Love in the Big City Sang Young Park 2021-11-16 A funny, transporting, surprising, and poignant novel that was one of the highest-selling debuts of recent years in Korea, Love in the Big City tells the story of a young gay man searching for happiness in the lonely city of Seoul Love in the Big City is the English-language debut of Sang Young Park, one of Korea's most exciting young writers. A runaway bestseller, the novel hit the top five lists of all the major bookstores, went into twenty-six printings, and was praised for its unique literary voice and perspective. It is now poised to capture a worldwide readership. Young is a cynical yet fun-loving Korean student who pinballs from home to class to the beds of recent Tinder matches. He and Jaehee, his female best friend and roommate, frequent nearby bars where they push away their anxieties about their love lives, families, and money with rounds of soju and ice-cold Marlboro Reds that they keep in their freezer. Yet over time, even Jaehee leaves Young to settle down, leaving him

alone to care for his ailing mother and to find companionship in his relationships with a series of men, including one whose handsomeness is matched by his coldness, and another who might end up being the great love of his life. A brilliantly written novel that takes us into the glittering nighttime of Seoul and the bleary-eyed morning after with both humor and emotion, *Love in the Big City* is a wry portrait of millennial loneliness as well as the abundant joys of queer life.

Black Earth Jens Mühling 2019-10-19 "Will someone pay for the spilled blood? No. Nobody." When Mikhail Bulgakov composed this dark and prophetic phrase in Kiev amid the turmoil of the Russian civil war, the political troubles of his native Ukraine were well underway, but far from over. In *Black Earth: A Journey through the Ukraine*, journalist and celebrated travel writer Jens Mühling takes readers across the country during its most recent political crises: the ousting of former president Viktor Yanukovich and the Russian annexation of Crimea. In the midst of this turmoil, Mühling delves deep into daily life in Ukraine, narrating his encounters with Ukrainian nationalists and old communists, Crimean Tatars and Cossacks,

smugglers and soldiers, all of whose views could hardly be more different. Black Earth connects all these stories to convey an unconventional and unfiltered view of Ukraine, a country at the crossroads of Europe and Asia and the center of countless conflicts of opinion—and of arms.

The Most Important Thing Antonella Abbatiello 2022-03-15 The animals of the forest have assembled to discuss what is the most important thing: to have a trunk like an elephant, quills like a porcupine, or a long neck like a giraffe? Naturally, every animal is convinced that its particular trait is the most important one and that everyone should have it. But when the double pages open to show all the animals with the quills of a porcupine, the long neck of a giraffe, or the trunk or the elephant, everyone must agree that the true importance lies precisely in their collective 'diversity'. It is that which makes them all unique and essential to life of the forest. *The Most Important Thing* received a UNESCO honorable mention for peace and collaboration. An important message of diversity and inclusion delivered in the form of a charming modern fable.

Providence Max Barry 2020-03-31 'Compelling and innovative... Barry takes a story that has been done countless times before and makes it seem original' - Daily Mail She is the ultimate weapon. She once served us. Now she's got her own plans. Once we approached the aliens in peace... and they annihilated us. Now mankind has developed the ultimate killing machine, the Providence class of spaceship. With the ships' frightening speed, frightening intelligence and frightening weaponry, it's now the salamanders' turn to be annihilated... in their millions. The mismatched quartet of Talia, Gilly, Jolene and Anders are the crew on one of these destroyers. But with the ship's computers designed to outperform human decision-making in practically all areas, they are virtual bystanders. The Providence will take them to where the enemy are and she will dictate the strategy in any battle. The crew's only job role is to publicise their glorious war to a sceptical Earth. Social media and video clips are THEIR weapons in an endless charm offensive. THEIR chief enemy is not the space reptiles but each other, and boredom. But then everything changes. A message comes from base: the Providence is going into the Violet Zone, where there are no beacons and no communications with Earth. It is the heart of the enemy empire - and now the crew are left to wonder whether this is a mission of ultimate destruction or, more sinisterly, of ultimate self-destruction... PROVIDENCE is a dazzling, inventive, and thought-provoking new novel from the author of *Lexicon*.

Der, Die, Das Constantin Vayenas 2017-11-16 The challenge that English-language speakers face if they want to speak German well, is to accurately map German nouns to one of three grammatical genders: masculine, feminine or neuter. Native German speakers acquire their knowledge of the grammatical gender of German nouns from early on. They are not given formal instruction at school about matching nouns to their correct gender, and the topic is not covered in standard German grammar books. For the same reason, native speakers who give German language lessons to foreigners do not teach their students how to match nouns to their gender: One cannot teach what one has not been taught. This book fills that gap in that it explains, in plain English, the principles that map German nouns to a specific gender. This allows foreign students of German to unlock the gender of entire categories of nouns, thereby enabling students to speak German more confidently.

No God in Sight Altaf Tyrewala 2011-03-18 Fast – paced and innovative, *No God in Sight* captures the seething multiplicity of Bombay through the first – person accounts of an abortionist, a convert, a pregnant refugee, a gangster in hiding, a butcher, and an apathetic CEO, among others. As the reader is hurtled from monologue to short story to anecdote, disparate lives collide in tantalizing ways. A family flees religious persecution in their village to take refuge in an urban slum; women walk the tightrope of free will and dormant violence; a father and son grant each other the relief of estrangement; and young men and women struggle to comprehend the consequences of sexual attraction. Insightful, ironic, and scathingly honest, *No God in Sight* is a brilliant debut by a talented young writer.

Exit Into History Eva Hoffman 2010 'A book that takes you on an intimate journey through Eastern Europe at a time when the dust was still settling from the collapse of the Berlin Wall. Eva Hoffman travels from the Baltic to the Black Sea, building a compelling portrait of a region uncertain about its future.' Independent Shortly after the epochal events of 1989 Eva Hoffman spent several months in her native Poland and four other countries: the then-Czechoslovakia, Hungary, Romania and Bulgaria. She visited capital cities, wayside villages and provincial towns; stopped at shipyards, museums, and the coffee-houses of the intelligentsia; and talked to a great variety of people about the tumult they had lived

through. Exit into History was the result: a portrait of the mosaic of the new Eastern Europe, a reconstruction of the turbulent post-war decades, and a meditation on the uses and misuses of historical memory.
