The Witch-Hunt in Early Modern Europe Brian P. Levack 2013-11-05 Between 1450 and 1750 thousands of people – most of them women – were accused, prosecuted and executed for the crime of witchcraft. The witch-hunt was not a single event; it comprised thousands of individual prosecutions, each shaped by the religious and social dimensions of the particular area as well as political and legal factors. Brian Levack sorts through the proliferation of theories to provide a coherent introduction to the subject, as well as contributing to the scholarly debate. The book: Examines why witchcraft prosecutions took place, how many trials and victims there were, and why witch-hunting eventually came to an end. Explores the beliefs of both educated and illiterate people regarding witchcraft. Uses regional and local studies to give a more detailed analysis of the chronological and geographical distribution of witch-trials. Emphasises the legal context of witchcraft prosecutions. Illuminates the social, economic and political history of early modern Europe, and in particular the position of women within it. In this fully updated third edition of his exceptional study, Levack incorporates the vast amount of literature that has emerged since the last edition. He substantially extends his consideration of the decline of the witch-hunt and goes further in his exploration of witch-hunting after the trials, especially in contemporary Africa. New illustrations vividly depict beliefs about witchcraft in early modern Europe.

Africa Michael Poliza 2006 Africa is a source of amazing bio-diversity and home to some of the planet's most spectacular landscapes. The sights of this awe-inspiring continent are captured with consummate skill and sensitivity by master lensman Michael Poliza. With extensive experience photographing the animals and terrain of Africa, Poliza's viewpoint is shaped by his concern for the fragile eco-systems he chronicles. These images embody the soul of Africa's

flora and fauna with a true artist's eye for color and composition. This book will be enjoyed for years to come. Poliza started as a child actor on German TV, then founded several highly successful IT ventures in the US and Germany. His ?STARSHIP MILLENNIUM VOYAGE, ? around the world on a 75 ft expedition yacht, was avidly followed by millions via internet. Poliza now focuses mainly on film and photography, including work for the Discovery Channel. He spends a great deal of time based in Cape Town, and is a pioneer in the use of digital photography for illustrated books. ? An ideal gift, both for the lover of fine art photography and the keen naturalist ? A timeless collection highlighting the beauty of Africa's natural riches

five-year-stint as a member of the European Parliament; his encounter with and study of the yeti; his thoughts on traditional male/female roles; and much more. Readers learn about Messner's childhood, his thoughts about eating ice cream with girls (against), politics (mostly liberal), and his technique for killing chickens (sharp scissors). Messner is known as one of history's greatest Himalayan mountaineers, a man who pushed back the frontiers of the possible for a whole generation of climbers. While the interest in *My Life at the Limit* is that it exposes much more of the man than his climbing career, that career is still utterly remarkable—and Mountaineers Books is proud to present this book, which is core to our mission, to audiences across North America. ***For a limited time, donors to our Legends and Lore series will receive a signed copy of *My Life at the Limit*. The Acrylic Artist's Handbook Marylin Scott 2016-02-01 Acrylic is used by many well-known professional artists, but is rather less popular with amateurs. This is surprising, because acrylic is not only the most versatile of all the painting media, but is also highly forgiving. You can paint out mistakes as you work, even making major changes to the color scheme and composition, so that each new painting can become a springboard for ideas. And the range of different effects you can achieve is vast - if you try out some of the exciting techniques and projects in this book you may find yourself falling in love with the medium.

Brave New World Revisited Aldous Huxley 2014-01-01 When Aldous Huxley wrote his famous novel *Brave New World*, he did so with the sincere belief that the dystopian world he created was a true possibility given the direction of the social, political and economic world order. Written almost thirty years later, *Brave New World Revisited* is a re-evaluation of his predictions based on the changes he had witnessed in the meantime. In this twelve-part essay, Huxley argues that society is moving toward his dystopian vision even faster than he had originally assumed, and provides his own suggestions on how to bring an end to this decadent decline. *Brave New World Revisited* condemns symptoms of modern life such as overpopulation, propaganda and extreme government control while providing a staunch defence of individualism. Despite being published over fifty years ago, the problems identified in *Brave New World Revisited* are still startlingly relevant, lending a chilling creditability to Aldous Huxley's unsettling predictions. Alpha, Bravo, Charlie 2016-05-23 A graphically stunning, first-ever volume of nautical codes for children This extraordinary visual reference is an introduction to maritime communication through nautical flags, along with morse code, the phonetic alphabet, and semaphore signaling. Today's system of international maritime signal flags was developed in the 19th century, and is still used for communication between ships, or between ship and shore. Each flag, boldly colored for visual distinction at sea, stands for a letter as well as a phrase relevant to seafaring. The resulting code is both beautiful and functional, inviting readers to code and decode messages of their own! Created for ages 6-8 years

The Mountains Sing Que Mai Phan Nguyen 2021-03-16 The International Bestseller A New York Times Editors' Choice Selection A Winner of the 2020 Lannan Literary Awards Fellowship "[An] absorbing, stirring novel . . . that, in more than one sense, remedies history." –The New York Times Book Review "A triumph, a novelistic rendition of one of the most difficult times in Vietnamese history . . . Vast in scope and intimate in its telling . . . Moving and riveting." –VIET THANH NGUYEN, author of *The Sympathizer*, winner of the Pulitzer Prize With the epic sweep of Min Jin Lee's *Pachinko* or Yaa Gyasi's *Homegoing* and the lyrical beauty of Vaddey Ratner's *In the Shadow of the Banyan*, *The Mountains Sing* tells an enveloping, multigenerational tale of the Tr n family, set against the backdrop of the Việt Nam War. Tr n Di u Lan, who was born in 1920, was forced to flee her family farm with her six children during the Land Reform as the Communist government rose in the North. Years later in Hà Nội, her young granddaughter, Hương, comes of age as her parents and uncles head off down the H  Chí Minh Trail to fight in a conflict that tore apart not just her beloved country, but also her family. Vivid, gripping, and steeped in the language and traditions of Việt Nam, *The Mountains Sing* brings to life the human costs of this conflict from the point of view of the Vietnamese people themselves, while showing us the true power of kindness and hope. *The Mountains Sing* is celebrated Vietnamese poet Nguy n Phan Qu  Mai's first novel in English.

The Discovery of Tutankhamun's Tomb (Illustrated Edition) Howard Carter 2019-12-18 Through this fascinating story we experience the adventure, the painstaking work, the magic, the excitement and the awe through the eyes of the "tomb raider" himself, archaeologist Howard Carter. This book tells the story of one of the greatest archeological discoveries ever, the discovery of the intact tomb of the 18th Dynasty Pharaoh, Tutankhamun (colloquially known as "King Tut" and "the boy king"), in November 1922.

A Robot in the Garden Deborah Install 2016-05-10 For fans of THE ROSIE PROJECT and THE CURIOUS INCIDENT OF THE DOG IN THE NIGHTTIME, a broken man and his damaged robot build an unlikely friendship—with some assembly required. Ben's really great at failing at things—his job, being a husband, taking the garbage out. But then he finds a battered robot named Tang in his garden. And Tang needs Ben. More ornery and prone to tantrums than one would expect from something made of gears and springs, Tang desperately must be fixed—and he just might be the thing to fix what's broken in Ben. Together they will discover that friendship can rise up under the strangest of circumstances, and what it really means to be human. Funny, touching, charming, wise, and a bit unusual, A Robot in the Garden is a gem of a first novel, perfect for anyone who has ever found it difficult to connection with the world. "Our hero is a FANTASTIC and UNFORGETTABLE creation, and so is this absolute marvel of a novel."—Neil Smith, author of Bang Crunch and Boo "An inventive and utterly charming tale...heartwarming."—Booklist, Starred Review

Reunion Fred Uhlman 2012-09-30 Selected as a Book of the Year 2016 in the Guardian Reunion is a little-known but perfect novel with fans including Ian McEwan, John Boyne, Deborah Moggach, David Nicholls, Meg Rosoff and Sarah Perry. On a grey afternoon in 1932, a Stuttgart classroom is stirred by the arrival of a newcomer. Middle-class Hans is intrigued by the aristocratic new boy, Konradin, and before long they become best friends. It's a friendship of the greatest kind, of shared interests and long conversations, of hikes in the German hills and growing up together. But the boys live in a changing Germany. Powerful, delicate and daring, Reunion is a story of the fragility, and strength, of the bonds between friends. 'Exquisite' Guardian 'I loved Reunion and found it very moving' John Boyne WITH AN AFTERWORD BY RACHEL SEIFFERT

Historical Atlas of Medieval Music Vera Minazzi 2019-08-31 Music is rooted in the heart of Western culture. The absence of music from the usual publications of medieval history and history of art of the Middle Ages is understandable, considering the rarity of sources. And yet, throughout the last decades, an intense activity of historico-musicological research has been carried out internationally by a select group of specialized scholars. The ambitious goal of this work is to set medieval music within its historical and cultural context and to provide readers interested in different disciplines with an overall picture of music in the Middle Ages; multi-faceted, enjoyable, yet scientifically rigorous. To achieve this goal, the most prominent scholars of medieval musicology were invited to participate, along with archaeologists,

experts of acoustics and architecture, historians and philosophers of medieval thought. The volume offers exceptional iconography and several maps, to accompany the reader in a fascinating journey through a network of places, cultural influences, rituals and themes.

Art Kane. Harlem 1958. Ediz. Illustrata Art Kane 2018 "ART KANE. HARLEM 1958 marks the 60th anniversary of one of the most celebrated images in American history. Now commonly known as A Great Day in Harlem, the famous shot of 57 jazz musicians gathered outside a brownstone in New York is one of the most imitated images in popular culture, by one of the world's greatest photographers. ART KANE. HARLEM 1958 is a visual history of an iconic image including, for the first time, virtually every single frame from the historic shoot. With original text by Art Kane, forewords by Quincy Jones, the legendary Benny Golson, who appears in the photo, and an introduction by Kane's son, musician and photographer Jonathan Kane, the 168-page hardback volume is the story behind the shot."--Publisher's web site.
