The Cure for Death by Lightning Gail Anderson-Dargatz 2012-11-14 When fifteen-year-old Beth Week's family is attacked by a grizzly, her father becomes increasingly violent, making him a danger to his neighbors, his family, and especially Beth. Meanwhile, several young children from the nearby Indian reservation have gone missing, and Beth fears that something is pursuing her in the bush. But friendship with an Indian girl connects her to a mythology that enriches her landscape; and an unexpected protector shores up her world. Set on an isolated Canadian farm in the midst of World War II, *The Cure for Death by Lightning* evokes a life at once harshly demanding and rich in sensory pleasures: the deafening chatter of starlings, the sight of thousands of painted turtles crossing a road, the smell of baking that fills the Weeks's kitchen. The novel is sprinkled throughout with recipes and remedies from the scrapbook Beth's mother keeps, a boon to Beth as she learns to face down her demons--and one of many elements that give *The Cure for Death by Lightning* its enchanting vitality.

The Island Walkers John Bemrose 2013-11-19 A powerful first novel about a family that slips from fortune's favor and a town broken by the forces of modernity Across a bend of Ontario's Attawan River lies the Island, a working-class neighborhood of whitewashed houses and vine-freighted fences, black willows and decaying sheds. Here, for generations, the Walkers have lived among the other mill workers. The family's troubles begin in the summer of 1965, when a union organizer comes to town and Alf Walker is forced to choose between loyalty to his friends at the mill and advancement up the company ranks. Alf's worries are aggravated by his wife, Margaret, who has never reconciled her middle-class English upbringing to her blue-collar reality. As the summer passes, Joe, their son, is also forced to reckon with his family's standing when he falls headlong for a beautiful newcomer on a bridge—a girl far beyond him, with greater experience and broader horizons. As the threat of mill closures looms, the Walkers grapple with their personal crises, just as the rest of the town fights to protect its way of life amid the risks of unionization and the harsh demands of corporate power. Superbly crafted and deeply moving, this remarkable debut follows the Walkers to the very bottom of their night only to confirm, in the end, life's ultimate hopefulness. *The Island Walkers* is at once a love letter to a place, a gripping family saga, and a testimony to the emergence of an important new novelist.

Women of Sand and Myrrh--which has now sold more than 35,000 copies and was selected as one of the Fifty Best Books of 1992 by Publishers Weekly--Hanan al-Shaykh has attracted an ever larger following for her dazzling tales of contemporary Arab women. In these seventeen short stories--eleven of which are appearing in English for the first time--al-Shaykh expands her horizons beyond the boundaries of Lebanon, taking us throughout the Middle East, to Africa, and finally to London. Stylistically diverse, her stories are often about the shifting and ambiguous power relationships between different cultures--as well as between men and women. Often compared to both Margaret Atwood and Margaret Drabble, Hanan al-Shaykh is "a gifted and courageous writer" (Middle Eastern International).

Her Secret Penelope Bloom 2019-02-04 I'll admit it. I messed up. Mistake #1: Asking Peter Barnidge for a job. Mistake #2: Accepting his offer instead of throwing it in his face like I planned. Mistake #3: In the interest of stopping before #99, I'll pretend the only other mistake was withholding one, tiny little nugget of truth during my interview. Peter Barnidge... Where do I even start? How about that after my first day working for Mr. Superstar International Bestselling Author, his name became my favorite kid-friendly cursing substitute. Stub a toe? Peter Barnidge it! Bank account is overdrawn? Son of a Barnidge! And when I realized I was falling for my boss? Well, what the Barnidge? I wish it was easier to just plain hate him, instead of the twisted, confusing blend of hatred and attraction I feel. But he's the bad kind of attractive. Dark with a side of smoldering heat. The kind of hot that makes me want to do that Catholic cross thing every time I look at him, because one glance takes my brain straight to a world of sin. Speaking of sin... I also lied a little during my interview. But I'm a single mom and I'd do anything to provide for my daughter, even if it meant keeping one tiny little secret. Unfortunately, even small secrets have a way of growing over time. I think it's only a matter of time before he finds out, and somehow, I don't think he's going to be happy when he does.

Behind the scenes the truth is obscured by the machinations of the spin doctors and in prison, aware he's missing out on a great story, Parlabane discovers that contacts and a pretty way with words are no defence against people he has helped to put away. Part political satire, part cliff-hanging thriller this is high calibre entertainment.

Canonical Ramsey Theory on Polish Spaces Vladimir Kanovei 2013-09-12 This book lays the foundations for an exciting new area of research in descriptive set theory. It develops a robust connection between two active topics: forcing and analytic equivalence relations. This in turn allows the authors to develop a generalization of classical Ramsey theory. Given an analytic equivalence relation on a Polish space, can one find a large subset of the space on which it has a simple form? The book provides many positive and negative general answers to this question. The proofs feature proper forcing and Gandy-Harrington forcing, as well as partition arguments. The results include strong canonization theorems for many classes of equivalence relations and sigma-ideals, as well as ergodicity results in cases where canonization theorems are impossible to achieve. Ideal for graduate students and researchers in set theory, the book provides a useful springboard for further research.

The Last Girl Stephan Collishaw 2014-01-07 For a full hour I sat at my desk and stared up at the two photographs. One by one I smoked a packet of twenty Prima cigarettes.... The earth, I felt, was beginning to shift, and the long dead were stirring. In the closing days of the twentieth century, an elderly writer wanders the streets of Vilnius, Lithuania, possessed by the need to photograph the young mothers of the city. In their faces and the faces of their children he sees the reflection of a secret that haunts him. A secret he has spent years trying to bury. In a decaying back street of the city a woman struggles to raise her family. As her son dreams of a better life she is torn between Vilnius' twilight world of prostitution and her determination

of securing hope for her children. She too is haunted by memories that rob her of sleep. In Vilnius the rubble of the Jewish ghetto lies side by side with the fallen statues of communist heroes. Through this tangled debris of past and present the story of the writer's great love and his even greater betrayal begins to coil its way to the surface and demands to be told, in *The Last Girl* by Stephan Collishaw.
