**The Penguin Book of Italian Short Stories** Jhumpa Lahiri 2019-03-07 'Rich. . . eclectic. . . a feast' Telegraph This landmark collection brings together forty writers that reflect over a hundred years of Italy's vibrant and diverse short story tradition, from the birth of the modern nation to the end of the twentieth century. Poets, journalists, visual artists, musicians, editors, critics, teachers, scientists, politicians, translators: the writers that inhabit these pages represent a dynamic cross section of Italian society, their powerful voices resonating through regional landscapes, private passions and dramatic political events. This wide-ranging selection curated by Jhumpa Lahiri includes well known authors such as Italo Calvino, Elsa Morante and Luigi

Pirandello alongside many captivating new discoveries. More than a third of the stories featured in this volume have been translated into English for the first time, several of them by Lahiri herself.

**In Other Words** Jhumpa Lahiri 2016-02-09 National Best Seller From the best-selling author and Pulitzer Prize winner, a powerful nonfiction debut—an “honest, engaging, and very moving account of a writer searching for herself in words.” —Kirkus Reviews (starred) *In Other Words* is a revelation. It is at heart a love story—of a long and sometimes difficult courtship, and a passion that verges on obsession: that of a writer for another language. For Jhumpa Lahiri, that love was for Italian, which first captivated and capsized her during a trip to Florence after college. Although Lahiri studied Italian for many years afterward, true mastery always eluded her. Seeking full immersion, she decides to move to Rome with her family, for “a trial by fire, a sort of baptism” into a new language and world. There, she begins to read, and to write—initially in her journal—solely in Italian. *In Other Words*, an autobiographical work written in Italian, investigates the process of learning to express oneself in another language, and describes the journey of a writer seeking a new voice. Presented in a dual-language format, this is a wholly original book about exile, linguistic and otherwise, written with an intensity and clarity not seen since Vladimir Nabokov: a startling act of self-reflection and a provocative exploration of belonging and reinvention.

**La Passione** Dianne Hales 2019-04-16 What makes Italian passion so undeniably unique? Dianne Hales unspools the answer to this question with gusto in *La Passione- How Italy Seduced the World*, her ambitious follow-up to *La Bella Lingua- My Love Affair with Italian, the World's Most Enchanting Language*. Whether they built aqueducts, chiseled arches, conducted choirs, directed movies, raced cars, or designed fashion and furniture, Italians have done so with a full-hearted zest that transforms everything they touched. What didn't exist, they invented- the first universities, public libraries, and law and medical schools; the first modern histories, satires, and sonnets; the battery, barometer, radio, and thermometer-even the gift of music. Dante and Petrarch, titans of the Italian language, translated their fervid love for idealized muses into literary landmarks. Michelangelo carved a Bacchus so sinuously delectable that a Florentine sniped, "Buonarotti could not have sinned more with a chisel." Puccini swept listeners, in a biographer's words, "into that place where erotic passion, sensuality, tenderness, pathos, and despair meet and fuse." *La Passione* traces this earthly, earthy drive back to its roots, follows its course through the centuries, and chronicles its impact on the realms of literature, art, music, cuisine, and style, as its people came to embrace, fully and deeply, a passion for life itself. Combining her adroit journalist's eye with extensive research, Hales delves into passions of the heart, senses, and soul across the ages in this perfect read for the casual Italophile, inquisitive tourist, or history buff in your life.
