Urien's Voyage André Gide 2012-02-14 Nobel Prize-winning writer André Gide marks his voyage toward self-discovery in this imaginative allegorical work When Urien and his sailing companions begin their voyage, it is to places unknown and, perhaps, only dreamed. This allegorical masterpiece from André Gide, a key figure of French letters, deftly illustrates the techniques and doctrine of the Symbolist movement—and the dual nature of Gide's own psyche. Written at a crucial time in his artistic development, this imaginative work signals his gradual abandonment of acetic celibacy toward an embrace of pleasure and carnal desires, revealing a Gide more transparent in this early work than in his mature writings. Translator and scholar Wade Baskin annotates the work, connecting Gide's life and bibliography to the text.

Celtic Myths Miranda Jane Green 1993 As non-literates, the Celts left no written record of their lives, their beliefs, and the stories which were such an important part of their culture. Here Dr. Green uses the works of contemporary commentators from the Classical world, later Christian scribes recording oral traditions, and archaeological evidence to discuss Celtic myths and their religious beliefs and rituals. The Hittites Archibald Henry Sayce 1903

*A Russian Mother* Alain Bosquet 1996 Berthe Turiansky always seemed artistically gifted. A young violinist caught in the upheavals of 1917, she fled Russia with her new husband, Alexander Bisk, a poet from a wealthy Belgian family. For years the couple and their young son - the narrator of this book - are buffeted from country to country. As Berthe's absorption in the arts gradually shifts to her only child, she becomes the object of his rage and contempt, his love and attraction, and not even the physical remove afforded by the young man's departure for war, not even his marriage and success as a writer, can relieve the tension between them. A gripping story of geographical and psychological displacement emerges as mother and son are tantalized and tormented - in each other's company, in letters, and in their dreams. In this unforgettable novel the dissonance between Berthe and her son gradually intensifies to reveal a relationship so disturbing and complex, so brutally and delicately delineated, as to seem wholly familiar and enigmatic at the same time. At the core of *A Russian Mother* lies the profound ambivalence of two people who are chillingly remote yet obsessively attached. This painful symbiosis between a mother and son takes shape in fragments, as the narrative jumps back and forth in time until the late 1970s. The narrator provides the psychological threads that unify the haphazard chronology, the chaotic uprootings, and the conflicting emotions as he tries to come to terms with his mother - as blood relative and fictional character.

*Pavarotti* Luciano Pavarotti 1996 Every generation or so an opera singer attains the kind of public adulation and affection usually reserved for film stars or pop singers. Luciano Pavarotti reached this level of fame: he was the most celebrated tenor of all time, his concerts attended by thousands, his records selling millions of copies. In *Pavarotti: My World*, he talks candidly about his successes and trials, from his forays into popular music and his performances in China, to the boos he endured at La Scala, from the near-fatal illness of his youngest daughter, to his worldwide efforts to convert people to the joys of classical music and opera. Pavarotti's acclaimed autobiography shows us how this great artist felt about his extraordinary voice, how he saw his work and how he regarded his extraordinary position in the world of music and entertainment. Generously illustrated with photographs taken from Pavarotti's private collection, this is an intimate, absorbing and wonderfully honest account of an astonishing talent.

**Marilyn Manson by Perou** 2020-05-19 'I often get asked, 'Who was your favorite person to photograph?' or 'Who is the best person you've photographed?'" says photographer Perou. 'It's always 'Marilyn Manson.' Which is just as well, considering how many times I've photographed him.' Perou has been photographing Marilyn Manson since a 1998 magazine cover shoot. Twenty-one years of collaborating have resulted in this unique book, featuring over 350 photographs including previously unpublished work, conceptual portraits, onstage and informal behind-the-scenes images, giving a rare insight into Manson's world.

*Lost Downtown* Peter Hujar 2016-02 It's a vanished world, and Peter Hujar was right there in it. The Lower East Side between 1972 and 1985 -- filled with artists, wannabe artists and hangers-on -- was a community of the misbegotten gathered from every town in America and relocated in the mean streets between Broadway and the Bowery. Nothing but their talent, their flamboyance, their rank gender-bending mockery and their arch irony supported them. Some made their names. Many came to grief. A few made art. In those days, the gutted streets of the Lower East Side looked like a war zone. Everyone lived and worked on the extreme outer margins of money and art, penniless and unknown. As a community, Downtown was a counterstatement to the rich New York of the banks, museums, media,

corporations ... and the art world itself. That Downtown is forever gone. Time, gentrification, disease and death have taken their toll and turned this vibrant epoch into a chapter of art history. But before it vanished, its extravagant cast sat for Peter Hugar's camera -- and is now alive again in front of our eyes. Featured among others: Joe Brainard, William Burroughs, Remy Charlip, Edwin Denby, Divine, Ray Johnson, Fran Lebowitz, Charles Ludlum, Susan Sontag, Paul Thek, John Waters, Robert Wilson, David Wojnarowicz.

**Alexander and the East : The Tragedy of Triumph** A.B. Bosworth 1996-12-12 In this study Brian Bosworth looks at the critical period between 329 and 325 BC, when Alexander the Great was active in Central Asia and what is now Pakistan. He documents Alexander's relations with the peoples he conquered, and addresses the question of what it meant to be on the receiving end of the conquest, drawing a bleak picture of massacre and repression. At the same time Alexander's views of empire are investigated, his attitude to his subjects, and the development of his concepts of personal divinity and universal monarchy. Analogies are thus drawn with the Spanish conquest of Mexico, which has a comparable historiographical tradition and parallels many of Alexander's dealings with his subjects. Although of concern to the specialist, this book is equally directed at the general reader interested in the history of Alexander and the morality of empire.

**Themistius: On Aristotle On the Soul** Robert B. Todd 2014-04-22 Themistius ran his philosophical school in Constantinople in the middle of the fourth century A.D. His paraphrases of Aristotle's writings are unlike the elaborate commentaries produced by Alexander of Aphrodisias, or the later Neoplatonists Simplicius and Philoponus. His aim was to provide a clear and independent restatement of Aristotle's text which would be accessible as an elementary exegesis. But he also discusses important philosophical problems, reports and disagrees with other commentaries including the lost commentary of Porphyry, and offers interpretations of Plato. Themistius' paraphrase of Aristotle's *On the Soul* is his most important and influential work. It is also the first extant commentary on this work of Aristotle to survive from antiquity. A rival to that of Alexander of Aphrodisias, it represents one of the main interpretations of Aristotle's theory of the intellect, which was debated throughout the Middle Ages and the Renaissance. It continues to be an important text for the reconstruction of Aristotle's philosophical

psychology today.

Rights to develop Wild Cards for TV have been acquired by Universal Cable Productions, the team that brought you The Magicians and Mr. Robot, with the co-editor of Wild Cards, Melinda Snodgrass as executive producer. Let the secret history of the world be told-of the alien virus that struck Earth after World War II, and of the handful of the survivors who found they now possessed superhuman powers. Some were called Aces, endowed with powerful mental and physical prowess. The others were Jokers, tormented by bizarre mind or body disfigurements. Some served humanity. Others caused terror. And now, forty years later, as a gang war between the Shadow Fists and the mafia rages out of control in the streets of Jokertown, Aces and Jokers go underground-to wage their own war against the powers of the netherworld. Here, in the fifth volume of the exciting series, ten of science fiction's most gifted writers take readers on a journey of wonder and excitement in an astounding alternate history. Featuring the talents of John J. Miller, Roger Zelazny, Leanne C. Harper, Arthur Byron Cover, Melina C. Snodgrass, Edward Bryant, Stephen Leigh, Pat Cadigan, Walter Jon Williams, and George R. R.
