Love is Love Fleur Pierets 2020-11-17 The worldwide adventure continues as Fleur and Julian celebrate marriage in 15 more countries that allow same-sex unions, completing the journey they started in Love Around the World (2020 Rainbow Book List). Fleur Pierets and Julian P. Boom are two women in love. They live together, eat together, sleep together, and work together. When Fleur asks Julian to marry her, Julian says "Yes!" But in most countries, a man cannot marry a man and a woman cannot marry a woman. There are 195 countries in the world, but they can only get married in 28 of them. They think this is unfair! So they decide to get married in all 28 countries that allow same-sex marriage. Inspired by a true story, Love Around the World, was the first in this two-volume children's book series about Julian and Fleur's adventures. In Love Is Love: The Journey Continues, they pick up where they left off, exploring the marriage traditions of fourteen countries: Argentina, Austria, Colombia, Denmark, Ecuador, Germany, Luxembourg, Malta, New Zealand, Norway, South Africa, Sweden, Taiwan, and the United Kingdom.

Zealous Love Mike Yankoski 2010-01-05 Christians who are passionate about helping others—but aren't sure where or how to focus their energy—will find much to love about Zealous Love. Authors Mike and Danae Yankoski have written just what Christians need to integrate compassion and justice into their lives. "Our hope," they write, "is that God will work through this book ... to help direct your life so that you can act on tangible concern for neighbors in need, both globally and locally. That's the prayer knit into every sentence, every word, of Zealous Love." Zealous Love introduces eight of the world's most pressing challenges: hunger, unclean water, HIV/AIDS, creation degradation, lack of education, economic inequality, refugees, and human trafficking. But it does more than educate. It provides real, practical, do-able steps anyone can take to help make a difference.

Encyclopedia of New Year's Holidays Worldwide William D. Crump 2014-04-25 Among the world's myriad cultures and their associated calendars, the idea of a "New Year" is relative and hardly specifies a universal celebration or even a universal point in time. Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods, music, dancing, noisemaking, fireworks and drinking. This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year, beyond its traditional Western associations with Christmas. National or regional entries detail the principal traditions and customs of 130 countries, while 27 entries discuss major calendar systems in current use or of significant historical interest. The remaining entries cover a wide variety of subjects including literary works, movies, and television specials; the customs of specific ethnic groups; universal customs such as toasting and drinking; football bowl games and parades; and the New Year celebrations at the White House and the Vatican.

Love, Passion and Patriotism Raquel A. G. Reyes 2008 *Love, Passion and Patriotism* is an intimate account of the lives and experiences of a renowned group of young Filipino patriots, the men whose propaganda campaign was a catalyst for the country's revolt against Spain. As writers, artists, and scientists who resided in Europe, they were exposed to new ideas. Reyes uses their paintings, photographs, political writings, novels, and letters to show the moral contradictions inherent in their passionate patriotism and their struggle to come to terms with the relative sexual freedom of European women, which they found both alluring and sordid.

Italian Literature Before 1900 in English Translation Robin Healey 2011-01-01 "Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English, and published between 1929 and 2008. It lists works from all genres and subjects, and includes translations wherever they have appeared across the globe. In this annotated bibliography, Robin Healey covers over 5,200 distinct editions of pre-1900 Italian writings. Most entries are accompanied by useful notes providing information on authors, works, translators, and how the translations were received. Among the works by over 1,500 authors represented in this volume are hundreds of editions by Italy's most translated authors - Dante Alighieri, [Niccoláo] Machiavelli, and [Giovanni] Boccaccio - and other hundreds which represent the author's only English translation. A significant number of entries describe works originally published in Latin. Together with Healey's Twentieth-Century Italian Literature in English Translation, this volume makes comprehensive information on translations accessible for schools, libraries, and those interested in comparative literature."--Pub. desc.

Teaching English Language Variation in the Global Classroom Michelle D Devereaux 2021-12-16 *Teaching English Language Variation in the Global Classroom* offers researchers and teachers methods for instructing students on the diversity of the English language on a

global scale. A complement to Devereaux and Palmer's *Teaching Language Variation in the Classroom*, this collection provides real-world, classroom-tested strategies for teaching English language variation in a variety of contexts and countries, and with a variety of language learners. Each chapter balances theory with discussions of curriculum and lesson-planning to address how to effectively teach in global classrooms with approaches based on English language variation. With lessons and examples from five continents, the volume covers recent debates on many pedagogical topics, including standardization, stereotyping, code-switching, translanguaging, translation, identity, ideology, empathy, and post-colonial and critical theoretical approaches. The array of pedagogical strategies, accessible linguistic research, clear methods, and resources provided makes it an essential volume for pre-service and in-service teachers, graduate students, and scholars in courses on TESOL, EFL, World/Global Englishes, English as a Medium of Instruction, and Applied Linguistics.
