Places to Grow Lorne Bruce 2020-04-30 The core of the book revolves around the shifting nature of Ontario's political landscape. In many ways this is a story of successive governments, ambitious politicians, diligent bureaucrats, and endless library reports straddling the decades. Their aim appears to have been making even better a system that, despite weaknesses, was clearly the best in Canada. Three distinctive trends emerged in Ontario librarianship after the 1930s: first, a growing sense of professionalism in librarianship; second, an enhanced sense of belonging to a pan-Canadian library movement that in 1946 would result in the formation of the Canadian Library Association; and third, a heightened awareness of the competing demands of high culture and popular culture. Public libraries became an important vehicle for promoting community, albeit with competing visions of "space and place," as Canada generally and Ontario specifically experienced post-World War II immigration and the baby boom. As libraries approached the 21st century, the concerns of digital formats and the all-encompassing Internet intertwined to alter the book-centric "bricks and mortar" world of libraries. Nonetheless, public libraries were well placed to survive this new threat, just as they had with the challenges of radio, television, and telecommunication challenges in the 20th century.

Marking Time Elizabeth Jane Howard 2016-04-26 For fans of *Downton Abbey*, the second volume of the critically acclaimed Cazalet saga takes readers into the lives of an extended British family and their devoted retinue. It is 1939, and Hitler has just invaded Poland. The exigencies of wartime will force the Cazalets to make difficult choices as the older children are evacuated from London and settled in Home Place, their longtime Sussex summer estate. Narrated primarily through the voices of three Cazalet cousins—sixteen-year-old Louise and fourteen-year-old Polly and Clary—*Marking Time* details the continuing saga of their fathers. With the outbreak of war, Edward is determined to do his part for England. Hugh, crippled in World War I, must sit back and watch other men fight for their country, including his brother Rupert, who enlists and goes missing in action. The Cazalets' story plays out against the greater drama unfolding on the world stage. Three young girls yearn for the freedom they believe adulthood will confer upon them in this tale of struggle and sacrifice, love and loss, as a new generation of Cazalets makes itself heard. With strong female characters such as the stoic Kitty; her daughter, Rachel, who's in a relationship with another woman; and the loyal governess Miss Milliment, *Marking Time* explores the role of women during the war amid early stirrings of feminism.
