The Art of Poetry Shira Wolosky 2008-09-19 In *The Art of Poetry*, Shira Wolosky provides a dazzling introduction to an art whose emphasis on verbal music, wordplay, and dodging the merely literal makes it at once the most beguiling and most challenging of literary forms. A uniquely comprehensive, step-by-step introduction to poetic form, *The Art of Poetry* moves progressively from smaller units such as the word, line, and image, to larger features such as verse forms and voice. In fourteen engaging, beautifully written chapters, Wolosky explores in depth how poetry does what it does while offering brilliant readings of some of the finest lyric poetry in the English and American traditions. Both readers new to poetry and poetry veterans will be moved and enlightened as Wolosky interprets work by William Shakespeare, John Donne, William Blake, William Wordsworth, Emily Dickinson, Robert Frost, Sylvia Plath, and others. The book includes a superb two-chapter discussion of the sonnet's form and history, and represents the first poetry guide to introduce gender as a basic element of analysis. In contrast to many existing guides, which focus on selected formal aspects like metrics or present definitions and examples in a handbook format, *The Art of Poetry* covers the full landscape of poetry's subtle art while showing readers how to comprehend a poetic text in all its dimensions. Other special features include Wolosky's consideration of historical background for the developments she discusses, and the way her book is designed to acquaint or reacquaint readers with the core of the lyric tradition in English. Lively, accessible, and original, *The Art of Poetry* will be a rich source of inspiration for students, general readers, and those who teach poetry.

Biblical Poetry and the Art of Close Reading J. Blake Couey 2018-08-31 This volume explores the aesthetic dimensions of biblical poetry, offering close readings of poems across the Hebrew Bible/Old Testament. Composed of essays by fifteen leading scholars of biblical poetry, it offers creative and insightful close readings of poems from across the canon of the Hebrew Bible/Old Testament (Psalms, wisdom poetry, Song of Songs, prophecy, and poetry in biblical narrative). The essays build on recent advances in our understanding of biblical poetry and engage a variety of theoretical perspectives and current trends in the study of literature. They demonstrate the rewards of careful attention to textual detail, and they provide models of the practice of close reading for students, scholars, and general readers. They also highlight the rich aesthetic value of the biblical poetic corpus and offer reflection on the nature of poetry itself as a meaningful and enduring form of art.

Ten Poems to Say Goodbye Roger Housden 2012-02-21 In *Ten Poems to Say Goodbye*, the newest addition to the celebrated *Ten Poems* series, Roger Housden continues to highlight the magic of poetry, this time as it relates to personal loss. But while the selected poems in this volume may focus upon loss and grief, they also reflect solace, respite, and joy. A goodbye is an opportunity for kindness, for forgiveness, for intimacy, and ultimately for love and a deepening acceptance of life as it is rather than what it was. Goodbyes can be poignant, sorrowful, sometimes a relief, and—now and then—even an occasion for joy. They are always transitions that, when embraced, can be the door to a new life both for ourselves and for others. In this inspiring and consoling volume, Housden encourages readers to embrace poetry as a way of enabling us to better see and appreciate the beauty of the world around and within us.

Victorian Sappho Yopie Prins 1999-03-08 What is Sappho, except a name? Although the Greek archaic lyrics attributed to Sappho of Lesbos survive only in fragments, she has been invoked for many centuries as the original woman poet, singing at the origins of a Western lyric tradition. Victorian Sappho traces the emergence of this idealized feminine figure through reconstructions of the Sapphic fragments in late-nineteenth-century England. Yopie Prins argues that the Victorian period is a critical turning point in the history of Sappho's reception; what we now call "Sappho" is in many ways an artifact of Victorian poetics. Prins reads the Sapphic fragments in Greek alongside various English translations and imitations, considering a wide range of Victorian poets--male and female, famous and forgotten--who signed their poetry in the name of Sappho. By "declining" the name in each chapter, the book presents a theoretical argument about the Sapphic signature, as well as a historical account of its implications in Victorian England. Prins explores the relations between classical philology and Victorian poetics, the tropes of lesbian writing, the aesthetics of meter, and nineteenth-century personifications of the "Poetess." as current scholarship on Sappho and her afterlife. Offering a history and theory of lyric as a gendered literary form, the book is an exciting and original contribution to Victorian studies, classical studies, comparative literature, and women's studies.

Theodore Roethke's Far Fields Peter Balakian 1999-03-01 In this critical study of Theodore Roethke's poetry, Peter Balakian treats the evolution of the poet's work from his first book, *Open House* (1941), to his last, *The Far Field* (1964). Balakian argues that Roethke was among the most innovative poets of his time and that *The Lost Son and Other Poems* (1948) brought America to a new frontier in the contemporary era. Balakian maintains that Roethke combined and furthered major traditions in English and American poetry -- the formal poetics and meditative sensibility of British metaphysical and Romantic poetry, the American visionary tradition, and the innovations of modernism. The early chapters of the book explore Roethke's intellectual, religious, and psychological development and his development as a poet. Balakian discusses the influence of William Carlos Williams on Roethke's work and claims that the relationship between the two poets provided Roethke with a sense of the American grain. Later chapters treat the shift from self-absorption to union with otherness that marks Roethke's love poems, exploring the poet's development of mysticism and a poetic persona and examining the influences of Eliot and Whitman on his work. Balakian also discusses the metaphysical language necessary for Roethke's late poems and follows Roethke's spiritual progress as he prophetically faces his final work. In presenting the evolution of Roethke's career, Balakian offers fresh and original readings of the poetry. He avoids any monolithic approach to the body of Roethke's work, employing instead various approaches to Roethke's stages of poetic evolution. Balakian makes use of the psychology of C.G. Jung and Erich Neumann, the writings of the mystics, the aesthetics of William Carlos Williams, and the myth of the American frontier. With a literary historian's concern for Roethke's place in history and a critic's eye for the sources and structures of poetry, Balakian studies the resonances of language and the inner life of this poet's craft. *Theodore Roethke's Far Fields* places Roethke firmly in literary and intellectual history and asserts his place as a major poet.

The Most Dangerous Game by Richard Connell or The Hounds of Zaroff | Alltime Bestseller Book From the Author of Books Like: The Sin of Monsieur Pettipon, and Other Humorous Tales / El malvado Zaroff / Delitto in mare / What Ho! Richard Connell 2021-01-01 From the Author of Books Like: 1. The Sin of Monsieur Pettipon, and Other Humorous Tales 2. El malvado Zaroff 3. Delitto in mare 4. What Ho! 5. The Sin of Monsieur Pettipon 6. Apes And Angels 7. From Observables to Unobservables in Science and Philosophy 8. The Mad Lover About the Book: *The Most Dangerous Game*, also published as *The Hounds of Zaroff*, is a short story by Richard Connell first published in *Collier's* magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s. Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the yacht's rail and accidentally falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan. Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He takes the survivors captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan, and a pack of hunting dogs for three days are set free. He reveals that he has won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing. After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff's shoulder, causing him to return home for the night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff's hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles

into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford's apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive. About the Author : Richard Edward Connell, Jr. was an American author and journalist, best known for his short story "The Most Dangerous Game." Connell was one of the best-known American short story writers of his time and his stories appeared in the Saturday Evening Post and Collier's Weekly. Connell had equal success as a journalist and screenwriter. He was nominated for an Academy Award in 1942 for best original story for the film Meet John Doe.

In 1856 it was called "A Poem of Walt Whitman, an American" and in 1860 it was simply termed "Walt Whitman." Walter "Walt" Whitman (1819 – 1892) was an American poet, essayist and journalist. His work was very controversial in its time, particularly his poetry collection Leaves of Grass, which was described as obscene for its overt sexuality.

The Rime of the Ancient Mariner Samuel Taylor Coleridge 1906

Platonic Coleridge James Vigus 2009-01-01 The ambivalent curiosity of the young poet Samuel Taylor Coleridge (1772-1834) towards Plato -- 'but I love Plato -- his dear gorgeous nonsense!' -- soon developed into a philosophical project, and the mature Coleridge proclaimed himself a reviver of Plato's unwritten or esoteric 'systems'. James Vigus's study traces Coleridge's discovery of a Plato marginalised in the universities, and examines his use of German sources on the 'divine philosopher', and his Platonic interpretation of Kant's epistemology. It compares Coleridge's figurations of poetic inspiration with models in the Platonic dialogues, and investigates whether Coleridge's esoteric 'system' of philosophy ultimately fulfilled the Republic's notorious banishment of poetry.
