Literatur, Geschichte und Kunstgeschichte einschließlich der damit verbundenen Neben- und Randdisziplinen sind gleichermaßen vertreten.

Mohammed Cohen Claude Kayat 1989 Translated from the French by Patricia Wolf.

Sailing Against the Wind Jaan Kross 2012-01-30 Jaan Kross's historical novel *Sailing Against the Wind* fictionalizes the life of Bernhard Schmidt (1879–1935), an Estonian-born inventor. Schmidt lost an arm in his youth while experimenting with a homemade rocket, resulting in psychological trauma that would plague him for the rest of his life. Largely self-taught, Schmidt was driven to seek recognition of his talents. He moved to Germany in the 1930s, where, after perfecting techniques for polishing lenses, he began developing ideas for improving astronomical telescopes. He was arrested for selling one to the Russians, and although he got off with only a warning, he later suffered a breakdown and was sent to a mental hospital, where he soon died. *Sailing Against the Wind* becomes a meditation on national identity, the relationship between history and the individual life, and the mechanisms of the historical novel as a genre.

Selected Papers on Zone Plates Jorge Ojeda-Castañeda 1996 This volume covers topics including: phase-reversal zone plates and diffraction telescopes; Fresnel conic mirror; variations on the Fresnel zone plate; zone plates and their aberrations; zone plate interferometer; and Fourier-transform hologram by zone plate.

Even More Parts Tedd Arnold 2007-04-05 Chip Block, the hero of Parts, is back, and still worried about falling apart based on the things he hears. This time he's made a list of all the strange, crazy things he's heard people say: "I lost my head." "My nose is running." "I sang my heart out. . . ." It's scary stuff, but he has a plan for making sure he doesn't accidentally leave any of his parts behind. A hilarious sequel to the wildly popular Parts and More Parts.

Woman at War Dacia Maraini 2009-04 Woman at War is the diary of a woman's growing self-awareness - a milestone in Italian literature - in English translation.

Lancashire Lass Anna Jacobs 2001-02-01 'Another riveting book from Anna Jacobs' - 5-star reader review Seventeen-year-old Liza is happy working as a lady's maid - until her employers decide to emigrate and her father makes up his mind that she is to wed an older widower whom she detests. Determined to avoid a loveless marriage, Liza plans to run away. But when the widower rapes her to force her to marry him, she flees back to the family for whom she worked. She feels she has no choice but to go with them to Australia, and they all set out on the long voyage. On board ship, Liza discovers to her horror that she has fallen pregnant. Even if she can survive the journey, the demanding life of a settler in 1850s Western Australia will be made even harder by an illegitimate child. But Liza is to find that in addition to deprivation of the worst sort, Australia will offer her opportunities she could never have dreamt of back home in Lancashire.

***** What readers are saying about LANCASHIRE LASS 'As ever, great!' - 5 stars 'A lovely book' - 5 stars 'Great from start to finish' - 5 stars 'Brilliant again!' - 5 stars 'I just love these books - once you start you will find it hard to put down' - 5 stars

Saracen Tales Giuseppe Bonaviri 2007 Fiction. Short Stories. Translated from the Italian by Barbara De Marco. In SARACEN TALES, Italian-born Giuseppe Bonaviri brings a wild newness to the tale of the life of Jesus. In this succession of stories, Bonaviri explores all manners of the known and unknown, the archetypal, the mythological, the symbolic--the life of Jesus is both his material and his point of departure. Part surrealism, part folklore, readers will be amazed at the originality and creativity with which a long-familiar tale is presented. "Bonaviri is a myth-maker, looking simultaneously to the historical past and to the future, to arrive at the a-historical, at cosmic universality"--Franco Zangrilli. Giuseppe Bonaviri was born in 1924 in Sicily. He began writing when he was ten and continued through high school, college, and in his professional life as a doctor, health official, and cardiologist. His work has been widely translated.

Dictionary of Rubber K.F. Heinisch 1974-10-31

Rome in Late Antiquity Lancon Bertrand Lancon 2019-07-31 This is a history of life in ancient Rome from the third to the seventh centuries AD. At the beginning of the period Rome was the centre of civilisation, by far the greatest city in the world, whose vast revenues supplied its million people with lavish provisions of food and wine and at least one hundred days of spectacular entertainment each year. It was a city of pristine marble, brightly coloured stucco, with temple and government buildings roofed in dazzling gold and bronze. Its citizens had access to public baths, gardens, libraries, circuses, amphitheatres, and venues for sea-fight spectacles. Well-maintained roads and aqueducts stretched from it in all directions. When Pope Gregory died in Rome in 604 Rome had become a papal power, the centre of western Christianity, the Pantheon itself transformed into a church. The author examines the conversion first of the plebs and later of the nobility, the long struggle between ancient rituals of worship and Christianity, and charts the effects of the latter's triumph on the social and physical fabric of the city. Professor Lancon describes the building of the great city wall which in 410 failed to prevent the first of a series of violent Gothic and Vandal incursions, and the citizens' valiant and repeated efforts to restore their city's glory. He considers changes in sexuality, the position of women, education, the family and life cycle, in the measurement, of time, and in the calendar of games and festivals. He examines the continuing role and prestige of the Senate, and the early years and rise of the papacy. Bertrand Lancon brings three turbulent centuries of life in the world's greatest city vividly before the reader's eye: his account is as readable as it is scholarly. The book is introduced by Mark Humphries, who has also provided a guide to further reading for anglophone readers.

Towards a History of Phonetics Eugénie J. A. Henderson 1981-01-01

The Winter Ghosts Kate Mosse 2011-02-03 From the New York Times bestselling author of *Sepulchre* and *Labyrinth*-a compelling story of love, ghosts and remembrance. World War I robbed England and France of an entire generation of friends, lovers and futures. In Freddie Watson's case, the battlefields took his beloved brother and, at times, his peace of mind. In the winter of 1928, still seeking some kind of resolution, Freddie is travelling through the beautiful but forbidding French Pyrenees. During a snowstorm, his car spins off the mountain road. Freezing and dazed, he stumbles through the woods, emerging in a tiny village, where he finds an inn to wait out the blizzard. There he meets Fabrissa, a lovely young woman also mourning a lost generation. Over the course of one night, Fabrissa and Freddie share their stories. By the time dawn breaks, Freddie will have unearthed a tragic mystery that goes back through the centuries, and discovered his own role in the life of this old remote town. By turns thrilling, poignant, and haunting, this is a story of two lives touched by war and transformed by courage.

The Ladybird Illustrated D H Lawrence 2021-02-03 "The Ladybird is a long tale or novella by D. H. Lawrence. It was first drafted in 1915 as a short story entitled *The Thimble*. Lawrence rewrote and extended it under a new title in December 1921 and sent the final version to his English agent on 9 January 1922. It was collected with two other tales, *The Captain's Doll* and *The Fox*, and the three novellas were then published in London by Martin Secker in March 1923 under the title *The Ladybird* and in New York by Thomas Seltzer as

The Captain's Doll in April 1923."

A Linguistic History of Italian Martin Maiden 2014-06-11 A Linguistic History of Italian offers a clear and concise explanation of why modern Italian grammar has become the way it is. It focuses on the effects of historical changes on the modern structure of Italian, revealing patterns and structures which are not always apparent to those who are only familiar with modern Italian. Although the book concentrates on the internal history of the language, the emergence of Italian is considered against the wider background of the history of Italian dialects, and other external factors such as cultural and social influences are also examined.

Coppi's Angel Ugo Riccarelli 2007

Morphology and Evolution of Turtles Donald B. Brinkman 2012-08-16 This volume celebrates the contributions of Dr. Eugene Gaffney to the study of turtles, through a diverse and complementary collection of papers that showcases the latest research on one of the most intriguing groups of reptiles. A mix of focused and review papers deals with numerous aspects of the evolutionary history of turtles, including embryonic development, origins, early diversification, phylogenetic relationships, and biogeography. Moreover it includes reports on important but poorly understood fossil turtle assemblages, provides historical perspectives on turtle research, and documents disease and variation in turtles. With its broad scope, which includes descriptions of material and new taxa from Australia, Asia, and Europe, as well as North and South America, this work will be an essential resource for anyone interested in the morphology and evolution of turtles. "This volume's breadth of time, geography, and taxonomic coverage makes it a major contribution to the field and a 'must have' for all vertebrate paleontologists.", James F. Parham, California State University, CA, USA "A comprehensive and sweeping overview of turtle evolution by the top experts in the field that will interest everyone curious about these unique reptiles." Jason S. Anderson, University of Calgary, Canada "An invaluable addition to the literature that covers the full spectrum of approaches toward understanding the evolution of these noble creatures." Ann C. Burke, Wesleyan University, CT, USA "A truly comprehensive volume that both the student of fossil turtles, as well as the general reader interested in these enigmatic creatures, will find fascinating." Tyler Lyson, Yale University, CT, USA

Shifting Frontiers in Late Antiquity Ralph W. Mathisen 1996 This volume results from a conference held at the University of Kansas in 1995. The papers it encapsulates cover frontier studies from the third to the seventh century. It takes in the Roman world from Spain to Syria and from Britain to Dacia, clarifying the boundary role of Late Antiquity.

Dante's Ballad Eduardo Gonzalez Viana 2007-09-30 Remember that we're in the U.S., Dante Celestino is told when his daughter Emmita runs away. Friends and neighbors warn him that in the United States it's not considered so unusual for a fifteen-year-old girl to run away. But Dante had counseled Emmita to date only Spanish-speaking Hispanic boys, and never anyone who joins gangs or deals drugs. Yet she ignores her father's advice and right in the middle of her quinceañera runs away with a tattooed Latino who doesn't speak Spanish and rides a lowrider motorcycle. And to complicate matters, Dante is in the U.S. illegally, making it

difficult to report the girl's disappearance to the police. So begins Dante's odyssey. Accompanied by a lame donkey named Virgilio and the voice of his dead wife, he sets out for Las Vegas, where Emma's boyfriend or abductor, as Dante considers him supposedly lives. On a journey filled with the joy of music and the pain of flashbacks from his small-town life and marital bliss in Mexico, Dante encounters a series of eccentric characters: Josefino and Mariana, known to radio listeners as the Noble Couple, who change their listener's luck in an instant; Juan Pablo, a young man who uses his computer genius to rob a Las Vegas casino so he can pay for his college education; and the Pilgrim, a famous balladeer who has crossed the border via underground tunnels so many times that even years later he smells faintly of dirt and death. In this bittersweet tour de force originally published in Spanish as *El Corrido de Dante*, the First and Third Worlds join hands, and Mexican pueblo life and Internet post-modernity dance together in one of the most memorable fables to shed light on issues such as immigration, cultural assimilation, and the future of the United States with its ever-increasing Latino population.

Robustness and Complex Data Structures Claudia Becker 2014-07-08 This Festschrift in honour of Ursula Gather's 60th birthday deals with modern topics in the field of robust statistical methods, especially for time series and regression analysis, and with statistical methods for complex data structures. The individual contributions of leading experts provide a textbook-style overview of the topic, supplemented by current research results and questions. The statistical theory and methods in this volume aim at the analysis of data which deviate from classical stringent model assumptions, which contain outlying values and/or have a complex structure. Written for researchers as well as master and PhD students with a good knowledge of statistics.

Philostratus John Swinnerton Phillimore 1912

Notes on the Minor Prophets Henry Allan Ironside 2015-05-02 It was with no definite purpose of writing a series of Notes on the Minor Prophets as a whole, that I first began to take up various books of the twelve, in monthly installments in Help and Food for the Household of Faith. But after penning some notes on Habakkuk, Jonah, and Obadiah, I found my own soul helped, and an interest developed in the further study of these much-neglected portions of Scriptures, and so took up Hosea and the books following. I have sought to press their practical application as giving important teaching for a remnant people in a day of decline, while not neglecting their dispensational bearing. This, I am persuaded, is what is greatly needed at the present

moment. If God be pleased to use the Notes for the stirring of His people's consciences and the comfort of their hearts, the desired end will be realized. H. A. Ironside.

Morphologie Historique Du Latin Alfred Ernout 2019-02-23 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. Uncovering the Correttis Carol Marinelli 2013-04-01 The more powerful the family...the darker the secrets. Meet the family everyone's talking about in this prequel novella to the Sicily's Corretti Dynasty series, brought to you by Harlequin Presents. Investigative journalist Emily Hyslop is furious when her editor—and ex—reassigns her from a career-making expos to a frivolous wedding in Sicily. But scandalous secrets lie behind the union of the rival Corretti and Battaglia families. Things start looking up when Emily meets the most intimidating, not to mention sexiest, man she's ever encountered.... Detective Anton Soranno has valuable insight into the Correttis and their scandalous dealings...and plenty of reason to hate them. He's the perfect source of information—and the more he helps Emily with her story, the more time they have to explore their intense desire. But even as their passionate nights uncover surprising feelings in both of them, Emily and Anton know that she must leave Sicily once the wedding is over.... Look for more books in the Sicily's Corretti Dynasty series from Harlequin Presents, beginning with *A Legacy of Secrets* by Carol Marinelli.

Literature and Society in the Fourth Century AD Lieve Van Hoof 2014-10-23 Challenging ideas about the declining social role and impact of literature in Late Antiquity, *Literature and Society in the Fourth Century AD* demonstrates how Greek and Latin literature of the fourth century AD continued to play an important role in public performance and debate, the creation of reality, and self-presentation.

Devil's Valley André Brink 2011-02-28 Flip Lochner is a weary and disillusioned newspaper crime reporter. Curious to find out more about the origins of a casual acquaintance, he descends into Devil's Valley where, like Dante's Virgil, he encounters a bewildering array of mysterious characters and events that lead him to reevaluate the world in which he lives and which he thought he knew. Fusing invention and reality, magic realism and earthy humour, Lochner's adventures in the valley centre around the journey he undertakes to discover the truth about the elusive and erotic figure of Emma, one of Brink's most remarkable creations.

The Patriation Minutes Howard A. Leeson 2011 In November 1981, at the height of the nation's constitutional

crisis, the First Ministers assembled in Ottawa to seek an agreement. These are the minutes not taken.

Programming Logics Andrei Voronkov 2013-04-09

Vargamae - Volume 1 of the Truth and Jus A.H. TAMMSAARE 2019-05-14 Andres, an Estonian peasant, purchases a smallholding in a marshy part of the country, which the novel is named after. He takes his young wife, and an incident with their cow sets the tone for a life of struggle in which the family grows and gradually lifts itself out of extreme poverty. They don't only have to strive against the elements, but also against their neighbor Pearu, a wily and ruthless man. This Tolstoyan epic amongst the peasantry and the restless city (in volumes 2 - 4) tells the story of how Tsarist Estonia developed into the First Republic through the experiences of a family, and in particular the partly autobiographical character of Indrek, who leaves the land to get an education at the end of this volume. This monumental work by Estonia's greatest writer is a European classic which has for too long been neglected in the English-speaking world.
