I Will Take You to Broceliande Elizabeth Muhlhaus 2019-03-27 It is a mystery story and a detective story about mankind's primordial quest for peace on earth, which first requires that we understand how peace gets destroyed. And like the thrillers on TV that reveal clues slowly, you will see a crescendo of mysteries that I knew were clues, if I could just figure them out! Those tough experiences were simply what I had to go through to develop the sensitivity to subliminal signals in nature that I never would have been able to pick up if my life had only been happy and easy. Yet the story is peppered with exhilarating moments of transcendence, love, and naivete. Wonderful experiences dotted this life like pecans in cinnamon rolls.

Shakespeare and the 'Live' Theatre Broadcast Experience 2018-07-26 This ground breaking collection of essays is the first to examine the phenomenon of how, in the twenty-first century, Shakespeare has been experienced as a 'live' or 'as-live' theatre broadcast by audiences around the world. Shakespeare and the 'Live' Theatre Broadcast Experience explores the precursors of this phenomenon and its role in Shakespeare's continuing globalization. It considers some of the most important companies that have produced such broadcasts since 2009, including NT Live, Globe on Screen, RSC Live from Stratford-upon-Avon, Stratford Festival HD, Kenneth Branagh Theatre Company Live, and Cheek by Jowl, and examines

the impact these broadcasts have had on branding, ideology, style and access to Shakespeare for international audiences. Contributors from around the world reflect on how broadcasts impact on actors' performances, changing viewing practices, local and international Shakespearean fan cultures and the use of social media by audience members for whom "liveness" is increasingly tied up in the experience economy. The book tackles vexing questions regarding the 'presentness' and 'liveness' of performance in the 21st century, the reception of Shakespeare in a globally-connected environment, the challenges of sustaining an audience for stage Shakespeare, and the ideological implications of consuming theatre on screen. It will be crucial reading for scholars of the 'live' theatre broadcast, and enormously helpful for scholars of Shakespeare on screen and in performance more broadly.

Satie on the Seine Gerald Vizenor 2020-09-04 In this powerful epistolary novel, acclaimed Anishinaabe author Gerald Vizenor interweaves history, cultural stories, and irony to reveal a shadow play of truth and politics. Basile Hudon Beaulieu lives in a houseboat on the River Seine in Paris between 1932 and 1945. He observes the liberals, fascist, artists, and bohemians, and presents puppet shows with his brother. His thoughts and experiences are documented in the form of fifty letters to the heirs of the fur trade. Vizenor is a unique voice of Native American presence in the world of literature, and in his inimitable creative style he delivers a moving, challenging, and darkly humorous commentary on modernity.

Narrative Structure and Philosophical Debates in Tristram Shandy and Jacques le fataliste. Margaux Whiskin 2014-01-02 Contrary to what might be expected from a philosophical novel, Sterne and Diderot do not impose their own views upon the reader. The author's voice is but one amongst many others. Margaux Whiskin's argument hinges on Bakhtinian dialogism, which can be defined as the presence of interacting voices and views. In *Tristram Shandy* and *Jacques le fataliste*, dialogism occurs through the narrative structure allowing for the confrontation of the contradictory discourses in the philosophical debates, and enabling them to engage in dialogue, instead of establishing the authorial voice as the sole valid discourse in the text. Through those contradictions, the philosophical content takes on a different form, that of a refusal of systematic discourse. Sterne and Diderot do not offer a solution to the various questions debated in their novels. However, they do offer a philosophical approach whereby the confrontation of contradictory ideas creates a dynamic for the pursuit of truth. By engaging in dialogue and constantly opening questions where there is no single right answer, Sterne and Diderot redirect the focus of the reader and invite him to perceive truth not as a destination to be reached, or as a closed conclusion, but as being present in the quest itself, in the ongoing dialogues and debates.

The Thousand and One Nights and Twentieth-Century Fiction Richard van Leeuwen 2018-07-17 In *The Thousand and One Nights and Twentieth-Century Fiction*, Richard van Leeuwen challenges conventional perceptions of the development of 20th-century prose by arguing that *Thousand and One Nights*, as an intertextual model, has been a crucial influence on authors who have contributed to shaping the main literary currents in 20th-century world literature, inspiring new forms and concepts of literature and texts.

Absolutely Postcolonial Peter Hallward 2001 This innovative book provides an incisive critique of well-established positions in postcolonial theory and a dramatic expansion in the range of interpretative tools available. Peter Hallward gives substantial readings of four significant writers whose work invites, to varying degrees, a singular interpretation of postcolonialism: Edouard Glissant, Charles Johnson, Mohammed Dib, and Severo Sarduy. Using a singular interpretation of postcolonialism is central to the argument this book makes, and to understanding the postcolonial paradigm.

The Inn and the Traveller Will McMorran 2017-12-02 "In the landscape of the early modern European comic novel the inn often features as a monument to digression - the perfect setting for chance encounters with strangers who always have a story to tell. This wide-ranging comparative study explores the special part played by the inn, tracing the progress of a succession of wayward heroes and narrators in five canonical texts: Cervantes's *"Don Quijote"*, Scarron's *"Roman comique"*, Fielding's *"Joseph Andrews"* and *"Tom Jones"*, Sterne's *"Tristram Shandy"* and Diderot's *"Jacques le fataliste"*. As this celebration of digressive fiction unfolds, a very different picture emerges of the novel's rise and development."

Acadian Redemption Warren A. Perrin 2005 Acadian Redemption, the first biography of an Acadian exile, defines the 18th century society of Acadia into which Joseph dit Beausoleil Broussard was born in 1702. The book explains his early life events and militant struggles with the British who had, for years, wanted to lay claim to the Acadians' rich lands. Subsequent chapters discuss the epic odyssey during which Beausoleil led a group of one hundred ninety-three Acadians from Nova Scotia to Louisiana, the New Acadia, with the hope that his beloved Acadian culture would survive. In closing, the book discusses the repercussions of Beausoleil's life that resulted in the evolution of the Acadian culture into what is now called the "Cajun" culture and how it led to a fourteenth generation Beausoleil descendant, Warren A. Perrin, to bring a Petition seeking an apology from the British Crown in 1990. This Petition was successfully resolved on December 9, 2003, by the signing of the Queen's Royal Proclamation.

Odious Caribbean Women and the Palpable Aesthetics of Transgression Gladys M. Francis 2017-06-15 This book centers on visual and literary productions of Francophone Caribbean women. It investigates their aesthetics of violence, pain, the abhorrent, and the "uglification" of the feminine to unravel what makes them transgressive and uncommodifiable. It probes the ways in which these works destroy the regimentation of the "ideal" body.
