Chocolate Box Girls: Summer's Dream Cathy Cassidy 2012 The next scrumptious story in Cathy Cassidy's Chocolate Box Girls series, following Cherry Crush and Marshmallow Skye. Perfect for fans of Jacqueline Wilson. Summer has always dreamed of dancing, and when a place at ballet school comes up, she wants it so badly it hurts. Middle school ends and the holidays begin, but unlike her sisters, Summer has no time for lazy days and sunny beach parties. The audition becomes her obsession, and things start spiralling out of control . . . The more Summer tries to find perfection, the more lost she becomes. Will she realise - with the help of the boy who wants more than friendship - that dreams come in all shapes and sizes? Third must-have title in this gorgeous series from one of the UK's best-loved girls' authors, Cathy Cassidy. Each sister has a different story to tell, which one will be your favourite? Cathy Cassidy was voted Queen of Teen in 2010 - beating Jacqueline Wilson and Louise Rennison to the throne. Praise for Cathy's books: 'Touching, tender and unforgettable.' Guardian Cathy Cassidy wrote her first picture book for her little brother when she was eight or nine and has been writing fabulous stories ever since. The Chocolate Box Girls is a sumptuous series starring sassy sisters, super-cool boys and one of Cathy's biggest loves - chocolate. Cathy lives in Scotland with her family.

[When The Drummers Were Women: A Spiritual History of Rhythm](#) Layne Redmond 2021-08-05 For millennia, the sacred drummers of pre-Christian Mediterranean and western Asia were women. In this inspiring book, Layne Redmond, herself a renowned drummer, tells their history. Artistic representations reveal that female frame drummers carried the spiritual traditions of many of the earliest recorded civilizations. During those ancient times, the drummer-priestesses held the keys to experience of the divine through rhythm. They were at the center of the goddess worship of matriarchal societies until the ascendance of patriarchal cultures and the loss of drumming as a spiritual technology. With wisdom and passion, Redmond chronicles our species' deep connection to the drum, our rich heritage of inseparable spirituality and music, and the modern-day women reclaiming it. This book encourages readers—both women and men—to reestablish rhythmic links with themselves, nature, and other people through the power of drumming. Redmond illustrates her message with an extensive collection of images gathered during ten years of research and travel. Woven throughout the book are strands of ancient ritual and mythology, personal stories, and scientific evidence of the benefits of drumming. It is at once a history, a memoir, and a resounding call for spiritual and social renewal.

[Beautiful Broken Things](#) Sara Barnard 2016-02-11 Beautiful Broken Things is a moving story of friendship

from debut author Sara Barnard, shortlisted for the YA Book Prize and selected as part of Zoella's Book Club. Now with a bold cover look. I was brave She was reckless We were trouble Best friends Caddy and Rosie are inseparable. Their differences have brought them closer, but as she turns sixteen Caddy begins to wish she could be a bit more like Rosie – confident, funny and interesting. Then Suzanne comes into their lives: beautiful, damaged, exciting and mysterious, and things get a whole lot more complicated. As Suzanne's past is revealed and her present begins to unravel, Caddy begins to see how much fun a little trouble can be. But the course of both friendship and recovery is rougher than either girl realizes, and Caddy is about to learn that downward spirals have a momentum of their own. 'I felt like I was living this book' - Zoella 'This book is exquisite, and exactly what YA needs . . . This author is one to watch!' - Holly Bourne, author of Am I Normal Yet?

Sobibor Jean Molla 2005 ""I did it so they'd stop me," Emma said, when she was caught stealing biscuits from a supermarket. But Emma is hiding behind these tough words and her waif-like body... Emma is sixteen and anorexic. Why does she do it? Is it her parents' indifference, the long family silences, the lies they tell each other? Emma wants to know. She wants to understand. When she discovers an old notebook in her grandparents' house, disturbing secrets emerge that demand an answer."--BOOK JACKET.

The 7 Secrets of Sound Healing Revised Edition Jonathan Goldman 2017-01-10 The effect of sound is unquestionably powerful, with a remarkable ability to heal and restore balance from the inside to out. By breaking down scientific principles and studies into accessible, understandable, and applicable wisdoms and techniques, sound healing pioneer Jonathan Goldman reveals how sound can be used as personal vibrational therapy for your mind, body, and spirit. Journey into the realm of sound through learning: • the basic principles of vibration • the importance of your intent • the uniqueness of sound to everyone • the importance of silence • our own voice's healing properties • the diverse healing applications of sound • the global, all-encompassing effect of sound Practical information and exercises provide an interactive understanding of using sound as a healing modality, while Goldman's exploration of a variety of ancient and modern techniques will guide you into living a more harmonious life. Goldman's guided meditations and exercises in his free audio download are specifically designed to enhance your relaxation and healing, helping to bring the seven core secrets of sound healing into your heart and home.

The Building Opposite Vanyda 2007-02-08 A pregnant single mother on the second floor. A middle-aged couple with a large dog on the third. Two young lovers on the fourth. A building like so many others where people cross on the stairs, are good neighbours and each have their own little stories, romantic or painful. This title was named 'Best Manga of 2006' by PW Comics Week.

La Spirale initiatique Maud Séjournant 2013-05-15 Après Le Cercle de vie, passionnante lecture du chamanisme et de son interprétation contemporaine, Maud Séjournant poursuit son expérience en tant que thérapeute, femme et individu à la recherche de sa propre vérité. Réintégrant les éléments naturels (l'eau, la terre, le feu, l'air) dans une approche imprégnée de la pensée des psychothérapeutes modernes, de Jung à Erickson, ce voyage intérieur permet de retrouver des racines universelles, en liaison avec les grandes voies spirituelles (bouddhisme, christianisme, voie toltèque...) Le livre est construit autour de la « roue de médecine » des chamanes amérindiens, et ses quatre directions : le Sud, voie de l'initiation humaine par la formation du corps physique et émotionnel de l'enfant, dimension aquatique toujours vivante en nous ; l'Ouest, qui confirme notre incarnation dans la dimension éminemment féminine de la Terre, matrice de la vie et de la mort ; le Nord, qui gouverne le monde intérieur de notre mental et de nos croyances, clé aérienne des symboles et des mythes ; l'Est, qui allie le feu purificateur de notre esprit à la douceur intuitive de la voie amoureuse. Pour chacune de ces

directions, l'auteur propose un enseignement nourri de sagesses anciennes et de connaissances modernes, entrecoupé de récits de vie et de rêves, de portraits et d'exercices pratiques. Une manière de réenchanter le monde.

Studies in Hinduism René Guénon 2001 A study of various aspects of the traditional metaphysical doctrines of the Hindu Tradition, along with extensive book and article reviews

The Thirteen Original Clan Mothers Jamie Sams 1994-04-22 Offers a visionary guide to self-knowledge, revealing the mysteries of the ancient female oral tradition.

The Ugly Little Boy Isaac Asimov 1993 Plucked out of the past and transported forty thousand years into the future, a Neanderthal child discovers that human nature has remained unchanged, in an expanded version of an original Asimov story

Mucusless Diet Healing System Arnold Ehret 2012-05-07 This scientific method of eating, developed by Ehret in 1922, presents a complete, workable program for cleansing, repairing, rebuilding, and maintaining a healthy body. This book lays out Professor Ehret's simple and logical plan in plain, understandable language so that anyone can apply the Ehret method.

Deadlands Reloaded Pinnacle Entertainment 2010-10-04 "The Marshal's Handbook is the setting book for Deadlands Reloaded." -- From back cover

The Parrot's Theorem Denis Guedj 2013-08-20 Mr. Ruche, a Parisian bookseller, receives a bequest from a long lost friend in the Amazon of a vast library of math books, which propels him into a great exploration of the story of mathematics. Meanwhile Max, whose family lives with Mr. Ruche, takes in a voluble parrot who will discuss math with anyone. When Mr. Ruche learns of his friend's mysterious death in a Brazilian rainforest, he decides that with the parrot's help he will use these books to teach Max and his brother and sister the mysteries of Euclid's Elements, Pythagoras's Theorem and the countless other mathematical wonders. But soon it becomes clear that Mr. Ruche has inherited the library for reasons other than enlightenment, and before he knows it the household is racing to prevent the parrot and vital, new theorems from falling into the wrong hands. An immediate bestseller when first published in France, *The Parrot's Theorem* charmingly combines a straightforward history of mathematics and a first-rate murder mystery.

I, Pierre Seel, Deported Homosexual Pierre Seel 2011-04-26 On a fateful day in May 1941, in Nazi-occupied Strasbourg, seventeen-year-old Pierre Seel was summoned by the Gestapo. This was the beginning of his journey through the horrors of a concentration camp. For nearly forty years, Seel kept this secret in order to hide his homosexuality. Eventually he decided to speak out, bearing witness to an aspect of the Holocaust rarely seen. This edition, with a new foreword from gay-literature historian Gregory Woods, is an extraordinary firsthand account of the Nazi roundup and the deportation of homosexuals.

Livres hebdo 2009

Intelligence in Nature Jeremy Narby 2006-03-02 Continuing the journey begun in his acclaimed book *The Cosmic Serpent*, the noted anthropologist ventures firsthand into both traditional cultures and the most up-to-date discoveries of contemporary science to determine nature's secret ways of knowing. Anthropologist Jeremy Narby has altered how we understand the Shamanic cultures and traditions that

have undergone a worldwide revival in recent years. Now, in one of his most extraordinary journeys, Narby travels the globe—from the Amazon Basin to the Far East—to probe what traditional healers and pioneering researchers understand about the intelligence present in all forms of life. Intelligence in Nature presents overwhelming illustrative evidence that independent intelligence is not unique to humanity alone. Indeed, bacteria, plants, animals, and other forms of nonhuman life display an uncanny penchant for self-deterministic decisions, patterns, and actions. Narby presents the first in-depth anthropological study of this concept in the West. He not only uncovers a mysterious thread of intelligent behavior within the natural world but also probes the question of what humanity can learn from nature's economy and knowingness in its own search for a saner and more sustainable way of life.

Terra Amata J.M.G. Le Clézio 2008-11-27 For Chancelade, the world is teeming with beauty, wonder and possibilities. From a small boy playing on the beach, through his adolescence and his first love, to the death of his father and on to the end of his own life, he relishes the most minute details of his physical surroundings - whether a grain of sand, an insect or a blade of grass - as he journeys on a sensory adventure from cradle to grave. Filled with cosmic ruminations, lyrical description and virtuoso games of language and the imagination, *Terra Amata* brilliantly explores humankind's place in the universe, the relationship between us and the Earth we inhabit and, ultimately, how to live.

Livres de France 2008 Includes, 1982-1995: Les Livres du mois, also published separately.

A Strange Manuscript Found in a Copper Cylinder James De Mille 2021-11-16 A Strange Manuscript Found in a Copper Cylinder (1888) is a novel by James De Mille. Originally serialized in Harper's Weekly, the novel was published posthumously and, at first, anonymously. Although De Mille's work predated such popular Lost World novels as H. Rider Haggard's *She* (1887) and *King Solomon's Mines* (1885), it was published nearly a decade after his death, leading critics to assume he had merely written a derivative work of fiction. Recent scholarship, however, has sought to emphasize De Mille's talents as a writer and importance in the historical development of literary science fiction. "The wind had failed, a deep calm had succeeded, and everywhere, as far as the eye could reach, the water was smooth and glassy. The yacht rose and fell at the impulse of the long ocean undulations, and the creaking of the spars sounded out a lazy accompaniment to the motion of the vessel." Sailing in their yacht, a crew spots a copper cylinder afloat on the sunbeaten sea. Hauling it aboard, they open it to reveal a manuscript sealed from the elements containing the story of Adam More. Shipwrecked while returning to Britain from Tasmania, the sailor found himself stranded on a strange desert island near Antarctica. Soon, he stumbles upon a lost world of prehistoric plants and animals, a land of indescribable beauty and wonder. In the harsh volcanic landscape, he discovers a race of humans whose values are entirely foreign to his Western frame of mind. With a beautifully designed cover and professionally typeset manuscript, this edition of James De Mille's *A Strange Manuscript Found in a Copper Cylinder* is a classic work of American science fiction reimagined for modern readers.

Le cercle des guérisseuses Jean-Philippe de Tonnac 2019-03-19 Je suis allé à la rencontre de guérisseuses en France, en Suisse, au Canada. Guérisseuses ? Des femmes qui prennent en charge les maux ne trouvant plus aucune écoute, qui prennent indistinctement soin du corps et de l'âme, qui soignent à partir de dons. Vous pouvez les appeler énergéticiennes, magnétiseuses, naturopathes, médiums, écothérapeutes, chercheuses en mémoire cellulaire, chamanes, etc. Elles sont pour notre temps celles que les pouvoirs temporels et religieux ont autrefois malmenées, persécutées avant de les faire disparaître par le feu. À chacune j'ai demandé de me confier la manière dont elle était devenue guérisseuse, les dons à partir desquels elle pouvait déclencher chez ses patients un processus de guérison. Pour connaître leur art, j'ai reçu de leur part un soin, parfois plusieurs. Ce sont les notions de «

maladie » et de « guérison » qu'interroge ce voyage, entrepris un jour après être allé voir un médium qui m'envoya libérer l'âme de ma mère auprès d'un prêtre exorciste. Adolescent, en écoutant les garçons parler des filles, en questionnant la condition des femmes partout dans ce monde, j'ai souvent eu honte d'être un homme. Me diriger vers ces femmes qui, parce qu'elles se sont relevées de leurs blessures, peuvent venir au secours de leurs semblables, porter assistance à une humanité en danger, était pour moi entreprendre mon chemin de guérison. Elles incarnent la puissance du féminin dont nous avons, hommes et femmes, si terriblement peur. Une peur qui a justifié qu'on discrédite longtemps leur art né de l'expérience et de l'élan d'apaiser. Elles représentent l'accès à ce monde que nous avons perdu.

The Dreamer Julian Green 2010-12 Julian Hartridge Green, or Julien Green (1900-1998), a French born American wrote several novels including *Leviathan* and *Each in His Own Darkness*. He preferred to write in French.

La matrice de l'âme : Le siège des antennes psychiques. Tome VII. Un océan chaud de la lumière dans l'obscurité. La Vie dans la matière : Les passages clefs du corps. Sekou Sanogo 2014-08-05T00:00:00Z Que sommes-nous ? D'où venons-nous ? Où allons-nous ? L'évolution est un ensemble des changements subis au cours des temps géologiques par les lignées animales et végétales, ayant eu pour résultat l'apparition de formes nouvelles, nous dit-on. Sous cet angle optique, elle est un mouvement général et universel à base de mutations successives dans les degrés de développement de la conscience, et dans lequel tous les règnes sont imbriqués, qu'ils soient minéral, végétal, animal ou humain. Inexorablement, il y a un "enchevêtrement", une "solidarité" et une "complémentarité" entre les espèces et les règnes, en application générale de la loi d'évolution et de progression de l'esprit individualisé. La vie universelle a deux faces : l'involution, ou la descente de l'esprit dans la matière par la création individuelle, et l'évolution, ou l'ascension graduelle par la chaîne des existences, vers l'Unité divine. L'homme est un esprit immortel, une cellule divine ayant développé une âme. Notre intellect ayant atteint l'état méditatif de la conscience, peut faire un effort afin de s'adapter à la notion d'appartenance à l'Unité d'Esprit, soutenu par les lois universelles de Sagesse et par l'Amour. Sous cet angle optique, l'épistémologie est une voie progressive, un moyen actif qui aide le sociologue, tout chercheur, à dépasser l'immanence, aux fins de s'intégrer plus facilement dans la vie, d'acquérir de nouvelles qualités ; mieux de se maîtriser, d'apprendre à écouter, à s'écouter, d'aiguiser son sens critique à bon escient. Tout comme le physicien le plus élevé, sis sur le chemin de l'éveil, a su, sait et encore saura capter une partie de cette Lumière de l'Amour du Saint-Esprit qui illumine, inonde et transcende, le sociologue peut acquérir une forme de sagesse, recevoir l'illumination du Saint-Esprit, de l'Ange, voire participer à une envolée mystique.

Entering the Shaman's Eye Maud Sejourant 2013-12-03 "Entering the Shaman's Eye" retraces the personal journey of a therapist, who has learned to incorporate shamanic tools in her personal life and practices. The author includes amazing experiences of personal contact with the shamanic realms and also reflections on her own difficulties and recoveries, enabling readers to draw parallels to their own lives, whatever their circumstances.

The Happiness Advantage Shawn Achor 2010-09-14 INTERNATIONAL BESTSELLER • The happy secret to greater success and fulfillment in work and life—a must-read for everyone trying to flourish in a world of increasing stress and negativity “Thoughtfully lays out the steps to increasing workplace positivity.”—Forbes In the book that inspired one of the most popular TED Talks of all time, New York Times bestselling author Shawn Achor reveals how rewiring our brain for happiness helps us achieve more in our careers and our relationships and as students, leaders, and parents. Conventional wisdom holds that once we succeed, we'll be happy; that once we get that great job, win that next promotion,

lose those five pounds, happiness will follow. But the science reveals this formula to be backward: Happiness fuels success, not the other way around. Research shows that happy employees are more productive, more creative, and better problem solvers than their unhappy peers. And positive people are significantly healthier and less stressed and enjoy deeper social interaction than the less positive people around them. Drawing on his original research—including one of the largest studies of happiness ever conducted—and work in boardrooms and classrooms across forty-two countries, Achor shows us how to rewire our brains for positivity and optimism to reap the happiness advantage in our lives, our careers, and even our health. His strategies include: • The Tetris Effect: how to retrain our brains to spot patterns of possibility so we can see and seize opportunities all around us • Social Investment: how to earn the dividends of a strong social support network • The Ripple Effect: how to spread positive change within our teams, companies, and families By turns fascinating, hopeful, and timely, *The Happiness Advantage* reveals how small shifts in our mind-set and habits can produce big gains at work, at home, and elsewhere.

Artemis Jean Shinoda Bolen 2014-09-01 “Jean Shinoda Bolen provides ancient and modern ways to be our authentic, courageous, and passionate selves. Jean herself is an Artemis.”—Gloria Steinem
Worshiped in Ancient Greece as a protectress of young girls, Artemis was the goddess of hunting, nature, and chastity—the original “wild woman.” In *Artemis*, Jungian analyst and bestselling author, Jean Shinoda Bolen, revives the goddess Artemis to reclaim the female passion and persistence to survive and succeed. But an indomitable spirit isn’t just reserved for the gods. In her book, Dr. Bolen revives the myth of Atalanta, an archetypal Artemis and mere mortal. To Atalanta, fate was no obstacle. Left to die because she was born a girl, she faces the Calydon Boar and outruns any man attempting to claim her as his wife. In *Artemis*, women are encouraged to discover their inner heroine—the activist who never gives up, who cannot be subdued. Whether women’s rights activists or Princess Merida from *Brave*, the Artemis personality is embodied in the modern women. Hailed by Isabel Allende, as a “beautiful, inspiring book,” *Artemis* is dedicated to all women and girls who discover her unconquerable spirit in themselves or others. Inside find: · Examples of Artemis in real-life and popular culture · Ancient and modern ways to be your authentic self · A source of strength, power, and integrity “Bolen connects Artemis to contemporary figures such as environmental activist Julia Butterfly Hill, author Cheryl Strayed, and journalist Lara Logan . . . Bolen also discusses other goddess archetypes, including the romance-oriented Aphrodite, contemplative Hestia, and Hecate, the wise crone. The exploration of Artemis and Atalanta as feminist icons is compelling.”—Publishers Weekly

[The Jesus Man](#) Christos Tsiolkas 2016-11-03 *The Jesus Man* tells the story of one family, trapped between conflicting identities - while the parents were born Greek and Italian, the three sons, Dom, Tommy and Louie, have grown up as Australians. Haunted by their history and increasing inability to relate to each other, Tommy inexorably descends into a cycle of violence, pornography and madness. When he commits a terrible crime, his family must try to come to terms with the terrifying stranger he had become, and the hell that living had been for him. With page-turning, thrilling urgency, Tsiolkas' uncompromising and darkly humorous examination of the soulless void that life can become, detached from reality by technology, is an extremely powerful and timely novel, reminding us once again of his talent and originality as a writer.

Beyond Fear Mary Carroll Nelson 1997 Fear is the source of all of the negative agreements we've made with life. It can alienate us from the joy that is our birthright. When we are able to look at our lives without fear or judgments, we realize that reality can be whatever we want it to be. *Beyond Fear* leads seekers of the Toltec way of freedom and joy on their spiritual journey into a state of empowerment. More expansive and in-depth than *The Four Agreements*, *Beyond Fear* contains information on life after

death, prophecies about the evolution of humanity, and exercises and ceremonies to walk readers through the process of shedding fear and becoming spiritually and emotionally alive.

Aboriginal Spirit Oracle Mel Brown 2017-03 Featuring 36 cards beautifully illustrated to represent the mental, emotional and spiritual aspects of our soul and desires, the Aboriginal Spirit Oracle Cards is a powerful tool to navigate your consciousness towards empowerment and self-healing. Touching on deeply spiritual qualities of the native aboriginal tribes, The Aboriginal Spirit Oracle is a practical tool to facilitate spiritual awareness to guide you through life and clarify questions and issues that arise, allowing peace to encompass your heart again.

Heartbeat of the People Tara Browner 2022-08-15 The intertribal pow-wow is the most widespread venue for traditional Indian music and dance in North America. Heartbeat of the People is an insider's journey into the dances and music, the traditions and regalia, and the functions and significance of these vital cultural events. Tara Browner focuses on the Northern pow-wow of the northern Great Plains and Great Lakes to investigate the underlying tribal and regional frameworks that reinforce personal tribal affiliations. Interviews with dancers and her own participation in pow-wow events and community provide fascinating on-the-ground accounts and provide detail to a rare ethnomusicological analysis of Northern music and dance.

La spirale initiatique Maud Séjournant 2018-06-20

The Internet for Dummies John R. Levine 1993 Get in and get right out with just the information you need -- without reading tons of extra material! Book jacket.

Carlos Castaneda, Oportunismo Académico Y Los Psiquedélicos Años Sesenta Jay Courtney Fikes 2009-02-06 Millones de hispanohablantes consideran verídicos los libros de Carlos Castaneda, probablemente porque la mayoría de ellos no han leído esta traducción al español del libro del profesor Jay Fikes, Carlos Castaneda, oportunismo académico y los psiquedélicos años sesenta. El Dr. Fikes publicó este libro en Canadá en 1993, después de llevar a cabo años de investigación en México y en los Estados Unidos. Ahora dos españoles, Juan Samper y Lourdes Escario, han traducido el libro de Fikes sin retribución económica, convencidos de que será de provecho para todos. La afirmación central de Carlos Castaneda, haber aprendido brujería de un anciano indio yaqui llamado don Juan Matus, se contradice con las pruebas del profesor Jay Fikes. Su investigación revela que los escritos de Castaneda están basados en caricaturas de un huichol llamado Ramón Medina Silva y de otros indios mexicanos que conoció Castaneda. El libro de Fikes expone los elementos más sensacionalistas de la pseudoetnografía encantadora de Castaneda a la vez que examina quién y qué le ayudó a convertirse en un héroe antropológico y en uno de los padrinos del movimiento New Age. El libro de Fikes inspira respeto por los rituales huicholes de los primeros frutos y por las peregrinaciones del peyote, resume las ceremonias de la Native American Church y repasa los momentos culminantes de los años sesenta, la época turbulenta en la que Castaneda se convirtió en un autor de éxito. Fikes muestra cómo y por qué Aldous Huxley, el Dr. Timothy Leary, Gordon Wasson y varios antropólogos de Los Angeles contribuyeron a crear una audiencia ansiosa por creer que los cuentos chinos de Castaneda eran ciertos. Fikes explica cómo y por qué Castaneda y sus aliados antropólogos de la Universidad de California en Los Angeles hicieron de los huicholes un imán para buscadores de chamanes análogos al maestro de ficción de Castaneda, don Juan, poniendo así en peligro las ancestrales peregrinaciones del peyote de los huicholes. Algunos creyentes en las historias sensacionalistas de Castaneda contribuyeron al trágico fallo del Tribunal Supremo de los Estados Unidos de 1990, que denegaba la libertad religiosa a unos 300.000 miembros de la Native American Church que veneran el peyote. La extensa investigación de Fikes y su experiencia de primera

mano con peyote entre los huicholes y en las ceremonias de la Native American Church le cualifican de modo excepcional para desacreditar las absurdas alegaciones de Castaneda sobre chamanes y peyote, entre ellas su afirmación de que el espíritu del peyote ("Mescalito") decretó su aprendizaje con don Juan Matus. El autor del prefacio, Dr. Phil Weigand, es Profesor Investigador del Centro de Estudios Arqueológicos en el Colegio de Michoacán. Ha publicado numerosos libros y artículos académicos sobre los huicholes, cuya historia y cultura empezó a estudiar en 1965 en San Sebastián con su esposa, Acelia Garcia. Los traductores de este libro, Lourdes (Clara) Escario y Juan Samper, son españoles. Lourdes Escario es licenciada en Filología Inglesa y profesora de inglés en un instituto de enseñanza secundaria en Palencia. Juan Samper es veterinario y licenciado en Filosofía. Tanto Juan Samper como Jay Fikes han llevado a cabo peregrinaciones bajo la tutela del mismo chamán huichol Jesús González. Carlos Castaneda's books are accepted as truthful by millions of Spanish speakers, probably because most of them have not read this Spanish translation of Professor Fikes' book, Carlos Castaneda, Academic Opportunism and the Psychedelic Sixties. Dr. Fikes published this book in 1993 in Canada, after completing years of research in Mexico and the United States. Now two Spaniards, Juan Samper and Lourdes Escario, have translated Fikes' book without payment, convinced that it is valuable for everybody. Carlos Castaneda's central claim, to have learned sorcery from an elderly Yaqui Indian named don Juan Matus, is contradicted by Professor Jay Fikes' evidence. Fikes'

The Mexican Dream J. M. G. Le Clézio 1993-12 Reflects upon what Aztec civilization might have become had it survived

Lone Wolf Kathryn Lasky 2011 Abandoned by his pack, a baby wolf with a mysterious mark on his deformed paw survives and embarks on a journey that will change the world of the wolves of the Beyond.

Children of the Goddess Marine Carrin 2018-04-10 The women featured in this book Children of the Goddess: Devotion and Female Priesthood in Bengal live on the frontier between the tribal and the low-caste society in Bengal, and turn to religion in order to forge a new identity. Often rejected by their own community, and having lived through long and difficult personal crises some of them turn to religion to accultured identity. Some may succeed in becoming female priests, presiding over a Goddess shrine, having given up their femininity by ceasing to menstruate. As Parvati, the central personality of the book, puts it: 'Now I no longer need a child. I am the child of the Goddess', even as she innovates on the boundaries of Hinduism. The book provides a window to a little-known world where social marginality, subaltern assertion, the politics of gender, and the contestation between tribal religion and Hinduism merge to produce a unique perspective on popular Hinduism.

The Secret History of the World Jonathan Black 2013-05-30 THE INTERNATIONAL BESTSELLER The complete history of the world, from the beginning of time to the present day, based on the beliefs and writings of the secret societies. Jonathan Black examines the end of the world and the coming of the Antichrist. Or is the Antichrist already here? How will he make himself known and what will become of the world when he does? Will it be the end of Time? Having studied theology and learnt from initiates of all the great secret societies of the world, Jonathan Black has learned that it is possible to reach an altered state of consciousness in which we can see things about the way the world works that hidden from our everyday commonsensical consciousness. This history shows that by using secret techniques, people such as Leonardo da Vinci, Isaac Newton and George Washington have worked themselves into this altered state - and have been able to access supernatural levels of intelligence. This book will leave you questioning every aspect of your life and spotting hidden messages in the very fabric of society and in life itself. It will open your mind to a new way of living and leave you questioning everything you have been taught - and everything you've taught your children.

The Man with the Inexplicable Life Osho 2012-09-30 The story of Mojud which Osho introduces here is one of the greatest stories. It has that special flavor that only a Sufi story can have. It is incomparable. It is not just a story; Sufi stories are not just stories. They are not to entertain, but they are teaching devices. This story describes the path or the journey of spiritual discovery, personal transformation and growth. Osho says: "So listen to this story as attentively as possible. Let this story sink into your being. This story can open a door, this story can become such a radical change in your life that you may never be the same again. But the story has to be understood very minutely, very carefully, very lovingly, because it is a strange tale."

A Kiss in the Dark Cat Clarke 2014-03-27 Real, compulsive and intense: Cat Clarke is the queen of emotional suspense. For fans of Paula Hawkins, Gillian Flynn, Megan Abbott and Jandy Nelson. Can love survive the ultimate betrayal? A compelling story of love and identity from a bestselling author. When Alex meets Kate the attraction is instant. Alex is funny, good-looking, and a little shy - everything that Kate wants in a boyfriend. Alex can't help falling for Kate, who is pretty, charming and maybe just a little naive... But one of them is hiding an unbelievable secret, and as their love blossoms, it threatens to ruin not just their relationship, but their lives...

Consolation Anna Gavalda 2011 An international bestseller and French publishing sensation *Consolation* is a dazzling, heartbreaking tale of one man, two remarkable women and an unforgettable transvestite. Charles Balanda is forty-seven; a successful architect, he is constantly on the move. But from the moment he hears about the death of the woman he once loved - Anouk, the tragically big-hearted mother of a childhood friend - his life begins to unravel until, one day, he finds himself on a Paris pavement covered in blood. But fate brings him one final chance to be happy in Kate, an enchanting young woman, herself damaged but fearless and in love with life. The resulting story is a triumphant, spellbinding and ultimately consoling novel about the power of a second chance.

Another Night, Another Day Sarah Rayner 2014-12-23 Three people, each crying out for help. There's Karen, about to lose her father; Abby, whose son has autism and needs constant care, and Michael, a family man on the verge of bankruptcy. As each sinks under the strain, they're brought together at Moreland's Clinic. Here, behind closed doors, they reveal their deepest secrets, confront and console one another, and share plenty of laughs. But how will they cope when a new crisis strikes? From the international bestselling author, Sarah Rayner, *Another Night, Another Day* is the emotional story of a group of strangers who come together to heal, creating lifelong friendships along the way.
