The Lone Ranger and Tonto Fistfight in Heaven Sherman Alexie 2013-10-15 Sherman Alexie's darkly humorous story collection weaves memory, fantasy, and stark reality to powerfully evoke life on the Spokane Indian Reservation. The twenty-four linked tales in Alexie's debut collection—an instant classic—paint an unforgettable portrait of life on and around the Spokane Indian Reservation, a place where “Survival = Anger x Imagination,” where HUD houses and generations of privation intertwine with history, passion, and myth. We follow Thomas Builds-the-Fire, the longwinded storyteller no one really listens to; his half-hearted nemesis, Victor, the basketball star turned recovering alcoholic; and a wide cast of other vividly drawn characters on a haunting journey filled with humor and sorrow, resilience and resignation, dreams and reality. Alexie's unadulterated honesty and boundless compassion come together in a poetic vision of a world in which the gaps between past and present are not really gaps after all. The basis for the acclaimed 1998 feature film *Smoke Signals*, the *Chicago Tribune* noted, “The Lone Ranger and Tonto Fistfight in Heaven . . . is for the American Indian what Richard Wright's *Native Son* was for the black American in 1940.” The collection received a Special Citation for the PEN/Hemingway Award for Best First Fiction. This ebook edition features a new prologue from the author, as well as an illustrated biography and rare photos from Sherman Alexie's personal collection.

You Don't Have to Say You Love Me Sarra Manning 2011 Sweet, bookish Neve Slater always plays by the rules. And the number one rule is that good-natured fat girls like her don't get guys like gorgeous, handsome William, heir to Neve's heart since university. So she's not that interested in other men. Until her sister Celia points out that if Neve wants William to think she's an experienced love-goddess and not the fumbling, awkward girl he left behind, then she'd better get some, well, experience. What Neve needs is someone to show her the ropes, someone like Celia's colleague Max. Wicked, shallow, sexy Max. And since he's such a man-slut, and so not Neve's type, she certainly won't fall for him. Because William is the man for her... right? Ledfeather Stephen Graham Jones 2008-08-10 After burning up the blacktop in New Mexico with *The Fast Red Road* and rewriting Indian history on the Great Plains with *The Bird is Gone*, Stephen Graham Jones now takes us to Montana. Set on a Blackfoot Indian reservation, the life of one Indian boy, Doby Saxon, is laid bare through the eyes of those who witness it: his near-death experience, his suicide attempts, his brief glimpse of victory, and the unnecessary death of one of his best friends. But through Doby there emerges a connection to the past, to an Indian Agent who served the United States Government over a century before. This revelation leads to another and another until it becomes clear that the decisions of this single Indian Agent have impacted the lives of generations of Blackfoot Indians. And the life of Doby Saxon, a boy standing in the middle of the road at night, his hands balled into fists, the reservation wheeling all around him like the whole of Blackfoot history hurtling towards him. Jones's beautifully complex novel is a story of life, death, love, and the ties that bind us not only to what has been, but what will be: the power of one moment, the weight of one decision, the inevitability of one outcome, and the price of one life.

Reservation Blues Sherman Alexie 2013-10-15 Winner of the American Book Award and the Murray Morgan Prize, Sherman Alexie's brilliant first novel tells a powerful tale of Indians, rock 'n' roll, and redemption. Coyote Springs is the only all-Indian rock band in Washington State—and the entire rest of the world. Thomas Builds-the-Fire takes vocals and bass guitar, Victor Joseph hits lead guitar, and Junior Polatkin rounds off the sound on drums. Backup vocals come from sisters Chess and Checkers Warm Water. The band sings its own brand of the blues, full of poverty, pain, and loss—but also joy and laughter. It all started one day when legendary bluesman Robert Johnson showed up on the Spokane Indian Reservation with a magical guitar, leaving it on the floor of Thomas Builds-the-Fire's van after setting off to climb Wellpinit Mountain in search of Big Mom. In *Reservation Blues*, National Book Award winner Alexie vaults with ease from comedy to tragedy and back in a tour-de-force outing powered by a collision of cultures: Delta blues and Indian rock. This ebook features an illustrated biography including rare photos from the author's personal collection.

War Dances Sherman Alexie 2013-10-15 The bestselling, award-winning author's "fiercely freewheeling collection of stories and poems about the tragicomedies of ordinary lives" (*O, The Oprah Magazine*). Winner of the PEN/Faulkner Award for Fiction, *War Dances* blends short stories, poems, call-and-response, and more into something that only Sherman Alexie could have written. Ordinary men stand at the threshold of profound change, from a story about a famous writer caring for a dying but still willful father, to the tale of a young Indian boy who learns to value his own life by appreciating the deaths of

others. Perceptions change, too, as “Another Proclamation” casts a shadow over Abraham Lincoln’s Emancipation Proclamation, and “Invisible Dog on a Leash” limns the heartbreak of shattered childhood illusions. And nostalgia for antiquated technology is tenderly rendered in “Ode to Mix Tapes” and “Ode for Pay Phones.” With his versatile voice, Alexie explores love, betrayal, fatherhood, alcoholism, and art in this spirited, soulful, and endlessly entertaining collection, transcending genre boundaries to create something truly unique. This ebook features an illustrated biography including rare photos from the author’s personal collection.

Fiercombe Manor Kate Riordan 2015-02-17 In this haunting and richly imagined dual-narrative tale that echoes the eerie mystery of *Rebecca* and *The Little Stranger*, two women of very different eras are united by the secrets hidden within the walls of an English manor house. In 1933, naive twenty-two year-old Alice—pregnant and unmarried—is in disgrace. Her mother banishes her from London to secluded Fiercombe Manor in rural Gloucestershire, where she can hide under the watchful eye of her mother’s old friend, the housekeeper Mrs. Jelphs. The manor’s owners, the Stantons, live abroad, and with her cover story of a recently-deceased husband Alice can have her baby there before giving it up for adoption and returning home. But as Alice endures the long, hot summer at Fiercombe awaiting the baby’s birth, she senses that something is amiss with the house and its absentee owners. Thirty years earlier, pregnant Lady Elizabeth Stanton desperately hopes for the heir her husband desires. Tormented by the memory of what happened after the birth of her first child, a daughter, she grows increasingly terrified that history will repeat itself, with devastating consequences. After meeting Tom, the young scion of the Stanton family, Alice becomes determined to uncover the clan’s tragic past and exorcise the ghosts of this idyllic, isolated house. But nothing can prepare Alice for what she uncovers. Soon it is her turn to fear: can she escape the tragic fate of the other women who have lived in the Fiercombe valley . . .

Muting White Noise James Howard Cox 2006 In "Muting White Noise," James H. Cox considers how Native authors have liberated our imaginations from colonial narratives. Cox takes his title from Sherman Alexie, for whom the white noise of a television set represents the white mass-produced culture that mutes American Indian voices. Cox foregrounds the work of Native intellectuals in his readings of the American Indian novel tradition. He thereby develops a critical perspective from which to re-see the role played by the Euro-American novel tradition in justifying and enabling colonialism.

Between Two Millstones, Book 2 Aleksandr Solzhenitsyn 2020-11-15 This compelling account concludes Nobel Prize-winner Aleksandr Solzhenitsyn's literary memoirs of his years in the West after his forced exile from the USSR following the publication of *The Gulag Archipelago*. The book reflects both the pain of separation from his Russian homeland and the chasm of miscomprehension between him and Western opinion makers. In *Between Two Millstones*, Solzhenitsyn likens his position to that of a grain that becomes lodged between two massive stones, each grinding away—the Soviet Communist power with its propaganda machine on the one hand and the Western establishment with its mainstream media on the other. Book 2 picks up the story of Solzhenitsyn's remarkable life after the raucous publicity over his 1978 Harvard Address has died down. The author parries attacks from the Soviet state (and its many fellow-travelers in the Western press) as well as from recent émigrés who, according to Solzhenitsyn, defame Russian culture, history, and religion. He shares his unvarnished view of several infamous episodes, such as a sabotaged meeting with Ronald Reagan, aborted Senate hearings regarding Radio Liberty, and Gorbachev's protracted refusal to allow *The Gulag Archipelago* to be published back home. There is also a captivating chapter detailing his trips to Japan, Taiwan, and Great Britain, including meetings with Margaret Thatcher and Prince Charles and Princess Diana. Meanwhile, the central themes of Book 1 course through this volume, too—the immense artistic quandary of fashioning *The Red Wheel*, staunch Western hostility to the historical and future Russia (and how much can, or should, the author do about it), and the challenges of raising his three sons in the language and spirit of Russia while cut off

from the homeland in a remote corner of rural New England. The book concludes in 1994, as Solzhenitsyn bids farewell to the West in a valedictory series of speeches and meetings with world leaders, including John Paul II, and prepares at last to return home with his beloved wife Natalia, full of misgivings about what use he can be in the first chaotic years of post-Communist Russia, but never wavering in his conviction that, in the long run, his books would speak, influence, and convince. This vibrant, faithful, and long-awaited first English translation of *Between Two Millstones*, Book 2, will fascinate Solzhenitsyn's many admirers, as well as those interested in twentieth-century history, Russian history, and literature in general.

For the Sake of All Living Things John M. Del Vecchio 2013-02-10 John M. Del Vecchio's searing bestseller *The 13th Valley* was praised as one of the most powerful works of literature to emerge from the Viet Nam experience.
