The Dinner Party Joshua Ferris 2017-05-02 A New York Times Book Review Notable Book of the Year: The first collection of short stories from the critically acclaimed, prize-winning author of *To Rise Again at a Decent Hour* These eleven stories by Joshua Ferris, many of which were first published in *The New Yorker*, are at once thrilling, strange, and comic. The modern tribulations of marriage, ambition, and the fear of missing out as the temptations flow like wine and the minutes of life tick down are explored with the characteristic wit and insight that have made Ferris one of our most critically acclaimed novelists. Each of these stories burrows deep into the often awkward and hilarious misunderstandings that pass between strangers and lovers alike, and that turn ordinary lives upside down. Ferris shows to what lengths we mortals go to coax human meaning from our very modest time on earth, an effort that skews evermore desperately in the direction of redemption. There's Arty Groys, the Florida retiree whose birthday celebration involves pizza, a prostitute, and a life-saving heart attack. There's Sarah, the Brooklynite whose shape-shifting existential dilemma is set in motion by a simple spring breeze. And there's Jack, a man so warped by past experience that he's incapable of having a normal social interaction with the man he hires to help him move out of storage. The stories in *The Dinner Party* are about lives changed forever when the reckless gives way to possibility and the ordinary cedes ground to mystery. And each one confirms Ferris's reputation as one of the most dazzlingly talented, deeply humane writers at work today.

Cyndere's Midnight Jeffrey Overstreet 2008-09-16 In the second book in the Auralia Thread series, the power of Auralia's colors brings together a bloodthirsty beastman and a grieving widow in a most unlikely

relationship, one that not only will change their lives, but could also impact the four kingdoms of The Expanse forever. Jordam is one of four ferocious brothers from the clan of cursed beastmen. But he is unique: The glory of Auralia's colors has enchanted him, awakening a noble conscience that clashes with his vicious appetites. Cyndere, heiress to a great ruling house, and her husband Deuneroi share a dream of helping the beastmen. But when Deuneroi is killed by the very people he sought to help, Cyndere risks her life and reputation to reach out to Jordam. Beside a mysterious well--an apparent source of Auralia's colors--a beauty and a beast form a cautious bond. Will Jordam be overcome by the dark impulse of his curse, or stand against his brothers to defend House Abascar's survivors from a deadly assault?

A Colorful Way of Living Barbara Bradley Baekgaard 2017-04-04 From the co-founder of the Vera Bradley empire, a practical and inspiring book that shows women how to awaken their full potential, at any age. "This place could use some color!" That's what Barbara Bradley said to her friend Pat during an airport layover. It was 1982 and all the women could see was a succession of drab, bulky suitcases. When they returned home to Indiana, Barbara and her business partner got out a few Simplicity patterns and a Singer sewing machine and set to work. And the Vera Bradley Company was born. *A Colorful Way of Living* offers practical, inspiring advice to empower women of all ages to navigate life by the values that provide the foundation of the Vera Bradley empire. Women looking for the encouragement to start a new chapter, women balancing career and family, and new graduates entering the workforce will all benefit from the Baekgaard's learned wisdom as it applies to career, life, and relationships. Lessons include "Noticing Every Detail," "Choosing Nice," and "Remembering Always--there's enough room for everyone." In this highly readable book, Barbara Bradley Baekgaard shares the values that have helped her to thrive in business, health, and relationships--in every aspect of her personal and professional life.

The Simple Heart Cure Chauncey Crandall, M.D. 2013-10-22 Heart disease kills more people than any other medical condition, and no one is more aware of this than renowned cardiologist Dr. Chauncey Crandall. In addition to having performed over 40,000 heart procedures during his career, Dr. Crandall has experienced this deadly disease on the most personal level – as a patient. At the age of 48, and with no major risk factors, he found himself in the ER with a blockage of his main coronary artery. After emergency intervention, he recovered from heart disease using the same course of treatment he recommends to his thousands of patients, making him living proof of his program's success. In his new book, *The Simple Heart Cure: The 90-Day Program to Stop and Reverse Heart Disease*, you'll find this top doc's groundbreaking, three-pronged approach to prevent and reverse heart disease – an approach honed by his study of cultures free of heart disease, and his decades of experience helping thousands of patients achieve a healthier heart at any age. So if you're recovering from a heart attack or concerned with preventive maintenance, you'll find the help you need in *The Simple Heart Cure*, including great, heart-healthy menus, and a 90-day, week-by-week plan to help you start taking action immediately. Here are just a few of the potentially life-saving gems you'll discover in *The Simple Heart Cure: The 90-Day Program to Stop and Reverse Heart Disease: How to slash your risk of a deadly heart attack by 61%...*

Proven ways to banish your “bad” cholesterol... 8 easy steps to head off high blood pressure... How you can safeguard against lethal stroke... Simple strategies to unclog your arteries – without surgery... What your belly says about your heart health... Must-have heart tests for every person over 50... Easy solutions to steer clear of statin drugs... Special advice for women, diabetics, the very stressed, and much more... “By following the advice in Dr. Chauncey Crandall’s new book *The Simple Heart Cure*, you can surmount the biggest challenge of all and win your battle against heart disease.” – Scott Carpenter, Astronaut, NASA’s Mercury Project

When it comes to your heart health, *The Simple Heart Cure* could be the most important book you’ll ever read!
