**Global Television Formats** Sharon Shahaf 2013-06-17 "Global Television Formats" aims to revise the place of the global in television studies. The essays gathered here explore the diversity of global programming and approaches, and ask how to theorize contemporary global formats and thus re-shape our understanding of television as at once a shared global and specific local text, an economic system, a socio-political institution, and a popular practice. The contributors explore a wide array of television programming from the Middle East, Western and Eastern Europe, South Asia, North America, Latin America, and Brazil, and represent a br.

*Practicing Psychotherapy* Linda L. Chamberlain 2020-11-29 In this book of lessons learned from working as a psychotherapist for over 40 years, Dr. Chamberlain shares her varied expertise and experiences, bestowing the wisdom she has gleaned throughout her career from patients, students, teachers, and colleagues. The text examines three core themes: How helping clients is often intertwined with the therapist's own life journey; the experience of building intimate relationships with vulnerable populations; and the process of accepting loss, letting go, and moving forward, both for the client and the therapist. Prioritizing personal narratives, case examples, professional research, and discussions with experienced clinicians, this book marks the significant impact psychotherapy has on not just patients and clients but also the mental health professional. Offering enlightenment for readers ranging from longstanding psychotherapists to former patients, this unique book provides a particularly valuable resource for beginning therapists and therapists-in-training who seek a greater understanding of what it means to be a successful and effective therapist. .

**A Journey to the High Places** Christopher Felix Bezzina 2012-12-24 Since his existence the human being has explored various ways in his quest for God. Part of this search is related to humanity's yearning for true harmony and joy in the world. Christian spirituality, as a unique spirituality one encounters today, imparts various ways one can respond to this longing. One of these ways is through allegorical narratives.

Specifically, this study analyzes the spirituality of Hannah Hurnard (1905-1990) by intertextually perusing her most famous allegorical narrative *Hinds' Feet on High Places*. *A Journey to the High Places* is divided into four chapters. In chapter 1 the allegorical narrative is subjectively considered in all its aspects and the central themes are expressed without any reference to other secondary connections. Chapter 2 analyzes the allegorical narrative by relating this narrative with other material that Hannah Hurnard published. These other narratives provide the tools which Hannah employed in the composition of this allegorical narrative. Thus, chapter 2 presents an intertextual analysis between her other publications and "*Hinds' Feet on High Places*." Likewise, chapter 3 presents another intertextual analysis between the many biblical abstracts and their relation to the narrative, in the hope of showing her biblical interpretations. Several spiritual themes that emerged from the preceding chapters are discussed in chapter 4, presenting a consistent spirituality. In presenting the themes one notes that the strong points and weaknesses of Hannah's spirituality are related to other Christian spiritual traditions. In order to conduct a comprehensive study the introductory section of this study deals with the significance of allegory and spirituality.

**Children and Pollution** Colleen F. Moore 2009-04-08 How does pollution impact our daily quality of life? What are the effects of pollution on children's development? Why do industry and environmental experts disagree about what levels of pollutants are safe? In this clearly written book, Moore traces the debates around five key pollutants--lead, mercury, noise, pesticides, and dioxins and PCBs--and provides an overview of the history of each pollutant, basic research findings, and the scientific and regulatory controversies surrounding it. Moore focuses, in particular, on the impact of these pollutants on children's psychological development--- their intellectual functioning, behavior, and emotional states. Only by understanding the impact of pollution can we prevent future negative effects on quality of life and even pollution disasters from occurring.

“At This Defining Moment” Enid Lynette Logan 2011-10-01 In January 2009, Barack Obama became the 44th president of the United States. In the weeks and months following the election, as in those that preceded it, countless social observers from across the ideological spectrum commented upon the cultural, social and political significance of “the Obama phenomenon.” In “At this Defining Moment,” Enid Logan provides a nuanced analysis framed by innovative theoretical insights to explore how Barack Obama’s presidential candidacy both reflected and shaped the dynamics of race in the contemporary United States. Using the 2008 election as a case study of U.S. race relations, and based on a wealth of empirical data that includes an analysis of over 1,500 newspaper articles, blog postings, and other forms of public speech collected over a 3 year period, Logan claims that while race played a central role in the 2008 election, it was in several respects different from the past. Logan ultimately concludes that while the selection of an individual African American man as president does not mean that racism is dead in the contemporary United States, we must also think creatively and expansively about what the election does mean for the nation and for the evolving contours of race in the 21st century.

**Love and Grief** Catherine Marianne O'Neill 2005 *Love and Grief* offers sympathetic support to adults who have lost a partner, helping them to explore the difficult and often painful process of forming new relationships. Through personal accounts and poems, the authors show how the challenges of grief are

experienced and dealt with by the bereaved and all around them.

*An Archdemon's Dilemma: How to Love Your Elf Bride (Manga) Volume 6* Fuminori Teshima 2021-09-01

Following the attack in Kianoides by a sorcerer who looks just like her, Nephy returns to the castle, armed with an invitation to a ball hosted by Archdemon Bifrons. Though reluctant to attend, Zagan accepts and decides to get everyone dressed up for the occasion. But what good could come from getting involved? Meanwhile, Nephy remains troubled over whether or not to tell Zagan of her mysterious assailant.

Start with Why Simon Sinek 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.
