Clever Kids First Book of Space Facts & Activities Jessica James 2021-04-23
✓Unleash your child's, intelligence, creativity and attention to detail with our special book! ✓Our First Facts and Activity Book of Space is perfect for your little child! Get now this Perfect Gift! Why? This book has interesting information, pictures and shapes. Both the shapes and the bright, fun pictures can help engage children and keep their attention for a longer period of time, making it easier to understand the text and more interesting. The book contains themes and topics such as Galaxy, Milky Way, sun, planets and a complexity of games such as crossword, mazes, coloring pictures, crosswords and others. These information and games increase children's visual awareness and develop a deeper understanding of themes and topics. All children learn differently, and games are the best way to understand text. Completing even the simplest puzzle game sets a single goal to achieve. Young children need to think and develop strategies on how to approach achieving a this goal. This process involves problem-solving skills, thinking skills and developing solutions that they then transfer to their personal lives. Our book helps your kid to develop his creativity and improve his physical, cognitive, and emotional skills. On the other hand your kid will develop the mental capacity, helping him to learn faster and more efficiently. Order your copy today for your clever kid! This is a great way to become even smarter and more creative! ✓Our First Planets Book features: ★ Colored pages ★ 26 facts pages ★ 23 activity pages ★ Professional quality designs ★ 8.5" x 8.5" format ★ 52 pages ✓Make a wonderful gift for your loved ones! ✓Our Space Book is frequently the most gifted item.

My Space Mission Little Bird 2020-05-21 Is your child fascinated by space travel? Do they dream of working for NASA and being an astronaut? Then this is the book for them. Let their imagination and creativity run riot as they get to write their own story about travelling to discover a new planet, which they also get to name. The book involves designing everything from spaceship to Robonaut. Drawings to be made, descriptions to be told. A mission diary to be kept of their 7 days of travel to the planet. What did they discover when they got there? This all needs to be documented for use by NASA. Plenty to keep the family astronaut occupied for hours as they design and describe. Throughout the

book there are images that can be colored in. There are also some space questions that will need some research to discover the answer. The book itself is: 8.5 x 11" large pages. Glossy cover with white pages. Printed single sided to prevent bleed through. A great gift for any aspiring astronaut or storyteller.

Solar System for Kids Hackney And Jones 2021-03-08 Is your child fascinated by space? You want to make them go "WOW", right? Well, do we have the answer for you! Solar System For Kids is a totally awesome activity book with LOADS of amazing facts about the solar system, including a detailed look at each planet and cool handwriting activities to get stuck into. Your cosmos-crazy child will not only learn about the solar system but also enjoy the colouring-in and mazes included within this activity book. Watch them soar with enthusiasm through the stratosphere and return on a cloud of stardust to impress you with their newly-learned facts and figures all about the solar system. For example, did you know there was a MOUNTAIN on Mars? That's just one of the cool facts contained in this brilliant space book. They will learn all about: the planets in our solar system, what an astronaut does, what the International Space Station is, famous people who have travelled into space, what comets and asteroids are, and they even get to design their own planet! So, let's not waste another second on Earth. Get hold of your copy of Solar System For Kids TODAY and give your child their ticket on the rocket ship to the stars. Visit hackneyandjones.com to see our full range of fiction, notebooks/journals and activity books for kids.
