The Complete Poems of John Donne Robin Robbins 2014-06-06 The Poems of John Donne is one volume paperback edition of the poems of John Donne (1572-1631) based on a comprehensive re-evaluation of his work from composition to circulation and reception. Donne's output is tremendously varied in style and form and demonstrates his ability to exercise his rhetorical capabilities according to context and occasion. This edition aims to present the text of all his known poems, from the epigrams, songs and satires written for fellow young men about town, to the more mature verse-epistles and memorial elegies written for his patrons. The Longman Annotated English Poets series traditionally aims to present poems in chronological order; in this edition, however, the principle has been observed only within generic sections. This organisation reproduces the manner in which Donne's original readers first encountered the poems in the various manuscripts of his elegies and satires that circulated in Donne's lifetime. Volume One contains the Epigrams, Verse Letters to Friends, Love Lyrics, Love Elegies and Satires; Volume Two contains the religious poems, Wedding Celebrations, Verse Epistles to Patronesses, Commemorations, and the Anniversaries. The lyrics have been arranged alphabetically for ease of reference and because, in all but a few cases, precise date of composition is impossible to determine. Each poem has extensive editorial commentary designed to put the twenty-first century reader in possession of all that is necessary fully to appreciate Donne's work. A substantial headnote sets each poem in its historical and literary context, while the annotations give detailed guidance on the wealth of classical and religious allusions and give full representation to the literary, historical and philosophical culture out of which the poems grew. In keeping with the traditions of the series, Donne's own text has been

modernised in punctuation and spelling except where to do so would alter or disrupt a rhyme.

**Chosen by the Lion** Linda Gregg 1994-06 Chosen by the Lion is Linda Gregg's fourth collection, and her most eloquent, bespeaking a deeply personal reconciliation with the loss of love. Gregg is able to take common experience, to see it clearly, in all its mundane and ordinary complexity. But in her poetry, that experience is also explored in its affinity to the gods, to the ways of nature. The result is an experience that is firmly grounded in the ordinary, yet transformed spiritually.

**The Poet and the King** Marc Fumaroli 2002 The Poet and the King, described by the New York Review of Books as "the finest and most perceptive of all the innumerable accounts of La Fontaine," is being offered for the first time in an English translation. La Fontaine, whose works are still memorized by French schoolchildren, is regarded by Fumaroli, and countless others, as the greatest French lyric poet of the seventeenth century. La Fontaine is best known, however, for his fables and Contes. Marc Fumaroli's grand study is almost as much about Louis XIV as it is about La Fontaine. He provides a detailed analysis of the absolutist politics and attempts by the king and his ministers to enforce an official cultural style. Fumaroli's work is a meditation on the plight of the artist under such a ruler during the imposition of a tyrannical, centralized political regime. Of particular interest to Fumaroli is Nicolas Fouquet, whose fall from power is the central event of the book. Fouquet, La Fontaine's patron, was arrested and imprisoned by order of Louis XIV on false charges of embezzlement and treason. For La Fontaine, the arrest was a disaster. Fouquet had generously supported and protected La Fontaine, who remained loyal to him for decades, helping in his defense and writing pleas for pardon. Many of Fouquet's associates were arrested. Others, including La Fontaine, prudently left town. During the reign of Louis XIV, the basic role of literature in the eyes of the court was that of an official propaganda machine. The royal cultural policy supported only tragedy and the heroic ode, and demanded works that praised the king. In the years that followed Fouquet's arrest, La Fontaine had to rely on support from groups unconnected with the government, including Jansenists, Protestants, and the libertine, homosexual circle of the Duc de Vendôme. Fumaroli reads history with an eye on the modern world. His La Fontaine and his Fouquet, his world of free culture in opposition to state power, are models for the liberal vision of the possible role of culture in modern society. The Poet and the King offers not only a captivating history of one of France's greatest poets, but also carries the message that great literature

and art can be created in spite of repressive cultural and political regimes.

**The Long Devotion** Emily Pérez 2022-04-01 The Long Devotion is a collection of poems, essays, and writing prompts that celebrates motherhood and creates a space, as poet Molly Spencer has written, to "tell an unlovely

truth about family life and not have to take it back.” The poets in this book represent and describe a wide range of experiences. They write about encountering the world anew through their children; intersections of parenting and race; single parenting; adoptive, foster, and step-parenting; life with chronic illness, mental illness, and disability; and the choice to remain childless. The book is divided into four parts. “Difficulty, Ambivalence, and Joy” considers the wonder and challenges of parenting—including infertility, pregnancy, miscarriage, and life with children—and trying to write in the midst of those demands. “The Body and the Brain” explores the cerebral and bodily labor of caregiving and writing. “In the World” brings parents and their children into contact with the natural and political landscape. Finally, “Transitions” looks at how parenting and writing change as children grow up. Poems range from linear narratives and imagistic lyric to poetry comics, speculative futures, and experimental forms. Essays and poems suggest ways to write through the disruptions and chaos of family life. Prompts invite readers to use the work in this book as a starting point for their own poetry. As candid accounts of motherhood become more prevalent across literary, pop culture, and digital spaces, the way we talk about writing and mothering is changing. Poets have long challenged traditional motherhood narratives. This book brings together a new generation of exciting and provocative voices for the first time.

**Meter and Meaning** Thomas Carper 2020-08-26 Poet, Thomas Carper, and scholar, Derek Attridge, join forces in *Meter and Meaning* to present an illuminating and user-friendly way to explore the rhythms of poetry in English. They begin by showing the value of performing any poem aloud, so that we can sense its unique use of rhythm. From this starting point they suggest an entirely fresh, jargon-free approach to reading poetry. Illustrating their 'beat/offbeat' method with a series of exercises, they help readers to appreciate the use of rhythm in poems of all periods and to understand the vital relationship between meter and meaning. Beginning with the very basics, *Meter and Meaning* enables a smooth progression to an advanced knowledge of poetic rhythms. It is the essential guide to meter for anyone who wants to study, write, better appreciate, or simply enjoy poetry. Carper and Attridge make studying meter a pleasure and reading poetry a revelation.
