Spanish Women's Writing 1849-1996 Catherine Davies 2000-12-01 Traces the tradition of Spanish women's writing from the end of the Romantic period until the present day. Professor Davies places the major authors within the changing political, cultural and economic context of women's lives over the past century-and-a-half -- with particular attention to women's accounts of female subjectivity in relation to the Spanish nation-state, government politics, and the women's liberation movement.

La Mujer Invisible Nicole Johnson 2005-04 La invisibilidad se encuentra infligida en las madres. Debido a la clase de trabajo que hacen, sus rostros desaparecen y su labor es anónima. Ellas se convierten en manos que construyen, forman y moldean. Pero, ¿Qué sucedería si las madres pudieran ver su función tan claramente como cuando se le observa a un constructor trabajar en una de las grandes catedrales? Un día un hombre llegó a una construcción de una de las catedrales más grandes que existían y vio a un constructor esculpiendo un pajarito en una de las vigas que eventualmente iba a ser cubierta por el techo. Confundido, el hombre le preguntó al trabajador, «¿Por qué haces tanto esfuerzo en algo que nadie nunca va a ver?» Se dice que el constructor le respondió: «Porque Dios si lo verá». La mujer invisible es una historia conmovedora que se afirma a las mujeres por el trabajo casi nunca observado en su diario quehacer para sus familias. El libro incluye una dedicatoria con la inscripción: «Con admiración por la grandeza de lo que estás edificando, cuando solamente Dios lo ve». Con seguridad, este libro se convertirá en un regalo atesorado para madres y abuelas en todo el mundo.

Notable Hispanic American Women Diane Telgen 1993 Contains short biographies of

three hundred Hispanic American women who have achieved national or international prominence in a variety of fields.

Una mujer del reino / Kingdom Woman Tony Evans 2013 Una mujer del reino le da al diablo tanta razón para temer como un hombre del reino. Ella vive con la seguridad de saber que Cristo murió y resucitó por ella para poder experimentar la importancia del destino al cual ha sido llamada. En *Una mujer del reino*, Tony Evans y su hija Chrystal Evans Hurst le recuerdan a las mujeres su llamado de Dios a ser libres, sanadas y a tener esperanza. Los autores dan conceptos que alientan a las mujeres a cambiar ideas distorsionadas y a comprender quiénes son realmente en Cristo, sin aceptar menos cuando están conectadas con Aquel que les da esperanza. Todos los creyentes están cubiertos por el pacto de Dios con Abraham. Evans y Hurst quieren que las mujeres conozcan esos derechos, los reclamen con confianza y vivan por ellos. El nuevo pacto ofrece más que una vida de mediocridad. ¡Una mujer del reino es llamada y recibe poder para vivir una vida victoriosa por medio de Cristo! A kingdom woman gives the devil as much reason to fear as a kingdom man. She lives confidently in the knowledge that Christ died and rose for her so that she can experience the significance of the destiny to which she has been called. In *Kingdom Woman*, Tony Evans and his daughter Chrystal Evans Hurst remind women of their calling from God to be free, delivered, healed, and hopeful. The authors bring insight that encourages women to correct distorted perceptions and understand who they really are in Christ—never settling for less when connected with the One who gives them hope. All believers are covered by God's covenant with Abraham. Evans and Hurst want women to know these rights and confidently claim and live by them. The new covenant offers more than a life of mediocrity. A kingdom woman is called and empowered to live a life of victory through Christ!

The Woman in Red Diana Giovinazzo 2021-08-03 Experience the "epic tale of one woman's fight . . . to create the life of her dreams" in this sweeping novel of Anita Garibaldi, a 19th century Brazilian revolutionary who loved as fiercely as she fought for freedom (Adriana Trigiani). Destiny toys with us all, but Anita Garibaldi is a force to be reckoned with. Forced into marriage at a young age, Anita feels trapped in a union she does not want. But when she meets the leader of the Brazilian resistance, Giuseppe Garibaldi, in 1839, everything changes. Swept into a passionate affair with the idolized mercenary, Anita's life is suddenly consumed by the plight to liberate Southern Brazil from Portugal -- a struggle that would cost thousands of lives and span almost ten bloody years. Little did she know that this first taste of revolution would lead her to cross oceans, traverse continents, and alter the course of her entire life -- and the world. At once an exhilarating adventure and an unforgettable love story, *The Woman in Red* is a sweeping, illuminating tale of the feminist icon who became one of the most revered historical figures of South America and Italy. Includes a Reading Group Guide

Healing the Soul of a Woman Joyce Meyer 2018-09-20 Can a woman who has been deeply hurt by life's circumstances be healed, heart and soul? If she has been wounded by a man she loved and trusted, can she love and trust again? As a

Downloaded from avenza-dev.avenza.com

woman who endured years of abuse, abandonment, and betrayal by those closest to her, Joyce Meyer can answer with a resounding "yes!" Meyer's positivity comes from living her own journey, and from seeing so many women who don't believe they can fully overcome their pain-or even know where to begin-find the guidance they need in the life-changing wisdom of the Bible. Meyer's bestseller *Beauty for Ashes* told of her personal story of healing. Now, with the passage of more time, *HEALING THE SOUL OF A WOMAN* delves deeper into Joyce's story and the journey of healing for all women. Each chapter guides you through whatever obstacles may be holding you back to find your true destiny as God's beloved. God can heal all pain, and He wants to do this in you. Let *HEALING THE SOUL OF A WOMAN* be the first step toward the wonderful, joyful future God intends for you.

The Educated Woman Katharina Rowold 2011-02-09 *The Educated Woman* is a comparative study of the ideas on female nature that informed debates on women's higher education in the late nineteenth and early twentieth centuries in three western European countries. Exploring the multi-layered roles of science and medicine in constructions of sexual difference in these debates, the book also pays attention to the variety of ways in which contemporary feminists negotiated and reconstituted conceptions of the female mind and its relationship to the body. While recognising similarities, Rowold shows how in each country the higher education debates and the underlying conceptions of women's nature were shaped by distinct historical contexts.

Colombian Women Elena Garcés 2008 Women deliver themselves from subjugation by recovering their voices, by educating themselves, and by speaking out, in unison, against forces that have kept them under heel. The scope of *Colombian Women: The Struggle Out of Silence* is both personal and global: personal to the interviewees and to Elena Garcés herself, as she tells her own story; and global, in that many features of the patriarchy and its dysfunction extend well beyond the borders of Colombia.

La Mujer Que Prospera Conceptos Financieros 2010-05 "La mujer que prospera" es el infalible consejo milenario de la madre del rey Lemuel, que encontramos en Proverbios 31, aplicado a las mujeres del siglo XXI. Su enseñanza te ayudará a alcanzar la prosperidad integral, enfocándote en cinco "áreas críticas" de tu vida: tu relación de pareja, el desarrollo de tus habilidades personales, un carácter generoso, el legado que dejarás a tus hijos y tu relación íntima con Dios. Con la misma pasión que escribió sus otros éxitos de librería, el Dr. Andrés Panasiuk se une a la psicóloga Melvy de León y a la empresaria Nilda Pérez para ofrecer en este libro una perspectiva equilibrada y práctica orientada a la mujer de hoy, desde el punto de vista de la mujer latina. Aunque no conocemos el nombre de la sabia madre del rey Lemuel, millones de personas alrededor del mundo se han beneficiado de sus sabios consejos desde hace más de tres mil años. Sus palabras, como las de muy pocas mujeres en la historia, han quedado grabadas para siempre en los escritos sagrados de la Palabra de Dios. Más que un simple estudio, este libro es una obra maestra en el tema de la prosperidad integral, y tiene el potencial de transformar el futuro de millones

de mujeres en Latinoamérica y el mundo. ¡Atrévete a ser una de ellas!

Female Well-Being Carolyn Fluehr-Lobban 2013-07-04 This global survey starts from the assumption that the significant transformations in women's lives deserve to be fully documented and interpreted. Janet Mancini Billson and Carolyn Fluehr-Lobban tackle the complexities of social change by using data from countries in every world region to illustrate the most critical challenges that women faced during the last century - challenges that are also likely to shape the 21st century. Global knowledge and feminism dovetailed in the 20th century, fed by international air travel, telecommunications, the internet, and a growing awareness that solving female oppression would improve the lot of all humankind. The authors therefore adopt a strong international, comparative, cross-cultural, and feminist framework that uncovers the fundamental processes that promote, sustain, or degrade the female condition. At the heart of Female Well-Being are case studies written by country teams of scholars, educators, and policy analysts, in Canada, The United States, Colombia, Iceland, the United Kingdom, Croatia, Japan, Bangladesh, Thailand, South Africa, and Sudan. Female well-being is measured by analysing trends in infant mortality, maternal mortality, literacy, life expectancy, education, work, income, family structure, and political power. These trends are contextualised in the light of the century's major events, legislative initiatives, social policies, and leadership, to illustrate the processes that enhance, sustain, or detract from the female condition. This book will be a critical resource for academics, development experts and policy analysts.

Women's Literacy in Early Modern Spain and the New World Anne J. Cruz 2011 The essays collected in this volume from leading and recent scholars in Peninsular and colonial studies offer entirely new research on women's acquisition and practice of literacy, on conventual literacy and on the cultural representations of women's literacy. The collection reveals the surprisingly broad range of pedagogical methods and learning experiences undergone by early modern women in Spain and the New World.

Images of Women in Hispanic Culture Teresa Fernandez Ulloa 2016-08-17 This book studies the ways traditional polarized images of women have been used and challenged in the Hispanic world, especially during the 20th century and the beginning of the 21st century by writers and the media, but also in earlier time periods. The chapters analyze the image of women in specific political periods such as Francoism or the Kirchners' administration, stereotypes of women in films in Mexico and Chile, and the representation of women in textbooks, among other topics. Contributions also show how two women writers, in the 17th and the 19th centuries, viewed the role of women in their society.

Writing Women's History Karen M. Offen 1991-08-23 Five essays address such themes as the relationship between feminist history and women's history, the use of the concept of "experience", the development of the history of gender, demographic history and women's history and the importance of post-structuralism to women's history.

The Measure of Woman Marie A. Kelleher 2011-06-06 By the end of the Middle Ages, the *ius commune*—the combination of canon and Roman law—had formed the basis for all law in continental Europe, along with its patriarchal system of categorizing women. Throughout medieval Europe, women regularly found themselves in court, suing or being sued, defending themselves against criminal accusations, or prosecuting others for crimes committed against them or their families. Yet choosing to litigate entailed accepting the conceptual vocabulary of the learned law, thereby reinforcing the very legal and social notions that often subordinated them. In *The Measure of Woman* Marie A. Kelleher explores the complex relationship between women and legal culture in Spain's Crown of Aragon during the late medieval period. Aragonese courts measured women according to three factors: their status in relation to men, their relative sexual respectability, and their conformity to ideas about the female sex as a whole. Yet in spite of this situation, Kelleher argues, women were able to play a crucial role in shaping their own legal identities while working within the parameters of the written law. *The Measure of Woman* reveals that women were not passive recipients—or even victims—of the legal system. Rather, medieval women actively used the conceptual vocabulary of the law, engaging with patriarchal legal assumptions as part of their litigation strategies. In the process, they played an important role in the formation of a gendered legal culture that would shape the lives of women throughout Western Europe and beyond for centuries to come.

Women in the Medieval Spanish Epic and Lyric Traditions Lucy A. Sponsler 2021-05-11 The culture of medieval Spain was anything but homogeneous. It varied not only through time, with the approach of the Renaissance, but also geographically, with great differences between north and south. In this study, author Lucy A. Sponsler illuminates the role of women during this interesting period by exploring their portrayal in literature. *Women in the Medieval Spanish Epic and Lyric Traditions* examines the various ways in which women were portrayed in the formative years of medieval society, as well as the development of these views as new social mores evolved. Employing a thorough examination of the literature, Sponsler reveals that a high degree of respect was demonstrated toward women in Spanish prose and poetry of this period. Her study sheds new light on the role of women in relation to men, family, and social organization in medieval Spain.

La mujer del pelo rojo / The Red - Haired Woman Orhan Pamuk 2018-06-26 La nueva novela del Premio Nobel Orhan Pamuk. Una historia de amor y parricidio en el Estambul de 1980. «Hoy por hoy, después de tantos años, los celos me impelen a no revelar su nombre, ni siquiera a mis lectores. Pero debo contar fielmente lo que ocurrió a continuación.» En las afueras del Estambul de 1985, un maestro pocero y su joven aprendiz son contratados para encontrar agua en una llanura estéril. Mientras excavan sin suerte metro a metro, nace entre ellos un vínculo casi paterno-filial, una dependencia mutua que se verá alterada cuando el adolescente se enamora perdidamente de una misteriosa mujer de pelo rojo: un primer amor que marcará el resto de sus días. El viaje de este joven hacia la edad adulta se acompaña al de una Turquía que ha ido transformándose de forma

irreversible, y le sirve a Orhan Pamuk para regresar a los temas que han dominado una buena parte de su obra. En esta mezcla de fábula, relato mitológico y tragedia contemporánea, el autor vuelve a poner frente a frente las culturas de Occidente y Oriente explorando dos de sus mitos fundacionales: el Edipo Rey de Sófocles y la historia de Rostam y Sohrab, inmortalizada por el poeta persa Ferdousí en la epopeya del Shahname o Libro de los Reyes. Ambas tragedias discurren por debajo de una trama absorbente, en una novela de ideas que profundiza, entre otros temas, en la familia y la figura paterna, reafirmando al premio Nobel como uno de los grandes escritores de nuestra época. ENGLISH DESCRIPTION From the Nobel Prize winner and best-selling author of *Snow* and *My Name Is Red*, a fable of fathers and sons and the desires that come between them. On the outskirts of a town thirty miles from Istanbul, a master well digger and his young apprentice are hired to find water on a barren plain. As they struggle in the summer heat, excavating without luck meter by meter, the two will develop a filial bond neither has known before--not the poor middle-aged bachelor nor the middle-class boy whose father disappeared after being arrested for politically subversive activities. The pair will come to depend on each other and exchange stories reflecting disparate views of the world. But in the nearby town, where they buy provisions and take their evening break, the boy will find an irresistible diversion. The Red-Haired Woman, an alluring member of a travelling theatre company, catches his eye and seems as fascinated by him as he is by her. The young man's wildest dream will be realized, but, when in his distraction a horrible accident befalls the well digger, the boy will flee, returning to Istanbul. Only years later will he discover whether he was in fact responsible for his master's death and who the redheaded enchantress was. A beguiling mystery tale of family and romance, of east and west, tradition and modernity, by one of the great storytellers of our time.

Plotting Women Jean Franco 1989 Where is the common ground for feminist theory and Latin American culture? Jean Franco explores Mexican women's struggle for interpretive power in relation to the Catholic religion, the nation, and post-modern society; and examines the writings of women who wrote under the shadow of recognized male writers, as well as the works of more marginal figures. In this original and skillfully written book Franco demonstrates the many feminisms that emerge in apparently rigid and adverse situations, and provides the foundation for a more comprehensive, less ethnocentric feminist theory.

The Women's Revolution in Mexico, 1910-1953 Stephanie Evaline Mitchell 2007 This book reinvigorates the debate on the Mexican Revolution, exploring what this pivotal event meant to women. The contributors offer a fresh look at women's participation in their homes and workplaces and through politics and community activism. Drawing on a variety of perspectives, the volume illuminates the ways women variously accepted, contested, used, and manipulated the revolutionary project. Recovering narratives that have been virtually written out of the historical record, this book brings us a rich and complex array of women's experiences in the revolutionary and post-revolutionary era in Mexico.

Puerto Rican Women's History: New Perspectives Felix Matos-Rodriguez 2015-05-15
A survey of the topics in gender and history of Puerto Rican women. Organized chronologically and covering the 19th and 20th centuries, it deal with issues of slavery, emancipation, wage work, women and politics, women's suffrage, industrialization, migration and Puerto Rican women in New York.

Global Perspectives on Women's Leadership and Gender (In)Equality Elena V. Shabliy 2020-07-16
This interdisciplinary volume discusses women's global leadership and women's rights advancement, identifying gender inequality as a persisting societal challenge and a major barrier to human development. Drawing on intersectionality as an important analytic and methodological tool, the contributors analyse women's leadership roles across the world, featuring perspectives on the US, Israel, and Brazil, amongst other countries. The book also contributes to the growing field of leadership, presenting cross-cultural examples and case-studies of outstanding women and female leaders, as well as discussing contemporary leadership theories, and examining obstacles to women's leadership. *Global Perspectives on Women's Leadership and Gender (In)Equality* will be an important point of reference for students and scholars across the political sciences, women's studies, feminist philosophy, business development, and history.

The Struggle for Female Suffrage in Europe Blanca Rodriguez Ruiz 2012-06-07
By comparing women's access to suffrage in the countries that make up the European Union, *The Struggle for Female Suffrage in Europe* provides a retelling of the story of how citizenship was gradually coined in Europe from the perspective of women.

A Good Woman Danielle Steel 2009-02-25
From the glittering ballrooms of Manhattan to the fires of World War I, Danielle Steel takes us on an unforgettable journey in her new novel—a spellbinding tale of war, loss, history, and one woman's unbreakable spirit... Nineteen-year-old Annabelle Worthington was born into a life of privilege, raised amid the glamour of New York society, with glorious homes on Fifth Avenue and in Newport, Rhode Island. But everything changed on a cold April day in 1912, when the sinking of the Titanic shattered her family and her privileged world forever. Finding strength within her grief, Annabelle pours herself into volunteer work, nursing the poor, igniting a passion for medicine that would shape the course of her life. But for Annabelle, first love, and a seemingly idyllic marriage, will soon bring more grief—this time caused by the secrets of the human heart. Betrayed, and pursued by a scandal she does not deserve, Annabelle flees New York for war-ravaged France, hoping to lose herself in a life of service. There, in the heart of the First World War, in a groundbreaking field hospital run by women, Annabelle finds her true calling, working as an ambulance medic on the front lines, studying medicine, saving lives. And when the war ends, Annabelle begins a new life in Paris—now a doctor, a mother, her past almost forgotten...until a fateful meeting opens her heart to the world she had left behind. Finding strength in the most unlikely of friendships, pulling together the broken fragments of her life, Annabelle will return to New York one more time—this

time as a changed woman, a woman of substance, infused with life's experience, building a future filled with hope...out of the rich soil of the past. Filled with breathtaking images and historical detail, Danielle Steel's new novel introduces one of her most unique and fascinating characters: Annabelle Worthington, a remarkable woman, a good woman, a true survivor who triumphs against overwhelming odds. For Annabelle's story is more than compelling fiction, it is a powerful celebration of life, dignity, and courage—and a testament to the human will to survive.

Rebels with a Cause in Contemporary Spanish Women Playwriting Anthony Pasero- O'Malley 2022-09-06 This book examines a selection of plays from four innovative women playwrights of the first two decades of 21st century Spain. By foregrounding female characters as the subjects and protagonists of their plays, Mar Gómez Glez, Carolina África, Lucía Miranda, and Marta Buchaca reinscribe the stage as a space for the productive exploration of female autonomy and individuation. This book further investigates the use the platform of the theatre and the expressive possibilities therein to portray the realities of gendered oppression and efforts to define subjectivity within a social context where confining patriarchal and dominant cultural conditions place severe strictures on women's open search and development of selfhood and identity. The diversity of genres deployed in their respective approaches, spanning the subversion of realist conventions, the framework of historical drama, the communal potentialities of forum theatre, and experiential site-specific production, point to important innovations in contemporary stagecraft and performance.

Feminist Philosophy in Latin America and Spain María Luisa Femenías 2007-01 This book demonstrates the vast range of philosophical approaches, regional issues and problems, perspectives, and historical and theoretical frameworks that together constitute feminist philosophy in Latin America and Spain. It makes available to English-Speaking readers recent feminist thought in Latin America and Spain to facilitate dialogue among Latin American, North American, and European thinkers.

Working Women in Mexico City Susie S. Porter 2022-09-20 The years from the Porfiriato to the post-Revolutionary regimes were a time of rising industrialism in Mexico that dramatically affected the lives of workers. Much of what we know about their experience is based on the histories of male workers; now Susie Porter takes a new look at industrialization in Mexico that focuses on women wage earners across the work force, from factory workers to street vendors. Working Women in Mexico City offers a new look at this transitional era to reveal that industrialization, in some ways more than revolution, brought about changes in the daily lives of Mexican women. Industrialization brought women into new jobs, prompting new public discussion of the moral implications of their work. Drawing on a wealth of material, from petitions of working women to government factory inspection reports, Porter shows how a shifting cultural understanding of working women informed labor relations, social legislation, government institutions, and ultimately the

construction of female citizenship. At the beginning of this period, women worked primarily in the female-dominated cigarette and clothing factories, which were thought of as conducive to protecting feminine morality, but by 1930 they worked in a wide variety of industries. Yet material conditions transformed more rapidly than cultural understandings of working women, and although the nation's political climate changed, much about women's experiences as industrial workers and street vendors remained the same. As Porter shows, by the close of this period women's responsibilities and rights of citizenship—such as the right to work, organize, and participate in public debate—were contingent upon class-informed notions of female sexual morality and domesticity. Although much scholarship has treated Mexican women's history, little has focused on this critical phase of industrialization and even less on the circumstances of the *tortilleras* or market women. By tracing the ways in which material conditions and public discourse about morality affected working women, Porter's work sheds new light on their lives and poses important questions for understanding social stratification in Mexican history.

La Llorona Joe Hayes 2004 This appears to be only a frightening story filled with mysterious events, but it is the simple wisdom at its core that works the magic in this traditional ghost story from Latin America.

The Struggle for Female Suffrage in Europe 2012-06-07 By comparing women's access to suffrage in the countries that make up the European Union, *The Struggle for Female Suffrage in Europe* provides a retelling of the story of how citizenship was gradually coined in Europe from the perspective of women.

Gender Equality and Women's Empowerment in Education Delfín Ortega-Sánchez 2022-02-23

Women in the Peninsular War Charles J. Esdaile 2014-08-07 In *Women in the Peninsular War*, Esdaile looks beyond the iconography. While a handful of Spanish and Portuguese women became Agustina-like heroines, a multitude became victims, and here both of these groups receive their due. But Esdaile reveals a much more complicated picture in which women are discovered to have experienced, responded to, and participated in the conflict in various ways.

Indian Women of Early Mexico Susan Schroeder 1999-01-01 This collection of essays by leading scholars in Mexican ethnohistory, edited by Susan Schroeder, Stephanie Wood, and Robert Haskett, examines the life experiences of Indian women in preconquest colonial Mexico. In this volume: "Introduction," Susan Schroeder; "Mexica Women on the Home Front," Louise M. Burkhart; "Aztec Wives," Arthur J. O. Anderson; "Indian-Spanish Marriages in the First Century of the Colony," Pedro Carrasco; "Gender and Social Identity," Rebecca Horn; "From Parallel and Equivalent to Separate but Unequal: Tenochca Mexica Women, 1500-1700," Susan Kellogg; "Activist or Adulteress/ The Life and Struggle of Doña Josefa Mará of Tepoztlan," Robert Haskett; "Matters of Life at Death," Stephanie Wood; "Mixteca Cacicas," Ronald Spores; "Women and Crime in Colonial Oaxaca," Lisa Mary Sousa; "Women, Rebellion, and the Moral Economy of Maya

Peasants in Colonial Mexico," Kevin Gosner; "Work, Marriage, and Status: Maya Women of Colonial Yucatan," Marta Espejo-Ponce Hunt and Matthew Restall; "Double Jeopardy," Susan M. Deeds; "Women's Voices from the Frontier," Leslie S. Offutt; "Rethinking Malinche," Frances Karttunen; "Concluding Remarks," Stephanie Wood and Robert Haskett.

Radical Women in Latin America Victoria González-Rivera 2010-11-01

Women's Lives around the World: A Global Encyclopedia [4 volumes] Susan M. Shaw 2018-01-04 Providing an in-depth look at the lives of women and girls in approximately 150 countries, this multivolume reference set offers readers transnational and postcolonial analysis of the many issues that are critical to the survival and success of women and girls. • Presents a broad postcolonial feminist examination of the lives of women and girls worldwide through essays about the female experience in individual countries • Provides sidebars that highlight details about individual women and interesting topics that affect women and girls • Includes primary source documents that offer readers a direct look at important statements, laws, and policies about women and girls

El hombre prehistórico es también una mujer / Prehistoric Man Is Also a Woman Marylène Patou-Mathis 2021-12-07 Una deslumbrante investigación hasta los orígenes del ser humano para sacar a la mujer de la caverna. No, las mujeres prehistóricas no se pasaban el día barriendo la cueva y cuidando de los hijos mientras esperaban que los hombres regresaran de cazar. Ellas también perseguían a grandes mamíferos, fabricaban herramientas y joyas, construían viviendas y exploraban formas de expresión simbólica. Los vestigios arqueológicos demuestran que las mujeres neandertales usaban la lanza; gracias al análisis del ADN sabemos que algunos esqueletos enterrados con sus armas pertenecían a jóvenes robustas que cazaban, y también está atestiguada su intervención artística en las paredes de las cuevas. Tampoco hay indicios de que, en las sociedades del Paleolítico, un periodo que se extiende durante cientos de milenios, se considerara a las mujeres inferiores y subordinadas a los hombres. ¿Por qué, entonces, sigue vigente la imagen que divulgaron los primeros prehistoriadores en el siglo XIX? Basta retroceder en el tiempo para comprender que la jerarquización entre los géneros solo se fundamenta en prejuicios que es urgente deconstruir. De la mano de una de las mayores especialistas en el comportamiento de los neandertales, esta fascinante investigación de arqueología de género nos revela una prehistoria como nunca la habíamos leído. ENGLISH DESCRIPTION A dazzling research looking back at the origins of humanity to get women out of the cave. No, prehistoric women didn't spend all day sweeping the cave and taking care of children, while waiting for men to come back from hunting. They also chased large mammals, made tools and jewelry, built dwellings, and explored forms of symbolic expression. Archeological finds show that Neanderthal women used spears. From DNA analysis we gather that some of the skeletons found buried alongside weapons belonged to young robust women who hunted. Their artistic intervention on cave walls is also attested. Furthermore, there is no evidence that Paleolithic societies, a time that spans hundreds of thousands of years, considered women inferior or

Downloaded from avenza-dev.avenza.com

subservient to men. Why, then, does this image promoted by the first prehistorians of the nineteenth century still exist? All we have to do is go back in time to understand that gender hierarchy is only based on judgements we urgently need to deconstruct. By the hand of one of the greatest specialists in Neanderthal behavior, this fascinating research of gender archeology shows prehistoric times like we have never read before.

Captive Women Susana Rotker 2002

Women and the Colonial Gaze T. Hunt 2002-04-29 "Women and the Colonial Gaze" examines the way images of women have been used by colonizers and subject peoples to define the colonial relationship.

The Emerging Female Citizen Theresa Ann Smith 2006-05-15 Publisher Description

La mujer temblorosa o la historia de mis nervios / The Shaking Woman or the History of My Nerves Siri Hustvedt 2010-07-21 Mientras hablaba en un homenaje que le hacían en la universidad a su padre, fallecido dos años antes, Siri Hustvedt comenzó a temblar. Pudo terminar su discurso, aunque sus brazos y sus piernas se estremecían de un modo casi incontrolable. Era como si se

Women in Latin America and the Caribbean Marysa Navarro 1999 " Sánchez Korrol considers the shifts in women's roles between the 1880s and 1930s and accompanying societal transformations.

Female and Male in Latin America Ann M. Pescatello 1973-01-15 A pioneering study of Latin American women that views contemporary perceptions and realities of women's lives, women's roles in modernization versus tradition, the conflicts of class struggles among women, and the future of women's participation in Cuban society.

Woman And Art in Early Modern Latin America Kellen Kee MacIntyre 2007 This illustrated anthology brings together for the first time a collection of essays that explore the position of women and the contributions made by them to the arts and architecture of early modern Latin America.
