Lost Cities of the Maya Claude F. Baudez 1992 From the NEW HORIZONS series of pocket-sized information books, a look at the ancient Mayan cities, their civilisation and the lives of their inhabitants. With foldouts and double-page spreads.

*Cours D'analyse Grammaticale* Maurice Grevisse 1966

*The Shell House* Linda Newbery 2007-12-18 Greg's casual interest in the history of a ruined mansion becomes more personal as he slowly discovers the tragic events that overwhelmed its last inhabitants. Set against a background of the modern day and the First World War, Greg's contemporary beliefs become intertwined with those of Edmund, a foot soldier whose confusion about his sexuality and identity mirrors Greg's own feelings of insecurity. This is a complex and thought-provoking book,

written with elegance and subtlety. It will change the way you think.

*Fabulous Origami Boxes* Tomoko Fuse 1998 Fabulous Origami Boxes is a Japan Publications publication.

The Rejection of Consequentialism Samuel Scheffler 1994-08-11 In contemporary philosophy, substantive moral theories are typically classified as either consequentialist or deontological. Standard consequentialist theories insist, roughly, that agents must always act so as to produce the best available outcomes overall. Standard deontological theories, by contrast, maintain that there are some circumstances where one is permitted but not required to produce the best overall results, and still other circumstances in which one is positively forbidden to do so. Classical utilitarianism is the most familiar consequentialist view, but it is widely regarded as an inadequate account of morality. Although Professor Scheffler agrees with this assessment, he also believes that consequentialism seems initially plausible, and that there is a persistent air of paradox surrounding typical deontological views. In this book, therefore, he undertakes to reconsider the rejection of consequentialism. He argues that it is possible to provide a rationale for the view that agents need not always produce the best possible overall outcomes, and this motivates one departure from consequentialism; but he shows that it is surprisingly difficult to provide a satisfactory rationale for the view that there are times when agents must not produce the best possible overall outcomes. He goes on to argue for a hitherto neglected type of moral conception, according to which agents are always permitted, but not always required, to produce the best outcomes.

*The Romantic Agony* Mario Praz 1956

**The Darkness of Wallis Simpson (Storycuts)** Rose Tremain 2011-11-17 Repeatedly exhorted by a strange figure to remember unspecified facts about her life, Wallis struggles with a world of random, snapshot memories. Try as she might to remember her third husband, the dull little man with no name, it is deeper remembrances that engulf her on her death bed, blotting out the inconsequential details of her life. Part of the Storycuts series, this story was previously published in the collection *The Darkness of Wallis Simpson*.

**Apocalypse of Moses** Scriptural Research Institute 2019-10-10 The Apocalypse of Moses was a popular early Christian-era work, that is believed to have originally been a Jewish text, and was then adopted by the earliest Christians. Based on the references to a god above law (Yahweh in Hebrew), the primary god from the Jewish Tanakh and Christian Old Testament, it seems unlikely this text was originally written by a Pharisee, as they were enthusiastically promoting their monotheistic doctrine by the mid-2nd-century BC, while the Apocalypse of Moses is believed to date to 1st-century-AD. There is no way to internally date the text, however, based on the number of derivative texts in Latin, Armenian, Bulgarian, Georgian, Syrian, and Arabic, it is accepted as dating to the 1st-century AD at the latest, however, it could be a few centuries older.

The Unmediated Vision Geoffrey H. Hartman 2015-07-18 Excerpt from *The Unmediated Vision: An Interpretation of Wordsworth, Hopkins, Rilke, and Valery* What is his approach? Whenever a critic of literature is discussed, this question tends to preface all the rest. More than any other it rings in the students ears the first weeks at graduate school. I could not understand it then, and still cannot. Approach? Either one has the truth about a poem or one does not. Approach? Just as a thousand misunderstandings will not alter in the least the possibility of a correct understanding, so a thousand varied approaches cannot negate uniqueness of meaning. Then I began to eat of the tree of knowledge, so that my eyes were multiplied, and where I had seen but a single text I now perceived the formidable legion of variant, if not discordant, interpretations. The philologist and the philosopher, the sociologist, the humanist, the various historians - of ideas, of literature, of politics, and of economics - the psychoanalyst and the empirical psychologist, the theologian and the lay Jewish and Christian critics, the more orthodox and the less orthodox - all had their approach, believed themselves in possession of the truth, demanded a hearing, quarreled suavely or with verbal spittle, and insisted that even when the text did not quite fit, their analysis clarified a truth dimly perceived in the original. Still more evidence came from the history of interpretation itself: inexplicable changes of taste, wilful decontextualizations, sublime absurdities, and finally that cheerful bird of prey the skeptic, with corpses enough, yet attacking both the living and the dead. Having tasted these multiple modes of interpretation, I fell in love with the art of interpreting and could not return to my original state. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works."

**The Book of Ser Marco Polo, the Venetian, Concerning the Kingdoms and Marvels of the East**  
Marco Polo 1903

**The Death of a King** P. C. Doherty 1985-01 History records, after he was deposed and imprisoned, King Edward II was eventually murdered most foully in Berkeley Castle and buried most publicly in Gloucester cathedral. But was he? His heir, Edward III, charges Chancery Clerk Edmund Beche with uncovering the truth of the matter. Beche's investigation is torturous, blocked by hidden records, outright lies, unexpected confessions, double crosses, and a high body count. Lightning Print On Demand Title

*Yann Tiersen - Kerber* Yann Tiersen 2021-07-01 (Piano Solo Songbook). "I think there is a similarity between the infinite big and the infinite smallness of everything," says Yann Tiersen. "It's the same experiment looking through a microscope as it is a telescope." Named after a chapel in a small village on the island of Ushant, Kerber marks a new chapter in critically-acclaimed composer Yann Tiersen's career. A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date. Beautifully textured, highly immersive and thoughtfully constructed, Tiersen creates an electronic world, providing an environment in which the piano source exists. A sense of place has often been a central theme in Tiersen's work and here that is no different. Each track is tied to a place mapping out the immediate landscape that surrounds Tiersen's home, linking back to his thoughts on the possibilities of the infinite smallness. This official, exclusive folio is beautifully printed on high-quality, uncoated paper with striking graphic artwork. All seven pieces are presented for solo piano and follow an exclusive introduction to the project.

*Sandkings* George R. R. Martin 1986 Stories tell of future heresy, a planet of windwolves and vampires, angels, an ancient city, a decaying alien culture, and warring pets

*Guide Du Tournage* Provence-Alpes-Côte d'Azur. Régie culturelle régionale 2003

*Livres de France* 2007-05

*Elmer and Aunt Zelda* David McKee 2017-03-01 Elmer and Wilbur visit their Aunt Zelda. She may be getting old and deaf, but she is fun and has lots of interesting things to show the two young elephants. A warm and funny Elmer adventure extolling the virtues of cross-generational relationships.

*Hellenistic Karia* Carbon Jan-Mathieu van Bremen Riet 2019-01-22 The conference on which the present volume is based took place in Oxford in the summer of 2006. It brought together linguists, archaeologists, epigraphists, numismatists and historians and allowed them to exchange ideas about a period of major transition in Karian history: the fourth century and the two centuries after Alexander. This was first a period of great starapal visibility and presence, but then alsol of intense civic engagement and increased political awareness among Karian communities. The symbiotic relationship

between the islands of the Dodekanese, in particular Rhodes and Kos, and the coastal regions of Karia forms another major theme. Finally, a number of papers pick up on a major recent trend in the study of Anatolian culture, namely the investigation of cross-cultural Greek-Anatolian interactions in the Late Bronze and Early Iron Ages and their echoes in later periods.

**My Struggle for Freedom** Hans Küng 2005-01-01 Hans Küng is undoubtedly one of the most important theologians of our time, but he has always been a controversial figure, and as the result of a much-publicized clash over papal infallibility had his permission to teach revoked by the Vatican. Yet at seventy-five he is also something like a senior statesman, one of the 'Group of Eminent Persons' convened by the UN Secretary-General Kofi Annan, and a friend of heads of government like Tony Blair and President Mubarak of Egypt. In this fascinating autobiography he gives a frank and outspoken account of the first four decades of his life. He tells of his youth in Switzerland and his decision to become a priest; his doubts and struggles as he studied in Rome and Paris, and his experiences as a professor in Tübingen, where he received a chair at the amazingly early age of thirty-one. Most importantly, as one of the last surviving eye-witnesses he gives an authentic account of the struggles behind the scenes at the Second Vatican Council, in which he took part as a theological expert. Here it becomes clear just how major an influence he was, to the point of shaping the Council's agenda and drafting speeches for bishops to deliver in plenary sessions. With its rich thought and vivid narrative, Küng's book paints a moving picture of his personal convictions, and his struggle for a Christianity characterized not by the domination of an official church but by Jesus.

**Fatale** Jean-Patrick Manchette 2011-12-07 A New York Review Books Original Whether you call her a coldhearted grifter or the soul of modern capitalism, there's no question that Aimée is a killer and a more than professional one. Now she's set her eyes on a backwater burg—where, while posing as an innocent (albeit drop-dead gorgeous) newcomer to town, she means to sniff out old grudges and engineer new opportunities, deftly playing different people and different interests against each other the better, as always, to make a killing. But then something snaps: the master manipulator falls prey to a pure and wayward passion. Aimée has become the avenging angel of her own nihilism, exacting the destruction of a whole society of destroyers. An unholy original, Jean-Patrick Manchette transformed the modern detective novel into a weapon of gleeful satire and anarchic fun. In *Fatale* he mixes equal measures of farce, mayhem, and madness to prepare a rare literary cocktail that packs a devastating punch.

Cool Hotels Beach Resorts Martin Nicholas Kunz 2008 Hotels.

**Maisy's Snuggle Book** Lucy Cousins 2011-09-01 A soft, snuggly book, with cushiony padded pages in bold, bright colours featuring Maisy and her favourite friends. Suitable for a parent and baby to share at bedtime - or any time - it offers a special introduction to a whole world of pleasure through reading.

**Why Must a Black Writer Write about Sex?** Dany Laferrière 1994 Tells the story of a Haitian-born writer exploring the United States in order to gather his impressions for a magazine article
