*Calcutta* Amit Chaudhuri 2013-09-10 The award-winning author Amit Chaudhuri has been widely praised for the beauty and subtle power of his writing and for the ways in which he makes “place” as complex a character as his men and women. Now he brings these gifts to a spellbinding amalgam of memoir, reportage, and history in this intimate, luminous portrait of Calcutta. Chaudhuri guides us through the city where he was born, the home he loved as a child, the setting of his acclaimed novels—a place he now finds captivating for all the ways it has, and, perhaps more powerfully, has not, changed. He shows us a city relatively untouched by the currents of globalization but possessed of a “self-renewing way of seeing, of inhabiting space, of apprehending life.” He takes us along vibrant avenues and derelict alleyways; introduces us to intellectuals, Marxists, members of the declining haute bourgeoisie, street vendors, domestic workers; brings to life the city’s sounds and smells, its architecture, its traditional shops and restaurants, new malls and hotels. And, using the historic elections of 2011 as a fulcrum, Chaudhuri looks back to the nineteenth century, when the city burst with a new vitality, and toward the politics of the present, finding a city “still not recovered from history” yet possessed of a singular modernity. Chaudhuri observes and writes about Calcutta with rare candor and clarity, making graspable the complex, ultimately ineluctable reasons for his passionate attachment to the place and its people.

**Sentence and Discourse** Jacqueline Guéron 2015-10-29 This book looks at the relationship between the structure of the sentence and the organization of discourse. While a sentence obeys specific grammatical rules, the coherence of a discourse is instead dependent on the relations between the sentences it contains. In this volume, leading syntacticians, semanticists, and philosophers examine the nature of these relations, where they come from,

and how they apply. Chapters in Part I address points of sentence grammar in different languages, including mood and tense in Spanish, definite determiners in French and Bulgarian, and the influence of aktionsart on the acquisition of tense by English, French, and Chinese children. Part II looks at modes of discourse, showing for example how discourse relations create implicatures and how Indirect Discourse differs from Free Indirect Discourse. The studies conclude that the relations between sentences that make a discourse coherent are already encoded in sentence grammar and that, once established, these relations influence the meaning of individual sentences.

**An Intimate War** Mike Martin 2014 An Intimate War tells the story of the last thirty-four years of conflict in Helmand Province, Afghanistan as seen through the eyes of the Helmandis. In the West, this period is often defined through different lenses - the Soviet intervention, the civil war, the Taliban, and the post-2001 nation-building era. Yet, as experienced by local inhabitants, the Helmand conflict is a perennial one, involving the same individuals, families and groups, and driven by the same arguments over land, water and power. This book - based on both military and research experience in Helmand and 150 interviews in Pashto - offers a very different view of Helmand from those in the media. It demonstrates how outsiders have most often misunderstood the ongoing struggle in Helmand and how, in doing so, they have exacerbated the conflict, perpetuated it and made it more violent - precisely the opposite of what was intended when their interventions were launched. Mike Martin's oral history of Helmand underscores the absolute imperative of understanding the highly local, personal, and non-ideological nature of internal conflict in much of the 'third' world.

Sahaja Yoga Shri Mataji Nirmala Devi 2019-06-01 Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

**Walk the Talk** Shekhar Gupta 2017 In the fourteen years of NDTV's *Walk The Talk* Shekhar Gupta has interviewed more than 600 stellar guests-an outstanding feature for one of Indian TV news channel's most respected shows is the wide diversity of its guests. These range from heads of states to national, regional and international politicians and public figures, from Indian and global film stars to Nobel Laureates, scientists, economists, sports stars (not limited to cricket), spiritual gurus, business tycoons, philanthropists and, of course, activists. This book focuses exclusively on political leaders and public figures. Many of these conversations are path-breaking, and some extremely rare. For example, leaders like Sonia Gandhi and former prime minister P.V. Narasimha Rao have never before engaged in freewheeling, recorded conversations in such detail. Others have broken new ground since-Narendra Modi, L.K. Advani, Pranab Mukherjee, Mayawati and even M. Karunanidhi. There are also global thought leaders and heads of state: David Cameron, Henry Kissinger, and Pushp Kamal Dahal 'Prachanda', among others. There is also the rarest of rare interviews with the former RSS chief K.S. Sudarshan. It was challenging to choose just twenty-five political personalities and voices to feature in this selection. And one criterion has been to try and pick those conversations that mark political shifts and change. Hopefully, these will help provide an understanding of recent political history, and how we have reached the point we are at today, in the words of these very significant and interesting people.
