chatear no puede satisfacer algunas necesidades... Así que cuando Elle ve un post que muestra a Noah en actitud bastante cariñosa con otra chica, se siente fatal. Para colmo, es difícil ignorar al chico nuevo de la clase: es tan amable, dulce, mono... y evidentemente interesado en ella. Además, esta edición contiene una historia extra, La casa de la playa, que tiende un puente entre la primera entrega de la serie y segunda parte, en la que encontraremos a Elle, Noah y Lee pasando las vacaciones de verano.

Blood Line Andrew Henry Vachss 2022-01-19 For those too afraid or intimidated by technology to think about where their kids go on the Internet, Andrew Vachss' Blood Line will rock you to your core. In the world of dangerous men, a blood line is a cause passed from generation to generation from master to protégé. But on the path to becoming a master, each protégé must find their own hunting ground... When a young girl is lured away by an Internet predator, the young protégé of an assassin who never leaves a trace decides to leave his own mark by hunting down sexual predators targeting vulnerable teens who are bullied and feeling unwanted. As Sonny discovers his own cause-his own reason for existence-and a skill set beyond anything his master taught him, he steps out of the shadows and joins a long blood line of masters seeking justice on behalf of defenseless children. "An extraordinary thriller ... Vachss never flinches from the horror." -Washington Post Book World

The Sexuality of History Susan S. Lanser 2014-12-05 The period of reform, revolution, and reaction that characterized seventeenth- and eighteenth-century Europe also witnessed an intensified interest in lesbians. In scientific treatises and orientalist travelogues, in French court gossip and Dutch court records, in passionate verse, in the rising novel, and in cross-dressed flirtations on the English and Spanish stage, poets, playwrights, philosophers, and physicians were placing sapphic relations before the public eye. In *The Sexuality of History*, Susan S. Lanser shows how intimacies between women became harbingers of the modern, bringing the sapphic into the mainstream of some of the most significant events in Western Europe. Ideas about female same-sex relations became a focal point for intellectual and cultural contests between authority and liberty, power and difference, desire and duty, mobility and change, order and

governance. Lanser explores the ways in which a historically specific interest in lesbians intersected with, and stimulated, systemic concerns that would seem to have little to do with sexuality. Departing from the prevailing trend of queer reading whereby scholars ferret out hidden content in “closeted” texts, Lanser situates overtly erotic representations within wider spheres of interest. *The Sexuality of History* shows that just as we can understand sexuality by studying the past, so too can we understand the past by studying sexuality.

Within These Walls J.L. Berg 2017-04-18 Within these walls, he became my solace, my sanctuary and my strength. I am not strong. I am just a survivor of circumstance. Isn't that what we all do? Survive? Each of us has our own set of circumstances to muddle through. Mine are just more...complicated. Born with a severe heart defect, I've seen the inside of a hospital room more than my own bedroom. I was drowning, a prisoner to the illness that owned me, until he appeared. He thinks he's blocked out the world with his tattoos and hard exterior, but I see the real Jude, the one he so desperately wants to forget. But is he the answer to my prayers or will he break my already damaged heart forever? My name is Lailah Buchanan, and this is our story of hope, redemption and sacrificing it all for the one you love.

Dear Evan Hansen Val Emmich 2018-10-09 From the show's creators comes the groundbreaking, bestselling novel inspired by the hit Broadway show Dear Evan Hansen. Dear Evan Hansen, Today's going to be an amazing day and here's why... When a letter that was never meant to be seen by anyone draws high school senior Evan Hansen into a family's grief over the loss of their son, he is given the chance of a lifetime: to belong. He just has to stick to a lie he never meant to tell, that the notoriously troubled Connor Murphy was his secret best friend. Suddenly, Evan isn't invisible anymore—even to the girl of his dreams. And Connor Murphy's parents, with their beautiful home on the other side of town, have taken him in like he was their own, desperate to know more about their enigmatic son from his closest friend. As Evan gets pulled deeper into their swirl of anger, regret, and confusion, he knows that what he's doing can't be right, but if he's helping people, how wrong can it be? No longer tangled in his once-incapacitating anxiety, this new Evan has a purpose. And a website. He's confident. He's a viral phenomenon. Every day is amazing. Until everything is in danger of unraveling and he comes face to face with his greatest obstacle: himself. A simple lie leads to complicated truths in this big-hearted coming-of-age story of grief, authenticity and the struggle to belong in an age of instant connectivity and profound isolation.

Ferals Jacob Grey 2015-04-28 *Ferals* is the first book in a dark, action-packed trilogy that's part *The Graveyard Book*, part *Batman*, and all high-octane adventure. Blackstone was once a thriving metropolis. But that was before the Dark Summer—a wave of violence and crime that swept through the city eight years ago, orchestrated by the fearsome Spinning Man. Now the Spinning Man is on the move again, and a boy named Caw is about to be caught in his web. Caw has never questioned his ability to communicate with crows. But as the threat of a new Dark Summer looms, Caw discovers the underground world of Blackstone's *ferals*—those with the power to control animals. Caw is one of them. And to save his city, he

must quickly master abilities he never knew he had . . . and prepare to defeat a darkness he never could have imagined.

Inquisition Alfredo Colitto 2011-05-05 In 14th-century Italy, Mondino is a university anatomist - a man of science in a land governed by the brutal Inquisition. But the corpse brought to Mondino's laboratory one stormy night defies natural law: The victim is a Templar knight, and his heart has been transformed into a block of iron. Is it alchemy? Or the diabolical work of an ingenious killer? Aided by his headstrong student Gerardo - a young man concealing a deadly secret identity - Mondino must outwit both ruthless Inquisitors and vengeful Templars if he's to stop a murderer whose methods don't just freeze the blood . . . but turn it to stone.

La torre Kaos 2018-02-06 Nuestro mundo es una torre infinita... O eso nos han hecho creer. Pero ¿cómo podemos saber que es infinita a ciencia cierta? Un escéptico, una psicópata y un hippie harán un viaje delirante a través de varias plantas de la Torre. Durante la aventura conocerán a brujas obsesionadas con la tecnología, a amuermados dioses del tiempo, a excéntricos científicos y, lo más importante, a sí mismos. La primera novela de Kaos, el ilustrador que triunfa en YouTube.

Walden Henry David Thoreau 2020-05-23 In 1845 Henry David Thoreau left his pencil-manufacturing business and began building a cabin on the shore of Walden Pond near Concord, Massachusetts. This lyrical yet practical-minded book is at once a record of the 26 months Thoreau spent in withdrawal from society - an account of the daily minutiae of building, planting, hunting, cooking, and, always, observing nature - and a declaration of independence from the oppressive mores of the world he left behind. Elegant, witty, and quietly searching, *Walden* remains the most persuasive American argument for simplicity of life clarity of conscience. When I wrote the following pages, or rather the bulk of them, I lived alone, in the woods, a mile from any neighbor, in a house which I had built myself, on the shore of Walden Pond, in Concord, Massachusetts, and earned my living by the labor of my hands only. I lived

there two years and two months. At present I am a sojourner in civilized life again. I should not obtrude my affairs so much on the notice of my readers if very particular inquiries had not been made by my townsmen concerning my mode of life, which some would call impertinent, though they do not appear to me at all impertinent, but, considering the circumstances, very natural and pertinent. Some have asked what I got to eat; if I did not feel lonesome; if I was not afraid; and the like. Others have been curious to learn what portion of my income I devoted to charitable purposes; and some, who have large families, how many poor children I maintained. I will therefore ask those of my readers who feel no particular interest in me to pardon me if I undertake to answer some of these questions in this book. In most books, the I, or first person, is omitted; in this it will be retained; that, in respect to egotism, is the main difference. We commonly do not remember that it is, after all, always the first person that is speaking. I should not talk so much about myself if there were anybody else whom I knew as well. Unfortunately, I am confined to this theme by the narrowness of my experience. Moreover, I, on my side, require of every writer, first or last, a simple and sincere account of his own life, and not merely what he has heard of other men's lives; some such account as he would send to his kindred from a distant land; for if he has lived sincerely, it must have been in a distant land to me. Perhaps these pages are more particularly addressed to poor students. As for the rest of my readers, they will accept such portions as apply to them. I trust that none will stretch the seams in putting on the coat, for it may do good service to him whom it fits. I would fain say something, not so much concerning the Chinese and Sandwich Islanders as you who read these pages, who are said to live in New England; something about your condition, especially your outward condition or circumstances in this world, in this town, what it is, whether it is necessary that it be as bad as it is, whether it cannot be improved as well as not. I have travelled a good deal in Concord; and everywhere, in shops, and offices, and fields, the inhabitants have appeared to me to be doing penance in a thousand remarkable ways. What I have heard of Bramins sitting exposed to four fires and looking in the face of the sun; or hanging suspended, with their heads downward, over flames; or looking at the heavens over their shoulders "until it becomes impossible for them to resume their natural position, while from the twist of the neck nothing but liquids can pass into the stomach"; or dwelling, chained for life, at the foot of a tree; or measuring with their bodies, like caterpillars, the breadth of vast empires; or standing on one leg on the tops of pillars—even these forms of conscious penance are hardly more incredible and astonishing than the scenes which I daily witness.

Cellar Natasha Preston 2014-03-01 "Lily?" My stomach dropped as a tall, dark-haired man stepped into view. Had he been hiding between the trees? "No. Sorry." Gulping, I took a step back. "I'm not Lily." He shook his head, a satisfied grin on his face. "No. You are Lily." "I'm Summer. You have the wrong person." You utter freak! I could hear my pulse crashing in my ears. How stupid to give him my real name. He continued to stare at me, smiling. It made me feel sick. "You are Lily," he repeated. Before I could blink, he threw his arms forward and grabbed me. I tried to shout, but he clasped his hand over my mouth, muffling my screams. My heart raced. I'm going to die. For months Summer is trapped in a cellar with the man who took her—and three other girls: Rose, Poppy, and Violet. His perfect, pure flowers. His family. But flowers can't survive long cut off from the sun, and time is running out...
