Kingdom Hill Lindsay Delagair 2012-09-01 Cass Henley is a hard-edged business woman with a scarred and painful past. She sees men simply as a way to take care of physical needs, and nothing more. When her company wins the bid to survey a large portion of the UK, she discovers a massive hill in southern Scotland where her knowledge tells her there should only be flat land. She is determined to explore the oddity alone, until AJ, a handsome National Geographic's writer, asks to join her team. When her bitchy attitude doesn't dissuade him, she finally agrees. Together they discover a buried castle along with scrolls that tell of the fall of a once great Kingdom. As the startling story of Kingdom Hill unfolds, Cass realizes, for the first time in her life, she is falling in love. But, when AJ reveals something that has ended every romantic relationship he's ever had, will she be like all the rest?

Wanting Mor Rukhsana Khan 2009-05-01 Winner of the Middle East Book Award, Youth Fiction category Jameela lives with her mother and father in Afghanistan. Despite the fact that there is no school in their poor, war-torn village, and Jameela lives with a birth defect that has left her with a cleft lip, she feels relatively secure, sustained by her faith and the strength of her beloved mother, Mor. But when Mor suddenly dies, Jameela's father impulsively decides to seek a new life in Kabul. He remarries, a situation that turns Jameela into a virtual slave to her demanding stepmother. When the stepmother discovers that Jameela is trying to learn to read, she urges her father to simply abandon the child in Kabul's busy marketplace. Jameela ends up in an orphanage. Throughout it all, it is the memory of Mor that anchors her and in the end gives Jameela the strength to face her father and stepmother when fate brings them into her life again. Final Hours (Love in Time Book One) Cate Dean 2014-04-13 One man's death will change the future. Only two people can save him - if they have the courage to trust each other. Elizabeth Barritt fought hard for the life she has, finally putting the ugly memories of a childhood trapped in the foster care system behind her. She has the chance to move forward, to reach out for a new, exciting future, surrounded by the art that is her passion. All she has to do is take the first step. Enter Jackson Kane, who bursts into her life, literally out of thin air. He is a time traveler, on the hunt for a rogue agent. Colliding with Elizabeth is not on his agenda, as much as she intrigues him. When Kane is injured protecting Elizabeth from that agent, she makes a decision that will change her life, in ways she can't even begin to grasp. She takes him home. Once he is healed enough to travel, Kane goes after the agent, chasing him back to war-torn London. But his journey back takes a sideways turn, forcing Elizabeth to make another choice. She follows him into the past, to help him stop one man from changing their future. Together, they learn to trust. What they don't expect is the connection between them - a connection so strong they can't fight it, even as they try. Because how can it work, when their lives are centuries apart? *Includes an exclusive preview of First Breath, Book Two of the Love in Time series.

Who killed him and how did he die? With the help of her family, her best friend Jay, and the memory great, great, great, great, great, great grandmother, Elatsoe, must track down the killer and unravel the mystery of this creepy town and its dark past. But will the nefarious townsfolk and a mysterious Doctor stop her before she gets started? A breathtaking debut novel featuring an asexual, Apache teen protagonist, Elatsoe combines mystery, horror, noir, ancestral knowledge, haunting illustrations, fantasy elements, and is one of the most-talked about debuts of the year.

Medieval Bodies: Life and Death in the Middle Ages Jack Hartnell 2019-11-12 With wit, wisdom, and a sharp scalpel, Jack Hartnell dissects the medieval body and offers a remedy to our preconceptions. Just like us, medieval men and women worried about growing old, got blisters and indigestion, fell in love, and had children. And yet their lives were full of miraculous and richly metaphorical experiences radically different from our own, unfolding in a world where deadly wounds might be healed overnight by divine intervention, or where the heart of a king, plucked from his corpse, could be held aloft as a powerful symbol of political rule. In this richly illustrated and unusual history, Jack Hartnell uncovers the fascinating ways in which people thought about, explored, and experienced their physical selves in the Middle Ages, from Constantinople to Cairo and Canterbury. Unfolding like a medieval pageant, and filled with saints, soldiers, caliphs, queens, monks and monstrous beasts, this book throws light on the medieval body from head to toe–revealing the surprisingly sophisticated medical knowledge of the time. Bringing together medicine, art, music, politics, philosophy, religion, and social history, Hartnell's work is

an excellent guide to what life was really like for the men and women who lived and died in the Middle Ages. Perfumed and decorated with gold, fetishized or tortured, powerful even beyond death, these medieval bodies are not passive and buried away; they can still teach us what it means to be human. The City Milton J Davis 2015-10-15 The City anthology is a unique creation. It's a concept anthology, a collection of stories where eighteen different authors share their vision of a single idea. It's Cyberfunk, cyberpunk stories that play with future concepts from an African/African American perspective. Most of all it's engaging, exciting, thought provoking and fun. Like the inhabitants, the City is perceived in various ways by the various writers. Some stories intersect, some diverge, but they all entertain. The result is a journey into a unique world described by unique and engaging voices.

As his life begins to spiral out of control, Thomas is forced to confront his own past, as well as the dark forces closing in on him and everything he holds dear.

Little Blue Encyclopedia (for Vivian) Hazel Plante 2019-09-30 The playful and

poignant novel *Little Blue Encyclopedia (for Vivian)* sifts through a queer trans woman's unrequited love for her straight trans friend who died. A queer love letter steeped in desire, grief, and delight, the story is interspersed with encyclopedia entries about a fictional TV show set on an isolated island. The experimental form functions at once as a manual for how pop culture can help soothe and mend us and an exploration of oft-overlooked sources of pleasure, including karaoke, birding, and butt toys. Ultimately, *Little Blue Encyclopedia (for Vivian)* reveals with glorious detail and emotional nuance the woman the narrator loved, why she loved her, and the depths of what she has lost.

Do Not Go Quietly E. Catherine Tobler 2021-10-20 *Resistance. Revolution.* Standing up and demanding to have your space, your say, your right to be. From small acts of defiance to protests that shut down cities, *Do Not Go Quietly* is an anthology of science fiction and fantasy short stories about those who resist. Within this anthology, we will chronicle the fight for what is just and right, and what that means: from leading revolutions to the simple act of saying "No." Resistance can be a small act of everyday defiance. And other times, resistance means massive movements that topple governments and become iconic historical moments. Either way, there is power in these acts, and the contributors in *Do Not Go Quietly* will harness that power to shake our readers to the core. We are subordinates to a power base that is actively working to solidify its grip on the world. Now is the time to stand up and raise your voice and tell the world that enough is enough! Back to Venice Michael Grant 2011-05-26 Imagine what it would be like to go
back in time to the 15th century Venice. And imagine what it would be like to
meet your lifelong hero, Michelangelo. And imagine what it would be like if, on
first meeting, you spill a tray of pasta and wine on that very same hero. Well,
that's what happens to serious young artist Mark Breen. As the result of a
drunken bet, Mark knocks out a painting of a toilet bowl. Much to his
amazement, he sells it. In short order he's hailed as the new Andy Warhol and
becomes an overnight sensation-and a very wealthy man. Soon, images of his
toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The
Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of
losing his "artistic soul," advises him to go back to Italy and reacquaint
himself with the "old masters." In Venice, Mark falls in love with Alexandra, a
beautiful art restorer, but it's a one-sided affair. One night, hoping to win
her over, he climbs up on a roof to find out who painted her favorite fresco.
He falls off the roof and wakes up in 15th century Venice where he meets an
innkeeper named Francesca, who looks exactly like Alexandra. And it gets
curiouser and curiouser from there. During his stay-which is sometimes zany and
sometimes frightening-he meet his hero, Michelangelo, who teaches him the true
meaning of art.

A Complicated Legacy Robert H. Stucky 2014-05-23 If movies and books like
Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad
have moved you, you'll love *A Complicated Legacy*, a novel by Baltimore writer
Robert H. Stucky based on the true story of Elijah Willis, a white South
Carolina planter, and Amy- the love of his life, the mother of his children,
and his slave. Taking place in the decade leading up to the Civil War, it is
written with a cinematic eye for atmosphere and setting, a linguist's ear for
dialogue, and a historian's grasp of the powerful social forces and momentous
events of the time. It is a riveting tale of personal transformation in facing
the tide of sweeping social change. Elijah Willis fought family opposition,
public opinion, and the law to free his family of choice and leave them his
entire inheritance. In so doing, his and Amy's story becomes a microcosm of the
human struggles that made the Civil War and the Abolition of Slavery both

necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

The Ylem Tatiana Vila 2011-05-05 An ancient book, a seventeen-year-old girl and an exotic boy from a supernatural world hold the key to freedom for a long-oppressed race, but that freedom could come at the cost of the human world. Seventeen-year-old Kalista is suffering from a broken heart, so when her playwright father proposes they move their lives from New York to New Mexico because he is in need of inspiration Kalista is 100% on-board with him. New Mexico proves to be the perfect balm for her wounds and she is just starting to feel some of her old spunk when Tristan Winfield comes into her life and pulls all of her barriers down. Kalista is captivated by Tristan's unusual silver eyes and feels an inexplicable connection to him, which begins to manifest itself in her dreams with bizarre images of a waterfall and an orb. While searching for an explanation for her troubling dreams, Kalista discovers an ancient book which holds the secrets of a supernatural race of creatures. But when Killings hit town, she realizes her finding has come at a high price. She's in the middle of a power struggle now, and a secret seems to be wrapped within the pages of that book. A secret she's part of...

The Seeds of New Earth (the Silent Earth, Book 2) Mark R. Healy 2014-12-17 The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. The Marrow Thieves Cherie Dimaline 2019-08 Humanity has nearly destroyed its world through global warming, but now an even greater evil lurks. The indigenous people of North America are being hunted and harvested for their bone marrow, which carries the key to recovering something the rest of the population has lost: the ability to dream. In this dark world, Frenchie and his companions struggle to survive as they make their way up north to the old lands. For now, survival means staying hidden-but what they don't know is that one of them holds the secret to defeating the marrow thieves. "Miigwans is a true hero; in him Dimaline creates a character of tremendous emotional depth

and tenderness, connecting readers with the complexity and compassion of Indigenous people. A dystopian world that is all too real and that has much to say about our own." Kirkus Reviews

Love In Slow Motion E M Lindsey 2020-11-07 "Maybe it didn't end there. Maybe it started with a kiss..." The only thing Ilan Nadav knows about relationships and marriage is that they ruin people. He's committed himself to the bachelor life, and he's never been happier-until his best friend had to go and fall in the sort of toe-curling, sonnet-writing kind of love. Witnessing that created a hunger in Ilan, and now all he can see is the people standing near him who deserved better than they got. And one of those people makes his heart beat a little bit harder and a little bit faster-but he's the last man in the world Ilan is allowed to want. After all, Fredric Pedalino is his best friend's dad. When Fredric comes to him for advice about dating men, Ilan is forced to re-write his own reality-and maybe his stance on love, because Fredric is the sort of man with the ability to sweep him off his feet. Even when he isn't trying. Ilan wants Fredric more than he's ever wanted anyone before, but he's not sure he's willing to take the risk. After all, loving that man might cost him everything.

Love after the End Joshua Whitehead 2020-10-27 Lambda Literary Award winner
This exciting and groundbreaking fiction anthology showcases a number of new and emerging 2SQ (Two-Spirit and queer Indigenous) writers from across Turtle Island. These visionary authors show how queer Indigenous communities can bloom and thrive through utopian narratives that detail the vivacity and strength of 2SQness throughout its plight in the maw of settler colonialism's histories. Here, readers will discover bio-engineered AI rats, transplanted trees in space, the rise of a 2SQ resistance camp, a primer on how to survive Indigiqueerly, virtual reality applications, motherships at sea, and the very bending of space-time continuums queered through NDN time. Love after the End demonstrates the imaginatively queer Two-Spirit futurisms we have all been dreaming of since 1492. Contributors include Darcie Little Badger, Mari Kurisato, Kai Minosh Pyle, David Alexander Robertson, and jaye simpson.

Son of Sedonia Ben Chaney 2012-12 Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EX0 police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EX0s, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. *Son of Sedonia* is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.
