**PandoraHearts** Jun Mochizuki 2014-04-15 Once, following the tragedy of Sablier, Jack Vessalius made a valiant sacrifice to stop his best friend, Glen Baskerville, by allowing his body to anchor a set of seals by which Glen's soul was confined. But now these seals, long guarded by mages under the watchful gaze of Pandora, are being smashed one by one at the hands of the Crimson Shinigami, whose aim is to return their master to his once-whole state. And so, the fragile peace achieved over the last century begins to writhe, like a horror released from Pandora's forbidden box...

*Exploring Education Through Phenomenology* Gloria Dall'Alba 2010-01-15 This book explores the resurgence of interest in phenomenology as a philosophy and research movement among scholars in education, the humanities and social sciences. Brings together a series of essays by an international team of philosophers and educationalists. Juxtaposes diverse approaches to phenomenological inquiry and addresses questions of significance for education today. Demonstrates why phenomenology is a contemporary movement that is both dynamic and varied. Highlights ways in which phenomenology can inform a broad range of aspects of educational theorising and practice, including learning through the body, writing online, being an authentic teacher, ambiguities in becoming professionals, and school transition.

*Kamigakushi* Saverio Tenuta 2015-12-09 Since the dawn of time, the Izuna wolves have been entrusted as guardians against Japan's evil spirits. Set in the wondrous world of "Legend of the Scarlet Blades."

**Sound Solutions Offshore** 1998-01-01 Aimed at offshore personnel such as managers, engineers and safety representatives who work in the oil and gas industry. It provides guidance on how noise problems can be solved in a variety of ways and gives real-life examples of how companies have reduced noise levels at work in a range of offshore situations. Contents: Checklist for managers; Sound pressure levels; Case studies; Classification of case studies; General work area; Specific work area.

*Legend of the Scarlet Blades* Saverio Tenuta 2016-10-04 Raido, a young amnesic Ronin—a masterless Samurai—roams about in a quest for his memories. His first stop is the city that talks to the sky, the ultimate stronghold against the ice invading the land of the rising sun. There, he meets Meiki, a graceful puppeteer and storyteller of charms. "Legend of the Scarlet Blades," as painted by the tormented and airy style of Saverio Tenuta, is a series whose universe is inspired by feudal Japanese history and traditions, full of breathtaking settings and populated by a myriad of wondrous mythical beings.

Rowan Black is awakening to the almost unimaginable power that is her inheritance—Na power she neither wants nor is able to refuse. But all power comes at a price, and those who seek to destroy her may not be as dangerous as those who wish to control her. Yet when one's will can alter reality, the ultimate enemy may be the human heart. Collects BLACK MAGICK #1-11, plus additional content, artifacts, and backmatter designed by ERIC TRAUTMANN

*Namibia - Episode 1* Leo 2015-07-17 Namibia, 1949. Three years after the Nuremberg trials, a white man is photographed in the middle of a corn field: it's Reichsmarschall Hermann Göring, who's supposed to have committed suicide in his cell. Worried about the geopolitical implications of the discovery, MI5 sends Kathy Austin to Namibia. There, along with her new partner – a grumpy, misogynistic, racist old war horse, Kathy begins an investigation where the threat of Nazi resurgence soon makes way before more

frightening – and unexplainable – phenomena.

Strategy for the Detection and Study of Other Planetary Systems and Extrasolar Planetary Materials

National Research Council 1990-02-01 This volume addresses a new opportunity in the planetary sciences--to extend our exploration outward to discover and study planetary systems that may have formed or are forming around other stars. It concludes that a coordinated program of astronomical observation, laboratory research, theoretical development, and understanding of the dynamics and origins of whatever may be found would be a technologically feasible and potentially richly rewarding extension of the study of bodies within the solar system.

**Harun Farocki** Thomas Elsaesser 2004 Filmmaker, film essayist, installation artist, writer: the Berlin artist Harun Farocki has devoted his life to the power of images. Over the thirty-plus years of his career, Farocki has explored not the images of life but rather the life of images that surrounds us in newspapers, cinema, books, television, and advertising. Harun Farocki examines, from different critical perspectives, his vast oeuvre, which includes three feature films, critical media pieces, children's television features, "learning films" in the tradition of Brecht, and installation pieces. Interviews, a selection of Farocki's own writings, and an annotated filmography complete a valuable biography of this pioneering artist and his legendary career.

*A Fanatic Heart* Edna O'Brien 2020-03-31 In these selections from twenty years of her best short fiction, Edna O'Brien's *A Fanatic Heart* pulls the reader into a woman's experience. Her stories portray a young Irish girl's view of obsessive love and its often wrenching pain, while tales of contemporary life show women who open themselves to sexuality, to disappointment, to madness. Throughout, there is always O'Brien's voice—wondrous, despairing, moving—examining passionate subjects that lay bare the desire and needs that can be hidden in a woman's heart.

*Namibia - Episode 2* Leo 2016-03-25 London, 1949. One foggy night, Rosie Lane sees her son Brian on the banks of the Thames. Only he died four months earlier; and when she comes near him, he crumbles into dust. An incident strikingly similar to Kathy's own encounter with Göring in Namibia. Pushing on with her investigation, the young British agent will have to contend with bloodcurdling phenomena – monstrous insects, accelerated aging – as much as the hostility of local Nazi sympathisers.

*The Heart of the Storm* Manuel Bichebois 2015-06-17 Orphaned by lightning. Possessor of an unimaginable strength. Destined for legendary feats. He is the Child of the Storm. Fear the tempest.
