Royal Bastards Series Collection Andrew Shvarts 2021-05-04 Join an epic, action-packed magical adventure, full of conspiracies and danger, in the Royal Bastards fantasy series. *Royal Bastards: Being a bastard blows.* Tilla would know. Her father, Lord Kent of the Western Province, loved her as a child, but cast her aside as soon as he had trueborn children. At sixteen, Tilla spends her days exploring long-forgotten tunnels beneath the castle with her stablehand half-brother, Jax, and her nights drinking with the servants, passing out on Jax's floor while her castle bedroom collects dust. Tilla longs to sit by her father's side, enjoying feasts with the rest of the family. Instead, she sits with the other bastards, like Miles of House Hampstedt, an awkward scholar who's been in love with Tilla since they were children. The bastards band together, realizing they alone have the power to prevent a civil war that will tear their kingdom apart—if they can warn the king in time.... *City of Bastards:* Tilla is safe from her murderous father in the dazzling capital of Lightspire, where she lives a life of luxury under the protection of the Volaris King, alongside her boyfriend, Zell, and best friend, Princess Lyriana. So why isn't she happy? Maybe it's the whispers and stares that follow her wherever she goes, as the daughter of the traitor waging war against Lightspire. Or maybe it's the memories of her beloved brother, Jax, who lies cold in his grave even as she tries to settle into a life in the city's prestigious University. Then Tilla stumbles upon the body of a classmate—a friend. The authorities are quick to rule it a suicide and sweep it under the rug, but when Tilla is attacked by a mysterious man with terrifying powers, she's convinced of a conspiracy. Her friends beg her to stay silent; what she's suggesting is impossible...and treasonous. The deeper she digs, the more questions she uncovers.... *War of the Bastards:* A year has passed since the fall of Lightspire. The Inquisitor Miles Hampstedt rules Noveris with a blood-soaked iron fist. Tilla and her friends have become hardened rebels in the Unbroken, a band of guerilla fighters hiding out on the fringes of the Kingdom protecting the true queen, Lyriana Volaris. Even as they fight, they know their cause is doomed—that with every passing day Miles's army of Bloodmages spreads across the continent. But at least they have each other...and some halfway-decent drinks. With Miles's forces closing in, a ragtag team sets out on an eleventh-hour mission: form an alliance with Syan's people that could turn the tide of the war. But what they discover in the Red Wastes changes everything, including their very understanding of the magic that runs through Noveris. In the heart-pounding conclusion to the Royal Bastards trilogy, Tilla faces an impossible choice: unthinkable destruction in the name of peace...or an uncertain future that means confronting a terrible past.

I want the soundtrack, the program, the T-shirt, and front row tickets."—Kelly Link, author of *Get in Trouble* "Libba Bray not only breaks the mold of the ubiquitous dying-teenager genre—she smashes it and grinds the tiny pieces into the sidewalk. For the record, I'd go anywhere she wanted to take me."—The New York Times "A sublimely surreal saga."—People "Offer this to fans of Douglas Adams's *Hitchhiker's Guide to the Galaxy* seeking more inspired lunacy."—PW, Starred
