The Only Pirate at the Party Lindsey Stirling 2017-02-28 Dancing electronic violinist Lindsey Stirling shares her unconventional journey in an inspiring New York Times bestselling memoir filled with the energy, persistence, and

humor that have helped her successfully pursue a passion outside the box. A classically trained musician gone rogue, Lindsey Stirling is the epitome of independent, millennial-defined success: after being voted off the set of America's Got Talent, she went on to amass more than ten million social media fans, record two full-length albums, release multiple hits with billions of YouTube views, and to tour sold-out venues across the world. Lindsey is not afraid to be herself. In fact, it's her confidence and individuality that have propelled her into the spotlight. But the road hasn't been easy. After being rejected by talent scouts, music reps, and eventually on national television, Lindsey forged her own path, step by step. Detailing every trial and triumph she has experienced until now, Lindsey shares stories of her humble yet charmed childhood, humorous adolescence, life as a struggling musician, personal struggles with anorexia, and finally, success as a world-class entertainer. Lindsey's magnetizing story—at once remarkable and universal—is a testimony that there is no singular recipe for success, and despite what people may say, sometimes it's okay to be The Only Pirate at the Party.

The Creative's Curse Todd Brison 2016-07-19 "If you come to terms with The Creative's Curse. What is The Creative's Curse? It's a voice inside you. It's a low whispering... It's an undeniable fire to CREATE. Many people think The Creative's Curse is a thing to be beaten. They try and snuff the fire out. But what if you stopped denying your true nature? What if you let it burn? The Creative's Curse is not something you will ever outgrow. That voice in your head will never be silent. Don't feel like you have to listen when society says

your work isn't worth doing. Inside this book you'll learn: how creative people lose their magic... and how to get it back; when to access your "creativity triggers" to increase motivation; [and] how to make money with art (if that is something you want.)" -- From Amazon.com.
