9 The focus of this feasibility study will be on cruise vessels because more of these vessels have the ability to connect to such a power source. This is due to larger power consumption of cruise vessels. Further, at the moment, few container vessels are able to be connected to ship-to-shore power sources. This is out of LPC's control.

### *ISSUE 16 | APRIL 2022*

out on getting on the Pontoon Cruise. I grabbed a bottle of our new sparkling wine Cuvée Rose and jumped on board. The pontoon (Lady Bonnie) takes you to the sandbank that protects the lagoon from the waves of the sea, and with a glass of wine I hopped off and just enjoyed the sunshine with my toes in the sand.

washing a few and throwing out the trash. When your timer goes off; Stop working in the kitchen. I know it is not finished but this is important. 3. Set your timer again for 15 minutes; this time we are spending those 15 minutes in the living room. Start with your Hot Spots; clean off coffee tables, pick up the
