**From Cradle to Stage** Virginia Hanlon Grohl 2017-04-18 While the Grohl family had always been musical-the family sang together on long car trips, harmonizing to Motown and David Bowie-Virginia never expected her son to become a musician, let alone a rock star. But when she saw him perform in front of thousands of screaming fans for the first time, she knew that rock stardom was meant to be for her son. And as Virginia watched her son's star rise, she often wondered about the other mothers who raised sons and daughters who became rock stars. Were they as surprised as she was about their children's fame? Did they worry about their children's livelihood and wellbeing in an industry fraught with drugs and other dangers? Did they encourage their children's passions despite the odds against success, or attempt to dissuade them from their grandiose dreams? Do they remind their kids to pack a warm coat when they go on tour? Virginia decided to seek out other rock star mothers to ask these questions, and so began a two-year odyssey in which she interviewed such women as Verna Griffin, Dr. Dre's mother; Marianne Stipe, Michael Stipe of REM's mother; Janis Winehouse, Amy Winehouse's mother; Patsy Noah, Adam Levine's mother; Donna Haim, mother of the Haim sisters; Hester Diamond, Mike D of The Beastie Boys'

mother. With exclusive family photographs and a foreword by Dave Grohl, *From Cradle to Stage* will appeal to mothers and rock fans everywhere.

Thumbing his nose at the Vampire King and his life at Zeum, Santiago is shocked when his Omega refuses him sanctuary within the pack. Facing life as a lone wolf doesn't deter Santiago from his mission as he continues to fight evil and put an end to the destructive drug taking over the realm. He is forced to evaluate his principles when he discovers the assassin hired to kill him is his Fated Mate. Will the domino affect of killing his mate's brother threaten not only his position as a Dark Warrior, but her trust and love? Tori's human life ended centuries before when Freya found her dying on a battlefield. She's never fit in with the other Valkyrie and looks forward to fulfilling the required time with the Assassin's Guild so she can pursue her true passion of painting. What she plans as her last job is enticing for two reasons...the high dollar figure attached and the fact that the mark is her brother's killer. Tori curses fate when her hatred for Santiago is outweighed by her attraction. Determined to find the proof necessary to condemn Santiago, she isn't prepared when it backfires and her morals and beliefs are called into question.

*From There to Here* Laurel Croza 2014-04-27 A little girl and her family have just moved across the country by train. Their new neighborhood in the city of Toronto is very different from their home in the Saskatchewan bush, and at first everything about "there" seems better than "here." The little girl's dad has just finished building a dam across the Saskatchewan River, and his new project is to build a highway through Toronto. In Saskatchewan, he would come home for lunch every day, but now he doesn't come until supper. The family used to love to look at the stars, and the northern lights dancing in the night sky. But in the city, all they can see is the glare from the streetlights. All the kids used to run and play together, but now older brother Doug has his own friends. Then one day there is a knock on the door. It is Anne, who lives kitty-corner and is also eight, going on nine, and suddenly living in Toronto takes on a whole new light. Laurel Croza and Matt James have beautifully captured the voice and intense feelings of a young child who, in the midst of upheaval, finds hope in her new surroundings.
