Haruko/Love Poems June Jordan 2023-01-26 In trailblazing poet, essayist, teacher and activist June Jordan's poems, love is a vision of revolutionary solidarity, crossing borders both emotional and literal with an outstretched hand. Haruko traces the faltering arc of a passionate love affair with another woman while Love Poems encompasses relationships with men and women, political resistance, the need for self-care in a demanding, uncaring world and apocalyptic visions of the eruption of Mount Vesuvius that destroyed Pompeii and Herculaneum. A contemporary of Alice Walker, Toni Morrison and Audre Lorde, June Jordan's spectacular poetry remains profoundly politically potent, lyrically inventive and breathtakingly romantic. First published in 1994, Haruko/ Love poems is a vitally important modern classic.

Love Poems Pablo Neruda 2008-01-17 Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Nobel Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor..." Written on the paradisaical island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, *Love Poems* embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses.

Love by Night SK Williams 2021-02-02 More of a story than a collection of poetry, *Love by Night* will whisk you away from your world and into the dreamy romantic night. *Love by Night* begins with anxious hesitation and nervous attraction, grows into tender affection, blossoms into passionate love, delves deep into whimsical dreams, and finally builds an image of an idyllic future together, as the reader develops along with the two characters of this poetic story. Written as a conversation between two points of view in constant change and flux with each other, this book invites the reader into the conversation about the love that connects one person to another, but also all of us to each other. Through this written testament to the emotional journeys books can take us on, S. K. Williams breaks down stereotypes, sexism, relationship roles, and brings awareness to mental health, grief, anxiety, depression, how to move forward, how to love in a healthy way, and, most of all, how to love yourself when it feels impossible.

Love Poems Carol Ann Duffy 2010 Whether writing of longing or adultery, seduction or simple homely acts of love, Carol Ann Duffy brings to her readers the truth of each experience. Her poetry speaks of tangled, heated passion; of erotic love; fierce and hungry love; unrequited love; and of the end of love. It recognises too the way that love can make the everyday sacred. As with all her writing, these poems are alive to the sounds of modern life, but also attuned to - and rich with - the traditions of love poetry. *Love Poems* contains some of Carol Ann Duffy's most popular poems. Always imaginative, heartfelt and direct, Duffy finds words for our experiences in love and out of love, and displays all the eloquence and skill that have made her one of the foremost poets of her time.

The Dark Between Stars Atticus 2018-09-04 From the internationally bestselling author of *Love Her Wild* comes *The Dark Between Stars*, a new illustrated collection of heartfelt, whimsical, and romantic poems from Instagram poetry sensation, Atticus. Atticus, has captured the hearts and minds of nearly 700k followers (including stars like Karlie Kloss, Emma Roberts, and Alicia Keys). In his second collection of poetry, *The Dark Between Stars*, he turns his attention to the dualities of our lived experiences—the inescapable connections between our highest highs and lowest lows. He captures the infectious energy of starting a relationship, the tumultuous realities of commitment, and the agonizing nostalgia of being alone again. While grappling with the question of how to live with purpose and find meaning in the journey, these poems offer both honest explorations of loneliness and our search for connection, as well as light-hearted, humorous observations. As Atticus writes poignantly about dancing, Paris, jazz clubs, sunsets, sharing a bottle of wine on the river, rainy days, creating, and destroying, he illustrates that we need moments of both beauty and pain—the darkness and the stars—to fully appreciate all that life and love have to offer.

Eternal Love: Romantic Poetry Straight from the Heart Stacey Chillemi How do you know when you are in love? What is true love and what is not? How can I find a person to love and share the rest of my life? Will

true love come to me naturally? How can I build a relationship? The poems in my book answer these questions. People are eager to find true love—love that will not last a short period of time, but for a lifetime. Eternal Love is designed to answer these questions and more. It is divided into two sections that correspond to the way most people “experience” love: the explanation of love and the love poems (using poems and love letters that I created). Each part highlights a particular aspect of love, what love is, and how it can be obtained. Many philosophers and writers have tried to find the true meaning of love, yet true love remains to be one of the most mysterious feelings on this planet. Sometimes we are not always aware when true love comes our way. True love is not something we can control. It takes control of our mind, body, and soul. However, when it does come our way, it enriches our lives and makes our heart sing with joy. True love is magical, and no one should have to live without it. *Eternal Love: Romantic Poetry Straight from the Heart* is a collection of poems that describes the true meaning of true love. So find a comfortable spot in your home and get ready to encounter the magical journey of eternal love.

The Penguin Book of Romantic Poetry Jonathan Wordsworth 2005-05-26 The Romanticism that emerged after the American and French revolutions of 1776 and 1789 represented a new flowering of the imagination and the spirit, and a celebration of the soul of humanity with its capacity for love. This extraordinary collection sets the acknowledged genius of poems such as Blake's 'Tyger', Coleridge's 'Kubla Khan' and Shelley's 'Ozymandias' alongside verse from less familiar figures and women poets such as Charlotte Smith and Mary Robinson. We also see familiar poets in an unaccustomed light, as Blake, Wordsworth and Shelley demonstrate their comic skills, while Coleridge, Keats and Clare explore the Gothic and surreal.

Burning Desire Theodore V. Prime 2011-04-28 Theodore Prime composed *Burning Desire* while a senior at Notre Dame High School in Lawrenceville, New Jersey. A writer of poetry since he was 12 years old, Theo often reflected upon the things a man in love thinks about but never says to the object of his affections. This collection of poems is his first attempt to capture the essence of these feelings—the yearning, the longing, the hurt, the anguish, and even the despair that torments a man who plays the game of love . . . and often loses. And while men certainly will identify with the feelings found here, it is the women among his readers whom Theo really is addressing. For it is they who finally will secure a window into a man's heart and see, perhaps for the first time, how vulnerable men really are.

Postcolonial Love Poem Natalie Diaz 2020-03-03 Natalie Diaz's highly anticipated follow-up to *When My Brother Was an Aztec*, winner of an American Book Award *Postcolonial Love Poem* is an anthem of desire against erasure. Natalie Diaz's brilliant second collection demands that every body carried in its pages—bodies of language, land, rivers, suffering brothers, enemies, and lovers—be touched and held as beloveds. Through these poems, the wounds inflicted by America onto an indigenous people are allowed to bloom pleasure and tenderness: "Let me call my anxiety, desire, then. / Let me call it, a garden." In this new lyrical landscape, the bodies of indigenous, Latinx, black, and brown women are simultaneously the body politic and the body ecstatic. In claiming this autonomy of desire, language is pushed to its dark edges, the astonishing dunefields and forests where pleasure and love are both grief and joy, violence and sensuality. Diaz defies the conditions from which she writes, a nation whose creation predicated the diminishment and ultimate erasure of bodies like hers and the people she loves: "I am doing my best to not become a museum / of myself. I am doing my best to breathe in and out. // I am begging: Let me be lonely but not invisible." *Postcolonial Love Poem*

unravels notions of American goodness and creates something more powerful than hope—in it, a future is built, future being a matrix of the choices we make now, and in these poems, Diaz chooses love.

Poetry and Pearls N. R. Hart 2018-12-04 A true romantic at heart, N.R.Hart expresses feelings of love, hope, passion, despair, vulnerability and romance in her poetry. Trapping time forever and a keeper of memories is what she loves most about the enduring power of poetry. Her poetry has been so eloquently described as "words delicately placed inside a storm." Poetry is here to make us feel instead of think; as thinking is for the mind and poetry is for the heart and soul. N.R.Hart hopes to open up your heart and touch your soul with her poetry.

Love and Other Poems Alex Dimitrov 2021-02-18 Alex Dimitrov's third book, *Love and Other Poems*, is full of praise for the world we live in. Taking time as an overarching structure—specifically, the twelve months of the year—Dimitrov elevates the everyday, and speaks directly to the reader as if the poem were a phone call or a text message. From the personal to the cosmos, the moon to New York City, the speaker is convinced that love is "our best invention." Dimitrov doesn't resist joy, even in despair. These poems are curious about who we are as people and shamelessly interested in hope.
