*Love Letters from Montmartre* Nicolas Barreau 2020-05-12 For fans of Nina George, Elena Ferrante, and Valentina Cebeni, a charming, uplifting novel about a man who sets out to fulfil his dead wife's last wish. Julien Azouly, the famous French writer of beautiful romance novels, has stopped believing in love. When his beloved wife, H el ene, dies at the age of thirty-three, leaving him alone to raise their young son, Arthur, he is so devastated that he loses faith in the happier side of life—and along with that his ability to write. But H el ene was clever. Before her death, she made her husband promise to write her thirty-three letters, one for each year of her life. Six months after the funeral, Julien finds himself standing in the most famous cemetery in Paris, the painful first letter in his hand. Little does he know that something strange—and wonderful—is about to happen. An ode to love, Paris, and joie de vivre, *Love Letters from Montmartre* brings the reader down narrow streets, past the cozy red bistro on Rue Gabrielle, and all the way to Montmartre cemetery with its beautiful stone angels, where we will discover the truth we all hope to find: that love is real, that miracles can happen and that—most of all—it's never too late to rediscover your dreams. Empathetic and wise, this is the deeply profound yet very human story of a man who finds love just when he thinks all is lost.

**Love Letters to the Dead** Ava Dellaira 2014-04 When Laurel starts writing letters to dead people for a school assignment, she begins to spill about her sister's mysterious death, her mother's departure from the family, her new friends, and her first love.

**Tacky** Rax King 2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column "Store-Bought Is Fine" Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to "good" taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, *Sex and the City*, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in "You Wanna Be On Top," Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a

collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. A VINTAGE ORIGINAL

Love Letters to the Dead Ava Dellaira 2014-05-01 Sometimes the best letters are the ones that go unanswered It begins as an assignment for English class: write a letter to a dead person - any dead person. Laurel chooses Kurt Cobain - he died young, and so did Laurel's sister May - so maybe he'll understand a bit of what Laurel is going through. Soon Laurel is writing letters to lots of dead people - Janis Joplin, Heath Ledger, River Phoenix, Amelia Earhart... it's like she can't stop. And she'd certainly never dream of handing them in to her teacher. She writes about what it's like going to a new high school, meeting new friends, falling in love for the first time - and how her family has shattered since May died. But much as Laurel might find writing the letters cathartic, she can't keep real life out forever. The ghosts of her past won't be contained between the lines of a page, and she will have to come to terms with growing up, the agony of losing a beloved sister, and the realisation that only you can shape your destiny. A lyrical, haunting and stunning debut from the protégé of Stephen Chbosky (THE PERKS OF BEING A WALLFLOWER).

**Albert Einstein, Mileva Maric** Albert Einstein 2020-07-07 In 1903, despite the vehement objections of his parents, Albert Einstein married Mileva Maric, the companion, colleague, and confidante whose influence on his most creative years has given rise to much speculation. Beginning in 1897, after Einstein and Maric met as students at the Swiss Federal Polytechnic, and ending shortly after their marriage, these fifty-four love letters offer a rare glimpse into Einstein's relationship with his first wife while shedding light on his intellectual development in the period before the annus mirabilis of 1905. Unlike the picture of Einstein the lone, isolated thinker of Princeton, he appears here both as the burgeoning enfant terrible of science and as an amorous young man beset, along with his fiancée, by financial and personal struggles--among them the illegitimate birth of their daughter, whose existence is known only by these letters. Describing his conflicts with professors and other scientists, his arguments with his mother over Maric, and his difficulty obtaining an academic position after graduation, the letters enable us to reconstruct the youthful Einstein with an unprecedented immediacy. His love for Maric, whom he describes as "a creature who is my equal, and who is as strong and independent as I am," brings forth his serious as well as playful, often theatrical nature. After their marriage, however, Maric becomes less his intellectual companion, and, failing to acquire a teaching certificate, she subordinates her professional goals to his. In the final letters Einstein has obtained a position at the Swiss Patent Office and mentions their daughter one last time to his wife in Hungary, where she is assumed to have placed the girl in the care of relatives. Informative, entertaining, and often very moving, this collection of letters captures for scientists and general readers alike a little known yet crucial period in Einstein's life.

Love Letters of the Great War Mandy Kirkby 2014-01-16 From the private papers of Winston Churchill to the tender notes of an unknown Tommy in the trenches, Love Letters of the Great War brings together some of the most romantic correspondence ever written. Many of the letters collected here are eloquent declarations of love and longing; others contain wrenching accounts of fear, jealousy and betrayal; and a number share sweet dreams of home. But in all the correspondence - whether from British, American, French, German, Russian, Australian and Canadian troops in the height of battle, or from the heartbroken wives and sweethearts left behind - there lies a truly human portrait of love and war. A century on from the First World War, these letters offer an intimate glimpse into the hearts of men and women separated by conflict, and show how love can transcend even the bleakest and most devastating of realities. Edited and introduced by Mandy Kirkby, with a foreword from Orange Prize-winner Helen Dunmore.

is engrossing.”—Washington Post Book World For most of us, it was just another horrible headline. But for Deborah Spungen, the mother of Nancy, who was stabbed to death at the Chelsea Hotel, it was both a relief and a tragedy. Here is the incredible story of an infant who never stopped screaming, a toddler who attacked people, a teenager addicted to drugs, violence, and easy sex, a daughter completely out of control—who almost destroyed her parents’ marriage and the happiness of the rest of her family.

**Better Off Friends** Elizabeth Eulberg 2014-02-25 For Macallan and Levi, it was friends at first sight. Everyone says guys and girls can't be just friends, but these two are. They hang out after school, share tons of inside jokes, their families are super close, and Levi even starts dating one of Macallan's friends. They are platonic and happy that way. Eventually they realize they're best friends -- which wouldn't be so bad if they didn't keep getting in each other's way. Guys won't ask Macallan out because they think she's with Levi, and Levi spends too much time joking around with Macallan, and maybe not enough time with his date. They can't help but wonder . . . are they more than friends or are they better off without making it even more complicated? From romantic comedy superstar Elizabeth Eulberg comes a fresh, fun examination of a question for the ages: Can guys and girls ever really be just friends? Or are they always one fight away from not speaking again -- and one kiss away from true love?

**Dead Letters** Caite Dolan-Leach 2018-02-06 A missing woman leads her twin sister on a twisted scavenger hunt in this clever debut novel with eccentric, dysfunctional characters who will keep you guessing until the end—for readers of Luckiest Girl Alive and The Wife Between Us. Ava has her reasons for running away to Paris. But when she receives the shocking news that her twin sister, Zelda, is dead, she is forced to return home to her family’s failing vineyard in upstate New York. Knowing Zelda’s penchant for tricks and deception, Ava is not surprised when she receives her twin’s cryptic message from beyond the grave. Following her sister’s trail of clues, Ava immerses herself in Zelda’s drama and her outlandish circle of friends and lovers, and soon finds herself confronted with dark family legacies and twisted relationships. Is Zelda trying to punish Ava for leaving? Or is she simply trying to write her own ending? Caite Dolan-Leach’s debut thriller is a literary scavenger hunt for secrets hidden everywhere from wine country to social media, and buried at the dysfunctional heart of one utterly unforgettable family. Praise for Dead Letters “Dolan-Leach writes like Paula Hawkins by way of Curtis Sittenfeld.”—Amy Gentry, author of Good as Gone “A sharp, wrenching tale of the true love only twins know . . . Dolan-Leach nimbly entwines the clever mystery of Agatha Christie, the wit of Dorothy Parker, and the inebriated Gothic of Eugene O’Neill.”—Kirkus Reviews “A smart, dazzling mystery . . . Dolan-Leach revels in toying with both Ava and her audience . . . and the result is captivating.”—Publishers Weekly (starred review) “Draws you in like you are part of the story itself, living and breathing alongside the compelling characters as they uncover the dark secrets of their complicated family.”—Wendy Walker, author of All Is Not Forgotten “Push-pull tension . . . This book is wine-soaked yet lucid, comforting and frightening, asking the big questions about intimacy and loyalty.”—Caroline Kepnes, author of You

*Love Letters to the Dead* Ava Dellaira 2014-04-01 It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more -- though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was -- lovely and amazing and deeply flawed -- can she begin to discover her own path in this stunning debut from Ava Dellaira, *Love Letters to the Dead*.

**Dead Girls Don't Write Letters** Gail Giles 2004-09 From the acclaimed author of "Shattering Glass." When Sunny Reynolds's sister, Jazz, dies in a fire, the family falls apart. Soon, "Jazz" comes home, and everything returns to normal. But Sunny knows this girl is not her sister. Who is she? And what does she want?

**Letters from the Dead** Steve Robinson 2018-08 From acclaimed author Steve Robinson comes a thrilling new Jefferson Tayte mystery. When genealogist Jefferson Tayte is hired to prove the identity of a black sheep in his client's family tree, he unwillingly finds himself drawn into a murder investigation with nothing more to go on than a 150-year-old letter and a connection to a legendary ruby that has been

missing for generations. As more letters are mysteriously left for him, Tayte becomes immersed in a centuries-old tale of greed, murder and forbidden love that takes his research from the wilds of the Scottish Highlands to the colour and heat of colonial India. A dark secret is buried in Jaipur, steeped in treachery and scandal. But why is it having such deadly repercussions in the present? Can Tayte find the ruby and prevent the past from repeating itself before it's too late? This is the seventh book in the Jefferson Tayte Genealogical Mystery series but it can be enjoyed as a stand-alone story.

**Letters to Felice** Franz Kafka 2016-12-06 Franz Kafka met Felice Bauer in August 1912, at the home of his friend Max Brod. Energetic, down-to-earth, and life-affirming, the twenty-five-year-old secretary was everything Kafka was not, and he was instantly smitten. Because he was living in Prague and she in Berlin, his courtship was largely an epistolary one—passionate, self-deprecating, and anxious letters sent almost daily, sometimes even two or three times a day. But soon after their engagement was announced in 1914, Kafka began to worry that marriage would interfere with his writing and his need for solitude. The more than five hundred letters Kafka wrote to Felice—through their breakup, a second engagement in 1917, and their final parting in the fall of that year, when Kafka began to feel the effects of the tuberculosis that would eventually claim his life—reveal the full measure of his inner turmoil as he tried, in vain, to balance his desire for human connection with what he felt were the solitary demands of his craft.

**Dead Letters from Paradise** Ann McMan 2022-06-28 Two-time Lambda Literary Award-winning author Ann McMan introduces readers to a spinster postal investigator for the Winston-Salem Dead Letter Office who finds herself enmeshed in the mystery of solving who is sending undeliverable love letters to the town's 18th-century hortus medicus. The year is 1960, and Gunsmoke is the most popular show on TV. Elvis Presley tops the Billboard charts, and a charismatic young senator named John F. Kennedy is running for president. And, in North Carolina, four young Black men sit down at a Woolworth's lunch counter and demand service. Enter Esther Jane (EJ) Cloud, a forty-something spinster who manages the Dead Letter Office at the Winston-Salem post office. EJ leads a quiet life in her Old Salem ancestral home and spends her free time volunteering in the town's 18th century medicinal garden. One sunny Spring morning, EJ's simple life is turned upside down when the town's master gardener unceremoniously hands her a stack of handwritten letters that have all been addressed to a nonexistent person at the garden. This simple act sets in motion a chain of events that will lead EJ on a life-altering quest to uncover the identity of the mysterious letter writer--and into a surprising head-on confrontation with the harsh realities of the racial injustice that is as deeply rooted in the life of her community as the ancient herbs cultivated in the Moravian garden. When EJ is forced to read the letters to look for clues about the anonymous sender, what she discovers are lyrical tales of a forbidden passion that threaten to unravel the simple contours of her unexamined life. EJ's official quest soon morphs into a journey of self-discovery as she becomes more deeply enmeshed in the fate of the mysterious letter writer, Dorothea. Her surprising accomplice in solving the mystery of the letters becomes one, Harrie Hart: a savvy, street smart ten-year-old, wielding an eye patch and a limitless supply of aphorisms. Together, Harrie and EJ make seminal pilgrimages to the tiny town of Paradise to try and uncover the identity of the mercurial sender and, ultimately, learn a better way to navigate the changing world around them.

From kids to adults, this coloring book is fun for everyone.

*Letters to the Lost* Brigid Kemmerer 2017-04-04 SSecret letters spark true love in this emotionally compelling romance from the New York Times bestselling author of *A Curse So Dark and Lonely*, Brigid Kemmerer. Juliet Young always writes letters to her mother, a world-traveling photojournalist. Even after her mother's death, she leaves letters at her grave. It's the only way Juliet can cope. Declan Murphy isn't the sort of guy you want to cross. In the midst of his court-ordered community service at the local cemetery, he's trying to escape the demons of his past. When Declan reads a haunting letter left beside a grave, he can't resist writing back. Soon, he's opening up to a perfect stranger, and their connection is immediate. But neither Declan nor Juliet knows that they're not actually strangers. When life at school interferes with their secret life of letters, sparks will fly as Juliet and Declan discover truths that might tear them apart.

Letters to a Dead Friend about Zen Brad Warner 2019-10-08 The night Brad Warner learns that his childhood friend Marky has died, Warner is about to speak to a group of Zen students in Hamburg, Germany. It's the last thing he feels like doing. What he wants to do instead is tell his friend everything he never said, to explain Zen and what he does for a living and why he spends his time "Sitting. Sitting. Sitting. Meditating my life away as it all passes by. Lighting candles and incense. Bowing to nothing." So, as he continues his teaching tour through Europe, he writes to his friend all the things he wishes he had said. Simply and humorously, he reflects on why Zen provided him a lifeline in a difficult world. He explores grief, attachment, and the afterlife. He writes to Marky, "I'm not all that interested in Buddhism. I'm much more interested in what is true," and then proceeds to poke and prod at that truth. The result for readers is a singular and winning meditation on Zen — and a unique tribute to both a life lost and the one Warner has found.

**The Infinite Moment of Us** Lauren Myracle 2013-08-27 For as long as she can remember, Wren Gray's goal has been to please her parents. But as high school graduation nears, so does an uncomfortable realization: Pleasing her parents once overlapped with pleasing herself, but now . . . not so much. Wren needs to honor her own desires, but how can she if she doesn't even know what they are? Charlie Parker, on the other hand, is painfully aware of his heart's desire. A gentle boy with a troubled past, Charlie has loved Wren since the day he first saw her. But a girl like Wren would never fall for a guy like Charlie—at least not the sort of guy Charlie believes himself to be. And yet certain things are written in the stars. And in the summer after high school, Wren and Charlie's souls will collide. But souls are complicated, as are the bodies that house them . . . Sexy, romantic, and oh-so-true to life, this is an unforgettable look at first love from one of young adult fiction's greatest writers. Praise for *The Infinite Moment of Us* **STARRED REVIEW** "The scenes of sexual intimacy are described with innocently erotic frankness, offering an ideal (if not idealized) model for readers on the cusp; this is *Forever...* for a new generation, offering character depth Cath and Michael never achieved. Summer love has never been so good." —Kirkus Reviews, starred review "In contrast to unhealthy depictions of sex and relationships that teenagers (and adults) are often exposed to in media and entertainment, Myracle offers up a passionate romance built on a bedrock of love, respect, and trust. And it's difficult to see that as a bad thing." —Publishers Weekly "Two mature recent high school graduates fall in love and bring out the best in each other in Lauren Myracle's thoughtful exploration of an intimate relationship...the relationship between Wren and Charlie always remains realistic and involving." —Shelf Awareness "This charming romance has multidimensional characters, straightforward sexuality, and a pace that lets readers fall in love with the main characters. Myracle expertly captures the intense connection of first love, from the need to spend every moment together to trying to figure out how to communicate with one another." —School Library Journal "The single-focus intensity of Wren and Charlie's feelings is spot-on for the age group... chapters move between both their perspectives as they grow into the relationship, offering readers of both sexes a rather compelling example of the how-to's of intimacy." —The Bulletin of The Center for Children's Books

*In Search of Us* Ava Dellaira 2018-03-06 This sweeping multi-generational love story introduces readers to mother-and-daughter pair Marilyn and Angie. To seventeen-year-old Angie, who is mixed-race, Marilyn is her hardworking, devoted white single mother. But Marilyn was once young, too. When Marilyn was seventeen, she fell in love with Angie's father, James, who was African-American. But Angie's never met him, and Marilyn has always told her he died before she was born. When Angie discovers evidence of an uncle she's never met she starts to wonder: What if her dad is still alive, too? So she sets off on a journey to find him, hitching a ride to LA from her home in New Mexico with her ex-boyfriend, Sam. Along the way, she uncovers some hard truths about herself, her mother, and what truly happened to her father.

*A Child of Books* Oliver Jeffers 2016-09-06 A young reader introduces a boy to the many imaginative worlds that books bring to life.

*Chronicle of a Death Foretold* Gabriel García Márquez 2014-10-15 AVAILABLE FOR THE FIRST TIME IN eBook! A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, and as the story races to its inexplicable conclusion, an entire society--not just a pair of murderers—is put on trial. Gabriel García Márquez was born in Colombia in 1927. He was awarded the Nobel Prize in Literature in 1982. He is the author of many works of fiction and nonfiction, including *One Hundred Years of Solitude*, *Love In The Time Cholera*, *The Autumn Of The Patriarch*, *The General In His Labyrinth*, and *News Of A Kidnapping*. He died in 2014.

**Directions to the Beach of the Dead** Richard Blanco 2005 In his second book of narrative, lyric poetry, Richard Blanco explores the familiar, unsettling journey for home and connections, those anxious musings about other lives: "Should I live here? Could I live here?" Whether the exotic ("I'm struck with Maltese fever / El dream of buying a little Maltese farm") or merely different ("Today, home is a cottage with morning in the yawn of an open window"), he examines the restlessness that threatens from merely staying put, the fear of too many places and too little time. The words are redolent with his Cuban heritage: Marina making mole sauce; T'a Ida bitter over the revolution, missing the sisters who fled to Miami; his father, especially, "his hair once as black as the black of his oxfords." Yet this is a volume for all who have longed for enveloping arms and words, and for that sanctuary called home. "So much of my life spent like this--suspended, moving toward unknown places and names or returning to those I know, corresponding with the paradox of crossing, being nowhere yet here." Blanco embraces juxtaposition.

There is the Cuban Blanco, the American Richard, the engineer by day, the poet by heart, the rhythms of Spanish, the percussion of English, the first-world professional, the immigrant, the gay man, the straight world. There is the ennui behind the question: why cannot I not just live where I live? Too, there is the precious, fleeting relief when he can write "Él am, for a moment, not afraid of being no more than what I hear and see, no more than this:..." It is what we all hope for, too.

Letters of a Dead Man Hermann von Pückler-Muskau 2016-04-25 In 1826, the prince of Pückler-Muskau embarked on a tour of England, Wales, and Ireland. Although captivated by all things British, his initial objective was to find a wealthy bride. He and his wife Lucie, having expended every resource on a plan to transform their estate into a vast landscape park, agreed to an amicable divorce, freeing him to forge an advantageous alliance that could rescue their project. For over two years, Pückler's letters home conveyed a vivid, often quirky, and highly entertaining account of his travels. From the metropolis of London, he toured the mines and factories of the Industrial Revolution and visited the grand estates and spectacular art collections maintained by its beneficiaries. He encountered the scourge of rural and urban poverty and found common cause with the oppressed Irish. With his gift for description, Pückler evokes the spectacular landscapes of Wales, the perils of transportation, and the gentle respite of manor houses and country inns. Part memoir, part travelogue and political commentary, part epistolary novel, Pückler's rhetorical flare and acute observations provoked the German poet Heinrich Heine to characterize him as the "most fashionable of eccentric men" "Diogenes on horseback."

*Letters From A Dead Girl* Kat Savage 2020-07-27 In Kat Savage's latest (re)collection, is a series of letters she's written to those she's loved--and almost loved. This work explores not physical death, but the moments after knowing someone, when you realize you're simply a ghost of their past.

Despite his best efforts, the man fails to answer his complex question and decides to send a letter after his death to educate others about what really happens when the last fistful of dirt is thrown on his shrouded body. Like everyone else, the Muslim man does not possess an unlimited visa to stay in this world and suddenly passes away one day, shocking his loved ones and overjoying his enemies. As promised, he leads others through the process of death and beyond, providing an intriguing glimpse into a holographic world where souls wait to be personally interviewed by God and an army of angels. But everything changes after he receives God's blessing to enter heaven and makes an unusual request that astonishes God and the angels and steers him down a new path where he will make amazing discoveries about life, religion, and his fellow man. A Letter from the Dead shares a Muslim man's enlightening journey from Earth to the world beyond as he learns valuable lessons he openly shares with the living.

**The Summer of Letting Go** Gae Polisner 2014-02-01 Just when everything seems to be going wrong, hope—and love—can appear in the most unexpected places. Summer has begun, the beach beckons—and Francesca Schnell is going nowhere. Four years ago, Francesca's little brother, Simon, drowned, and Francesca's the one who should have been watching. Now Francesca is about to turn sixteen, but guilt keeps her stuck in the past. Meanwhile, her best friend, Lisette, is moving on—most recently with the boy Francesca wants but can't have. At loose ends, Francesca trails her father, who may be having an affair, to the local country club. There she meets four-year-old Frankie Sky, a little boy who bears an almost eerie resemblance to Simon, and Francesca begins to wonder if it's possible Frankie could be his reincarnation. Knowing Frankie leads Francesca to places she thought she'd never dare to go—and it begins to seem possible to forgive herself, grow up, and even fall in love, whether or not she solves the riddle of Frankie Sky.

**Something Fabulous** Alexis Hall 2022-01-25 From the acclaimed author of Boyfriend Material comes a delightfully witty romance featuring a reserved duke who's betrothed to one twin and hopelessly enamoured of the other. Valentine Layton, the Duke of Malvern, has twin problems: literally. It was always his father's hope that Valentine would marry Miss Arabella Tarleton. But, unfortunately, too many novels at an impressionable age have caused her to grow up...romantic. So romantic that a marriage of convenience will not do and after Valentine's proposal she flees into the night determined never to set eyes on him again. Arabella's twin brother, Mr. Bonaventure "Bonny" Tarleton, has also grown up...romantic. And fully expects Valentine to ride out after Arabella and prove to her that he's not the cold-hearted cad he seems to be. Despite copious misgivings, Valentine finds himself on a pell-mell chase to Dover with Bonny by his side. Bonny is unreasonable, overdramatic, annoying, and...beautiful? And being with him makes Valentine question everything he thought he knew. About himself. About love. Even about which Tarleton he should be pursuing.
