Petals and Thorns: A Memoir The round-the-world Journey of a Remarkable Man Bhupat Doshi 2019-04-12
Bhupat (Bobby) Doshi is living proof that nice guys can finish first. Born in India but raised in Sudan, Bhupat was expected to fulfill family obligations—even if that meant giving up his dream of becoming an avionics engineer and walking away from the girl he loved. Most would have resented making such sacrifices, but he always made the most of his circumstances. Running the family business during tumultuous political upheaval, he stayed one step ahead of competitors while navigating political minefields. With a positive attitude and dogged determination, he always went the extra mile—whether it was to the shocking nightlife of the Paris underground, the boardrooms of Japan, or to Beirut on the eve of war. By the time he immigrated to the United States of America to chase the American Dream, he had two healthy children, a wife he loved, and was ready to start a whole new adventure.

Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Letters to Mother Narendra Modi 2020-09-17 'This is not an attempt at literary writing; the passages featured in this book are reflections of my observations and sometimes unprocessed thoughts, expressed without filters... I am not a writer, most of us are not; but everybody seeks expression, and when the urge to unload becomes overpowering there is no option but to take pen to paper, not necessarily to write but to introspect and unravel what is happening within the heart and the head, and why.' -- Narendra Modi As a young man, Narendra Modi had got into the habit of writing a letter to the Mother Goddess, whom he addressed as jagat janani, every night before going to bed. The topics were varied: there were seething sorrows, fleeting joys, lingering memories. In Modi's writings there was the enthusiasm of a youngster and the passion to usher in change. But every few months, Modi would tear up the pages and consign them to a bonfire. The pages of one diary, dating back to 1986, survived, however. These are now available in English for the very first time as Letters to Mother, in a powerful translation by Bhawana Somaaya. Modi describes these letters as conversations with the Mother Goddess: 'My feelings of fear ... of anxiety ... of distress... the ordinary feelings of an ordinary man.'

Red Lip Theology Candice Marie Benbow 2022-01-18 A moving essay collection promoting freedom, self-love, and divine wholeness for Black women and opening new levels of understanding and ideological transformation for non-Black women and allies "Candice Marie Benbow is a once-in-a-generation theologian,

the kind who, having ground dogma into dust with the fine point of a stiletto, leads us into the wide-open spaces of faith.”—Brittney Cooper, author of *Eloquent Rage* and co-editor of *The Crunk Feminist Collection*

Blurring the boundaries of righteous and irreverent, Red Lip Theology invites us to discover freedom in a progressive Christian faith that incorporates activism, feminism, and radical authenticity. Essayist and theologian Candice Marie Benbow’s essays explore universal themes like heartache, loss, forgiveness, and sexuality, and she unflinchingly empowers women who struggle with feeling loved and nurtured by church culture. Benbow writes powerfully about experiences at the heart of her Black womanhood. In honoring her single mother’s love and triumphs—and mourning her unexpected passing—she finds herself forced to shed restrictions she’d been taught to place on her faith practice. And by embracing alternative spirituality and womanist theology, and confronting staid attitudes on body positivity and LGBTQ+ rights, Benbow challenges religious institutions, faith leaders, and communities to reimagine how faith can be a tool of liberation and transformation for women and girls.

Jesuit and English Experiences at the Mughal Court, C. 1580-1615 João Vicente Melo 2022 This open access book reconstructs and examines a crucial episode of Anglo-Iberian diplomatic rivalry: the clash between the Portuguese-sponsored Jesuit missionaries and the English East India Company (EIC) at the Mughal court between 1580 and 1615. This 35-year period includes the launch of the first Jesuit mission to Akbar's court in 1580 and the preparation of the royal embassy led by Sir Thomas Roe to negotiate the concession of trading privileges to the EIC, and encompasses not only the extension of the conflict between the Iberian crowns and England into Asia, but also the consolidation of the Mughal Empire. The book examines the proselytizing and diplomatic activities of the Jesuit missionaries, the evolution of English diplomatic strategies concerning the Mughal Empire, and how the Mughal authorities instigated and exploited Anglo-Iberian rivalry in the pursuit of specific commercial, geopolitical, and ideological agendas. João Vicente Melo is a JIN research fellow at University Pablo de Olavide, Seville, Spain.

Flowers In Flame - Gujarati eBook Rajnikumar Pandya 2022-04-26 At the onset, the author wishes to clarify that it is not his intent to pass judgment on the American life or culture. The story described in this book is a story of only one of the thousands of Gujarati families settled in America. It is not the author's intent to imply

that all Indian American families have similar problems. This story is based on real life events. The author spent a few months in the middle of the subject family to understand their pain and compulsions in order to write this book. He has made sincere efforts to avoid embellishments and exaggeration. America's capitalistic system and open democracy have definitely worked well for Gujarati and other Indian communities. While acknowledging their material success, the larger question is, those who breath and live the Indian sanskar, are they spiritually thriving or falling behind? The author leaves the answer to the discretion of the reader. The noted Gujarati Literature Rajnikumar Pandya was invited to America to write a story of two children of divorce and the corresponding hardship. The fate of a divorcing Gujarati couple in the nation of the dollar is very different. This is a story of green card complications, mountain of debt back in India, the influence of a very different American lifestyle and material calculations. This is a story of two innocent children caught in the web of divorce surrounded by fighting parents and conniving grandparents. The author thinks the main culprit of this story is not an individual, but possibly the "green card". The story of the attempts to protect the children of divorce from the so-called green card fire, is this book – 'Flowers in Flame' or 'Pushpadah' in Gujarati. While reading this book, if the reader feels the pain of these children, hears their silent screams and sheds a drop of tear, the author will consider it a success. Drawing and Painting Course A.S. Hashmi 2004-12 The book is divided into 15 chapters, and as the title suggests, it is planned as a 15-days course wherein all the relevant aspects of drawing and painting have been explained in simple and lucid language with hundreds of illustrations and diagrams. The students while pursuing the course will gradually learn the importance of lines -- thin, thick, straight, dotted, curved, zigzag, horizontal, cross, slanting, etc. They will appreciate the role of shape, light, texture, balance, harmony, contrast, rhythm, tone, emphasis, span, colors, etc. They will develop a perspective and a point of view and will be able to distinguish between light and highlight, shade and shadow. The book, it is hoped, will be found useful by all those persons, young or old, professionals or amateurs, who have some taste, love for art and artistic creations.

The Life and Life-work of Behramji M. Malabari Dayaram Gidumal 1888

Spirit of Love Ramanlal Morarjee 2012-01-20 The story is set in the Gujarat State of India and S. W. London. The predominant bright colours of Gujarat are reflected by the people's dresses and the cultural activities. There is a mixture of spicy and sweet smells on one hand and dusty and unpleasant smells on the other in the air. This is a story about the harrowing and tension-filled life events of my heroine 'RAKHI', based on real life experiences.

Writing India, Writing English G. J. V. Prasad 2014-03-21 The essays in this book look at the interaction between English and other Indian languages and focus on the pressure of languages on writers and on each other. Divided into two parts, the first part of the book deals with the pressure that English language has exerted, and continues to exert, in India and our ideas of connectedness as a nation in the ways in which we deal with this pressure. The essays emphasise on the emergence of the hybrid language in the Tamil cultural

world because of the presence of English (and Hindi); on the politics of 'anthologisation'; and how Karnad's Tughlaq deals with the idea of the nation, looking at its historical location. The second part of the book focuses on Indian English literature and deals with how it interacts with the idea of representing the Indian nation, sometimes obsessively, seen both in poetry and novels. The book argues that the writer's location is crucial to the world of imagination, whether in the novel, poetry or drama. The world is inflected by the location of the author, and the struggle between the language dominant in that location and English is part of the creative tension that provides energy and uniqueness to writing.

"We Love Death As You Love Life" Raffaello Pantucci 2015-07-07 As Mohammed Siddique Khan led his group of fellow-believers into London on the morning of July 7, 2005 it is unlikely that they were thinking much beyond the immediate impact of their actions. Driven by anger at the West's treatment of Muslims worldwide, ideas fed to them by foreign extremists, and a sense of extreme rejection of the society in which they were born, they sought to reshape the world in an image they thought would be pleasing to God. But while they felt they were on a holy mission -- as enunciated in Khan's chilling video message, We Love Death As You Love Life-- a far more earthly arc of history underlay their actions. This book offers an insight into the motivations behind Khan and his group, as well as the hundreds of young British Muslims who have been drawn by jihadist ideas to fight on battlefields at home and abroad. Starting with the arrival of immigrant communities to the UK and the establishment of diasporas with strong ethnic connections to the Middle East and South Asia, to the arrival of jihadist warriors fresh from the anti-Soviet war Afghanistan, this book looks at the history that came before Mohammed Siddique Khan and places his action within its larger context. This book provides the first comprehensive history of jihadist ideas and violence in the United Kingdom.

Salman Rushdie and the Genesis of Secrecy Vijay Mishra 2019-05-16 Salman Rushdie and the Genesis of Secrecy is the first book to draw extensively from material in the Salman Rushdie archive at Emory University to uncover the makings of the British-Indian writer's modernist poetics. Simultaneously connecting Rushdie with radical non-Western humanism and an essentially English-European sensibility, and therefore questions about world literature, this book argues that a true understanding of the writer lies in uncovering his 'genesis of secrecy' through a close reading of his archive. Topics and materials explored include unpublished novels, plays and screenplays; the earlier versions and drafts of *Midnight's Children* and its adaptations; understanding Islam and *The Satanic Verses*; the influence of cinema; and Rushdie's turn to earlier archives as the secret codes of modernism. Through careful examination of Rushdie's archive, Vijay Mishra demonstrates how Rushdie combines a radically new form of English with a familiarity with the generic registers of Indian, Arabic and Persian literary forms. Together, these present a contradictory orientalism that defines Rushdie's own humanism within the parameters of world literature.

Revolution and Non-Violence in Tolstoy, Gandhi, and Mandela Imraan Coovadia 2020-07-21 The dangers of

political violence and the possibilities of non-violence were the central themes of three lives which changed the twentieth century--Leo Tolstoy, writer and aristocrat who turned against his class, Mohandas Gandhi who corresponded with Tolstoy and considered him the most important person of the time, and Nelson Mandela, prisoner and statesman, who read *War and Peace* on Robben Island and who, despite having led a campaign of sabotage, saw himself as a successor to Gandhi. Tolstoy, Gandhi, and Mandela tried to create transformed societies to replace the dying forms of colony and empire. They found the inequalities of Russia, India, and South Africa intolerable yet they questioned the wisdom of seizing the power of the state, creating new kinds of political organisation and imagination to replace the old promises of revolution. Their views, along with their ways of leading others, are closely connected, from their insistence on working with their own hands and reforming their individual selves to their acceptance of death. On three continents, in a century of mass mobilization and conflict, they promoted strains of nationalism devoid of antagonism, prepared to take part in a general peace. Looking at Tolstoy, Gandhi, and Mandela in sequence, taking into account their letters and conversations as well as the institutions they created or subverted, placing at the centre their treatment of the primal fantasy of political violence, this volume reveals a vital radical tradition which stands outside the conventional categories of twentieth-century history and politics.
