Balzac's Shorter Fictions Tim Farrant 2002-02-14 Balzac's reputation is as a novelist. But short stories make up over half La Comédie humaine, besides scores of other tales and articles. Short forms appear early in Balzac's output, and shape his work throughout his career. Balzac's Shorter Fictions looks at the whole of this corpus, at the nature of short fiction, and at how Balzac's novels developed from his stories - at the links between literary genesis and genre. It explores the roles of short fiction in Balzac's creation, its part in producing effects of virtuality and perspective, and reflects ultimately on the relationship between brevity and length in La Comédie humaine. This, the first complete English-language study of Balzac's work for over forty years, synthesizes recent research on Balzac's practice within the context of modern thought on the author. It is an indispensable book for students and scholars of Balzac, and for all those interested in prose fiction.

Balzac and the Model of Painting Diana Knight 2017-12-02 "Texts about paintings, painters and sculptors are obvious test cases for issues of representation. A significant corpus of artist stories is scattered through Honore de Balzac's *Comedie humaine* which, from Marx to Lukacs to Roland Barthes's enormously influential *S/Z* (1970), has been a key literary work for critical debates around French realism. In a series of close readings, Diana Knight explores Barthes's 'model of painting' - the metaphorical code of painting and sculpture that underpins realist discourse - in the context of Balzac's fictional representations of the relation between artists, their models and their works of art. Whereas critics have tended to denounce Balzac's realist aesthetic as complicit with the misogyny of the society he portrays, *Balzac and the Model of Painting* takes the artist-model relationship, variously gendered in these stories, as the focus of the author's powerful realist critique of the sexual politics of prostitution and marriage in nineteenth-century France."

La Maison du Chat-qui-pelote Honoré de Balzac 2021-10-04 Depuis quelques temps, Théodore ne peut plus détacher son regard de Virginie. Lui, est un peintre aristocrate, envoûté par le portrait vivant de la jeune femme. Elle, est la fille d'un pauvre marchand de draps qui voit d'un mauvais œil les aristocrates. Mais l'amour aplanis les inégalités ; tous deux se marient en un clignement d'œil. Hélas, l'amour rend aussi aveugle. Les premiers feux passés, Théodore ne trouve plus aucun intérêt à sa femme, qui lui paraît fade et sans culture. Il a désormais besoin de sensations nouvelles... Ce chef-d'œuvre de Balzac ouvre en grande pompe la série de ses études de mœurs, « La Comédie humaine ». La nouvelle annonce et préfigure tous les grands thèmes balzaciens qui feront de l'auteur un maître de la littérature classique française. Honoré de Balzac (1799-1850) est un écrivain français issu d'une bonne famille. Durant ses études, il travaille chez un notaire, et bien qu'il obtienne son baccalauréat de droit, il décide de se consacrer entièrement à la littérature. Son expérience, notamment par ses études, de la société de son temps déteint fortement dans ses romans dans lesquels il dépeint de façon réaliste la condition humaine du XIXème siècle. Ses romans ont été adaptés plusieurs fois au cinéma français, notamment le film « Le Colonel Chabert » (1994) de Yves Angelo avec Gérard Depardieu et « Le Lys dans la vallée » (1970) de Marcel Cravenne avec Delphine Seyrig.

At the Sign of the Cat and Racket Honoré de Balzac 2017-12-23 Excerpt from At the Sign of the Cat and Racket: La Maison Du Chat-Qui-Pelote Racket' itself, quite examples of putting the best foot foremost. Le Ba] de Sceaux, ' with its satire on contempt for trade, is in some ways more like Balzac's young friend and pupil Charles de Bernard than like himself; andi believe it attracted English notice pretty early. At least I seem, when quite a boy, and long before I read the Comea'z'e Humaine, to have seen an English version or paraphrase of it. 'la Bourse though agreeable, is a little slight and La Vendetta might have been written on so well known a donnee by many persons besides Balzac. It happens, moreover, to contrast most un fortunately with the terrible and exquisite perfection of Merimee's 'mateo Falcone.' I should rank 'madame Firmiani' a good deal higher than any of these three, though it too is a little slight, and though it is not in Balzac's most characteristic or important manner. Rather, perhaps, does it remind us of the Physiologies' and the other social 'skits' and sketches which he was writing for the Caricature and other papers at the time. Still, the various descriptions of the heroine have a point and sparkle which are almost peculiar to the not quite mature work of men of genius and the actual story has a light ness which, perhaps, would have disappeared if Balzac had handled it at greater length. But it was not dated as of the previous year till five years later, in its third edition; while the title was not changed till the great collection itself. Of its companions, *Le Bal de Sceaux* was an original one, and seems to have been written as well as published more or less at the same time. It at first had an alternative title, *Ou le Pair de France*, which was afterwards dropped. About the Publisher *Forgotten Books* publishes hundreds of thousands of rare and classic books. Gautier, Nerval, Balzac, Kleist, Hardy, Wilde, Storm, Sand, and Gogol, the author shows how the subjectivities of sitter, painter, and viewer are produced in relation to representations shaped by particular interests and power relations, often determined by gender as well as by class. She focuses on the power that can accrue to the painter from the act of representation (often at the expense of the portrait's subject), while also exploring how and why this act may threaten the portrait painter's sense of self. Analyzing the viewer's relation to the portrait, she demonstrates how portrait stories problematize the very act of seeing and with it the way subjectivity is constructed in the field of vision.

La Maison du Chat-qui-Pelote Honoré de Balzac 1985 Quatre « scènes de la vie privée », quatre nouvelles écrites autour de 1830 qui nous montrent Balzac commençant son enquête sociale, prenant pied dans le réel, posant les premières pierres de l'édifice de *La Comédie humaine*. Cette comédie est d'abord celle de l'amour, et trois de ces récits nous disent des mariages ratés, l'un par incompatibilité culturelle, l'autre par arrogance sociale, le troisième par folie de vengeance familiale. Mais par-delà le romanesque de l'intrigue apparaît la variété bientôt foisonnante des types et des conditions : boutiquiers et gens de cour, vestiges de l'Ancien Régime, lions et loups de la Restauration, en même temps que Balzac découvre le Paris mystérieux et cruel qui sera l'un des personnages principaux de son oeuvre.

At the Sign of the Cat and Racket Honoré De Balzac 2017-12-11 The artist Théodore de Sommervieux falls in love with Augustine Guillaume, the daughter of a conservative cloth merchant, whose house of business on the Rue Saint-Denis in Paris is known by sign of the Cat and Racket. Théodore, a winner of the Prix de Rome and a knight of the Legion of Honor, is famous for his interiors and chiaroscuro effects in imitation of the Dutch School. He makes an excellent reproduction of the interior of the Cat and Racket, which is exhibited at the Salon alongside a strikingly modern portrait of Augustine. The affair blossoms with the help of Madame Guillaume's younger cousin Madame Roguin, who is already acquainted with Théodore. The lovers become engaged, somewhat against the best wishes of Augustine's parents, who had originally intended her to marry Monsieur Guillaume's clerk Joseph Lebas.
