The Witch of Edmonton Thomas Dekker 2021-11-22 At the center of this remarkable 1621 play is the story of Elizabeth Sawyer, the titular "Witch of Edmonton," a woman who had in fact been executed for the crime of witchcraft mere months before the play's first performance. Described by the authors as a tragi-comedy and drawn in part from a pamphlet account of the trial then circulating, the play not only offers a riveting account of the contemporary superstitions embodied by the figure of the witch, but also delivers an implicit critique of the society that has created her. This edition of the work offers a compelling and informative introduction, thorough annotation, and a selection of contextual materials that helps set the play in the context of the "witch-craze" of Jacobean England.

Images of Plague and Pestilence Christine M. Boeckl 2000-11-24 Since the late fourteenth century, European artists created an extensive body of images, in paintings, prints, drawings, sculptures, and other media, about the horrors of disease and death, as well as hope and salvation. This interdisciplinary study on disease in metaphysical context is the first general overview of plague art written from an art-historical standpoint. The book selects masterpieces

created by Raphael, Titian, Tintoretto, Rubens, Van Dyck, and Poussin, and includes minor works dating from the fourteenth to twentieth centuries. It highlights the most important innovative artistic works that originated during the Renaissance and the Catholic Reformation. This study of the changing iconographic patterns and their iconological interpretations opens a window to the past.

A Communication to My Friends Richard Wagner 2008-10 Wilhelm Richard Wagner (1813-1883) was a German composer, conductor, music theorist, and essayist, primarily known for his operas (later called music dramas). Wagner's musical style is often considered the epitome of classical music's Romantic period, due to its unprecedented exploration of emotional expression. He transformed musical thought through his idea of Gesamtkunstwerk (total artwork), the synthesis of all the poetic, visual, musical and dramatic arts, epitomized by his monumental four-opera cycle *The Ring of the Niebelung* (1876). Wagner even went so far as to build his own opera-house to try to stage these works as he had imagined them. His literary friendship with Franz Liszt led to a long-lived correspondence later compiled in the two volumes of *Correspondence of Wagner and Liszt* (1889); a book that was attributed to both musicians. Among his other famous works are *Tristan and Isolde*, which broke important new musical ground, *My Life* (in two volumes) (1880), and *The Flying Dutchman*.

The Political Theatre Erwin Piscator 1980 'The Political Theatre' is among the most important documents of the modern stage. It tells of the foundation and flowering in Weimar Germany of a new form of theatre - epic theatre - designed to bring on to the stage the real political issues of the time, and to do so with all the aids that modern technology could supply.

Contemporary Issues in Cultural Heritage Tourism Jamie Kaminski 2013-12-13 The perceived quality of a destination's cultural offering has long been a significant factor in determining tourist choices of destination. More recently, the need to present touristic offerings that include cultural experiences and heritage has become widely recognised, that this aspect of the tourism experience is an important differentiator of destinations, as well as being amongst the most manageable. This has also led to an increase in the management of such experiences through special exhibitions, events and festivals, as well as through ensuring more routine and controlled access to heritage sites. Reflecting the increasing application of cultural heritage as a driver for tourism and development, this book provides for the first time a cohesive volume on the subject that is theoretically rich, practically applied and empirically grounded. Written by expert scholars and practitioners in the field, the book covers a broad range of theoretical perspectives of cultural heritage tourism; regeneration, policy, stakeholders, marketing, socio-economic development, impacts, sustainability, volunteering and ICT. It takes a broad view, integrating international examples of sites, monuments as well as intangible cultural heritage, motor vehicle heritage events and modern art museums. This significant book furthers knowledge of the theory and application of tourism within the context of cultural heritage and will be of interest to students, researchers and practitioners in a range of disciplines.

Digital Skills and Life-long Learning: Digital Learning as a New Insight of Enhanced Learning by the Innovative Approach Joining Technology and Cognition Dina Di Giacomo 2019-03-01 Recently, technology and aging have been key research areas in human cognition. The Research Topic "Digital Skills and Life-long Learning: Digital Learning as a New Insight of Enhanced Learning by the Innovative Approach Joining Technology and Cognition" investigated technology's impact on cognitive and intellectual processes, highlighting how intensively technology can change and/or enhance the cognitive functioning throughout one's lifespan. The aim of this Research Topic was to provide an outlook through multidisciplinary research and development while addressing the dynamic intersection of cognition, mind, and technology. Our scope was 1) to favor the cognitive technology debate, 2) to overcome the dichotomies of technology and psychology, 3) to emphasize the advances in knowledge and well-being. This Research Topic comprises review studies and original articles, focused on digital skills that enhance human potential. Transversal approaches and cross-sectorial analysis were encouraged, leading to investigation areas related to cognitive and mental processing—in educational, rehabilitation, clinical settings—across aging. Articles of high relevance to the Research Topic were submitted on the subjects of a) research in human performance and human factors, b) new research and technologies addressing the needs of a growing populace, and c) cognitive aging and cognitive rehabilitation research.

Jolly Roger Volume 1: No Man's Land Gabriele Dolzadelli 2017-05-31 1670. Among fights for the New World colonization and the commercial supremacy, a young Irishman named Sidvester O'Neill sets off for the Caribbean Sea heading to the isle of Puerto Dorado. He aims to find his brother Alexander, who left years before, and take him back home. But his journey will have unexpected implications. A secret hides in the darkness of the island's jungle, and the main European powers (France, England and Holland) yearn for it. Intrigues, deceits and plots pack Puerto Dorado's days, in a fight between the smartest captains in the island. As these events occur, the alert eye of a pirate ship anchored on the horizon is keeping an eye on them, in front of everyone's and no man's tiny land.

Through a Glass Darkly J. Sheridan Le Fanu 2016-09-03 This collection of stories, first published in 1872, includes Green Tea, The Familiar, Mr. Justice Harbottle, The Room in the Dragon Volant, and Carmilla. The five stories are purported to be cases by Dr. Hesselius, a 'metaphysical' doctor, who is willing to consider the ghosts both as real and as hallucinatory obsessions. The reader's doubtful anxiety mimics that of the protagonist, and each story thus creates that atmosphere of mystery which is the supernatural experience. This new edition includes alternate versions of some stories and a brief biography of the author.

The Portrait Ilaria Bernardini 2021-01-05 "Electric. A wildly astute plunge into the depths of love, rivalry, betrayal and the power of women."—Bill Clegg An internationally renowned writer, Valeria Costas has dedicated her life to her work and to her secret lover, Martìn Acla, a prominent businessman. When his sudden stroke makes headlines, her world implodes; the idea of losing him is terrifying. Desperate to find a way to be present during her lover's final days, Valeria commissions his artist wife, Isla, to paint her portrait—insinuating herself into Martìn's family home and life. In the grand, chaotic London mansion where the man they share—husband, father, lover—lies in a coma, Valeria and Isla remain poised on the brink, transfixed by one another. Day after day, the two women talk to each other during the sittings, revealing truths, fragilities and strengths. But does Isla know of the writer's long involvement with Martìn? Does Valeria grasp the secrets that Isla harbors? Amidst their own private turmoil, the stories of their lives are exchanged, and as the portrait takes shape, we watch these complex and extraordinary women struggle while the love of their lives departs, in an unforgettable, breathless tale of deception and mystery that captivates until the very end.

Agriculture, Conservation and Land Use William Howarth 1992 Information on some 800 products--pesticides, herbicides, insecticides, fungicides, plant growth regulators, animal repellents, nematicides, soil penetrants, seed treatments, composting aids, micronutrients, and speciality fertilizers. All of the products listed are currently available. No bibliography. Compiled by the Centre for Law in Rural Areas, based in Aberystwyth, Wales, nine essays explore legal and political issues involved in promoting conservation in the countryside in a manner consistent with modern farming techniques. The impetus is concern over rural mid- Wales, but the perspective of the essays is British and European. Among the topics are agricultural diversification, pollution, the organization of conservation authorities, common land, and sites needing

special protection. Annotation copyrighted by Book News, Inc., Portland, OR

The Italian Renaissance Interior, 1400-1600 Peter Thornton 1991

The Art of the Publisher Roberto Calasso 2015-11-03 An interior look at Roberto Calasso's work as a publisher and his reflections on the art of book publishing. In this fascinating memoir, the author and publisher Roberto Calasso meditates on the art of book publishing. Recalling the beginnings of Adelphi in the 1960s, he touches on the Italian house's defining qualities, including the considerations involved in designing the successful Biblioteca series and the strategy for publishing a wide range of authors of high literary quality, as well as the historic critical edition of the works of Nietzsche. With his signature erudition and polemical flair, Calasso transcends Adelphi to look at the publishing industry as a whole, from the essential importance of graphics, jackets, and cover flaps to the consequences of universal digitization. And he outlines what he describes as the "most hazardous and ambitious" profile of what a publishing house can be: a book comprising many books, a form in which "all the books published by a certain publisher could be seen as links in a single chain"—a conception akin to that of other twentieth-century publishers, from Giulio Einaudi to Roger Straus, of whom the book offers brief portraits. An essential book for writers, readers, and editors, *The Art of the Publisher* is a tribute to the elusive yet profoundly relevant art of making books.

Le chiavi dello scrigno. Jolly Roger Gabriele Dolzadelli 2015 1670. Il nobile francese Jean Louis Lafayette, esiliato sull'isola di Puerto Dorado, nel Mar dei Caraibi, viene a conoscenza dell'ubicazione di uno scrigno capace di cambiare le sorti del mondo intero. In una sola notte gli equilibri politici, costruiti nel corso di nove anni sulla piccola isola, crollano miseramente dando inizio a una serie di eventi che metteranno a ferro e fuoco la colonia contesa. Così, mentre il giovane Sid continua la ricerca del fratello Alexander e il terribile Ludwig Van Hossel si prepara a catturare il comandante dei ribelli soprannominato "El Diabolo", inizierà una vera e propria guerra per il possesso delle quattro chiavi che aprono il misterioso scrigno. Niente sarà più come prima e i protagonisti conosciuti nel primo volume "La terra di nessuno" daranno prova di ciò di cui sono capaci per realizzare i propri desideri e ambizioni.
