Lonely Planet Eastern Europe Lonely Planet 2017-10-01 Lonely Planet Eastern Europe is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Spend lazy days island-hopping along the Adriatic Coast in Croatia and immerse yourself in modern history in Moscow's Red Square; all with your trusted travel companion.

All that is Solid Melts Into Air Marshall Berman 1983 The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

The Danube Nick Thorpe 2014-01-14 The magnificent Danube both cuts across and connects central Europe, flowing through and alongside ten countries: Romania, Ukraine, Moldova, Bulgaria, Serbia, Croatia, Hungary, Slovakia, Austria, and Germany. Travelling its full length from east to west, against the river's flow, Nick Thorpe embarks on an inspiring year-long journey that leads to a new perspective on Europe today. Thorpe's account is personal, conversational, funny, immediate, and uniquely observant—everything a reader expects in the best travel writing. Immersing himself in the Danube's waters during daily morning swims, Thorpe likewise becomes immersed in the histories of the lands linked by the river. He observes the river's ecological conditions, some discouraging and others hopeful, and encounters archaeological remains that whisper of human communities sustained by the river over eight millennia. Most fascinating of all are the ordinary and extraordinary people along the way—the ferrymen and fishermen, workers in the fields, shopkeepers, beekeepers, waitresses, smugglers and border policemen, legal and illegal immigrants, and many more. For readers who anticipate their own journeys on the Danube, as well as those who only dream of seeing the great river, this book will be a unique and treasured guide.

The Penguin Lessons Tom Michell 2015-10-27 A unique and moving real-life story of the extraordinary bond between a young teacher and a penguin, this book will delight readers who loved Marley & Me, Dewey the Library Cat, The Good Good Pig, and any book by Jon Katz. In

1975, twenty-three-year-old Englishman Tom Michell follows his wanderlust to Argentina, where he becomes assistant master at a prestigious boarding school. But Michell's adventures really begin when, on a weekend in Uruguay, he rescues a penguin covered in oil from an ocean spill, cleans the bird up, and attempts to return him to the sea. The penguin refuses to leave his rescuer's side. "That was the moment at which he became my penguin, and whatever the future held, we'd face it together," says Michell in this charming memoir. Michell names the penguin Juan Salvador ("John Saved"), but Juan Salvador, as it turns out, is the one who saves Michell. After Michell smuggles the bird back to Argentina and into his campus apartment, word spreads about the young Englishman's unusual roommate. Juan Salvador is suddenly the center of attention—as mascot of the rugby team, confidant to the dorm housekeeper, co-host of Michell's parties, and an unprecedented swimming coach to a shy boy. Even through the collapse of the Perónist government and amid the country's economic and political strife, Juan Salvador brings joy to everyone around him—especially Michell, who considers the affectionate animal a compadre and kindred spirit. Witty and heartwarming, *The Penguin Lessons* is a classic in the making, a story that is both absurd and wonderful, exactly like Juan Salvador. Praise for *The Penguin Lessons* "I loved this book, and you will, too! It's as charming, heartwarming, and surprising as a penguin on a roof terrace. What's more, *The Penguin Lessons* teaches an important truth: that a single act of compassion can be repaid a thousand-fold."—Sy Montgomery, author of *The Good Good Pig* and the National Book Award finalist *The Soul of an Octopus* "[Tom Michell's] tone suits the material perfectly. . . . You believe every word. . . . No fool, this penguin. No fools, these publishers, who have unleashed such a delightful and charming book just in time for Christmas."—Daily Mail (U.K.) "Heartwarming is a wholly inadequate phrase to describe this captivating story that is pure delight from beginning to end."—The Bookseller (U.K.)

Psychology Dodge Fernald 2007-05-16 "Dodge Fernald writes an interesting, easy-to-read book for students. Each perspective covers the historical underpinnings of psychology, ending with current models and viewpoints as well as comments and critiques of the perspective. That's important and will help the next generation of scholars in psychology to appreciate alternative views. Nice book!" Joseph R. Ferrari, Ph.D, Vincent de Paul Distinguished Professor, DePaul University Addressing six perspectives, this textbook offers the framework for a conceptual understanding of modern psychology. *Psychology: Six Perspectives* shows students a measure of unity and continuity within this fragmented field by briefly and coherently discussing six primary perspectives that have arisen: biological, psychoanalytical, behavioral, humanistic, cognitive, and evolutionary. Author L. Dodge Fernald provides coherence by presenting these perspectives in successive historical order, offering students a broad, retrospective account of psychology. Key Features Portrays the fundamental dimensions of this multifaceted field: The similarities and differences among basic concepts, theories, research, and practice of each perspective are examined. Employs both a scientific mode of communication as well as a narrative thread: The real-life narrative of a lonely, stout-hearted

social worker unfolds gently throughout the text, illustrating in turn each of the perspectives. Stimulates critical thinking and class discussion: Opportunities for critical evaluation and everyday application provide students with a context for extending their understanding of and investigation into psychology. Intended Audience This core textbook or supplementary text is designed for undergraduate courses in general psychology, ranging from special sections of introductory psychology to the capstone course or senior seminar, including the history and systems of psychology.

The Kindness of Strangers Katrina Kittle 2013-04-23 On a quiet street in the suburban Midwest, a popular, seemingly stable family keeps a terrible, dark secret behind closed doors - a secret that will have life-changing consequences for all who know them Sarah Laden, a young widow and mother of two, struggles to keep her family together. Since the death of her husband, her high-school-age son, Nate, has developed a rebellious streak, constantly falling in and out of trouble. Her kindhearted younger son, Danny, though well behaved, struggles to pass his remedial classes. All the while, Sarah must make ends meet by running a catering business out of her home. But when a shocking and unbelievable revelation rips apart the family of her closest friend, Sarah finds herself welcoming yet another young boy into her already tumultuous life. Jordan, a quiet and reclusive elementary-school boy and classmate of Danny's, has survived a terrible tragedy, leaving him without a family. When Sarah becomes Jordan's foster mother, a relationship develops that will force her to question the things of which she thought she was so sure. Yet Sarah is not the only one changed by this young boy, and as the delicate balance that holds her family together begins to falter, the Ladens will all face truths about themselves and one another -- and discover the power of love to forgive and to heal. Powerful and poignant, *The Kindness of Strangers* is a shocking look at how the tragedy of a single family in a small suburban town can affect so many. Katrina Kittle has created a haunting vision of the secret lives of the people we think we know best. Through gripping and heartrending storytelling, *The Kindness of Strangers* shows that even after the most grave injuries, redemption is always possible.

The Glass Castle Jeannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Brief Interviews with Hideous Men David Foster Wallace 2009-09-24 In this thought-provoking and playful short story collection, David Foster Wallace nudges at the boundaries of fiction with inimitable wit and seductive intelligence. Wallace's stories present a world where the bizarre and the banal are interwoven and where hideous men appear in many guises. Among the stories are 'The Depressed Person,' a dazzling and blackly humorous portrayal of a woman's mental state; 'Adult World,' which reveals a woman's agonized consideration of her confusing sexual relationship with her husband; and 'Brief Interviews with Hideous Men,' a

dark, hilarious series of imagined interviews with men on the subject of their relations with women. Wallace delights in leftfield observation, mining the absurd, the surprising, and the illuminating from every situation. This collection will enthrall DFW fans, and provides a perfect introduction for new readers.

Overtourism Claudio Milano 2019-06-07 This book examines the evolution of the phenomenon and explores the genesis of overtourism and the system dynamics underlining it. The 'overtourism' phenomenon is defined as the excessive growth of visitors leading to overcrowding and the consequential suffering of residents, due to temporary and often seasonal tourism peaks, that lead to permanent changes in lifestyles, amenities and well-being. Enormous tensions in overtourism affected destinations have driven the intensification of policy making and scholarly attention toward seeking antidotes to an issue that is considered paradoxical and problematic. Moving beyond the 'top 10 things you can do about overtourism', this book examines the evolution of the phenomenon and explores the genesis

of overtourism as well as the system dynamics underpinning it. With a rigorous scientific approach, the book uses systems-thinking and contemporary paradigms around sustainable development, resilience planning and degrowth; while considering global economic, socio-political, environmental discourses. Researchers, analysts, policy makers and industry stakeholders working within tourism as well as those within the private sector, community groups, civil society groups and NGOs will find this book an essential source of information.

The World of Yesterday Stefan Zweig 1964-01-01 Stefan Zweig (1881-1942) was a poet, novelist, and dramatist, but it was his biographies that expressed his full genius, recreating for his international audience the Elizabethan age, the French Revolution, the great days of voyages and discoveries. In this autobiography he holds the mirror up to his own age, telling the story of a generation that "was loaded down with a burden of fate as was hardly any other in the course of history." Zweig attracted to himself the best minds and loftiest souls of his era: Freud, Yeats, Borgese, Pirandello, Gorky, Ravel, Joyce, Toscanini, Jane Addams, Anatole France, and Romain Rolland are but a few of the friends he writes about.

Gretel and the Dark Eliza Granville 2014-10-16 A captivating and atmospheric historical novel about a young girl in Nazi Germany, a psychoanalyst in fin-de-siècle Vienna, and the powerful mystery that links them together. Gretel and the Dark explores good and evil, hope and despair, showing how the primal thrills and horrors of the stories we learn as children can illuminate the darkest moments in history, in two rich, intertwining narratives that come together to form one exhilarating, page-turning read. In 1899 Vienna, celebrated psychoanalyst Josef Breuer is about to encounter his strangest case yet: a mysterious, beautiful woman who claims to have no name, no feelings—to be, in fact, a machine. Intrigued, he tries to fathom the roots of her disturbance. Years later, in Nazi-controlled Germany, Krysta plays alone while her papa works in the menacingly strange infirmary next door. Young, innocent, and fiercely stubborn, she retreats into a world of fairy tales, unable to see the danger closing in around her. When everything changes and the real world becomes as frightening as any of her stories, Krysta finds that her imagination holds powers beyond what she could ever have guessed. Rich, compelling, and propulsively building to a dizzying final twist, Gretel and the Dark is a testament to the lifesaving power of the imagination and a mesmerizingly original story of redemption.

Pictures and Tears James Elkins 2005-08-02 Art Does art leave you cold? And is that what it's supposed to do? Or is a painting meant to move you to tears? Hemingway was reduced to tears in the midst of a drinking bout when a painting by James Thurber caught his eye. And what's bad about that? In Pictures and Tears, art historian James Elkins tells the story of paintings that have made people cry. Drawing upon anecdotes related to individual works of art, he provides a chronicle of how people have shown emotion before works of art in the past, and a meditation on the curious tearlessness with which most people approach art in the present. Deeply personal, Pictures and Tears is a history of emotion and vulnerability, and an inquiry into the nature of art. This book is a rare and invaluable treasure for people who love art. Also includes an 8-page color insert.

Hitler at Home Despina Stratigakos 2015-09-29 A look at Adolf Hitler's residences and their role in constructing and promoting the dictator's private persona both within Germany and abroad. Adolf Hitler's makeover from rabble-rouser to statesman coincided with a series of dramatic home renovations he undertook during the mid-1930s. This provocative book exposes the dictator's preoccupation with his private persona, which was shaped by the aesthetic and ideological management of his domestic architecture. Hitler's bachelor life stirred rumors, and the Nazi regime relied on the dictator's three dwellings—the Old Chancellery in Berlin, his apartment in Munich, and the Berghof, his mountain home on the Obersalzberg—to foster the myth of the Führer as a morally upstanding and refined man. Author Despina Stratigakos also reveals the previously untold story of Hitler's interior designer, Gerdy Troost, through newly discovered archival sources. At the height of the Third Reich, media outlets around the world showcased Hitler's homes to audiences eager for behind-the-scenes stories. After the war, fascination with Hitler's domestic life continued as soldiers and journalists searched his dwellings for insights into his psychology. The book's rich illustrations, many previously unpublished, offer readers a rare glimpse into the decisions involved in the making of Hitler's homes and into the sheer power of the propaganda that influenced how the world saw him. "Inarguably the powder-keg title of the year."—Mitchell Owen, *Architectural Digest* "A fascinating read, which reminds us that in Nazi Germany the architectural and the political can never be disentangled. Like his own confected image, Hitler's buildings cannot be divorced from their odious political hinterland."—Roger

Tony Wheeler's Bad Lands Tony Wheeler 2011-04-01 In an age of plastic knives on planes, Tony Wheeler can make the extraordinary claim of having visited all the rogue countries currently on newreaders' lip. Badlands is a witty first-hand account of his travels through some of the most repressive and dangerous regimes in the world: Afghanistan, Albania, Burma (Myanmar), Cuba, Iran, Iraq, Libya, North Korea and Saudi Arabia. Taking into account each country's attitude to human rights, terrorism and foreign policy, he asks 'what makes a country truly evil?' and 'how bad is really bad?' - all the while engaging with a colorful cast of locals and hapless tour guides, ruminating on history and debunking popular myths. Written by the founder of Lonely Planet, this fascinating account of life in these closed-off countries will appeal to anyone with an interest in the state of the world today

The Lonely Planet Travel Anthology Lonely Planet Publications Staff 2016-11-02 Lonely Planet: The world's leading travel guide publisher A collection of great travel writing by authors from around the globe, including original stories set in Scotland, Thailand, Malaysia, Moldova, Tanzania, Austria and beyond, edited by long-term Lonely Planet collaborator Don George. The 35 impassioned stories included in this collection - of fortune tellers, tribal baboon hunters, a friendly Japanese family, and other notable characters - span a worldwide spectrum of themes, styles and settings, but all show how travel in its unexpected turns tests and teaches us, making us aware that we are resilient, that we are not alone, and that there is so much love and connection to be had if we open ourselves up. This collection affirms that if we follow the compass of the heart, we will always find our way. Whether you read the book on the road or in an armchair at home, these tales are sure to entertain, amuse and inform you, and resonate long after the book is finished. 'As you travel through these pages, may your mind be widened, your spirit enlivened, and your own path illuminated by these worldly word-journeys.' ---Don George With sparkling contributions from some of the most acclaimed names in contemporary fiction and travel writing plus some new voices from around the world, including: Ann Patchett, Francine Prose, TC Boyle, Karen Joy Fowler, Pico Iyer, Torre DeRoche, Blane Bachelor, Rebecca Dinerstein, Jan Morris, Elizabeth George, Jane Hamilton, Alexander McCall Smith, Keija Parssinen, Mridu Khullar Relph, Yulia Denisyuk, Emily Koch, Carissa Kasper, Jessica Silber, Candace Rose Rardon, Marilyn Abildskov, Shannon Leone Fowler, Robin Cherry, Robert Twigger, Porochista Khakpour, Natalie Baszile, Suzy Joinson, Anthony Sattin, LH McMillin,
