Sonya's Chickens Phoebe Wahl 2018-01-09 A beautifully told story about love, loss and the circle of life from Ezra Jack Keats New Illustrator Award winner Phoebe Wahl. Warm, nostalgic illustrations capture the earthy feel of this book about a little girl's chicken who is stolen by a fox. Sonya raises her three chickens from the time they are tiny chicks. She feeds them, shelters them and loves them. Everywhere Sonya goes, her chicks are peeping at her heels. Under her care, the chicks grow into hens and even give Sonya a wonderful gift: an egg! One night, Sonya hears noises coming from the chicken coop and

discovers that one of her hens has disappeared. Where did the hen go? What happened to her? When Sonya discovers the answers, she learns some important truths about the interconnectedness of nature and the true joys and sorrows of caring for another creature.

My Father's Glory ; And, My Mother's Castle Marcel Pagnol 1991-09-01 With warmth, lucidity and good humour, Pagnol, a boy from the city, recounts the glorious summer days he spent exploring the sun-baked Provençal countryside. He vividly captures the atmosphere of a childhood filled with the simple pleasures: a meal, a joke, an outing shared with his close-knit and loving family. These heart-warming stories remind us of how children can invest the smallest event or statement with incredible significance, how mysterious the workings of the adult world can seem to them and how painful the learning process can often prove. However, Pagnol's writing is filled with enormous optimism and delight. And his triumph in these classic memoirs is to have created that rare thing, a work suffused with joy. 'Pagnol's place in the history of French culture is secure. The Prousts and Sartres may be admired, but Pagnol is loved'
Times Literary Supplement

Jefferson Jean-Claude Mourlevat 2020-08 When Jefferson the hedgehog goes to his local hairdresser's, he's shocked to discover the barber lying dead on the floor. Falsely accused of the murder, Jefferson goes into hiding in the human kingdom with only his friend Gilbert the pig to help him clear his name. But can the two hunt down the real killer before it's too late? And how is the murder connected to the fight for animal rights? With a cover by Lisa d'Andrea, and inside illustrations by Antoine Ronzon

A Century of Artists Books Riva Castleman 1997-09-01 Published to accompany the 1994 exhibition at The Museum of Modern Art, New York, this book constitutes the most extensive survey of modern illustrated books to be offered in many years. Work by artists from Pierre Bonnard to Barbara Kruger and writers from Guillaume Apollinaire to Susan Sontag. An important reference for collectors and connoisseurs. Includes notable works by Marc Chagall, Henri Matisse, and Pablo Picasso.

The Fairy Caravan Beatrix Potter 2011-10-06 THE FAIRY CARAVAN is the story of a miniature circus, William and Alexander's Travelling Circus. It is no ordinary circus, for Alexander is a highland terrier and William is Pony Billy who draws the caravan. Beatrix Potter wrote this chapter book for older children towards the end of her writing career. She wrote it for her own pleasure and at the request of friends in

America who shared her love of the Lake District and north country tales.

Architects' Data Ernst Neufert 1991-01-15 This is an essential aid in the initial design and planning of a project. The relevant building type is located by a comprehensive index and cross reference system, a condensed commentary covers user requirements, planning criteria, basic dimensions and other considerations of function, siting aspect etc. A system of references based on an extensive bibliography supports the text. In every section plans, sections, site layouts, design details and graphs illustrated key aspects of a building type's design. Most illustrations are dimensioned or scaled - the metric system of measurement is used throughout, and the equivalent in feet/inches can easily be read either off a graphic scale on the page or from the built-in conversion table. The illustrations are international in origin and

include both well know and less famous designers. Architects Data is primarily a handbook of building types rather than of construction techniques and details. However its treatment of components (such as doors and windows) and of spaces for building services is extremely thorough, since consideration of this data is an essential element of the planning process. The opening pages of basic data on man and his buildings cover critical subjects such as scale, drawing practice, noise, light and space for the same reason. Particular attention has also been paid to the implications of energy conservation, means of escape from fire and the needs of the elderly and the disabled.

Bibliographie de la France 1987

The Tale of Timmy Tiptoes Beatrix Potter 1911 The tale is set in a forest and begins with "once upon a time". Timmy Tiptoes is "a little fat comfortable grey squirrel" living in a nest thatched with leaves in the top of a tall tree with his little wife, Goody. Over the course of several days, the two collect nuts in their little sacks for the coming winter and spring, and store the nuts in hollow tree stumps near their home. Timmy wears a red jacket he removes while working, and his wife wears a pink dress and apron. When the stumps are full, the couple make use of a tree-hole that once belonged to a woodpecker. The nuts rattle "down down down inside", and Goody wonders how they will ever retrieve them. Timmy reminds her he will be much thinner by springtime and will be able to pass through the little hole. In an aside, the narrator tells the reader that the couple had great quantities of nuts because they never lost them, noting that most squirrels lose half their nuts because they cannot remember where they buried them. Silvertail is the most forgetful of squirrels in the wood, and, while trying to find his nuts, digs up another squirrel's hoard. A commotion erupts among the nutting squirrels, and, as ill luck would have it, a flock of birds fly by singing "Who's bin digging-up my nuts?"

Private Peaceful Michael Morpurgo 2012-02-02 A stunning edition of this modern classic of World War One, featuring an introduction by the author and insightful testimonies from soldiers.

Elements of Structural Syntax Lucien Tesnière 2015-02-11 This volume appears now finally in English, sixty years after the death of its author, Lucien Tesnière. It has been translated from the French original

into German, Spanish, Italian, and Russian, and now at long last into English as well. The volume contains a comprehensive approach to the syntax of natural languages, an approach that is foundational for an entire stream in the modern study of syntax and grammar. This stream is known today as dependency grammar (DG). Drawing examples from dozens of languages, many of which he was proficient in, Tesnière presents insightful analyses of numerous phenomena of syntax. Among the highlights are the concepts of valency and head-initial vs. head-final languages. These concepts are now taken for granted by most modern theories of syntax, even by phrase structure grammars, which represent, in a sense, the opposite sort of approach to syntax from what Tesnière was advocating. Now Open Access as part of the Knowledge Unlatched 2017 Backlist Collection.

Selected Tales from Beatrix Potter Beatrix Potter 1986

Enid Blyton's Brer Rabbit Book Enid Blyton 1956 Brer Rabbit will never learn! He loves to play jokes, tricks and set traps for his friends - but once in a while, they beat him at his own game! .

The Tale of Benjamin Bunny Beatrix Potter 2021-05-17 The Tale of Benjamin Bunny When Mr. McGregor and his wife leave home in their gig, Benjamin Bunny and his cousin Peter Rabbit venture into Mr. McGregor's garden to retrieve the clothes Peter lost there in The Tale of Peter Rabbit. They find the blue jacket and brown shoes on a scarecrow, but Peter is apprehensive about lingering in the garden because of his previous experience. Benjamin delays their departure by gathering onions, which he wraps in Peter's handkerchief, hoping to give them to his aunt, Peter's mother. He then takes a casual stroll around the garden, followed by an increasingly nervous Peter. Rounding a corner, they see a cat and hide under a basket, but the cat then sits on top of the basket for five hours, trapping the pair. Old Mr. Bunny

(Benjamin's father, Peter's maternal uncle, and Old Mrs. Bunny's brother) enters the garden. He smokes a pipe and holds a little switch. He knocks the cat off of the basket and locks her in the greenhouse, then he rescues Benjamin and Peter. However, he although is happy that both Peter and Benjamin are safe and unharmed, he is very cross and punishes them for going to Mr. McGregor's garden. Then he whips them with the switch.

Les Livres disponibles 2003 Issued in 2 parts: pt.1 Auteurs and pt. 2 Titres.

A Mischievous Little Rabbit Beatrix Potter 2011 A Mischievous Rabbit: And Other Tales of Animal Derring-do is a specially chosen collection of Beatrix Potter's original tales that follow some of Potter's most adventurous characters. A beautiful slipcase gives the book a luxurious keepsake feel that collectors will simply love. Each tale is followed by a humorous visual that provides evidence of these characters' derring-do. The ten tales included are: The Tale of Peter Rabbit, The Tale of Jemima Puddle-Duck, The Tale of Mr. Tod, The Tale of Timmy Tiptoes, The Tale of Pigling Bland, The Tale of Johnny Town-Mouse, The Tale of Samuel Whiskers, The Tailor of Gloucester, The Tale of Jeremy Fisher, The Tale of Ginger and Pickles.
