Two Modern Interpretations of the Don Juan Legend; a Discussion of La Dernière Nuit de Don Juan by Rostand, and of Don Juan, Beauversonal by Quintero Abigail Irene Moore 1923

The Theatre of Don Juan Oscar Mandel 1986-01-01 "Many good things are provided for our instruction and delight in this handsome volume. Chief among them perhaps, and most keenly wanted in a collection of this sort . . . are sanity and wit."?The Romanic Review "A most interesting literary history of the Don Juan theme with the plays or works themselves serving as illustrations. Professor Mandel's general introduction and his shorter introductions and commentaries throughout the book are solid, wise, and engaging."?Robert E. Taylor, Renaissance News "This anthology is exhaustive and informative, expertly translated, and, by virtue of its subject, damned exciting."?Quarterly Journal of Speech "[The translations] are lively and . . . quite faithful to the originals. . . . The long introduction could well stand alone: fruitful in original observations on the nature of Don Juan, spirited, argumentative, and quite personal."?Armand F. Singer, Hispania The eternal Don Juan, the creation more than 350 years ago of a monk and dramatist known as Tirso de Molina, has appeared on the boards as a thinker and fool, hero and villain, but never as anything less than a great lover. Oscar Mandel's Theatre of Don Juan presents different aspects of the Don's spectacular progress through a half-dozen countries, epochs, and intellectual climates. Here are full-length plays by Molina, Molière, Shadwell, Da Ponte, Grabbe, Moncrieff, Zorrilla, and Rostand; excerpts

from plays by Shaw, Montherlant, and Frisch; plus a dozen critical and interpretative essays. In his introduction, Mandel examines the legend of Don Juan.

Mister Jack -- For Better Or for Worse Marvin Kaye 2010-04-01 This volume collects two Don Juan plays: "Mister Jack," by Marvin Kaye, and "Don Juan's Final Night," by Edmond Rostand (freely revised and adapted from "La Dernière Nuit de Don Juan" by Marvin Kaye). Also included are an introduction with historical and staging notes, plus an Afterword, "Mister Jack's Technique for Looking at Women."

Don Juan John Smeed 2021-12-17 First published in 1990, *Don Juan: Variations on a Theme* explores the differing perceptions of this famous character following his first appearance on the European stage in the early seventeenth century. The book concentrates on the ways in which perceptions of Don Juan's character have altered in response to changes in social and moral values. It examines famous Don Juan works, including those by Moliere, Byron, Pushkin, Shaw, Anouilh, and Max Frisch, and relates them to these changing views. It also looks at a variety of other plays, poems, and novels on this theme, and highlights the important role of music in Don Juan's history. The book concludes with a consideration of Don Juan's lasting popularity and whether it has run its course. *Don Juan: Variations on a Theme* will appeal to anyone with an interest in the history of Don Juan, comparative literature, and European literature.

La dernière nuit de Don Juan Edmond Rostand 1921 The Last Night of Don Juan is a witty and original contribution to the Don Juan legend. The archetypal seducer is presented here without any admiration for his exploits and as incapable of true love. Rostand imagines that the Don has bargained with the devil for ten more years of life. Now the ten years are up, and Don Juan has a last chance to offer true love to just one woman. Can he do so and save himself from the very special hell the devil has devised for him?

An Existentialist Theory of the Human Spirit (Volume 1) Shlomo Giora Shoham 2020-07-22 This first volume examines how sexual mores and behavior, religious dogma and practice, and artistic creativity and authenticity have influenced, and been influenced by, the existentialist thought of Kierkegaard, Heidegger, Sartre, Nietzsche, Husserl and Buber, and the writings of Camus, Dostoevsky, Beckett, Kafka and Shestov. It compares the author's personality theory with those of Freud, Jung, Fairbairn, Karl Abraham and Melanie Klein, and Buddhist, Gnostic, Christian and Muslim mysticism with Jewish Kabbalah. It explains society's harsh treatment of Carlo Gesualdo, Vincent van Gogh and Antonin Artaud, and analyzes the existentialist approach to existence, absurdity, human dialogue, and suicide. It will appeal to students and professionals in fields as diverse as philosophy, psychology, sociology, anthropology, religion, law, music, art, drama, literature and biology.

Modern Philology 1922 Vols. 30-54 include 1932-56 of "Victorian bibliography," prepared by a committee of the Victorian Literature Group of the Modern Language Association of America.

La Dernière Nuit de Don Juan Rostand Edmond 1868-1918 2018-08-02 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Pinocchio's Progeny Harold B. Segel 1995 While Carlo Collodi's internationally revered Pinocchio may not have been the single source of the modernist fascination with puppets and marionettes, the book's appearance on the threshold of the modernist movement heralded a new artistic interest in the making of human likenesses. And the puppets, marionettes, and other forms that figure so vividly and provocatively in modernist and avant-garde drama can, according to Harold Segel, be regarded as Pinocchio's progeny. Segel argues that the philosophical, social, and artistic proclivities of the modernist movement converged in the discovery of an exciting new relevance in the puppet and marionette. Previously viewed as entertainment for children and fairground audiences, puppets emerged as an integral component of the modernist vision. They became metaphors for human helplessness in the face of powerful forces -- from Eros and the supernatural to history, industrial society, and national myth. Dramatists used them to satirize the tyranny of bourgeois custom and convention, to deflate the arrogance of the powerful, and to breathe new life into a theater that had become tradition-bound and commercialized. *Pinocchio's Progeny* offers a broad overview of the uses of these figures in European drama from 1890 to 1935. It considers developments in France, Spain, Italy, Austria, Germany, Sweden, Russia, Poland and Czechoslovakia. In his introduction, Segel reviews the premodernist literary and dramatic treatment of the puppet and marionette from Cervantes' *Don Quixote* to the turn-of-the-century European cabaret. His epilogue considers the appearance of puppets and marionettes in postmodern European and American drama by examining works by such dramatists as Jean-Claude Van Itallie, Heiner MA1/4ller, and Tadeusz Kantor.

La Dernière Nuit de Don Juan Edmond Rostand 1925

Don Juan Legend Otto Rank 2015-03-08 Originally published in 1924, this study of the Don Juan legend is a powerful interpretation of one of the most popular themes in Western culture. Also valuable for the insights it offers into Rank's thought immediately before his break with Freud, the book has not been available in English until now. Rank's study draws on psychoanalysis, literature, history, and anthropology to suggest some psychological mechanisms that operate both within the principal characters of the legend and within the audience or reader. Originally published in 1975. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Luis Buñuel Jo Evans 2019-10-31 Luis Buñuel: A Life in Letters provides access for the first

time to an annotated English-language version of around 750 of the most important and most widely relevant of these letters. Buñuel (1900-1983) came to international attention with his first films, *Un Chien Andalou* (with Dalí, 1929) and *L'Âge d'Or* (1930): two surprisingly avant-garde productions that established his position as the undisputed master of Surrealist filmmaking. He went on to make 30 full-length features in France, the US and Mexico, and consolidated his international reputation with a Palme d'Or for *Viridiana* in 1961, and an Academy Award in 1973 for *The Discreet Charm of the Bourgeoisie*. He corresponded with some of the most famous writers, directors, actors and artists of his generation and the list of these correspondents reads like a roll call of major twentieth-century cultural icons: Fellini, Truffaut, Vigo, Aragon, Dalí, Unik - and yet none of this material has been accessible outside specialist archives and a very small number of publications in Spanish and French.

The Man who was Cyrano Sue Lloyd 2002 The first English biography of Edmond Rostand, creator of *Cyrano de Bergerac*. Thoroughly researched and annotated, but written for non-specialists, it shows how Rostand strove in his plays to revive idealism in the modern world.
