Shakespeare editors have mixed Folio and Quarto texts, gradually corrupting the original Complete Works with errors and conflated textual variations. The second edition of the Complete Works features annotations and commentary from Jonathan Bate and Eric Rasmussen—two of today’s preeminent Shakespeare scholars—as well as cutting-edge textual design, on-page glossaries for contemporary readers, stage directions from RSC directors, a sixteen-page insert of photographs from RSC production shorts, a timeline of the plays and poems, and family trees for the Histories. Combining innovative scholarship with brilliant commentary and textual analysis that emphasizes performance history and values, this landmark edition is indispensable to students, theater professionals, and general readers alike.

Encyclopaedia Britannica; Or A Dictionary of Arts, Sciences, and Miscellaneous Literature 1823

**Messy** Tim Harford 2016-10-04 “Utterly fascinating. Tim Harford shows that if you want to be creative and resilient, you need a little more disorder in your world.” –Adam Grant, New York Times—bestselling author of *Originals* and *Give and Take* “Engrossing.” –New York Times From the award-winning columnist and author of the national bestseller *The Undercover Economist* comes a provocative big idea book about the genuine benefits of being messy: at home, at work, in

the classroom, and beyond. Look out for Tim's next book, *The Data Detective*. *Messy: The Power of Disorder to Transform Our Lives* celebrates the benefits that messiness has in our lives: why it's important, why we resist it, and why we should embrace it instead. Using research from neuroscience, psychology, social science, as well as captivating examples of real people doing extraordinary things, Tim Harford explains that the human qualities we value - creativity, responsiveness, resilience - are integral to the disorder, confusion, and disarray that produce them. From the music studio of Brian Eno to the Lincoln Memorial with Martin Luther King, Jr., from the board room to the classroom, messiness lies at the core of how we innovate, how we achieve, how we reach each other - in short, how we succeed. In *Messy*, you'll learn about the unexpected connections between creativity and mess; understand why unexpected changes of plans, unfamiliar people, and unforeseen events can help generate new ideas and opportunities as they make you anxious and angry; and come to appreciate that the human inclination for tidiness - in our personal and professional lives, online, even in children's play - can mask deep and debilitating fragility that keep us from innovation. Stimulating and readable as it points exciting ways forward, *Messy* is an insightful exploration of the real advantages of mess in our lives.

**The Dramatic Works of William Shakespeare: Cymbeline. Titus Andronicus. Pericles. King Lear** William Shakespeare 1826

*The Works of William Shakespeare* William Shakespeare 1895

**Faith Works** Jim Wallis 2000-09-05 Today more than ever, many people are hungry for spirituality and community. But the most powerful and meaningful spirituality shows itself through action. Jim Wallis is the charismatic preacher, activist, and leader of Call to Renewal, a dynamic new movement that is uniting politics and spirituality to ignite social change and overcome poverty. In his timely, exciting new book, he shows us how we can enrich our own lives by serving our communities. Wallis believes that the making of the modern Christian, Muslim, or Jew is through action. A preacher who spends his time working for justice rather than just speaking from a pulpit, Wallis compellingly demonstrates how going out and putting your belief to work is what really counts. Faith shows itself in works—faith works. Named by Time magazine as one of the "50 Faces for America's Future," a regular contributor to NPR, MSNBC, and major newspapers, and editor in chief of Sojourners magazine, Jim Wallis is a well-known media figure. His advice is increasingly sought by leading politicians who want to tap into the growing power of faith-based organizations and the Call to Renewal movement. A lifelong activist, he has been putting his faith to work for more than three decades. His anecdotal, exhilarating, and engaging book is part memoir, part inspirational game plan for transforming our own lives and our society, and part primer on how faith communities are changing neighborhoods. It is filled with dramatic human stories of men and women who will move and inspire us. Faith Works will appeal to religious people looking to bring more meaning to their faith and to spiritually hungry people looking for direction in their lives.

**Encyclopaedia Londinensis** John Wilkes 1829

*The Works of Shakespeare: The first part of King Henry the fourth, ed. by R.P.*

*Cowl and A.E. Morgan. 6th ed. 1960, Humphrey William Shakespeare 1919*

William Shakespeare: The Complete Works William Shakespeare 2005-04-21 The second Oxford edition of Shakespeare's Complete Works reconsiders every detail of their text and presentation in the light of modern scholarship. The nature and authority of the early documents are re-examined, and the canon and chronological order of composition freshly established. Spelling and punctuation are modernized, and there is a brief introduction to each work, as well as an illuminating and informative General Introduction. Included here for the first time is the play *The Reign of King Edward the Third* as well as the full text of *Sir Thomas More*. This new edition also features an essay on Shakespeare's language by David Crystal, and a bibliography of foundational works.

**Let the Trumpet Sound** Stephen B. Oates 2009-06-30 "The most comprehensive, the most thoroughly researched and documented, the most scholarly of the biographies of Martin Luther King, Jr." —Henry Steele Commanger, Philadelphia Inquirer Winner of the Robert F. Kennedy Memorial Book Award \* A New York Times Notable Book of the Year By the acclaimed biographer of Abraham Lincoln, Nat Turner, and John Brown, Stephen B. Oates's prizewinning *Let the Trumpet Sound* is the definitive one-volume life of Martin Luther King, Jr. This brilliant examination of the great civil rights icon and the movement he led provides a lasting portrait of a man whose dream shaped American history. "Drawing on

interviews with those who knew King, previously unutilized material at Presidential libraries, and the holdings of the Martin Luther King Jr. Center in Atlanta, Mr. Oates has written the most comprehensive account of King's life yet published. . . . He displays a remarkable understanding of King's individual role in the civil rights movement. . . . Oates's biography helps us appreciate how sorely King is missed." —Eric Foner, New York Times Book Review
