MINE AMI PATEL 2021-08-29 Mine" is an anthology about those things which we forget to celebrate in our busy lives. But the fact is that we are living for it only. It can be our home, village or city, country, loved ones and nature around us. It is reason of our happiness and the thing that we call 'mine'. The word has a whole life in it. Our authors all around the country have written about their experiences and

feelings here in Hindi, Gujarati, English and Hinglish. Seems like no matter what language we speak and in which environment we grow up, we all are grateful for some special things that we cherish in our lives. We try to chase it always. Please have a tour of it by reading this beautiful book. These words will stay in your heart forever....

ABC Etymological Dictionary of Old Chinese Axel Schuessler 2006-12-31 This is the first genuine etymological dictionary of Old Chinese written in any language. As such, it constitutes a milestone in research on the evolution of the Sinitic language group. Whereas previous studies have emphasized the structure of the Chinese characters, this pathbreaking dictionary places primary emphasis on the sounds and meanings of Sinitic roots. Based on more than three decades of intensive investigation in primary and secondary sources, this completely new dictionary places Old Chinese squarely within the Sino-Tibetan language family (including close consideration of numerous Tibeto-Burman languages), while paying due regard to other language families such as Austroasiatic, Miao-Yao (Hmong-Mien), and Kam-Tai. Designed for use by nonspecialists and specialists alike, the dictionary is highly accessible, being arranged in alphabetical order and possessed of numerous innovative lexicographical features. Each entry offers one or more possible etymologies as well as reconstructed pronunciations and other relevant data. Words that are morphologically related are grouped together into "word families" that attempt to make explicit the derivational or other etymological processes that relate them. The dictionary is preceded by a substantive and significant introduction that outlines the author's views on the linguistic position of Chinese within Asia and details the phonological and morphological properties, to the degree they are known, of the earliest stages of the Chinese language and its ancestor. This introduction, because it both summarizes and synthesizes earlier work and makes several original contributions, functions as a useful reference work all on its own.

19 January Surya Pratap Samal Maximum books are write in English, because English is very formal language for all and people think speaking in English show their personalities but this is wrong, as per my thinking it doesn't matter what you are saying or what you are not saying. Speaking in any languages never show their personalities, writing a book in any language is not easy for anyone. In my way. The book which I am writing, the language of book, style of explaining the story, situation is makes me different. Coming to my language which I am creating through this book, which is very easy to read and understand for any age group. In today's life we have many types of conversation with people, while messaging and texting in social-media. That language which we use commonly in our day-to day life, I wrote my book in that language.

"We used to eat people" R.M.W. Dixon 2018-01-13 Living in a reed hut on Taveuni—the "garden isle" of Fiji—the author studied the native language and carefully observed their traditions until he was accepted as a (somewhat unusual) member of the village. Despite five cyclones the summer of 1985, daily life was idyllic. Cannibalism has been abandoned, reluctantly, at the behest of the new Christian God. But the old religion survived beneath the facade and priests danced naked on the beach beneath the full moon. The village pulsated with factions and feuds, resolved by the stern but benevolent chief, whose word was law. Legends told of a princess born as a bird, who was killed and thus became a comely maiden—but the murderer had to be cooked and eaten.

Blades of Justice and Carnage Pegus 2012-06-12 Humans, with the intent of demons, had displayed hate born out of wickedness. Vengeful, transparent phantoms surrounded the child. They were there to protect him! A silent cry for vengeance and a demand for justice seemed to emanate from the apparitions. Rise my beloved cygnet. Raise your sword... Like a butterfly fluttering above the cascade of a waterfall, Gullie's voice floated gently in the wind. The power of the Creator inhabits your soul, the love of a mother flows in your veins...The Devil Incarnate has fallen! You have triumphed, eternal child...
