Kubla Khan Samuel Coleridge 2015-12-15 Though left uncompleted, "Kubla Khan" is one of the most famous examples of Romantic era poetry. In it, Samuel Coleridge provides a stunning and detailed example of the power of the poet's imagination through his whimsical description of Xanadu, the capital city of Kublai Khan's empire. Samuel Coleridge penned "Kubla Khan" after waking up from an opium-induced dream in which he experienced and imagined the realities of the great Mongol ruler's capital city. Coleridge began writing what he remembered of his dream immediately upon waking from it, and intended to write two to three hundred lines. However, Coleridge was interrupted soon after and, his memory of the dream dimming, was ultimately unable to complete the poem. **Resistance in Everyday Life** Nandita Chaudhary 2017-07-10 This book is about resistance in everyday life, illustrated through empirical contexts from different parts of the world. Resistance is a widespread phenomenon in biological, social and psychological domains of human cultural development. Yet, it is not well articulated in the academic literature and, when it is, resistance is most often considered counter-productive. Simple evaluations of resistance as positive or negative are avoided in this volume; instead it is conceptualised as a vital process for human development and well-being. While resistance is usually treated as an extraordinary occurrence, the focus here is on everyday resistance as an intentional process where new meaning constructions emerge in thinking, feeling, acting or simply living with others. Resistance is thus conceived as a meaning-making activity that operates at the intersection of personal and collective systems. The contributors deal with strategies for handling dissent by individuals or groups, specifically dissent through resistance. Resistance can be a location of intense personal, interpersonal and cultural negotiation, and that is the primary reason for interest in this phenomenon. Ordinary life events contain innumerable instances of agency and resistance. This volume discusses their manifestations, and it is therefore of interest for academics and researchers of cultural psychology, cultural studies, anthropology, sociology, and human development.

*Nevārīgītīmañjarī* Siegfried Lienhard 1992 A productive and highly important branch of Nevari literature is poetry. The songs reflect the thought of the Nevars, their way of life, religious belief, their history and folklore. The greatest possible variety of genres and styles have been included in the present anthology. Most of the songs included, religious hymns as well as folksongs and ballads, are still very popular among Nevars. In order to facilitate reading and consultation, the whole corpus of the songs collected has been grouped into four principle sections, namely Religious Poetry, Songs about Love and Marriage, Epic Poetry, Didactic and Enigmatic Verses. The book contains two appendices. While the first lists the talas and ragas, as they are given in the various anthologies published in Nepal, the Second makes an attempt to transpose two songs into the European system of music. The translations are quite faithful and every effort has been made to preserve the spirit and flavour of the original. Contents Preface, Introduction, Translation, I. Religious Poetry: 1. **Archangel's Prophecy** Nalini Singh 2018-10-30 Return to Nalini Singh's darkly passionate Guild Hunter world with this New York Times bestseller, where human-turned-angel Elena Deveraux, consort to Archangel Raphael, is thrust center stage into an eons-old prophecy... Midnight and dawn, Elena's wings are unique among angelkind—and now they are failing. The first mortal to be turned into an immortal in angelic memory, she's regressing. Becoming more and more human. Easier to hurt. Easier to kill. Elena and Raphael must unearth the reason for the regression before Elena falls out of the sky. Yet even as they fight a furious battle for Elena's very survival, violent forces are gathering across the world. In China, the Archangel Favashi is showing the first signs of madness. In New York, a mysterious sinkhole filled with lava swallows a man whole. In Africa, torrential monsoon rains flood rolling deserts. And in Elena's mind whispers a haunting voice that isn't her own. This time, survival may not be possible...not even for the consort of an archangel.

**Indian Love Lyrics** Laurence Hope 2011-05-01 Laurence Hope (1865-1904) was one of the most popular poets of the Edwardian era. Born Adela 'Violet' Cory, her unconventional (and ultimately tragic) life in India lent her verse an oriental glamour that immediately captured the public imagination. Her poems (known collectively as the Indian Love Lyrics) deal mostly with the subject of 'love' - romantic, erotic, frustrated or forbidden. Their passionate themes and colourful imagery are often inspired by Sufi and Mughal courtly poetry, by Indian myth and folklore, and by Hope's own travels and experiences in India and North Africa. This edition comprises three separate volumes - The Garden of Kama and Other Love Lyrics from India (1901), Stars of the Desert (1903) and the posthumously published Indian Love (1905).

**Reading Song Lyrics** Lars Eckstein 2010-01-01 Reading Song Lyrics offers the first systematic introduction to lyrics as a vibrant genre of (performed) literature. It takes lyrics seriously as a complex form of verbal art that has been unjustly neglected in literary, music, and, to a lesser degree, cultural studies, partly as it cuts squarely across institutional boundaries. The first part of this book accordingly introduces a thoroughly transdisciplinary interpretive framework. It outlines theoretical approaches to issues such as performance and performativity, generic convention and cultural capital, sound and songfulness, mediality and musical multimedia, and step by step applies them to the example of a single song. The second part then offers three extended case studies which showcase the larger cultural and historical viability of this model. Probing into the relationship between lyrics and the ambivalent performance of national culture in Britain, it offers exemplary readings of a highly subversive 1597 ayre by John Dowland, of an 1811 broadside ballad about Sara Baartman, 'The Hottentot Venus', and of a 2000 song by 'jungle punk' collective Asian Dub Foundation. Reading Song Lyrics demonstrates how and why song lyrics matter as a paradigmatic art form in the culture of modernity.

**Book of Rhymes** Adam Bradley 2017-06-27 If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC's wordplay to move a club-full of eager listeners. Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today. Book of Rhymes explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.

**The Trouble with Hating You** Sajni Patel 2020-05-12 A fiercely independent engineer walks out on the man her parents have set her up with -- only to start working side-by-side with him at her job in this laugh-out-loud debut with "delicious banter, deep wounds, heartwarming friendships, and a path to love that often feels impossibly hard, and [a payoff] satisfying enough to give you a book hangover the size of Texas" (Sonali Dev, USA Today bestselling author of Recipe for Persuasion). Liya Thakkar is a successful biochemical engineer, takeout enthusiast, and happily single woman. The moment she realizes her parents' latest dinner party is a setup with the man they want her to marry, she's out the back door in a flash. Imagine her surprise when the same guy shows up at her office a week later -- the new lawyer hired to save her struggling company. What's not surprising: he's not too thrilled to see her either after that humiliating fiasco. Jay Shah looks good on paper...and off. Especially if you like that whole gorgeous, charming lawyer-in-a-good-suit thing. He's also infuriating. As their witty office banter turns into late-night chats, Liya starts to think he might be the one man who truly accepts her. But falling for each other means exposing their painful pasts. Will Liya keep running, or will she finally give love a real chance?

*Skywriting by Word of Mouth* John Lennon 2013-10-01 John Lennon wrote *Skywriting by Word of Mouth*, an impressive collection of writings and drawings, during Yoko Ono's pregnancy with Sean, and always planned to have it published. The book's publication was a wish that seemed to end with Lennon's assassination in 1980 and the theft of the manuscript from the Lennons' home in 1982. When it was recovered and first published in 1986, *Skywriting* received immediate critical and popular acclaim. Filled with Lennon's extraordinary creative powers and lavishly illustrated with his own drawings, the collection reveals his fertile creative spirit up close and in full force. Included in *Skywriting* are "Two Virgins," written when the public learned that John and Yoko were living together as husband and wife, and John's only autobiography, "The Ballad of John and Yoko." In addition there are notes on his falling in love with Yoko, the breakup of the Beatles, his persecution by U.S. authorities, and his withdrawal from public life. This is a book with John Lennon's spirit on every page—a spirit the world needs to remember.
