Prisoners Burt Zollo 2003 This remarkable first novel follows Technical Sergeant ``Sandy'' Delman, a young Jewish-American soldier forced to guard captured Nazi soldiers.

County David A. Ansell 2012-05-01 The amazing tale of "County" is the story of one of America's oldest and most unusual urban hospitals. From its inception as a "poor house" dispensing free medical care to indigents, Chicago's Cook County Hospital has been renowned as a teaching hospital and the healthcare provider of last resort for the city's uninsured. Ansell covers more than thirty years of its history, beginning in the late 1970s when the author began his internship, to the "Final Rounds" when the enormous iconic Victorian hospital building was replaced. Ansell writes of the hundreds of doctors who underwent rigorous training with him. He writes of politics, from contentious union strikes to battles against "patient dumping," and public health, depicting the AIDS crisis and the Out of Printening of County's HIV/AIDS clinic, the first in the city. And finally it is a coming-of-age story for a young doctor set against a backdrOut of Print of race, segregation, and poverty. This is a riveting account.

Hiding in Plain Sight Sarah Lew Miller 2013-05-15 This book is an unusual memoir about the childhood and young adulthood of Sarah Lew Miller. Born in a large Orthodox Jewish family in Derezyn, Poland, Sarah's family moved to Paris in 1937 to escape poverty. The German Occupation of France just three years later threatened her family's existence with repressive anti-Jewish laws and massive deportations of Jews to death camps. With the help of Christian neighbors, they evaded arrest for several years in Paris. After Sarah's mother was arrested and then rescued, Sarah's parents went into deep hiding, while their eight children found refuge in rural villages scattered around France. Through the help of a French Resistance organization, the Sixième, Sarah escaped to Switzerland in May, 1944. This personal and historical account of an era conveys the day-to-day life of a teenage girl living in Nazi-occupied France with the ever-present threat of death. Despite her loneliness, hardships and the derailment of her childhood dreams, she kept her strong family ties and maintained her faith in humanity. This memoir demonstrates the qualities of resilience and courage that enabled individuals and families such as Sarah's to survive. By reliving one family's way of coping with a social and political

crisis, we learn about ourselves and our own society. --from back cover.
