The Rise of Evangelicalism Mark A. Noll 2015-05-21 Winner of a Christianity Today 2005

In this paper edition of this inaugural book in a series that charts the course of English-speaking evangelicalism over the last 300 years, Mark Noll offers a multinational narrative of the origin, development and rapid diffusion of evangelical movements in their first two generations. Theology, hymnody, gender, warfare, politics and science are all taken into consideration. But the focus is on the landmark individuals, events and organizations that shaped the story of the beginnings of this vibrant Christian movement. The revivals in Britain and North America in the mid-eighteenth century proved to be foundational in the development of the movement, its ethos, beliefs and subsequent direction. In these revivals, the core commitments of evangelicals were formed that continue to this day. Lutherans in North America Clifford E. Nelson 1975 This book gives today's Lutherans a sense of heritage, identity and continuity, a sense of self-understanding. Readers will see themselves as part of a family. They can identify with the struggles, hopes, and frustrations of wave after wave of immigrants adapting to the strange new world of America and at the same time trying to preserve all they had known and loved and brought with them from the homeland. The genius of the entire volume is that it points beyond family memories to an ongoing and continuing life of which we and our children are a living part. Contributors:

Martin Luther's Spiritual Songs Martin Luther 1854

The Book of Concord Robert Kolb 2000 Commissioned in 1993, this translation of The Book of Concord brings a new generation of scholarship and sensitivities to bear on the foundational texts of Lutheran identity. The fifth English translation since 1851, this edition succeeds that edited by Theodore Tappert published in 1959 by Muhlenburg Press. A review of the text in light of a mountain of new scholarship and other factors dictated the new translation and apparatus, including changes in the English language over the past forty years, differences in the training and preparation of seminarians and pastors, limitations in the introductions and annotations to the various parts of the book, new knowledge of the history and theology of these very documents, and the occasional error in Tappert's translation. Kolb and Wengert's team of leading Reformation historians was augmented by consultation with one hundred other scholars and teachers who use The Book of Concord continually, and two other teams of scholars who have reviewed the translations. In coming years, two volumes of related documents will follow. Benefits of this new translation: Expanded introductions and annotations offer richer historical context New translation aims at accessible but accurate translation Format is easier to read and use Leading American scholars have been involved or consulted

Wonderful Words of Life Richard J. Mouw 2004-08-02 While many evangelical congregations have moved away from hymns and hymnals, these were once central fixtures

in the evangelical tradition. This book examines the role and importance of hymns in evangelicalism, not only as a part of worship but as tools for theological instruction, as a means to identity formation, and as records of past spiritual experiences of the believing community. Written by knowledgeable church historians, *Wonderful Words of Life* explores the significance of hymn-singing in many dimensions of American Protestant and evangelical life. The book focuses mainly on church life in the United States but also discusses the foundational contributions of Isaac Watts and other British hymn writers, the use of gospel songs in English Canada, and the powerful attraction of African-American gospel music for whites of several religious persuasions. Includes appendixes on the American Protestant Hymn Project and on hymns in Roman Catholic hymnals. Contributors: Susan Wise Bauer Thomas E. Under Their Very Eyes Deborah Meroff 2016-01-15 From a brutal and impoverished background in Reading, England, Tom Hamblin became a believer as a teenager before serving as a missionary in the Far East. He and his wife Edna spent more than a decade leading expeditions into the heart of Borneo. Gradually they become convinced that the Lord was calling them to minister in the Arabic peninsula: in particular, to carry in thousands of Bibles in Arabic, Farsi and Urdu. They conveyed shipment after shipment into this region, never losing a copy and surmounting all restrictions. Customs guards turned a blind eye. Tom distributed Bibles very simply: walking around with a bag and waiting for people to ask him what he was doing. The Islamic world is widely regarded as closed to the gospel, but this is untrue. Tom discovered an extensive network of believers - very few churches, but many clandestine meetings for worship - and a huge hunger for the Truth. *Under Their Very Eyes* is the remarkable biography of a Bible smuggler to the Arab world that will stir the reader's spirit.

[The Chorale Book for England](#) Catherine Winkworth 2017-04-10 The Chorale Book for England is a profoundly rich, valuable book, both the words and the music. This is a collection of 200 German hymns translated into English by Catherine Winkworth, with German hymn tunes edited by William Sterndale Bennett and Otto Goldschmidt. Winkworth published the first volume of *Lyra Germanica* in 1855 (London: Longman, Brown, Green, and Longmans, 1855), and the "Second Series" in 1858. These were her translations of German hymns into English, a treasure of true worship. The *Lyra Germanica* Series I had 103 hymns, arranged around the church calendar; Series II had 121 hymns, arranged according to subjects. The Chorale Book for England was a set of German hymns translated by C.W. in her *Lyra Germanica* (and also other hymns not in the *Lyra Germanica*), with music scores--chiefly from German hymnbooks--edited by William Sterndale Bennett and Otto Goldschmidt. Here is true worship, glorifying God and edifying and enriching His people.

The Lutheran Confessions Charles P. Arand 2012-04 In this important new volume, Arand, Kolb, and Nestingen bring the fruit of an entire generation of scholarship to bear on these documents, making it an essential and up-to-date class text. The Lutheran Confessions places the documents solidly within their political, social, ecclesiastical and theological contexts, relating them to the world in which they took place. Though the book is not a theology of the Confessions, readers will clearly understand the issues at stake in the narratives, both in their own time, and in ours.

The Awakening of HK Derryberry Jim Bradford 2016-09-13 2017 Audie Winner: Inspirational/Faith-Based Non-Fiction Audiobook and Earphones Award from Audiofile Magazine *The Awakening of HK Derryberry* is the inspiring story of how one man was willing to step out of his upper middle-class world into the life of a young, disabled boy with a dismal future. Little did Jim Bradford know the transformational potential of that friendship—for HK and himself. HK Derryberry came into the world with the odds stacked heavily against him. He was taken from his unmarried mother's womb three months prematurely when she was killed in a car wreck. After ninety-six days of seesawing between life and death, HK's

grandmother took him home. One Saturday morning Jim Bradford, a successful businessman in his mid-fifties, happens into Mrs. Winner's Chicken and Biscuits and sees a nine-year-old's head pressed down against a black plastic boom box with a crooked antenna and three strips of silver duct tape stretched across the battery cover. He can't help but notice the long, white plastic braces on each of the child's legs. Mr. Bradford learns that HK's grandmother is forced to bring him to the fast-food restaurant where she works, leaving him to sit alone all day at a small table, with only his boom box for company. On subsequent Saturdays Jim feels drawn back to the restaurant to meet with HK and begins spending every weekend with him. Eventually it becomes apparent that buried beneath HK's severe disabilities is one spectacular ability. He is diagnosed with Highly Superior Autobiographical Memory (HSAM), which involves superlative powers of recollection that enable him to remember everything that has happened to him since the age of three. Less than one hundred people have been diagnosed with HSAM, but none of them have the physical disabilities of HK Derryberry.
