Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

*Circle of Blood Book Four: Lover's Absolution* R. A. Steffan 2018-05-25 Xander hates werewolves. In all fairness, they're not too keen on him either. Normally, avoidance would be the obvious solution. At least, it would be if the werewolves in question weren't holding a newly turned six-year-old vampire child as a

prisoner. Alone in London, it's up to Xander to rescue the boy before he can fall into the hands of Bael's sadistic servant, Bastian Kovac. That mission that becomes exponentially more difficult when Xander discovers the identity of the mysterious female werewolf acting as the boy's guardian. With the forces of darkness closing in from all directions, nothing is as it seems. There's a reason vampires and werewolves don't mix. Of course, in more than a hundred and twenty years, no one has ever accused Xander of playing by the rules. Why should he start now? \* \* \* The Circle of Blood Series In another lifetime, six vampires lost their mates—and their mortality—to an unimaginable evil power. Now, if they can't reunite with the reincarnated souls of their lost loves soon, it may just mean the end of the world. From USA Today bestselling author R. A. Steffan and fresh new voice Jaelynn Woolf comes a steamy paranormal romance series perfect for adult fans of vampire fiction. *Bad* L. P. Lovell 2017-11-07 True power is never held by good men, only the most perfect of villains. And she and I are both villains... I stole her, and she's so very angry. The cartel princess doesn't like being a pretty little pawn. She fights me when she should fear me. But oh, how her defiance excites me. She would kill me if she could, and I'd ruin her if I had an ounce less control. What a twisted game we play with sweet threats and cruel promises. I crave her madness in the most depraved ways because I know she'll be so beautiful when she bleeds. A queen who could set the world on fire and a king who would call it rain. Two very bad people who want very bad things are never safe together. Some love stories have no heroes.

**Redemption** Monique Orgeron 2019-01-16 Is there a road to redemption? Her coming into my life was a miracle. She saved me. But she also came in like rolling thunder to my lightning strikes. I might not be who she wants, but I can be the only man she will ever need, and she is the only one that can penetrate my blackened heart. The price is high but with her, I get not one but two hearts that will be solely mine. Fire and ice! Freedom is all I wanted and what I got were surprises. All wrapped up in a man that was everything I hated. Life was supposed to be simple. Stick to the plan, that's all I had to do and then he came in tempting me and pushing my buttons. So why did I let him get under my skin, in my thoughts, and in my bed? There is too much to risk but what a delicious risk it would be. Is it possible to love someone you hate?

The killer would appear to have arrived and left without leaving a trace, not even a footprint in the snow. What secrets are lurking within this isolated, superstitious community? *Axle's Brand* C. M. Owens 2017-09 Fate is just a made-up word used to give us hope or absolution. We find hope when we believe bad things happen to us for a reason. We find absolution when we feel as though the wrongs of our past were just fate's twisted design to bring us to our present, and all of it was out of our hands. Of course, I sort of change my mind after meeting Axle. The man with scars and haunted, cold eyes. The man who only warms when he is around me. The first man I believe won't cost me my life. The first man I've ever believed to actually be honorable, despite the fact he's a ruthless criminal. Only the craziest of fates could have put us in the paths of each other. More of a collision course, really. Life gets complicated. Shit happens. And I sort of fall harder than I thought possible. The first time we met, I was in my pajamas and cowering on the floorboard of his SUV, hiding from my very insane brother. Lovely first impression, I assure you. The second time we met, I was literally skating around a bunch of corpses, because I'm slightly crazy like that. Long story. Obviously my second impression had just as much impact as my first. Because he fell head-over-heels in love with me in that instant. Kidding. That last part is complete bullshit. Axle is far more complicated than insta-love nonsense. Which is one of my favorite things about him. Everything about us is perfectly complicated and wonderfully disastrous. It's what every girl dreams of...as long as they're as crazy as I am. And I'm just crazy enough to hold on, because I don't mind being the psycho chick in roller skates, who is flipping fate the bird when it tries to intervene again. It's just one of my quirks. Turns out, I'm Axle's brand of crazy too. Life should be really freaking interesting. Or catastrophic. Or psychopathic. I guess it depends on how much madness you can embrace. \*Adult language \*Sexual content \*Violence \*Not fit for someone who loves rainbows in books. Never mind. There's a rainbow in here.

**Deep Salt Water** Marianne Apostolides 2017 "Deep Salt Water is an intimate memoir about abortion, expressed through a layering of language and imagery of the ocean. The story gravitates around the reconnection and ongoing entanglements of a couple who'd had an abortion twenty years earlier. Interdisciplinary in nature and entre-genre in style, Deep Salt Water is organized as thirty-seven separate pieces, divided into three sections (or 'trimesters') that detail the couple's love affair and unwanted pregnancy; the abortion itself; their separation and tenuous reconnection; and the sorrowful, urgent attempt to come to terms with the abortion and its consequences. Included in its pages are two innovative elements—a series of collages by visual artist Catherine Mellinger and a section entitled the 'Afterbirth,' which discusses environmental issues that informed Apostolides' writing and moves the book from a place of intense intimacy to an outward focus that engages with the broader world and our shared responsibility and hope."--

**Absolution** Susannah Sandlin 2012 "Letter 't' appears as a sword in the title."

She works at the family mortuary business as a cosmetic mortician with her eccentric step-father and older brother, whose throuple's current preoccupation is with what type of snake to adopt. When Amelia's affectionate mother passes away without warning, she is left without anchor. Fleeing the funeral, she seeks solace with her birth-father in Tasmania and stumbles into the local BDSM community, where her riotous attempts to belong are met with confusion, shock, and empathy. **Geek Love** Katherine Dunn 2011-05-25 National Book Award finalist Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan . . . Iphy and Elly, the lissome Siamese twins . . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious—and dangerous—asset. As the Binewskis take their act across the backwaters of the U.S., inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, Geek Love throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same.

**Heart of Glass** Nicole Jacquelyn 2018-07-10 From the author of Unbreak My Heart comes an "enjoyable interracial romance" (Publishers Weekly) about secrets, friendship, and forgiveness that fans of "Colleen Hoover and Mia Sheridan will love." *A Court of Silver Flames* Sarah J. Maas 2021-02-16 Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. **All My Cats** Bohumil Hrabal 2019-11-26 A literary master's story about the aggravations and great joys of cats, from "a most sophisticated novelist, with a gusting humor and a hushed tenderness of detail" (Julian Barnes) In the autumn of 1965, flush with the unexpected success of his first published books, the Czech author Bohumil Hrabal bought a cottage in Kersko, about an hour's drive east of Prague. From then until his death in 1997, he divided his time between Prague and Kersko, where he wrote and tended to a community of feral cats. Over the years, his relationship to cats grew deeper and more complex, becoming a measure of the pressures, both private and public, that impinged on his life as a writer. Despite the tender love he feels for the cats, especially his favorites who share his bed, there are moments of intense violence—as he controls the feline population explosion explosively. All My Cats, written in 1983 after a serious car accident, is best seen as a confessional memoir, the chronicle of an author who becomes overwhelmed by his cats and his life, and is driven to the brink of madness by the dilemmas his indulgent love for the animals have created. In the end, All My Cats becomes a book about Hrabal's relationship to nature, about the unlikely sources of redemption that come to him unbidden, like a gift from the cosmos—and about love.

**My Body** Emily Ratajkowski 2021-11-09 INSTANT NEW YORK TIMES BESTSELLER "My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist." —Melissa Febos, The New York Times Book Review A "MOST ANTICIPATED" AND "BEST OF FALL 2021" BOOK FOR \* VOGUE \* TIME \* ESQUIRE \* PEOPLE \* USA TODAY \* CHICAGO TRIBUNE \* LOS ANGELES TIMES \* SHONDALAND \* ALMA \* THRILLEST \* NYLON \* FORTUNE A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the gray area between consent and abuse. Nuanced, fierce, and incisive, My Body marks the debut of a writer brimming with courage and intelligence.
