Growing With Kara Powell 2019-03-05 Many parents of a teenager or young adult feel as though they're guessing about what to do next--with mixed results. We want to stay connected with our maturing child, but we're not sure how. And deep down, we fear our child doesn't want or need us. Based on brand-new research and interviews with remarkable families, Growing With equips parents to take steps toward their teenagers and young adults in a mutual journey of intentional growth that trusts God to transform them all. By highlighting three groundbreaking family strategies, authors Kara Powell and Steven Argue show parents that it's never too early or too late to - accept the child you have, not the child you wish you had - work toward solutions rather than only identifying problems - develop empathy that nudges rather than judges - fight for your child, not against them - connect your children with a faith and church big enough to handle their doubts and struggles - dive into tough discussions about dating, career, and finances - and unleash your child's passions and talents to change our world For any parent who longs for their kids to keep their roots even as they spread their wings, Growing With offers practical help and hope for the days--and years--ahead.

Guiding Families of Lgbt+ Loved Ones Bill Henson 2018-02-15 When LGBT+ loved ones come out, parents can experience shock. Fear and grief can disable their initial reaction. Emotions erupt. Hurtful words spill. Trust is damaged. Relationships become disconnected. Meanwhile, in the church, LGBT+ people often hear impossible hurdles and suspicion about their faith. One courageous disclosure can be met with a response that communicates, "I don't understand you" or "You are not welcome here." Guiding Families offers a relationally honoring, biblically sound path forward. It is being called "the single best resource" for parents and pastors when LGBT+ people come out. Author Bill Henson's heart for Guiding Families flows from over a decade of experience training church leaders and caring for LGBT+ people and their families. He is creator of Posture Shift, the leading training and consulting resource on LGBT+ inclusion and relational care in the conservative church.

Ministry to the Cities Ellen Gould White 2012 Jesus' admonition to "go and make disciples of all nations" (Matthew 28:19, NIV) resonates in the hearts of those who love Him supremely. Every individual must be given the opportunity to choose between life and death. This volume is a call to action--a plea for believers to work for their Savior by bringing the gospel to the millions of people in the city, strategies, methods, selecting and training workers, and lessons from Scripture. Yes, the work will require much effort, especially in our day and age. But Ellen G. White doesn't mince words: "Do not hover over the churches to repeat over and over again the same truths to the people, while the cities are left in ignorance and sin, unwarned and unlabored for" (The Upward Look, p. 274). Book jacket.

... *As I Follow Christ* Dwain Esmond 2013 Whether you are leading a ministry, an organization, or a family, God has given you a special mission. To fulfill that God-given purpose, secular leadership principles won't be enough: you need to know the biblical principles of leadership. In *As I Follow Christ*, some of the most notable leaders in the Seventh-day Adventist Church share what they've learned about effective leadership. Drawing from the Bible, the writings of Ellen G. White, proven practices, and personal experience, each writer reveals a unique perspective on what it looks like to be a leader who follows God.

The Acts of the Apostles Ellen G. White 2014-05-26 The fifth book of the New Testament has been known from ancient times as *The Acts of the Apostles*; but this title cannot be found in the book itself. One of the earliest manuscripts, the Codex Sinaiticus, gives as the title the simple word *Acts*, with no mention of the apostles. There is a reason for this. *Acts* was intended to be more than a brief history of the service rendered by the twelve disciples, much more than the principal events in the lifework of its four leading characters, Peter, James, John, and Paul. *The Acts of the Apostles* was one of the last books written by Ellen G. White. It was published a few years before her death. It is one of the most illuminating volumes that came from her prolific pen. The average reader will find in it light for Christian witnessing. The message of the book is up to date, and its relevancy is reflected in the effort of the author to show that the twentieth century will witness a bestowal of spiritual power exceeding that of Pentecost. The work of the gospel is not to close with a lesser display of the Holy Spirit's power than marked its beginning.

campaign. In particular, it looks at the legality and legitimacy of the offensive and explores the key interfaces between the military leaders, the politicians and allies. It also looks at the major controversies in the aims and objectives of the campaign and the personalities involved. Modern literature from the leadership field is used to consider the challenges facing those charged with the formulation and execution of the offensive. Aspects of the senior leadership disputes are also dealt with in the context of the leadership literature and in the wider context of the strategic challenges then facing Churchill, Sinclair and Portal. A multi-disciplinary bent to the book enables the reader to move beyond the narrow confines of military considerations to the thorough investigation of the legality, legitimacy and morality of the offensive.

Equipping for Service is a gift... a source of wisdom for younger leaders, a sourcebook for more seasoned leaders. From the Preface by Doug Birdsall, The Lausanne Movement

Youth Ministry in Papua New Guinea Danijela Schubert 2013-07-12 Papua New Guinea is experiencing changes that grow in significance and accelerate in pace. Although the majority of its population are still subsistence farmers, the postmodern world is fast making an impact. That means that, at the same time, they are strongly influenced by firmly ingrained tradition where animism is binding and a pervasive element as well as Western media with its consumerism and worldview. The most impacted are youth who are caught between the traditional and postmodern culture. In a country that is Christian by constitution, pastors are looked upon with high esteem. They need to find a way to bridge the gap, to make sense of the world youth are living in, and find a meaningful way forward. Although this book is aimed at pastors and youth workers in PNG, other sectors can benefit from the research--politicians, educators, health workers, clergy--especially if they are coming from a different culture, be that from PNG or another country.
