Thorough Bush ... Thorough Fire Ruby A Thorne 2014-11-14 This romance, about two sisters who both love the same man, opens in Salisbury, Southern Rhodesia, in September 1965. The story weaves between a small Salisbury shop, an old Rhodesian gold mine, and the precarious career of a teenage fashion model in London. After Rhodesia's Unilateral Declaration of Independence in November 1965, many of the characters who appeared in *Squares in a Grooved Circle* are drawn together again but, as the country braces itself to counteract the threat of retaliation from Britain, they are only concerned with U.D.I. inasmuch as it affects their own lives, loves and ambitions. However, when one of their group goes missing in Southern Rhodesia, they all become involved in the ensuing search.

The Hunter's Wife Katherine Scholes 2009-02-02 Mara, a young Australian, marries a big-game hunter who lives on the spectacular grasslands of East Africa. Three years later, their safari lodge is in trouble - and so, too, is their marriage. When a Hollywood movie crew descends to film on location, Mara knows this could be the lodge's salvation. She thrives on her sudden responsibility and independence, but she also finds herself dangerously attracted to the film's leading man. From an internationally bestselling author comes this poignant love story set against the breathtaking backdrop of Tanzania. *The Hunter's Wife* is a powerful and moving story of a young woman's heartfelt struggle to reconcile duty and desire. 'Captures the very essence of East Africa... one of Australia's most respected women's fiction authors.' COURIER-MAIL 'Beautifully written and a crowd-pleaser.' HERALD SUN 'A moving tale of love, duty and desire.' WEEKEND GOLD COAST BULLETIN This book has just about everything . . . A deeply moving love story . . . In a word, unputdownable. WEEKLY TIMES

The Gallery of Vanished Husbands Natasha Solomons 2013-08-27 A moving story of family and a life-long love affair in 1950s London, from the New York Times bestselling author of *The House at Tyneford*. London, 1958. It's the eve of the sexual revolution, but in Juliet Montague's conservative Jewish community where only men can divorce women, she finds herself a living widow, invisible. Ever since her husband disappeared seven years ago, Juliet has been a hardworking single mother of two and unnaturally practical. But on her thirtieth birthday, that's all about to change. A wealthy young artist asks to paint her portrait, and Juliet, moved by the powerful desire to be seen, enters into the burgeoning art world of 1960s London, which will bring her fame, fortune, and a life-long love affair.

THE PERILS OF SANITY PAUL SAYER 2021-09-09 *THE PERILS OF SANITY* tells the story of Olivia Rowntree, 73, who is approaching the tenth anniversary of her husband Leonard's death. Her GP, an old friend of Leonard's, has referred her for counselling for which she sees no need. But privately Olivia knows that all of her lifelong certainties about love, family and God, seem to be losing their meaning. And when she reaches a critical moment in her faith in herself and humanity, salvation turns up in the unlikely form of a homeless young man. In this powerful novel, award-winning author Paul Sayer offers a rare insight into the heart and mind of a woman nearing the end of her life, calling into question every contemporary presumption about human ageing and the dying of the light.

CALLSIGN WHISKEY LA CLARKE 2014-02-25 Helmand, Afghanistan, a Contact Report crackles through on the radio to a backdrop of gunfire. Casualties. A Taliban suicide bomber ripping through an Allied Patrol Base. The wounded are listed to the Operations Cell in Lashkar Gah, business as usual until Callsign Whiskey is relayed. Twice. Female casualties raises heads, at a ratio of 15:1, women are a minority, not just in Lash but the entire Armed Forces. Two female injured, life threatening at that, is a bitter blow. Following three commissioned Officers entering the grueling world of ammo, weapons and field-craft, Army Officer training makes no compromises male or female. All thrashed at Sandhurst, the famous Royal Military Academy that trains monarchs and civilians alike. Training Exercises will see feet bleed, hallucinations from sleep deprivation and carving out camaraderie. Finally the successful move onto the Regiments that will hone skills and Operational Theatres that could kill them...

Bosslady SaVette Brown 2011-03-10 Sydney Donovan was dubbed BOSSLADY on the streets of Raleigh, NC. She was a tall beautiful sophisticated young black woman with a lot of ambition. Introduced to the game at eighteen years old, Sydney met a woman named Karen who put her on to a whole new world and taught her everything she needed to know about the streets. She, along with her all female crew could not be touched. Not even by David Bell, Karens jealous and insecure husband. David wanted nothing more than to take Sydney and her crew out of the game. He never liked Sydney, or her relationship with his wife but couldnt change it. Sydney always thought David was a weak man and she definitely wasnt afraid of him. He tried everything possible, including trying to turn one of her girls against her, to destroy the crew. But Sydney always stayed two steps ahead of him.

Bears Don't Care about Your Problems Brendan Leonard 2019 If you've ever considered the absurdity of sleeping on the ground in a place where bears live, pooping in a bag on a glacier, or trying to teach someone you love a sport that scares them to the point of loudly threatening to kill you in front of strangers, *Bears Don't Care About Your Problems* will make you laugh. Author and creator of *Semi-Rad*, Brendan Leonard is part Dave Barry, part Gary Larson, and 100 percent twisted in his own fresh way. The *Semi-Rad* perspective has become the funny, introspective voice of outdoor Everyman and Everywoman adventurers.

Design for Transport Mike Tovey 2016-04-15 The central premise of Design for Transport is that the designer's role is to approach design for transport from the point of view of the user. People have a collection of wants and needs and a significant proportion of them are to do with their requirements for mobility. The authors show how creative designers can take a user-focused approach for a wide range of types of transport products and systems. In so doing their starting point is one of creative dissatisfaction with what is currently available, and their specialist capability is in imagining and developing new solutions which respond to that opportunity. How this is tackled varies depending on the context, and the variety of solutions produced reflects the different aspirations and needs of the people they are designing for. The chapters cover user needs and transport, design and the transport system, transport design case studies, and the case for the automobile. A conclusion briefly signals what the future for transport design might be. Lavishly illustrated throughout in four-colour, Design for Transport, is an imaginative and rigorous guide to how designers can take a user-centred and socially responsible approach to tackling a range of types of transport, from systems to products and from bicycles to automobiles, demonstrating a rich array of solutions through case studies.

Two Shores of the Ocean Denis Montgomery 2008-10-05 Two Shores of the Ocean describes journeys on the Malabar and Coromandel Coasts of India, East Africa from Lamu to Zanzibar, Sofala and Mozambique and South Africa to the southern tip. These journeys had a purpose, to learn history on the ground and the book was an intellectual gateway to further study of the evolution of mankind.

The Marriage Plot Jeffrey Eugenides 2011-10-11 A New York Times Notable Book of 2011 A Publisher's Weekly Top 10 Book of 2011 A Kirkus Reviews Top 25 Best Fiction of 2011 Title One of Library Journal's Best Books of 2011 A Salon Best Fiction of 2011 title One of The Telegraph's Best Fiction Books of the Year 2011 It's the early 1980s—the country is in a deep recession, and life after college is harder than ever. In the cafés on College Hill, the wisened-up kids are inhaling Derrida and listening to Talking Heads. But Madeleine Hanna, dutiful English major, is writing her senior thesis on Jane Austen and George Eliot, purveyors of the marriage plot that lies at the heart of the greatest English novels. As Madeleine tries to understand why "it became laughable to read writers like Cheever and Updike, who wrote about the suburbia Madeleine and most of her friends had grown up in, in favor of reading the Marquis de Sade, who wrote about deflowering virgins in eighteenth-century France," real life, in the form of two very different guys, intervenes. Leonard Bankhead—charismatic loner, college Darwinist, and lost Portland boy—suddenly turns up in a semiotics seminar, and soon Madeleine finds herself in a highly charged erotic and intellectual relationship with him. At the same time, her old "friend" Mitchell Grammaticus—who's been reading Christian mysticism and generally acting strange—resurfaces, obsessed with the idea that Madeleine is destined to be his mate. Over the next year, as the members of the triangle in this amazing, spellbinding novel graduate from college and enter the real world, events force them to reevaluate everything they learned in school. Leonard and Madeleine move to a biology Laboratory on Cape Cod, but can't escape the secret responsible for Leonard's seemingly inexhaustible energy and plunging moods. And Mitchell, traveling around the world to get Madeleine out of his mind, finds himself face-to-face with ultimate questions about the meaning of life, the existence of God, and the true nature of love. Are the great love stories of the nineteenth century dead? Or can there be a new story, written for today and alive to the realities of feminism, sexual freedom, prenups, and divorce? With devastating wit and an abiding understanding of and affection for his characters, Jeffrey Eugenides revives the motivating energies of the Novel, while creating a story so contemporary and

The Bitch Jackie Collins 2012-04-17 "Collins' novels are an over-the top, steamy delight. Clearly she had as much fun writing them as we do reading them." - The Guardian Fontaine Khaled, former jet-setting supermodel with an insatiable sexual appetite, returns in the much-anticipated follow-up to the international bestseller, *The Stud*. Divorced from her financier husband following a string of salacious scandals in London surrounding her nightclub, *Hobo*, Fontaine's now single and ready for adventure, but young men and anonymous amore are all this ballsy British beauty bargains for. Then Greek playboy Nico Constantine enters the picture. . . This devastatingly handsome charmer is still reeling from the tragic loss that propelled him into a lifestyle of heavy spending, wanton womanizing, and a dangerous dalliance with gambling that has essentially cost him everything. While hatching a plan to pay back his debt, he encounters the incomparable Fontaine, and he can't deny his immediate and intense passion for her when he makes her steamy acquaintance on a flight from New York to London. While Nico needs to use Fontaine to stay alive on the streets, in her bed is where he truly comes alive. But can Fontaine, with her deep distrust for men in general, see beyond his scheming and into his heart? The bitch is back, baby. . . But she's met her match in Nico. As this wild tour de force rollercoasters from Greece to Los Angeles, from Las Vegas to New York to London, will love prevail? Or will temptation get the best of them? hr Already read *The Bitch*? An Affair with Africa Donald Barton 2004 This animated and entertaining account of the varied and often colourful aspects of district administration in rural Tanganyika (Tanzania) during the last years of Britain's trusteeship will dispel many misconceptions about colonial life. The reader is presented with a kaleidoscope of events and images, and will be drawn into the author's enthusiasms and concerns, all against a background of rapid political change. There are descriptions of foot safaris, poaching, murder, anti-famine measures, smuggling, witchcraft, a school riot, a locust invasion, and the threat of civil unrest; also of domestic matters, friendships made, and the sadness of leaving. Although the style is understated, the reader will be aware of the writer's affection for Africa and for the people amongst whom he lived and worked. This book will appeal to the serious and casual student of African affairs and history, and to anyone who takes pleasure in reading of unfamiliar events in distant places.

flirt. When her body is found dumped in a ditch on a lonely West Country road, Jamie Mullin is the prime suspect. He was her latest boyfriend and they'd had a very public row just before she disappeared. Jamie protests his innocence but soon spirals into a breakdown fuelled by frustration, self-pity and drink, and it is left to his friend, Matt Shepherd, to fight his corner. Can he find the truth behind what appears to be a motiveless murder? As Matt begins to uncover some dark secrets - secrets that someone will kill to protect - he soon learns that loyalty at all costs carries a lethal price.

The Bath Detective Christopher Lee 2013-12-19 It's easy to underestimate the eccentric, quietly spoken Inspector James Boswell Hodge Leonard, with his bicycle and his tweeds, and his superiors who make the mistake of doing so soon discover he's not too keen on toeing the Establishment line. When the grisly corpse of a traveller is found outside a Roman bath, Leonard's orders are to clear up the mess with no fuss, but he begins to kick over Bath's social dustbins and out tumbles decades of secrets and suspects, not smelling too sweetly... The rich and sadistic Montague James, controller of people's lives; Hilary, the former adult film star; Norma, the painter of controversial nudes; they all know more than they are revealing. Leonard's problem is to find the one person who knows the truth - before the rest do, and before the powers that be put the lids back on those dustbins...

journey into the knowledge and ceremonies of Old Africa, in which humans and lions are able to cross the species barrier—in accordance with the most guarded secrets of Ancient Egypt and humankind's greatest riddle, the sphinx. Scientists in our day have established that humankind's most significant evolutionary leap occurred as a result of our ancestors' interaction with great cats. The White Lion is a genetic rarity of *Panthera leo*, and occurred in just one region on earth: Timbavati. Today White Lions form the center of the notorious "canned" trophy hunting industry—hand-reared captive lions, shot in enclosures for gross sums of money. By contrast, shamans believe that killing a "lion sun god" is the ultimate sacrilege. How the human species treats such precious symbols of God in nature may determine how nature treats the human species. Whether we view them as prophetic "Lions of God" or simply as rare genetic mutations, the story of the White Lions is a true legend unfolding in our own extraordinary times.

666 Michael Whateley 2016-05-24 Puffs of smoke erupted around him as one of the cars opened fire. He changed direction and headed to the right. There was a narrow alleyway. He ran into it looking for somewhere to hide. There was nowhere. Just flat brick. There was a screeching behind him. He risked a glance back. A red Corvette had skidded into the alley. Wicked, spinning blades on its wheels sparking and screeching as they scraped against the wall. (Excerpt from CARNage.) The devil and his minions are about, and wreaking havoc in these short stories of demonic intent. No one is safe. In the dark. When you are sleepy. You see him in the corner of your eye. You feel his breath. The hairs on the back of your neck rise. You tell yourself it is just your imagination. But how sure are you?

The Cyprus Emergency Nicholas van der Bijl 2014-05-19 The British faced two serious problems the first, the Greek Cypriots desire for Enosis and second, the intense rivalry and antipathy between the Greek and Turkish communities. In 1955 the former resulted in a bitter EOKA terrorist campaign led by Colonel George Grivas. This resulted in the deaths of over 100 British servicemen. Nicosias Murder Mile was the scene of many shootings. The Governor Field Marshal Harding narrowly escaped assassination in his residence. The next phase was the Turkish Governments military intervention in 1974 to prevent what they saw as the Greek takeover. In a bloody invasion which saw widespread ethnic cleansing and displacement of communities, the Island was divided into two sectors policed by the United Nations. This exists today, as do the British Sovereign Base areas at Dhekalia and Atrokiri/Episkopi. This book describes the most troubled years of this beautiful island which is so well known to British servicemen, their families and vacationers.

Remembering the Regiment : the Experiences of a Kenya-born English Lad in the Continued Fight Against the Terrorism of the Mau-Mau Rebellion Leonard J. Gill 2004 Kenya settlers, of European extraction, performed enthusiastically in a variety of roles in the Emergency Forces: Serving in Kenya Regiment companies; serving as patrol commanders attached to the Kings African Rifles with African troops, and with British regiments as guides, tracker handlers and advisers; as District Officers with the Kikuyu Guard as leaders and instructors in military skills; as pseudo Mau-Mau terrorists; as policemen; as pilots with the Kenya Police Air Wing; as criminal investigation and intelligence officers. They participated with good humor and enthusiasm at all levels and gave their expertise freely. Many were extraordinarily effective and many served in isolation from their superior officers, who relied on their initiative. Generally, the Kenya Regiment personnel received the cooperation of the local African populace, who accepted them as disciplined, reliable troops, keen to rid the country of the scourge of terrorism. There was a mutual respect between the Africans and the settler soldiers and their cooperation in anti-terrorist operations strengthened the bonds of comradeship and widened understanding between the races. After eighteen months military service as a patrol commander in the field I had gained special skills. The Mau-Mau terrorists had suffered heavy losses from desertions as

well as casualties. The dwindling numbers of hard-core terrorists remaining in the forests had to be hunted down and this necessitated increased hunting skills. I had learned tracking skill from Ngalu, but there were areas where my knowledge was weak. I was pleased when I was sent to the Tracker School at Nanuki. The instructors had been picked from Kenya Regiment personnel whose civilian jobs were with the Game Department and the National Parks. I felt sure, under their instruction my skills would be augmented.

The Big Bounce Elmore Leonard 2009-10-13 “The greatest crime writer of our time, perhaps ever!” —New York Times Book Review When the all-time greats of mystery/noir/crime fiction are mentioned (John D. MacDonald, Dashiell Hammett, James M. Cain, Robert Parker, etc.), Elmore Leonard’s name invariably tops the list. A true Leonard classic, *The Big Bounce* showcases all of the Grand Master’s acclaimed skills—twisty plotting, unforgettable characters, dialogue so razor sharp it could draw blood—as he chronicles the misadventures of a larcenous young man in a Michigan resort town who’s irresistibly drawn to a dangerous femme fatale, a rich man’s plaything, and the nasty little caper they plan to pull off together—if they can somehow manage to survive each other. The acclaimed creator of Raylan (aka U.S. Marshal Raylan Givens, lately of TV’s smash hit *Justified*), Leonard has never lost the mojo that makes him “the King Daddy of crime writers” (Seattle Times).
