Encyclopedia of American Short Films, 1926-1959 Graham Webb 2020-07-17 Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a "filler" in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.

The Sky Above Us Natalie Lund 2021-04-13 "A compelling, well-voiced look at how teenagers deal with tragedy." -- School Library Journal "Powerfully crafted and captivating." --Midwest Book Review From the author of *We Speak in Storms* comes a compelling mystery about three friends searching for the truth in the aftermath of a plane crash. The morning after their senior year beach party, Izzy, Cass, and Janie are woken by a thundering overhead. Then they and their classmates watch in shock as a plane crashes into the water. When the passengers are finally recovered, they are identified as Izzy's twin brother, Israel, Cass's ex-boyfriend, Shane, and Janie's best friend, Nate. But Izzy can feel when her brother is in pain, and she knows he's not really dead. So she, Cass, and Janie set out to discover what actually happened that day--and why the boys were on the plane. Told in alternating timelines and points of view, this powerful and captivating novel follows the three boys in the weeks leading up to that fateful flight, and the girls they left behind as they try to piece together the truth about the boys they loved and thought they knew. A spellbinding story about the ripple effects of tragedy, the questions we leave unanswered, and the enduring power of friendship. Praise for *The Sky Above Us*: "Achingly human with hints of magic, this tale of loss in its many forms builds a compelling mystery." --Booklist "Lund proves adept at smoothly

navigating a complicated plot, building and holding suspense, and creating easily relatable, multidimensional characters." --Publishers Weekly "A bruising look at loss from many angles." --BCCB "A deftly written and simply spellbinding story about the ripple effects of tragedy, the questions we leave unanswered, and the enduring power of friendship." --Midwest Book Review

The Metabolism of Individual Free Fatty Acids in the Rat Göran Göransson 1965

My Body Emily Ratajkowski 2021-11-09 THE NEW YORK TIMES BESTSELLER A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time. _____ 'This is the book for every woman trying to place their body on the map of consumption vs control, and every woman who wants to better understand her impulses. It left me much changed' - Lena Dunham 'I read these pages, breathless with recognition, and the thrill of reading a new voice telling it like it is' - Dani Shapiro 'Emily Ratajkowski's first essay collection needs to be read by everyone [...] both page-turning and moving as hell' - Amy Schumer 'A slow, complicated indictment of a profession and the people who propel it [...] it will deliver a more nuanced and introspective rendering of her interior than those who come to it with those surface interests might expect' - Vogue 'Dazzling' - Observer 'Ratajkowski brings nuanced insight to questions about empowerment versus commodification of women's bodies and sexuality. Blending cultural criticism and personal stories, My Body is smart and powerful' - Time Magazine 'Raw, nuanced and beautifully written. A moving and enlightening experience to join a woman openly exploring such deep parts of her physical self via the written word. A truly impressive debut' - Emma Gannon 'Excellent [...] Ratajkowski writes with curiosity, intellect and acute awareness' - Harper's Bazaar 'Superb [...] it feels revolutionary' - Telegraph 'I admire and envy her artistry' - Guardian _____ Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor

with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. *My Body* is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the grey area between consent and abuse. Nuanced, unflinching, and incisive, *My Body* marks the debut of a fierce writer brimming with courage and intelligence.

Lobbying America Benjamin C. Waterhouse 2015-11-24 *Lobbying America* tells the story of the political mobilization of American business in the 1970s and 1980s. Benjamin Waterhouse traces the rise and ultimate fragmentation of a broad-based effort to unify the business community and promote a fiscally conservative, antiregulatory, and market-oriented policy agenda to Congress and the country at large. Arguing that business's political involvement was historically distinctive during this period, Waterhouse illustrates the changing power and goals of America's top corporate leaders. Examining the rise of the Business Roundtable and the revitalization of older business associations such as the National Association of Manufacturers and the U.S. Chamber of Commerce, Waterhouse takes readers inside the mind-set of the powerful CEOs who responded to the crises of inflation, recession, and declining industrial productivity by organizing an effective and disciplined lobbying force. By the mid-1970s, that coalition transformed the economic power of the capitalist class into a broad-reaching political movement with real policy consequences. Ironically, the cohesion that characterized organized business failed to survive the ascent of conservative politics during the 1980s, and many of the coalition's top goals on regulatory and

fiscal policies remained unfulfilled. The industrial CEOs who fancied themselves the "voice of business" found themselves one voice among many vying for influence in an increasingly turbulent and unsettled economic landscape. Complicating assumptions that wealthy business leaders naturally get their way in Washington, Lobbying America shows how economic and political powers interact in the American democratic system.
