City of Light Lauren Belfer 2010-09-01 A NEW YORK TIMES NOTABLE BOOK It is 1901 and Buffalo, New York, stands at the center of the nation's attention as a place of immense wealth and sophistication. The massive hydroelectric power development at nearby Niagara Falls and the grand Pan-American Exposition promise to bring the Great Lakes "city of light" even more repute. Against this rich historical backdrop lives Louisa Barrett, the attractive, articulate headmistress of the Macaulay School for Girls. Protected by its powerful all-male board, "Miss Barrett" is treated as an equal by the men who control the life of the city. Lulled by her unique relationship with these titans of business, Louisa feels secure in her position, until a mysterious death at the power plant triggers a sequence of events that forces her to return to a past she has struggled to conceal, and to question everything and everyone she holds dear. Both observer and participant, Louisa Barrett guides the reader through the culture and conflicts of a time and place where immigrant factory workers and nature conservationists protest violently against industrialists, where presidents broker politics, where wealthy "Negroes" fight for recognition and equality, and where women struggle to thrive in a system that allows them little freedom. Wrought with remarkable depth and intelligence, *City of Light* remains a work completely of its own era, and of ours as well. A stirring literary accomplishment, Lauren Belfer's first novel marks the debut of a fresh voice for the new millennium and heralds a major publishing event.

Goodman's literary thrillers. She is part novelist, part craftsman—and *The Drowning Tree* is her newest masterpiece. Juno McKay intended to avoid the nearby campus of her alma mater during her fifteenth reunion weekend, but she just can't turn down the chance to see her longtime friend, Christine Webb, speak at the Penrose College library. Though Juno cringes at the inevitable talk of the pregnancy that kept her from graduating, and of her husband, Neil Buchwald, who ended up in a mental hospital only two years after their wedding, Juno endures the gossip for her friend's sake. Christine's lecture sends shockwaves through the rapt crowd when she reveals little-known details about the lives of two sisters, Eugenie and Clare—members of the powerful and influential family whose name the college bears. Christine's revelation throws shadows of betrayal, lust, and insanity onto the family's distinguished facade. But after the lecture, Christine seems distant, uneasy, and sad. The next day, she disappears. Juno immediately suspects a connection to her friend's shocking speech. Although painfully reminded of her own experience with Neil's mental illness, Juno nevertheless peels away the layers of secrets and madness that surround the Penrose dynasty. She fears that Christine discovered something damning about them, perhaps even something worth killing for. And Juno is determined to find it—for herself, for her friend, and for her long-lost husband.

Elevator Pitch Linwood Barclay 2019-09-17 ****INSTANT NATIONAL BESTSELLER**** The #1 bestselling Linwood Barclay returns with an edge-of-your-seat thriller that does for elevators what *Psycho* did for showers and *Jaws* did for the beach—a heart-pounding tale of terror and menace that will make you think twice the next time you hit Up. It all begins on a Monday, when four people board an elevator in a Manhattan office tower. Each presses a button for their floor, but the elevator proceeds, nonstop, to the top. Once there it pauses for a few seconds, but the doors don't open. Instead, the elevator begins to descend floor-by-floor. Then it plummets. Right to the bottom of the shaft. It appears to be a random accident. . . . But on Tuesday, it happens again, in a different Manhattan skyscraper. And then Wednesday brings yet another tragic high-rise catastrophe. In only three days, one of the most vertical cities in the world—and the nation's capital of media, finance and entertainment—is plunged into chaos. Clearly, this is anything but random. This is a cold, calculated bid to terrorize the city. And it's succeeding. Fearing for their lives, thousands of men and women working in offices across the city refuse to leave their homes. Commerce has slowed to a trickle. Emergency calls to the top floors of apartment towers go unanswered. Who is behind this? Why are they doing it? Are these deadly acts of sabotage somehow connected to a fingerless body found on the High Line? Two seasoned New York detectives and a straight-shooting journalist race against time to uncover the truth before the city's newest, and

tallest, residential tower has its ribbon-cutting on Friday night. With each diabolical twist, Linwood Barclay ratchets up the tension, building to a shattering finale. Elevator Pitch is a riveting tale of psychological suspense that is all too plausible . . . and will chill you to the bone.

In the Bleak Midwinter Julia Spencer-Fleming 2007-04-01 It's a cold, snowy December in the upstate New York town of Millers Kill, and newly ordained Clare Fergusson is on thin ice as the first female priest of its small Episcopal church. The ancient regime running the parish covertly demands that she prove

herself as a leader. However, her blunt manner, honed by years as an army pilot, is meeting with a chilly reception from some members of her congregation and Chief of Police Russ Van Alstyne, in particular, doesn't know what to make of her, or how to address "a lady priest" for that matter. The last thing she needs is trouble, but that is exactly what she finds. When a newborn baby is abandoned on the church stairs and a young mother is brutally murdered, Clare has to pick her way through the secrets and silence that shadow that town like the ever-present Adirondack mountains. As the days dwindle down and the attraction between the avowed priest and the married police chief grows, Clare will need all her faith, tenacity, and courage to stand fast against a killer's icy heart. In the Bleak Midwinter is one of the most outstanding Malice Domestic winners the contest has seen. The compelling atmosphere—the kind of very cold and snowy winter that is typical of upstate New York—will make you reach for another sweater. The characters are fully and believably drawn and you will feel like they are your old friends and find yourself rooting for them every step of the way.
