Mitch, Please! Matt Jones 2020-10-06 The New York Times and Wall Street Journal bestseller about how Mitch McConnell has been bad for Kentucky—and why he needs to be voted out of office from the founder of Kentucky Sports Radio and attorney Matt Jones. They say all politics is local. In 2020, Mitch McConnell will have served five full terms as a US Senator. Thirty years. The Senate Majority leader's power is as

undeniable as it is infuriating, and the people of Kentucky have had enough. Led by Matt Jones, they (and they alone) have the power to oust him from office. How did Jones, a local boy turned attorney turned sports radio host come to shine the brightest light on McConnell's ineptitude? Simple—he knows Kentucky inside and out, and has used the state's love of sports as an entry point for showcasing how McConnell has failed his fellow citizens both economically and socially for three decades. Entertaining, maddening, yet ultimately inspiring, these stories from Kentuckians in each of its 120 counties illustrate the Senate Majority leader's stunning shortcomings. "Jones employs a sharp, political scalpel eviscerating McConnell...[and this book is] an effective combination of description and vivisection" (Kirkus Reviews). Jones brings his trademark wit and wisdom throughout the book, while also offering a beautiful portrait of a state with arguably the most untapped potential in our country. Ultimately, the white-hot hatred for McConnell on the coasts is just white noise. Only the people of Kentucky can remove him from office. Here, Matt Jones demonstrates he has the influence, charisma, and institutional knowledge to lead the charge. He and his fellow Kentuckians have had enough—and they're ready for a fight.

The Wolf and the Sheep Penelope Sky 2019-06-12 Till death do us part. My father married me off to one of the most powerful men in Italy. Maverick DeVille. But I call him the wolf. He calls me his sheep. The arranged marriage was detested by us both, but we had to make sacrifices for the right reasons. He needed to avenge his mother, and I needed protection from the mobs that want to torture me. He's not what I pictured for my husband. He's ruthless, calloused, and cold. His walls are higher than mine. He possesses cruelty that makes him feared. But it doesn't take long for me to respect him...even like him. I rely on my husband more than anyone else in the world. He provides for me, protects me, and chases away all my fears. He lets me graze in the meadow...not a care in the world. Because the wolf is always watching. "When people look in the darkness, they see shadows. I see monsters. And I kill the monsters that hunt my sheep." I hated this marriage in the beginning, but now I realize how lucky I am. How lucky I am to be the sheep the wolf protects...and doesn't eat.

Connor Virginie T. 2020-03-27 À l'origine, le monde était peuplé d'humains, de métamorphes et de fatels. En apparence, la paix règnait entre les peuples. Mais si on avait gratté la surface, on aurait découvert que la réalité était tout autre. Avec méthode et patience, des meutes animorphes rebelles ont exterminé

un à un tous les fatels. Ils les ont fait disparaître de la surface de la Terre. Enfin, c'est ce que tout le monde à penser durant les vingt-cinq dernières années.. Je m'appelle Connor, je suis l'alpha de la meute Guardian Angels, chargé de protéger les témoins des excès des meutes rebelles. Cependant, je ne m'attendais pas à découvrir que la personne à secourir n'est autre que mon âme soeur tant espérée et la dernière de son espèce. Je suis prêt à tous pour la conduire en sécurité sur mon territoire et la revendiquer mienne.

Testo Junkie Paul B. Preciado 2013-09-23 What constitutes a "real" man or woman in the twenty-first century? Since birth control pills, erectile dysfunction remedies, and factory-made testosterone and estrogen were developed, biology is definitely no longer destiny. In this penetrating analysis of gender, Paul B. Preciado shows the ways in which the synthesis of hormones since the 1950s has fundamentally changed how gender and sexual identity are formulated, and how the pharmaceutical and pornography industries are in the business of creating desire. This riveting continuation of Michel Foucault's *The History of Sexuality* also includes Preciado's diaristic account of his own use of testosterone every day for one year, and its mesmerizing impact on his body as well as his imagination.

Dance, My Angel Virginie T. 2020-12-17 Paranormal romance between a human in danger and an angel Caitlyn has been the lead dancer of the American Ballet Theater of New York for several years. Lonely and withdrawn, her life revolves around dance, and her biggest fan is none other than her grandmother. Everything changes when someone starts to harass her. Who can it be and for what purpose? Her grandmother is ready to do anything to protect her, including putting her on the path of her mysterious neighbor Baraqiel.

In Praise of the Backside Hans-Jürgen Döpp 2014-01-07 Mega Square In Praise of the Backside celebrates the most sensual part of the female body. The insightful text by Hans-Jürgen Döpp discusses the backside as a feature that stands for both powerful eroticism and supple femininity, seducing famous artists from every genre. This title is sure to entice and delight a wide audience with its lively, provocative images.

Sean Virginie T. 2020-07-17 Connor a enfin mis Sevana à l'abri, sur le territoire de la meute. Toutefois un doute l'assaille. Et si la meilleure amie de celle-ci, Ashley, avait deviné ses origines fatels? La pétillante infirmière pourrait alors courir un grand danger. Les Guadian se doivent de la protéger. C'est Sean qui est envoyé sur place pour enquêter et aucun des Guardian Angels n'aurait pu deviner jusqu'où cela conduirait le lion.

Immortals Ednah Walters 2013-08-05 Nothing can stop Raine Cooper when she wants something... Raine finally knows that her gorgeous neighbor, Torin St. James, is a legend straight out of Norse mythology, and that her feelings for him are strong. Torin is crazy about Raine too, breaking the one rule he lives by: Never fall for a mortal. The problem is he no longer remembers her, his memories erased by Norns—Norse destiny deities—to punish her for defying them. So Raine comes up with a plan... She will make Torin forget his one rule a second time and fall in love with her all over again. But she quickly learns that well-laid plans do not work when dealing with deities and supernatural beings. Desperate, Raine makes choices that could not only tear her and Torin further apart, but lead to the destruction of everything and everyone she loves.

An Odyssey for Our Time Georgina Paul 2013-11-10 In her 2007 poem cycle Niemand's Frau, Barbara Köhler returns to Homer's Odyssey, not to retell it, but to take up some of the threads it has woven into the cultural tradition of the West – and to unravel them, just as Penelope, the wife of the hero who called himself Nobody, unravelled each night the web she re-wove by day. Köhler's return to the Odyssey takes place under the sign of a grammatical shift, from 'er' to 'sie', from the singular hero to a plurality of female voices – Nausicaa, Circe, Calypso, Ino Leucothea, Helen and Penelope herself – with implications for thinking about identity, power and knowledge, about gender and relationality, but also about the corporeality and multivocality which underlies the 'virtual reality' of the printed text. The eight essays in this volume explore Köhler's iridescent poem cycle from a variety of different angles: its context in contemporary German refigurations of the classical; its engagement with Homer and the classical tradition; its contribution to feminist philosophy of the subject and a female 'dialectic of enlightenment'; its

incorporation of the voices of poetic predecessors; and the surprising alliance it uncovers between poetry and quantum theory.

A Dark and Starless Forest Sarah Hollowell 2021-09 "Derry and her eight siblings live in an isolated house by the lake, separated from the rest of the world by an eerie and menacing forest. They know it's for their own good. After all, the world isn't safe for people with magic. And Derry feels safe--most of the time. Until the night her eldest sister disappears. When a second sibling goes missing, feeling safe is no longer an option. Derry will risk anything to protect the family she has left. Even if that means returning to the forest that has started calling to Derry in her missing siblings' voices. As Derry spends more time amidst the trees, her magic grows more powerful . . . and so does the darkness inside her, the viciousness she wants to pretend doesn't exist. But saving her siblings from the forest might mean embracing the darkness. And that just might be the most dangerous thing of all."--Dust jacket flap.

Maneuver Warfare Handbook William S Lind 2018-05-30 Maneuver warfare, often controversial and requiring operational and tactical innovation, poses perhaps the most important doctrinal questions currently facing the conventional military forces of the U.S. Its purpose is to defeat the enemy by disrupting the opponent's ability to react, rather than by physical destruction of forces. This book develops and explains the theory of maneuver warfare and offers specific tactical, operational, and organizational recommendations for improving ground combat forces. The authors translate concepts too often vaguely stated by maneuver warfare advocates into concrete doctrine. Although the book uses the Marine Corps as a model, the concepts, tactics, and doctrine discussed apply to any ground combat force.

Ruthless Vanessa Vale 2020-11-29 Pack Rule #6: Keep humans away from pack land. My alpha told me to get rid of her. Make nice and find out if she'll sell her property. Keep her from bringing more humans

close to our land. But before I even met her, I caught her scent. The moon's full, and I had to follow it. I couldn't stop myself. I ran straight into human territory, onto her property. Found her bathing naked in the moonlight and showed her my wolf. Now all bets are off. My alpha may want her gone, but I need her to stay. In fact, I'll do anything to make sure she never, ever leaves. The Cambridge Companion to Lacan Jean-Michel Rabaté 2003-07-31 This collection of specially commissioned essays by academics and practising psychoanalysts, first published in 2003, explores key dimensions of Jacques Lacan's life and works. Lacan is renowned as a theoretician of psychoanalysis whose work is still influential in many countries. He refashioned psychoanalysis in the name of philosophy and linguistics at the time when it underwent a certain intellectual decline. Advocating a 'return to Freud', by which he meant a close reading in the original of Freud's works, he stressed the idea that the unconscious functions 'like a language'. All essays in this Companion focus on key terms in Lacan's often difficult and idiosyncratic developments of psychoanalysis. This volume will bring fresh, accessible perspectives to the work of this formidable and influential thinker. These essays, supported by a useful chronology and guide to further reading will prove invaluable to students and teachers alike.

Scarred Regrets Adelaide Forrest 2021-12-26 Broken men don't fall in love. We linger in the darkness, consumed by the sins that define us. Irina is the sole reason my heart beats. She's everything that matters in a world filled with evil that a woman so good and pure should never have to see. She'll add another scar to my collection - this one engraved on my heart. When she's taken by our enemy to use for

his vengeance. Even knowing she can never be mine, I'll stop at nothing to see her safe. The Irina I rescue isn't the same feisty woman they stole. Her soul is broken. Her heart is hollow like mine, because of the things she's seen. She needs me in a way I've never known. And I will destroy the man who shattered what's mine. *Scarred Regrets* is a full-length standalone romance, but the series presents a better reading experience when following the suggested order. This series contains dark elements, including over-the-top antiheroes who do as they please. Read at your own discretion.

Refuge Karen Lynch 2014-12-09 To keep the people she loves safe, Sara left everything she knew behind. She soon learns this new world is nothing like her old one, and she struggles to make a place for herself among the Mohiri. But it soon becomes apparent to Sara and to everyone one around her that she is not your typical warrior. As the weeks pass, Sara builds new relationships, copes with her new trainers, and tries to manage her ever-changing powers, while keeping her unique heritage a secret. Looming in the background is the constant shadow of the Master who will do anything to find her. Sara finds herself on a journey of self-discovery that uncovers her true strengths and awakens a part of her she never knew existed. She experiences the delight of new friendships, the sweetness and pain of first love, and a loss so deep it could be the thing that finally breaks her. At the end of it all, she discovers that the one place she was supposed to be safe might not be the refuge she thought it was.

Son Garde du Corps Loup Jodi Vaughn 2020-02-07 Sauvage. Indomptable. Un besoin ardent. Elle ne peut éviter de se brûler. Le loup métamorphe Damon Trahan vit selon un seul code : protéger sa meute au péril de sa propre vie. Il aime sa solitude et évite les complications, jusqu'à ce qu'on lui donne pour mission de secourir la fille d'un général enlevée par une meute de loups rivale... ou de mourir en essayant. Il est loin de se douter qu'elle lui donnera envie de renoncer à tous ses principes, car la meute

ennemie n'est pas le seul adversaire dans la vie d'Ava. Son propre père lui a caché de lourds secrets, et c'est désormais à Damon de la convaincre de la vérité avant qu'il ne soit trop tard. Ava Renfroe en a assez que des machos essaient de contrôler sa vie. Après avoir été élevée par un général de l'armée, son indépendance est ce qu'elle a de plus cher. Lorsqu'elle est kidnappée, le danger éveille en elle une fureur sans égale. Et comme si cela ne suffisait pas, son garde du corps est autoritaire et arrogant, exactement le genre d'homme dont elle ne veut pas ; mais allez l'expliquer à sa libido incontrôlable. Se retrouver en fuite avec un inconnu sombre et puissant va pousser Ava si loin dans ses retranchements qu'elle ne s'en remettra peut-être jamais. Et quelle est cette nature sauvage et exigeante qu'elle sent s'éveiller en elle ? Pris en chasse par la meute de loups, Damon ne peut que rester auprès d'elle... et laisser leur passion s'embraser.

Until the Kingdom Comes Simen Johan 2014-04-30 Simen Johan's ongoing series of photographs and sculptures, "Until the Kingdom Comes," begun in 2005, depicts a natural world that is at once familiar and otherworldly. Most (but not all) of the images are intricate digital constructs incorporating elements the artist photographed in various geographical locations. Towering giraffes, captured in various US zoos, populate a hazy, desolate landscape created from images taken in Turkey, Bali and Iceland; spectacular Javan peacocks from Asia are camouflaged within a Spanish pepper tree; and the interior of an Icelandic volcano forms the setting for a gooey tar pit where Peruvian yellow-hooded blackbirds nest. Each image confuses the boundaries between opposing forces such as the natural and the artificial, the serene and the eerie, the primal and the mindful. These dynamic tensions reflect the internal conflicts and contradictions inherent to human nature that fuel Johan's work. Only a limited quantity of this oversize, unbound volume is available.

Feral Sins Suzanne Wright 2013 When female wolf shifter Taryn Warner first encounters Trey Coleman, an alpha male wolf shifter with a dangerous reputation, she's determined to resist his charms. But Taryn finds herself drawn in by Trey's forceful demeanor and arctic-blue eyes, and she eventually agrees to enter an uneasy alliance with him. If the two succeed in convincing their respective packs that they've chosen each other as mates, Trey will win valuable political allies, while Taryn will escape an odious arranged mating. Will they be able to maintain the clear heads needed to pull off the deception?

The Statue of Liberty Barry Moreno 2017-02-27 The world's most famous sculpture, the Statue of Liberty, Liberty Enlightening the World, rises to a height of 305 feet from the base of her pedestal to the top of the golden flame of her torch. Conceived, designed, and originally built in France, she was unveiled on her new island home in 1886. The postcard trade, still in its infancy, embraced the icon, and Miss Liberty's commanding figure soon appeared on millions of postcards. In this book, one will see the statue from many angles—profiles, long shots, close-ups, aerials, torch views, and more.

Scent of a Mate Milly Taiden 2020-04-26 Jordan and Aric An alpha looking to claim his curvy, sassy mate is about to learn it's not as simple as a bite. Mission: Scent a Mate Jordan Alvarez knew that a promise to her best friend involved staking out the local wolf pack's scenting ceremony and recording the graphic details, but she was the writer and the only one with the balls to finish the task. No one would know that four human women had sneaked proof of their rituals, or at least, that was the plan until Aric Wolfe showed up. Mission: Stake a Claim Aric Wolfe knew his baby sister was up to something, and expected her best friend, Jordan, to be in on the chaos. He finally had an opportunity to lay claim to a mate that had been under his nose for years. Jordan's scent called to both the man and the animal, and he was done fighting the call of the beast. It was time to mark his mate. Mission: Survive an Alpha When a good intention creates a problem for the Wolfe family, Jordan finds herself being stalked by a woman intent on claiming Aric as her own. Battle lines will be drawn, love will be put to the test, and Aric will have to fight Jordan's strong personality to keep her alive. Two alpha hearts seeking control will either find the balance or risk losing their love forever. Mature reader warning: Adult content including but not limited to: Violence and raw sexual language and actions.

Bloodied Hands Adelaide Forrest 2020-02-20 She's an innocent. Caught in the wrong place at the wrong time. My Angel is the one who got away-the only person in the world I love. When she is caught in an unsanctioned bank robbery in my territory, only my reputation protects her. She should have stayed away. Instead, she charges back into my life like a shining beacon in my otherwise bleak existence. She has no place in my world where hardened criminals toy with the lives of the innocent. A better man would let her go - again. There's no white picket fence in life with a Bellandi, and she deserves so much more. I pushed her away once, but now that she's back I won't let anything else come between us. Not even Ivory herself. Disclaimer: Bloodied Hands is a full-length standalone novel with crime syndicate members and dark content. The Bellandi Crime Syndicate Series includes several full-length standalones with HEA that can be read in any order, but would present a better reading experience following the suggested reading order.
