**Madame le Commissaire und der Tod des Polizeichefs** Pierre Martin 2016-03-02  
Madame Le Commissaire – das ist Isabelle Bonnet, ehemalige Leiterin einer Pariser Spezialeinheit, die es an die Côte d'Azur in Südfrankreich verschlagen hat. Im dritten Band der erfolgreichen Provence-Krimis von Pierre Martin ermittelt die charmante Kommissarin im Dickicht der High Society von Cannes und Toulon. Eigentlich will sich Isabelle in der schönen Landschaft an der Côte d'Azur von ihren traumatischen Erlebnissen in Paris erholen, doch ihre außergewöhnliche Expertise ist mal wieder gefragt: bei dem angeblichen Selbstmord eines hohen Polizeibeamten aus der Côte d'Azur-Hafenstadt Toulon kommt sie einigen Ungereimtheiten auf die Spur. Und da sind ja auch noch die ungeklärten Fälle, die sie mit ihrem schrulligen Assistenten Apollinaire lösen muss: Der tödliche Überfall auf ein Juweliergeschäft in Cannes offenbart sich nach einiger Recherche als ein abgekartetes Spiel und so dauert es nicht lange, bis Gangsterbosse und das organisierte Verbrechen an der Côte d'Azur auf der Bildfläche erscheinen... Die Provence-Krimis mit Madame le Commissaire – mehr Frankreich und Côte d'Azur geht nicht: der Duft von Lavendel, sanft geschwungene Hügel und das azurblaue Meer, dazu das "leichte Leben" mit gutem französischen Essen, dem Verweilen in Cafés und Brasserien. *Death in Brittany* Jean-Luc Bannalec 2015-06-30 "Roll over, Maigret. Commissaire Dupin has arrived."—M.C. Beaton Commissaire Georges Dupin, a cantankerous, Parisian-born caffeine junkie recently relocated from the glamour of Paris to the remote (if picturesque) Breton coast, is dragged from his morning croissant and coffee to the scene of a curious murder. The local village of Pont-Aven—a sleepy community by the sea where everyone knows one other and nothing much seems to happen—is in shock. The legendary ninety-one-year-old hotelier Pierre-Louis Pennec, owner of the Central Hotel, has been found dead. A picture-perfect seaside village that played host to Gauguin in the nineteenth century,

Pont-Aven is at the height of its tourist season and is immediately thrown into uproar. As Dupin delves into the lives of the victim and the suspects, he uncovers a web of secrecy and silence that belies the village's quaint image. A delectable read, Jean-Luc Bannalec's *Death in Brittany* transports readers to the French coast, where you can practically smell the sea air and taste the perfectly cooked steak frites in an expertly crafted, page-turning mystery for fans of Martin Walker.

**The Killing Tide** Jean-Luc Bannalec 2020-02-04  
The Killing Tide by Jean-Luc Bannalec is the fifth novel in the internationally bestselling Commissaire Dupin series. Deep sea fishers, dolphin researchers, smugglers, and an island

shrouded in myth in the middle of the rough Atlantic ocean: Commissaire Dupin had sworn he would never again investigate on the ocean, but his fifth case takes him offshore, off the west coast of Brittany on a beautifully sunny day in June. He lands on the unique Île de Sein, populated by more rabbits than people, where the hairdresser arrives by boat and which was formerly inhabited by powerful witches and even the devil himself. In front of this impressive backdrop—between the islands of Molène, Ouessant, and the bay of Douarnenez—Dupin and his team follow a puzzling case that pushes them to their very limits.

**Black Run** Antonio Manzini 2015-04-28 Already an international hit, a sly, sizzling mystery—the first in a sensational crime series—set in the Italian Alps, reminiscent of the works of Andrea Camilleri, D. A. Mishani, Donna Leon, and Henning Mankell. Getting into serious trouble with the wrong people, deputy prefect of police Rocco Schiavone is exiled to Aosta, a small, touristy alpine town far from his beloved Rome. The sophisticated and crotchety Roman despises mountains, snow, and the provincial locals as much as he disdains his superiors and their petty rules. But he loves solving crimes. When a mangled body has been discovered on a ski run above Champoluc, Rocco immediately faces his first challenge—identifying the victim, a complex procedure complicated by his ignorance of the customs, dialect, and history of his new home. Proud and undaunted, Rocco makes his way among the ski runs, mountain huts, and aerial tramways, meeting ski instructors, Alpine guides, the hardworking, enigmatic folk of Aosta, and a few beautiful locals eager to give him a warm welcome. It won't be easy, this mountain life, especially with a corpse or two in the mix. But then there's nothing that makes Rocco feel more at home than an investigation. An insightful observer of human nature, Antonio Manzini writes with sly humor and a dash of irony, and introduces an irresistible hero—a fascinating blend of swagger, machismo, and vulnerability—in a colorful and atmospheric crime mystery series that is European crime fiction at its best.

Genauso wie die Kommissarin Isabelle Bonnet. Diese befindet sich wieder einmal im Erholungsmodus. Der wird jäh unterbrochen, als Yvonne sie im Namen ihrer berühmten Schwester um Hilfe bittet: Die Diva wird von einem Stalker terrorisiert, der sie mit unheimlichen Anrufen, Drohmails und perversen Botschaften verfolgt. Colette Gaspard wohnt in Ramatuelle. Das ist nicht weit weg. Die Diva bittet Isabelle, den Stalker zu finden und auf sie aufzupassen, schließlich sei sie mal Personenschützerin gewesen. *Elfin* Quinn Loftis 2012-12-23 Before tonight Cassie Tate's biggest concerns were whether she could pass Algebra and how she was going to keep Elora, her best friend, from dressing her in a skimpy fairy costume for Halloween. Her feet were firmly planted in suburban reality and she had no reason to believe her life would be anything but that of a typical teenager. That is until tonight, when Cassie saw something that no human was ever supposed to see; in the blink of an eye she was thrown into the world of the Light and Dark Elves. He comes from a realm where light and dark have fought for millennia. He is of a race known to humans only in myths and legends. The darkness that lives inside him is a part of both who and what he is and it makes him the most gifted spy and assassin in the history of his time. His life is not his own; he lives in the service of the Dark Elf King. He slays who he must, has mercy on no one, is relentless in his hunt, and never tires of seeing his prey fall. He is Triktapic, assassin, spy, most feared of the Dark Elves. Now, in the midst of his King's complicated plans to expand the Dark Elves' holdings into the mortal realm, for the first time, Trik finds his loyalties divided. For no Elf, Dark or Light, can turn away from their Chosen. Unbeknownst to the mortal realm, the battle between Light and Dark is being brought to their doorstep. The only one who can keep it at bay holds darkness in his heart like a lover, and the one who can sway that heart must decide if she can look beyond his black past, beyond his evil nature and see the man he is destined to be. The questions must be asked, does love really cover a multitude of sins? Can true love actually conquer all or will his darkness consume those around him until all that stands is an assassin with the blood of the mortal realm on his hands?

*The Grave Tattoo* Val McDermid 2010-08-01 When torrential summer rains uncover a bizarrely tattooed body on a hillside in England's Lake District, locals are convinced it is the corpse of Fletcher Christian, infamous mutineer on the Bounty. Though history records that Christian died in a massacre on Pitcairn Island, Lakelanders have long maintained that he returned home—where his old friend and schoolmate, William Wordsworth, risked facing the gallows by harbouring the fugitive. It was rumoured that the poet had written an epic verse recounting Christian's version of events, only to hide it away for fear its publication would result in his arrest. For the Wordsworth scholar Jane Gresham, the missing manuscript—if indeed it ever existed—is the ultimate prize. But on her trail is someone with a more than academic interest in the 200-year-old text, someone who will kill to get their hands on a bounty worth millions.

**The King Arthur Case** Jean-Luc Bannalec 2022-04-26 The King Arthur Case is the seventh installment of Jean-Luc Bannalec's bestselling mystery series. The forest of Broceliande, with its picturesque lakes and castles, is the last remnant of the fairy kingdom, if Breton lore is to be believed. Innumerable legends spanning thousands of years are set here, including the tale of King Arthur and the Round Table. It seems to be an appropriate destination for Commissaire Dupin and his team to take a late summer field trip. But when the body of a historian turns up, Dupin is called upon to investigate in the brutal murder case. Before too long, there are more victims. What knowledge do the assembled scientists have about the most recent archaeological digs in the area? Where do they stand on the controversial decision to turn parts of the forest into an amusement park? And why is no one willing to talk? Even Nolwenn, Dupin's unshakeable assistant, is concerned. And that means trouble. Mysterious, ingenious, and suspenseful: Dupin's seventh case takes him and his team into the very heart of Brittany.

**The Girl from Berlin** Ronald H. Balson 2018-10-09 In the newest novel from internationally bestselling author Ronald H. Balson, Liam and Catherine come to the aid of an old friend and are drawn into a property dispute in Tuscany that unearths long-buried secrets. An old friend calls Catherine Lockhart and Liam Taggart to his famous Italian restaurant to enlist their help. His aunt is being evicted from her home in the Tuscan hills by a powerful corporation claiming they own the deeds, even though she can produce her own set of deeds to her land. Catherine and Liam's only clue is a bound handwritten manuscript, entirely in German, and hidden in its pages is a story long-forgotten... Ada Baumgarten was born in Berlin in 1918, at the end of the war. The daughter of an accomplished first-chair violinist in the prestigious Berlin Philharmonic, and herself a violin prodigy, Ada's life was full of the rich culture of Berlin's interwar society. She formed a deep attachment to her childhood friend

Kurt, but they were torn apart by the growing unrest as her Jewish family came under suspicion. As the tides of history turned, it was her extraordinary talent that would carry her through an unraveling society turned to war, and make her a target even as it saved her, allowing her to move to Bologna—though Italy was not the haven her family had hoped, and further heartache awaited. What became of Ada? How is she connected to the conflicting land deeds of a small Italian villa? As they dig through the layers of lies, corruption, and human evil, Catherine and Liam uncover an unfinished story of heart, redemption, and hope—the ending of which is yet to be written. Don't miss Liam and Catherine's latest adventures in *The Girl from Berlin!*

And as questions mount—most notably about a troubling real estate proposal in the region and the sudden reappearance of an elderly countess—Bruno and his colleagues are drawn ever closer to a climactic showdown in the Gouffre de Colombac: the place locals call the Devil's Cave.

expecting the worst when she is summoned to H.Q. to learn her fate. Instead, she is surprised to be told that she is to head up a new police squad, working on solving old cold cases. Though relieved to still have a job, Capestan is not overjoyed by the prospect of her new role. Even less so when she meets her new team: a crowd of misfits, troublemakers and problem cases, none of whom are fit for purpose and yet none of whom can be fired. But from this inauspicious start, investigating the cold cases throws up a number a number of strange mysteries for Capestan and her team: was the old lady murdered seven years ago really just the victim of a botched robbery? Who was behind the dead sailor discovered in the Seine with three gunshot wounds? the Blind, the new Chief Inspector Gamache novel from the #1 New York Times bestselling author. When a peculiar letter arrives inviting Armand Gamache to an abandoned farmhouse, the former head of the Sûreté du Québec discovers that a complete stranger has named him one of the executors of her will. Still on suspension, and frankly curious, Gamache accepts and soon learns that the other two executors are Myrna Landers, the bookseller from Three Pines, and a young builder. None of them had ever met the elderly woman. The will is so odd and includes bequests that are so wildly unlikely that Gamache and the others suspect the woman must have been delusional. But what if, Gamache begins to ask himself, she was perfectly sane? When a body is found, the terms of the bizarre will suddenly seem less peculiar and far more menacing. But it isn't the only menace Gamache is facing. The investigation into what happened six months ago—the events that led to his suspension—has dragged on, into the dead of winter. And while most of the opioids he allowed to slip through his hands, in order to bring down the cartels, have been retrieved, there is one devastating exception. Enough narcotic to kill thousands has disappeared into inner city Montreal. With the deadly drug about to hit the streets, Gamache races for answers. As he uses increasingly audacious, even desperate, measures to retrieve the drug, Armand Gamache begins to see his own blind spots. And the terrible things hiding there.

**Bruno, Chief of Police** Martin Walker 2009-03-24 The first installment in the delightful, internationally acclaimed series featuring Chief of Police Bruno. Meet Benoît Courrèges, aka Bruno, a policeman in a small village in the South of France. He's a former soldier who has embraced the pleasures and slow rhythms of country life. He has a gun but never wears it; he has the power to arrest but never uses it. But then the murder of an elderly North African who fought in the French army changes all that. Now Bruno must balance his beloved routines—living in his restored shepherd's cottage, shopping at the local market, drinking wine, strolling the countryside—with a politically delicate investigation. He's paired with a young policewoman from Paris and the two suspect anti-immigrant militants. As they learn more about the dead man's past, Bruno's suspicions turn toward a more complex motive. "Enjoyable.... Martin Walker plots with the same finesse with which Bruno can whip up a truffle omelette, and both have a clear appreciation for a life tied to the land." —The Christian Science Monitor "A nice literary pairing with the slow-food movement.... [It is] lovely...to linger at the table." —Entertainment Weekly "A wonderfully crafted novel as satisfying as a French pastry but with none of the

guilt or calories." –Tuscon Citizen's Journal

The Fleur de Sel Murders Jean-Luc Bannalec 2018-04-24 Commissaire Dupin is back in The Fleur de Sel Murders, this Brittany mystery from international bestselling author Jean-Luc Bannalec. The old salt farmers have always said that the violet scent of the Fleur de Sel at harvest time on the salt marshes of the Guérande Peninsula has been known to cause hallucinations. Commissaire Dupin also starts to believe this when he's attacked out of the blue in the salt works. He had actually been looking forward to escaping his endless paperwork and taking a trip to the "white country" between the raging Atlantic

Ocean and idyllic rivers. But when he starts snooping around mysterious barrels on behalf of Lilou Breval, a journalist friend, he finds himself unexpectedly under attack. The offender remains a mystery, and a short time later, Breval disappears without a trace. It is thanks to his secretary Nolwenn and the ambition of the prefect that Dupin is assigned to the case. But he won't be working alone because Sylvaine Rose is the investigator responsible for the department—and she lives up to her name... What's going on in the salt works? Dupin and Rose search feverishly for clues and stumble upon false alibis, massive conflicts of interest, personal feuds—and ancient Breton legends.

**A Fountain Filled With Blood** Julia Spencer-Fleming 2010-04-01 In In the Bleak Midwinter, Julia Spencer-Fleming's Malice Domestic-winning first mystery, Reverend Clare Fergusson was quickly introduced to a more eventful life than she had expected after moving to the small town of Millers Kill in upstate New York. But the Episcopal priest and former Army Air Force chopper pilot proved to her flock—and to police chief Russ Van Alstyne—that she could cope with the unexpected, even when it was as dire as murder. In this new adventure for the two ill-matched friends (who are gamely resisting something beyond friendship), evidence shows that a small town can hold just as much evil as the Wicked City. The Chicago Tribune says "[Spencer-Fleming] pulls it off again" in A Fountain Filled With Blood.

When a woman's body is found at the foot of a cliff near the idyllic French town of St. Denis, chief of police Bruno Courrèges suspects a connection to the great ruin that stands above: a long-ago Knights Templar stronghold. With the help of Amélie, a young newcomer to the Dordogne, Bruno learns that the dead woman was an archaeologist searching for a religious artifact of incredible importance. And her ties to Islamic terrorists—not to mention the return of an old flame of Bruno's, who is assigned to work with him on the case—only heightens the pressure to unravel the centuries-old mystery.
